Explanation of Responses:

If the form is filed by more than one reporting person, see Instruction 4(b)(v).

Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

Represent contingent rights to acquire common shares ("Performance Shares") that are subject to a performance goal that is based on a calculated return on equity versus a pre-determined target return on equity of 20%. The return on equity is calculated by dividing earnings

(1) before interest and income tax from continuing operations over the performance period by ending shareholders' equity over the performance period ("ROE"). Unless there is a change in control, none of these shares will be issued if the ROE for Core Laboratories N.V. ("Core") is less than 20% for the three-year performance period.

If Core's ROE for the performance period equals 20%, then 50% of the shares will be issued, and if Core's ROE for the performance period equals or exceeds 24%, then 100% of the shares will be issued. If Core's ROE for the performance period is greater than 20% but

- less than 24%, then the number of shares to be issued would be interpolated based on the terms of the agreement. If a change in control of Core occurs prior to the last day of the performance period and while the executive officer is employed by Core, then all of the executive officer's Performance Shares will vest as of the date of the change in control.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
