Named Executive Officer New Hire Compensation

In March 2018, the Compensation Committee approved a new hire cash bonus payment and equity grants for Ms. Martinez, our new Executive Vice President and Chief Customer Experience Officer. Ms. Martinez fills a critical role on Cisco s Executive Leadership team to help Cisco achieve its strategic priorities. The Compensation Committee approved her new hire compensation package after consulting with its independent executive compensation consultant regarding market custom and practice for such packages. As part of her new hire package, Ms. Martinez received a \$13 million new hire cash bonus payment, subject to recoupment if she voluntarily terminates employment with the Company or if her employment is terminated for cause within 24 months. The magnitude of this new hire cash bonus payment was designed to approximate the value of the unvested equity she forfeited by leaving Salesforce.com.
