*Compensation of Directors and Officers.* Pursuant to a Management Agreement with the Fund, the Manager pays all compensation and expenses of officers and employees of the Fund as well as the fees and expenses of all management Interested Directors.

The Fund pays each of its Independent Directors and non-management Interested Directors annual compensation in addition to certain out-of-pocket expenses. Independent Directors and non-management Interested Directors who serve on committees of the Board may receive additional compensation. The amount of annual compensation paid to each Independent Director and non-management Interested Director may change as a result of the introduction of additional funds on whose board the Directors may be asked to serve.

Independent Directors and non-management Interested Directors may defer receipt of their fees pursuant to a deferred fee agreement with the Fund. Under the terms of the agreement, the Fund accrues deferred Independent Directors and non-management Interested Directors fees daily which, in turn, accrue interest at a rate equivalent to the prevailing rate of 90-day U.S. Treasury Bills at the beginning of each calendar quarter or at the daily rate of return of any Prudential Investments mutual fund chosen by the Independent Directors and non-management Interested Directors. Payment of the interest so accrued is also deferred and becomes payable at the option of the Independent Director/non-management Interested Director. The Fund's obligation to make payments of deferred Independent Directors /non-management Interested Directors fees, together with interest thereon, is a general obligation of the Fund. The Fund does not have a retirement or pension plan for its Independent Directors and non-management Interested Directors.

The following table sets forth the compensation paid by the Fund to the Independent Directors and non-management Interested Directors for service on the Board for the Fund's fiscal year ended May 31, 2015, and the board of any other investment company in the Prudential mutual fund complex (the Fund Complex) for the calendar year ended December 31, 2014. Aggregate compensation received by Directors serving for the full calendar year ended December 31, 2015 is not expected to be materially different than the 2014 compensation detailed in the table below. With the exception of Grace C. Torres, who serves as a non-management Interested Director, Interested Directors do not receive compensation from PI-managed funds and therefore are not shown in the following table.

The scope of the Audit Committee's responsibilities is oversight. It is management's responsibility to maintain appropriate systems for accounting and internal control and the independent registered public accounting firm's responsibility to plan and carry out an audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). The Audit Committee charter is attached as Annex A and is available on the Fund's website. During the fiscal year ended July 31, 2015, the Audit Committee met four times.

*Leadership Structure and Qualifications of Board of Directors.* The Board is responsible for oversight of the Fund. The Fund has engaged the Manager to manage the Fund on a day-to-day basis. The Board oversees the Manager and certain other principal service providers in the operations of the Fund. The Board is currently composed of ten members, seven of whom are Independent Directors. The Board meets in-person at regularly scheduled meetings four times throughout the year. In addition, the Directors may meet in-person or by telephone at special meetings or on an informal basis at other times. As described above, the Board has established three standing committees – Audit, Nominating and Governance, and Dryden Investment Committee – and may establish ad hoc committees or working groups from time to time to assist the Board in fulfilling its oversight responsibilities. The Independent Directors have also engaged independent legal counsel to assist them in fulfilling their responsibilities.

The Board is chaired by an Independent Director. As Chair, this Independent Director leads the Board in its activities. Also the Chair acts as a member or as an ex-officio member of each standing committee and any ad hoc committee of the Board. The Directors have determined that the Board's leadership and committee structure is appropriate because the Board believes it sets the proper tone to the relationships between the Fund, on the one hand, and the Manager, the subadviser(s) and certain other principal service providers, on the other hand, and facilitates the exercise of the Board's independent judgment in evaluating and managing the relationships. In addition, the structure efficiently allocates responsibility among committees. During the fiscal year ended July 31, 2015, the Board met ten times. Each Director then a Board Member attended all of the meetings of the Board and the committees of which he or she was a member. The Fund does not have a policy regarding the Directors' attendance at annual meetings of stockholders, and no Directors attended the Fund's annual meeting of stockholders held in March 2015.

