PROXY STATEMENT

This proxy statement and enclosed proxy card are being furnished commencing on or about May 7, 2018 in connection with the solicitation by the Board of Directors of Heritage Insurance Holdings, Inc., a Delaware corporation. In this proxy statement, we refer to Heritage Insurance Holdings, Inc. as the Company, we, our or us as the Board of Directors as the Board. We are sending the proxy materials because the Board is seeking your permission (or proxy) to vote your shares at the annual meeting of stockholders on your behalf. This proxy statement presents information that is intended to help you in reaching a decision on voting your shares of common stock. Only stockholders of record at the close of business on April 23, 2018, the record date, are entitled to vote at the meeting, with each share entitled to one vote. We have no other voting securities.

Annual Meeting Information

Date and Location. We will hold the annual meeting on June 22, 2018, at 10:00 a.m. (ET), at the Grand Hyatt Tampa Bay, 2900 Bayport Dr., Tampa, Florida 33607.

Admission. Only record or beneficial owners of the Company's common stock or their proxies may attend the annual meeting in person. When you arrive at the annual meeting, you must present photo identification, such as a driver's license. **Beneficial owners must also provide evidence of stock holdings, such as a recent brokerage account or bank statement.**

Voting Information

Record Date. The record date for the annual meeting is April 23, 2018. You may vote all shares of the Company's common stock that you owned as of the close of business on that date. Each share of common stock entitles you to one vote on each item to be voted on at the annual meeting. Cumulative voting is not permitted. On the record date, 26,569,804 shares of our common stock were outstanding. We need a majority of the shares of common stock outstanding on the record date, represented in person or by proxy, to hold the annual meeting.

Confidential Voting. Your vote is confidential and will not be disclosed to any officer, director or employee, except in certain limited circumstances, such as when you request or consent to disclosure.

Vote by Proxy. If your shares of common stock are held in your name, you can vote your shares on items presented at the annual meeting or by proxy. There are three ways to vote by proxy:

1. **By Telephone** Stockholders can vote by telephone by calling 1-800-652-VOTE (8683) and following the instructions on the proxy card;
2. **By Internet** You can vote over the Internet at www.edocumentview.com/HRTG by following the instructions on the proxy card; or

3. By Mail You can vote by mail by signing, dating and mailing a proxy card that you request in writing.

Submitting Voting Instructions for Shares Held Through a Broker. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and your broker, bank or nominee is considered the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker, bank or nominee on how to vote and are also invited to attend the annual meeting with proper evidence of stock holdings, such as a recent brokerage account or bank statement. Street name stockholders should check the voting instruction cards used by their brokers or nominees for specific instructions on methods of voting. If your shares are held in street name, you must contact your broker or nominee to revoke your proxy.

Table of Contents

If you hold shares through a broker, follow the voting instructions you receive from your broker. If you want to vote in person at the annual meeting, you must obtain a legal proxy from your broker and present it at the annual meeting. If you do not submit voting instructions to your broker, your broker may still be permitted to vote your shares in certain cases. Brokers may vote your shares as described below.

Non-discretionary Items. All items, other than the ratification of the appointment of the Company's independent registered public accounting firm, are non-discretionary items. It is critically important that you submit your voting instructions if you want your shares to count for non-discretionary items, such as the election of directors. Your shares will remain unvoted for such items if your broker does not receive instructions from you.

Discretionary Item. The ratification of the appointment of the Company's independent registered public accounting firm is a discretionary item. Brokers that do not receive instructions from beneficial owners may vote uninstructed shares in their discretion.

In order to carry on the business of the meeting, we must have a quorum. This means that stockholders representing a majority of the common stock issued and outstanding as of the record date must be present at the annual meeting, either in person or by proxy, for there to be a quorum at the annual meeting. Abstentions and broker non-votes are counted as present for purposes of establishing a quorum but broker non-votes are not considered present for purposes of voting on non-discretionary items. A broker non-vote occurs when a broker or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the broker or nominee does not have discretionary voting power and has not received instructions from the beneficial owner.

Revoking Your Proxy. You can revoke your proxy at any time before your shares are voted by (1) delivering a written revocation notice prior to the annual meeting to Kirk Lusk, Chief Financial Officer, Heritage Insurance Holdings, Inc., 2600 McCormick Drive, Suite 300, Clearwater, Florida 33759; (2) submitting a later-dated proxy that we receive no later than the conclusion of voting at the annual meeting; or (3) voting in person at the annual meeting. Attending the annual meeting does not revoke your proxy unless you vote in person at the meeting.