The Board has concluded that, based on each Director's experience, qualifications, attributes or skills on an individual basis and in combination with those of the other Directors, each Director should serve as a Director. Among other attributes common to all Directors are their ability to review critically, evaluate, question and discuss information provided to them, to interact effectively with the various service providers to the Fund, and to exercise reasonable business judgment in the performance of their duties as Directors. In addition, the Board has taken into account the actual service and commitment of the Directors during their tenure in concluding that each should continue to serve. A Director's ability to perform his or her duties effectively may have been attained through a Director's educational background or professional training; business, consulting, public service or academic positions; experience from service as a Director of the Fund, other funds in the Fund Complex, public companies, or non-profit entities or other organizations; or other experiences. Set forth below is a brief discussion of the specific experience, qualifications, attributes or skills of each Director that led the Board to conclude that he or she should serve as a Director.

Messrs. Redeker and Stoneburn have each served as a Board Member of mutual funds in the Fund Complex for more than 14 years, including as members and/or Chairs of various Board committees. Mr. Stoneburn has more than 30 years of experience as senior executive officer of operating companies and/or as a director of public companies. Mr. Redeker has more than 47 years of experience as a senior executive in the mutual fund industry. Ms. Bynoe has been a Board Member of the Fund and other funds in the Fund Complex since 2005, having served on the boards of other mutual fund complexes since 1993. She has worked in the financial services industry over 11 years, has approximately 20 years experience as a management consultant and serves as a Director of financial services and other complex global corporations. Messrs. Bannon and Hyland joined the Board of the Fund and other funds in the Fund Complex in 2008. Each has held senior executive positions in the financial services industry, including serving as senior executives of asset management firms, for over 17 years. Ms. Alberding and Mr. Hartstein joined the Board of the Fund and other funds in the Fund Complex in 2013. Ms. Alberding has 30 years of experience in the non-profit sector, including over 20 years as the president of a charitable foundation, where she oversees multiple investment managers. Ms. Alberding also served as a Trustee of the Aon Funds from 2000 to 2003. Mr. Hartstein has worked in the asset management industry for almost 30 years and served as a senior executive in an asset management firm. Mr. Parker, who has served as an Interested Board Member and President of the Fund and the other funds in the Fund Complex since 2012, is President,

Chief Operating Officer and Officer-in-Charge of PI and several of its affiliates that provide services to the Fund and has held senior positions in PI since 2005. Mr. Benjamin, an Interested Board Member of the Fund and other funds in the Fund Complex since 2010, has served as a Vice President of the Fund and other funds in the Fund Complex since 2009 and has held senior positions in PI since 2003. Ms. Torres, a non-management Interested Board Member of the Fund and other funds in the Fund Complex, formerly served as Treasurer and Principal Financial and Accounting Officer for the Fund and other funds in the Fund Complex for 16 years and held senior positions with the Manager from 1999 to 2014. In addition, Ms. Torres is a certified public accountant (CPA). Specific details about each Board Member's professional experience appear in the professional biography tables, above.

*Risk Oversight.* Investing in general and the operation of a registered investment company involves a variety of risks, such as investment risk, compliance risk and operational risk, among others. The Board oversees risk as part of its oversight of the Fund. Risk oversight is addressed as part of various regular Board and committee activities. The Board, directly or through its committees, reviews reports from, among others, the Manager, subadvisers, the Fund's Chief Compliance Officer, the Fund's independent registered public accounting firm, counsel, and internal auditors of the Manager or its affiliates, as appropriate, regarding risks faced by the Fund and the risk management programs of the Manager and certain service providers. The actual day-to-day risk management with respect to the Fund resides with the Manager and other service providers to the Fund. Although the risk management policies of the Manager and the service providers are designed to be effective, those policies and their implementation vary among service providers and over time, and there is no guarantee that they will be effective. Not all risks that may affect the Fund can be identified or processes and controls developed to eliminate or mitigate their occurrence or effects, and some risks are simply beyond any control of the Fund or the Manager, its affiliates or other service providers.

*Selection of Director Nominees.* The Nominating and Governance Committee is responsible for considering nominees for election as Directors at such times as it considers electing new members to the Board. The Nominating and Governance Committee may consider recommendations by business and personal contacts of current Directors and by executive search firms which the committee may engage from time to time and will also consider stockholder recommendations. The Nominating and Governance Committee has not established specific, minimum qualifications that it believes must be met by a nominee. In evaluating nominees, the Nominating and Governance Committee considers, among other things, an individual's background, skills, and experience; whether the individual is an interested person as defined in the 1940 Act; and whether the individual would be deemed an audit committee financial expert within the meaning of applicable SEC rules. The Nominating and Governance Committee also considers whether the individual's background, skills, and experience will complement the background, skills, and experience of other nominees and will contribute to the diversity of the Board. There are no differences in the manner in which the Nominating and Governance Committee evaluates nominees for the Board based on whether the nominee is recommended by a stockholder.

A stockholder who wishes to recommend a person for nomination for election as a Director should submit his or her recommendation in writing to the Chair of the Board (Richard A. Redeker) or the Chair of the Nominating and Governance Committee (Michael Hyland), in either case in care of the Fund, at 655 Broad Street, 17<sup>th</sup> Floor, Newark, New Jersey 07102. At a minimum, the recommendation should include: the name, address and business, educational and/or other pertinent background of the person being recommended; a statement concerning whether the person is an interested person of the Fund as defined in the 1940 Act; any other information that the Fund would be required to include in a proxy statement concerning the person if he or she was nominated; and the name and address of the person submitting the recommendation, together with the shares of stock of the Fund held by such person and the period for which the shares have been held. The recommendation also can include any additional information which the person submitting it believes would assist the Nominating and Governance Committee in evaluating the recommendation.

Stockholders should note that a person who owns securities issued by Prudential Financial, Inc. (the parent company of the Manager) would be deemed an interested person under the 1940 Act. In addition, certain other

relationships with Prudential Financial, Inc. or its subsidiaries, with registered broker-dealers, or with the Fund's outside legal counsel may cause a person to be deemed an interested person. Before the Nominating and Governance Committee decides to nominate an individual to the Board, committee members and other Directors customarily interview the individual in person. In addition, the individual customarily is asked to complete a detailed questionnaire which is designed to elicit information which must be disclosed under SEC and stock exchange rules and to determine whether the individual is subject to any statutory disqualification from serving on the board of a registered investment company.

*Share Ownership.* Information relating to each Director's stock ownership in the Fund and in all registered funds in the Fund Complex that are overseen by the respective Director as of December 31, 2015 is set forth in the chart below.

Name	Dollar Range of Equity Securities in the Fund	Aggregate Dollar Range of Equity Securities in All Registered Investment Companies Overseen by Director in Fund Complex

Stockholders can communicate directly with an individual Director by writing to that Director, c/o the Fund, 655 Broad Street, 17<sup>th</sup> Floor, Newark, New Jersey 07102. ### Report of the Audit Committee

The Board of Directors of the Fund has an Audit Committee consisting of Kevin J. Bannon (Chair), Ellen S. Alberding, Linda W. Bynoe and Richard A. Redeker (ex-officio). Each member of the Audit Committee (i) is not an interested person of the Fund or of PI, within the meaning of Section 2(a)(19) of the 1940 Act and (ii) meets the independence requirements of Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, as amended. The Audit Committee met four times during the fiscal year ended July 31, 2015. The Audit Committee has a charter, a copy of which is attached as Annex A and is also available on the Fund's web site at <http://www.prudentialfunds.com>.

## Edgar Filing: - Form

The function of the Audit Committee is to oversee the Fund's accounting and financial reporting processes, which includes the selection, retention, compensation and termination of the Fund's independent registered

public accounting firm. In connection therewith, the Audit Committee reviews with management and the Fund's independent registered public accounting firm, among other things, the scope of the independent registered accounting firm's audit of the Fund's financial statements, reviews and discusses the Fund's annual audited financial statements with management, reviews the independent registered public accounting firm's required communications regarding the scope and results of the audit, reviews and approves in advance the types of services to be rendered by the independent registered public accounting firm, reviews matters related to the independence of the Fund's independent registered public accounting firm and in general considers and reports to the Board on matters regarding the Fund's accounting and financial reporting processes.