Votes Required to Elect Directors. Directors will be elected by a plurality of the votes present in person or by proxy at the annual meeting and entitled to vote. A plurality means that the individuals who receive the largest number of votes are elected as directors up to the maximum number of directors to be elected at the annual meeting. The size of the Board is currently set at ten members.

Votes Required to Adopt Other Proposals. The ratification of Grant Thornton LLP's appointment as independent registered public accounting firm requires the affirmative vote of a majority of the shares of common stock represented at the annual meeting and entitled to vote thereon.

Withhold Votes, Abstentions and Broker Non-Votes. You may withhold your vote with respect to any nominee the election of directors and may abstain from voting on the other proposals. Shares abstaining from voting on any proposal will be counted as present at the annual meeting for purposes of establishing the presence of a quorum.

Withhold votes with respect to any nominee for director will have no effect on the election of directors. Your abstention will have the effect of a vote against the ratification of the appointment of Grant Thornton LLP as independent registered public accounting firm for fiscal year 2018. Broker non-votes will have no effect on the election of directors. There will be no broker non-votes with respect to the ratification of Grant Thornton LLP's appointment as independent registered public accounting firm, as it is a discretionary item.

JOBS Act Explanatory Note

We are an emerging growth company under applicable federal securities laws and are therefore permitted to take advantage of certain reduced public company reporting requirements. As an emerging growth company, we provide in this proxy statement the scaled disclosure permitted under the Jumpstart Our Business Startups Act of 2012 (the JOBS Act), including the compensation disclosures required of a smaller reporting company, as that term is defined in Rule 12b-2 promulgated under the Securities Exchange Act of 1934, as amended (the Exchange Act). In addition, as an emerging growth company, we are not required to conduct votes seeking approval, on an advisory basis, of the compensation of our named executive officers or the frequency with which such votes must be conducted. We will remain an emerging growth company until the earliest of (i) the last day of the fiscal year in which we have total annual gross revenues of \$1.07 billion or more; (ii) December 31, 2019; (iii) the date on which we have issued more than \$1 billion in nonconvertible debt during the previous three years; or (iv) the date on which we are deemed to be a large accelerated filer under the rules of the SEC.

PROPOSALS TO BE VOTED ON

Proposal 1: Election of Directors

Nominees

The size of the Board is currently set at ten members. At the annual meeting, the stockholders will elect ten directors to serve until the 2019 annual meeting of stockholders or until their respective successors are elected and qualified. Any director vacancy occurring after the election may be filled by a majority vote of the remaining directors. In accordance with the Company's Bylaws, a director appointed to fill a vacancy will be appointed to serve until the next annual meeting of stockholders.

Assuming a quorum is present, the ten nominees receiving the highest number of affirmative votes of shares entitled to be voted for them will be elected as directors of the Company. Stockholders are not entitled to cumulate votes in the election of directors. All nominees have consented to serve as directors, if elected. If any nominee is unable or unwilling to serve as a director at the time of the annual meeting, the persons who are designated as proxies intend to vote, in their discretion, for such other persons, if any, as may be designated by the Board. As of the date of this proxy statement, the Board has no reason to believe that any of the director nominees named herein will be unable or unwilling to serve as a director if elected.

The Company believes that its Board, as a whole, should encompass a range of talent, skill, diversity, experience and expertise enabling it to provide sound guidance with respect to the Company's operations and interests. In addition to considering a candidate's background, experience and accomplishments, candidates are reviewed in the context of the current composition of the Board and the evolving needs of our business. Although the Company does not have a formal policy with regard to the consideration of diversity in identifying candidates, the Corporate Governance and Nominating Committee strives to nominate candidates with a variety of complementary skills so that, as a group, the Board will possess the appropriate level of talent, skills and expertise to oversee the Company's business. The Company regularly assesses the size of the Board, whether any vacancies are expected due to retirement or otherwise, and the need for particular expertise on the Board. The Company's policy is to have at least a majority of our directors qualify as independent directors as defined in the rules of the NYSE. Currently, seven of our ten directors are independent.