In performing its oversight function, at a meeting held on September 16, 2015, the Audit Committee reviewed and discussed the Fund's audited financial statements as of and for the year ended July 31, 2015 with management of the Fund and the Fund's independent registered public accounting firm and discussed the audit of such financial statements with the independent registered public accountants.<sup>3</sup> The Audit Committee also discussed with the independent registered public accountants the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU Section 380). The Audit Committee received the written disclosures and the letter from the independent registered public accounting firm required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with the independent registered public accounting firm its independence.

The members of the Audit Committee are not, and do not represent themselves to be, accountants or auditors by profession or experts in the fields of accounting or auditing, including in respect of auditor independence or internal controls notwithstanding the fact that one or more members may be designated an audit committee financial expert. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the independent registered public accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate financial reporting principles and policies, or internal controls, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the Fund's independent registered public accounting firm is in fact independent.

Based on its consideration of the audited financial statements and the discussions and reports referred to above with management and the independent registered public accounting firm, and subject to the limitations on the responsibilities and role of the Audit Committee set forth in the Audit Committee Charter and those discussed above, the Audit Committee recommended to the Board of Directors of the Fund that the Fund's audited financial statements as of and for the year ended July 31, 2015 be included in the Fund's annual report to stockholders for the fiscal year ended July 31, 2015.

Submitted by the Audit Committee of the Fund's Board of Directors

Richard A. Redeker (ex-officio)

September 16, 2015

- <sup>3</sup> The membership of the Fund's Audit Committee as of the September 16, 2015 meeting consisted of Stephen P. Munn (Chair), Ellen S. Alberding, Kevin J. Bannon and Richard A. Redeker (ex-officio).

## Board Recommendation and Required Vote

Directors are elected by the affirmative vote of the holders of a majority of the shares of the Fund's common stock outstanding and entitled to vote thereon. For purposes of the election of Directors, abstentions and broker non-votes, if any, will not be considered votes cast, and will have the same effect as a vote against the election of a Director.

**The Board of Directors, including the Directors who are not interested persons, unanimously recommends that stockholders of the Fund vote FOR each of the nominees for election as a Class I Director.**

## SUBMISSION OF STOCKHOLDER PROPOSALS AND OTHER STOCKHOLDER COMMUNICATIONS

All proposals by stockholders of the Fund that are intended to be included in the Fund's proxy statement for, and presented, at the 2017 Annual Meeting of Stockholders must be received by the Fund for inclusion in the Fund's proxy statement and proxy relating to that meeting no later than September 16, 2016. Stockholder proposals are subject to certain regulations under the federal securities laws. The Fund's Bylaws currently provide that any stockholder who desires to bring a proposal at the 2017 Annual Meeting of Stockholders without including such proposal in the Fund's proxy statement must deliver written notice thereof to the Secretary of the Fund (addressed c/o Prudential Investments LLC, 655 Broad Street, 17<sup>th</sup> Floor, Newark, New Jersey 07102) during the 30 day period from August 17, 2016 to 5:00 P.M. Eastern Time on September 16, 2016, accompanied by the information and certifications required by the Fund's Bylaws.

**AUDIT COMMITTEE CHARTER**  
**OF THE PRUDENTIAL RETAIL MUTUAL FUNDS**

**I. Qualifications for Membership on the Audit Committee**

The Audit Committee of each Prudential Retail Mutual Fund (each, a Fund ) shall consist of a minimum of three Directors of the Fund, appointed by the Board of Directors of the Fund:

- (a) no member shall be an interested person of the Fund, as that term is defined in Section 2(a)(19) of the Investment Company Act of 1940 (1940 Act) and each member shall meet any applicable independence requirements of any national securities exchange or market quotation system on which Fund shares are or become listed or quoted;
- (b) no member shall accept directly or indirectly any consulting, advisory, or other compensatory fee from the Fund (other than in his or her capacity as a member of the Board of Directors or any committee thereof);
- (c) at the time of his or her appointment to the Audit Committee, each member shall be financially literate as such qualification is interpreted by the Board of Directors in its business judgment, or must become financially literate within a reasonable period of time after his or her appointment to the Audit Committee; and
- (d) at least one member must have accounting or related financial management expertise as the Board of Directors interprets such qualification in its business judgment.