The Corporate Governance and Nominating Committee seeks candidates with strong reputations and experience in areas relevant to the strategy and operations of the Company, particularly in industries and growth segments that the Company serves, as well as key geographic markets where it operates. Each of the director nominees holds or has held senior positions in complex organizations and has operating experience that meets this objective, as described below. In these positions, they have also gained experience in core management skills, such as strategic and financial planning, financial reporting, corporate governance, risk management and leadership development.

The Corporate Governance and Nominating Committee also believes that each of the nominees, each of whom is a current director, has the experience, expertise, integrity, sound judgment and ability to engage management in a collaborative fashion to collectively comprise an effective Board. In addition, the Corporate Governance and Nominating Committee believes that each of the nominees is committed to devoting significant time and energy to service on the Board and its committees.

The names of the director nominees, their ages as of April 24, 2018, their recent employment or principal occupation, the names of any public companies for which they currently serve as a director or have served as a director within the past five years, and their period of service as a Company director are set forth below.

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Board Leadership Structure

The Board determines whether it is appropriate to combine or separate the roles of Chairman of the Board and CEO depending on the Company's circumstances at the time. Our Board of Directors currently believes it is in the best interests of the

Table of Contents

company to combine the positions of Chairman and CEO because this provides the Company with unified leadership and direction. Mr. Lucas, who currently serves as the Company's CEO and as Chairman of the Board, possesses in-depth knowledge of the issues, opportunities and challenges the Company faces, and is thus best positioned to develop agendas and highlight issues that ensure that the Board's time and attention are focused on the most critical matters. In addition, the Board has determined that this leadership structure is optimal because it believes that having one leader serving as both the Chairman and CEO provides decisive, consistent and effective leadership, as well as clear accountability. Having one person serve as Chairman and CEO also enhances the Company's ability to communicate its message and strategy clearly and consistently to its stockholders, employees, and business partners, particularly during times of turbulent economic and industry conditions. Although the Board believes that the combination of the Chairman and CEO roles is appropriate under current circumstances, it will continue to review this issue periodically to determine whether, based on the relevant facts and circumstances, separation of these offices would serve the Company's best interests and the best interests of its stockholders.

Board of Directors Role in Risk Oversight

Our Board oversees the risk management activities designed and implemented by our management. The Board executes its oversight responsibility for risk management both directly and through its committees. The full Board also considers specific risk topics, including risks associated with our strategic plan, business operations and capital structure. In addition, the Board receives detailed regular reports from members of our senior management and other personnel that include assessments and potential mitigation of the risks and exposures involved with their respective areas of responsibility.

Our Board has delegated to the Audit Committee oversight of our risk management process. Our other Board committees also consider and address risk as they perform their respective committee responsibilities. All committees report to the full Board as appropriate, including when a matter rises to the level of a material or enterprise level risk. The independent Board members also discuss the Company's significant risks when they meet in executive session without management, as described below.

Meetings and Committees of the Board of Directors

During 2017, the Board held five meetings. During 2017, each director attended at least 75% of the aggregate of the total number of meetings of the Board held during the period in which he or she was a director and the total number of meetings held by all of the committees of the Board on which he or she served. The Board has an Audit Committee, a Compensation Committee and a Corporate Governance and Nominating Committee. The Audit, Compensation and Corporate Governance and Nominating Committees were formally established in May 2014 in connection with the Company's initial public offering and operate under written charters adopted by the Board.

At the Board meetings, independent directors of the Company meet regularly in executive session without management as required by the NYSE listing standards. The Audit Committee is composed of non-employee directors, each of whom is independent under rule 10A-3 under the Exchange Act and the applicable listing standards of the NYSE, and is responsible for, among other things, supervising internal audit and reviewing internal financial controls and accounting principles to be employed in the preparation and review of our financial

statements. In addition, the Audit Committee has authority to engage public accountants to audit our annual financial statements and determine the scope of the audit to be undertaken by such accountants. Ms. Barlas is our audit committee financial expert under the SEC rule implementing Section 404 of the Sarbanes-Oxley Act of 2002. During 2017, the Audit Committee held four meetings.