The Board of Directors shall determine (i) annually if simultaneous service on the audit committees of more than three public companies by a member of the Audit Committee would not impair the ability of such member to effectively serve on the Audit Committee and (ii) biennially whether any member of the Audit Committee is an audit committee financial expert, as defined in Item 3 of Form N-CSR.

**II. Purposes of the Audit Committee**

The purposes of the Audit Committee are:

- (a) to oversee the accounting and financial reporting processes of the Fund and its internal control over financial reporting;
- (b) to oversee the integrity of the Fund's financial statements and the independent audit thereof;
- (c) to oversee, or as appropriate, assist Board oversight of, the Fund's compliance with legal and regulatory requirements that relate to the Fund's accounting and financial reporting, internal control over financial reporting and independent audits;
- (d) to approve the engagement of the Fund's independent registered public accounting firm ( independent accountants ) and, in connection therewith and on an ongoing basis, to review and evaluate the qualifications, independence and performance of the Fund's independent accountants;

Edgar Filing: - Form

- (e) to prepare an Audit Committee report as required by rules promulgated by the Securities and Exchange Commission to be included in a Fund proxy statement; and
- (f) to act as a liaison between the Fund's independent accountants and the full Board.

### **III. Role and Responsibilities of the Audit Committee**

The function of the Audit Committee is oversight; it is management's responsibility to maintain appropriate systems for accounting and internal control over financial reporting, and the independent accountants' responsibility to plan and carry out a proper audit. Specifically, Fund management is responsible for: (1) preparation, presentation and integrity of the Fund's financial statements; (2) maintenance of appropriate accounting and financial reporting principles and policies; (3) maintenance of internal control over financial reporting and other procedures designed to assure compliance with accounting standards and related laws and regulations; and (4) maintenance of procedures for the reporting to the Audit Committee of material findings by the internal audit department of Prudential Financial, Inc. relating to the operations of the Fund and/or its advisers or service providers. The independent accountants are responsible for planning and carrying out an audit consistent with applicable legal and professional standards and terms of their engagement letter. The independent accountants are accountable to the Board of Directors and the Audit Committee, as representatives of the shareholders. The Audit Committee and the Board of Directors have the ultimate authority and responsibility to retain and terminate the Fund's independent accountants (subject, if applicable, to shareholder ratification). Nothing in this Charter shall be construed to reduce the responsibilities or liabilities of the Fund's service providers, including the independent accountants.

The review of a Fund's financial statements by the Audit Committee is not an audit, nor does the Committee's review substitute for the responsibilities of the Fund's management for preparing, or the independent accountants for auditing, the financial statements. In fulfilling their responsibilities hereunder, it is recognized that members of the Audit Committee are not full-time employees of the Fund or management and, in serving on this Committee, are not, and do not hold themselves out to be, acting as accountants or auditors. As such, it is not the responsibility of the Committee or its members to conduct audits, to determine that the financial statements are complete and accurate and are in accordance with generally accepted accounting principles, to conduct field work or other types of auditing or accounting reviews or procedures.

In discharging their duties, the members of the Audit Committee are entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by: (1) one or more officers of the Fund whom the Director reasonably believes to be reliable and competent in the matters presented; (2) legal counsel, public accountants, or other persons as to matters the Director reasonably believes are within the person's professional or expert competence; (3) a Board committee of which the Director is not a member; and (4) representations made by management as to any information technology, internal audit and other non-audit services provided by the independent accountants to the Fund. Management means the Fund's investment adviser or administrator, acting through its officers and employees, not the Fund's officers as such.