Additionally, the Compensation Committee reviews and recommends to our CEO and the Board policies, practices and procedures relating to the compensation of managerial employees and the establishment and administration of certain employee benefit plans for managerial employees. Mr. Pappas serves as the chairman of our Corporate Governance and Nominating Committee and, subject to his re-election to serve an additional one-year term, the Board has elected Mr. Pappas to continue as chairman of the Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee is composed of independent non-employee directors, each of whom is independent as required by the applicable listing standards of the NYSE, and is responsible for, among other things, assisting the Board with its responsibilities regarding:

the identification of individuals qualified to become directors;

the selection of the director nominees for the next annual meeting of stockholders;

the selection of director candidates to fill any vacancies on the Board;

the performance, composition, duties and responsibilities of the Board and the committees of the Board;

succession planning for our CEO; and

the operation of the Board with respect to corporate governance matters.

In evaluating and determining whether to nominate a candidate for a position on the Company's Board, the Corporate Governance and Nominating Committee will consider the candidate's professional ethics and values, relevant management experience and a commitment to enhancing stockholder value. The Company regularly assesses the size of the Board, whether any vacancies are expected due to retirement or otherwise, and the need for particular expertise on the Board. Candidates may come to the attention of the Corporate Governance and Nominating Committee from current Board members, stockholders, professional search firms, officers or other persons. The Corporate Governance and Nominating Committee will review all candidates in the same manner regardless of the source of recommendation. During 2017, the Corporate Governance and Nominating Committee held one meeting.

The Corporate Governance and Nominating Committee will consider stockholder recommendations of candidates when the recommendations are properly submitted in accordance with the Company's Bylaws. Any stockholder recommendations which are submitted under the criteria summarized above should include the candidate's name and qualifications for Board membership and should be addressed to one of our employees.

For purposes of potential nominees to be considered at the 2019 annual stockholders' meeting, the Corporate Secretary must receive this information no earlier than February 22, 2019 and no later than the close of business on March 23, 2019 in accordance with the procedures in the Bylaws. In addition, the notice must include the stockholder's name, address and the number of shares beneficially owned (and the period they have been held).

In 2017, the Company did not engage a third party to identify, evaluate or assist in identifying potential nominees for director.

Apostolou, Houvardas, Masiello, Pappas, Vattamattam and Walvekar and Ms. Barlas is an independent director, as defined under the rules of the NYSE. In making the independence determination, the Board considered the current and prior relationships that each non-employee director has with the Company and all other facts and circumstances that the Board deemed relevant, including the beneficial ownership of the Company's capital stock by each non-employee director and the transactions involving them as described in the section titled "Certain Relationships and Related Party Transactions."

AUDIT COMMITTEE REPORT

The Audit Committee of the Board consists of three non-employee directors, Irini Barlas, Trifon Houvardas and Vijay Walvekar, each of whom the Board has determined to be an independent director as defined in the rules of the NYSE. The Audit Committee is a standing committee of the Board and operates under a written charter adopted by the Board, which is available at www.heritagepci.com on the Investor page under the link Corporate Governance. Among its other functions, the Audit Committee has the authority and responsibility to retain and terminate the engagement of the Company's independent registered public accounting firm (the independent auditors).

Management is responsible for the Company's internal controls and the financial reporting process. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States) and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

During 2017, at each of its meetings, the Audit Committee met with the senior members of the Company's financial management team and the independent auditors. The Audit Committee's agenda is established by the Audit Committee's chairwoman and senior members of the Company's financial management team. The Audit Committee met in private sessions with the Company's independent auditors at certain of its meetings, and also separately with the Company's head of internal audit, without management representation, to discuss financial management, accounting and internal control issues. The Audit Committee has reviewed and discussed with management and the independent auditors the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2017, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the consolidated financial statements. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles. The Audit Committee discussed with the independent auditors matters required to be discussed by the Statement on Auditing Standards No. 61,

Communication with Audit Committees, as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

The Company's independent auditors also provided to the Audit Committee the written disclosures and the letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence. The Committee discussed with the independent auditors that firm's independence and considered whether the non-audit services provided by the independent auditors are compatible with maintaining their independence.

Based on the Audit Committee's discussion with management and the independent auditors, and the Audit Committee's review of the representation of management and the report of the independent auditors to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2017.

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as householding, potentially provides convenience for stockholders and cost savings for companies.

We agree to deliver promptly, upon written or oral request, a separate copy of the notice and, if applicable, proxy materials, as requested, to any stockholder at the shared address to which a single copy of these documents was delivered.