### **IV. Duties and Powers of the Audit Committee**

To carry out its purposes, the Audit Committee shall have the following duties and powers:

- (a) to select or retain independent accountants to annually audit and provide their opinion on the Fund's financial statements, and recommend to those Board members who are not interested persons (as that term is defined in Section 2(a)(19) of the 1940 Act) to ratify the selection or retention;
- (b) to terminate, as appropriate, the independent accountants;
- (c) to monitor the independence and capabilities of the independent accountants;
- (d) to review and approve the independent accountants' compensation and the proposed terms of their engagement, including the fees proposed to be charged to the Fund by the independent accountants for each audit and non-audit service;

A-2

- (e) to approve prior to appointment, the engagement of the independent accountant or any other independent accounting firms to provide other audit services to the Fund or to provide permissible non-audit services to the Fund, its investment adviser (which throughout this Charter includes the Fund's subadviser(s), if any), administrator or any entity controlling, controlled by, or under common control with the investment adviser or the administrator (adviser/administrator affiliate) that provides ongoing services to the Fund, if the engagement relates directly to the operations or financial reporting of the Fund and as otherwise required by law;
- (f) to discuss with management the independent accountants' proposals for implementing the rotation of the lead audit partner, the concurring partner and any other active audit engagement team partner and to consider periodically whether to rotate the audit firm itself;
- (g) to establish, to the extent deemed appropriate by the Audit Committee, policies and procedures for pre-approval of the engagement of the Fund's independent accountants to provide any of the services described in the paragraph immediately above;
- (h) to consider the controls applied by the independent accountants and any measures taken by management in an effort to assure that all items requiring pre-approval by the Audit Committee are identified and referred to the Committee in a timely fashion;
- (i) to consider whether the non-audit services provided by the Fund's independent accountants to the Fund, the Fund's investment adviser, administrator or any adviser/administrator affiliate that provides ongoing services to the Fund, are compatible with maintaining the independent accountants' independence;
- (j) to recommend to the Board of Directors the appointment of the Fund's principal accounting officer and principal financial officer;
- (k) to review with the independent accountants the arrangements for and scope of the annual audit and any special audits; the personnel, staffing, qualifications and experience of the independent accountants, including any specialized knowledge or skill needed to perform the audits; any significant changes to the planned audit strategy or identified risks; and any significant issues that the independent accountants discussed with management in connection with their appointment or retention;
- (l) to oversee the work of the Fund's independent accountants by reviewing, with the independent accountants, (i) the arrangements for, the scope of, and the results of, the audit of annual financial statements, including any significant changes to the planned audit strategy or identified risks; and (ii) the Fund's accounting and financial reporting policies and practices, its internal controls and, as appropriate, the internal controls of key service providers;
- (m) to review and discuss the Fund's annual audited financial statements, and, to the extent required by applicable law or regulations, the Fund's semi-annual financial statements, with Fund management and the Fund's independent accountants, including the significant assumptions underlying highly subjective estimates and any accounting adjustments arising from the audit that were noted or proposed by the independent accountants but were not implemented (as immaterial or otherwise); reviewing the Fund's specific disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations, to review the independent accountants' opinion on the Fund's financial statements; and to review any matters relating to the other information in documents containing the audited financial statements of the Fund;
- (n) to review with the independent accountants all matters required to be communicated to the Audit Committee by the independent accountants including, but not limited to: (a) the results of the most recent inspection of the independent accountants by the Public Company Accounting Oversight Board (PCAOB), including the independent accountants' response to any identified accounting deficiencies; (b) the extent to which the independent accountants

Under ordinary circumstances, new Independent Directors will have two years to comply with this policy.

Being available to assist the Board of Directors in evaluating the quality of Director participation on the Board, which may be measured, in part, by factors such as attendance and contributions at Board meetings and by a review of responses to the annual Board Assessment Questionnaire. The Committee will review, with the Board Chair, the summary of responses to the Board Assessment Questionnaire and report those responses to the full Board. A Director automatically will be ineligible for re-nomination to the Board, and the Board will request his or her resignation, if for health or any other reason the individual fails to participate, over any eighteen-month period, in (1) three consecutive regularly scheduled in-person meetings of the Board or (2) four in-person meetings of the Board.

The Committee Chair, in consultation with the Board Chair, may make adjustments to the educational calendar during the year as appropriate due to industry or regulatory developments or other factors.
