MATERIAL FACT

BRASIL TELECOM PARTICIPAÇÕES S.A. (Company), in compliance with article 157 of Law 6.404/76, and under the terms of CVM Rule 358/02, informs its Shareholders and the market in general the replacement of the following members of the statutory management: Messrs. Ricardo Knoepfelmacher, Paulo Narcélio Simões Amaral, Luiz Francisco Tenório Perrone, following the deliberations of the Board of Directors Meeting, held on January 08, 2009, at 06:30 p.m., due to the Company's controlling change. The Company also informs that the new controller appointed new management, as follows:

LUIZ EDUARDO FALCO PIRES CORRÊA, as Chief Executive Officer. Luiz Eduardo Falco Pires Corrêa was elected chief executive officer of TNL in October 2002, after being elected CEO of Oi in October 2001. Mr. Falco was elected to TNL's board of directors as a nominee of TNL's controlling shareholder, TmarPart. He has previously worked for TAM S.A., where he assumed several positions, such as production manager, technology officer and marketing and sales vice-president. Mr. Falco has bachelor's degree in aviation engineering from Instituto Tecnológico da Aeronáutica, or ITA, and has participated in permanent education courses in marketing and finance from FGV.

ALEX WALDEMAR ZORNIG, as Chief Financial Officer and Investor Relations Officer. Alex Waldemar Zornig has graduated in Accounting at São Paulo University, and specialized by FGV. Mr. Zornig has initiated his career at PriceWaterhouseCoopers where he worked for 14 years, 3 of which in London, where he last served as Officer. He was the CFO and COO at BankBoston, where he worked for 13 years, 2 of which in Boston. He was also an Officer at Banco Itaú. Recently, Alex was performing the duties of Executive Vice President at Banco Safra, where he was in charge of all support areas of the bank.

PAULO ALTMAYER GONÇALVES, as Human Resources Executive Officer. Paulo Altmeyer Gonçalves holds a degree in Electronics Engineering from the Federal University of Rio Grande do Sul (UFRGS). He began his career as a software programmer at the CPD in UFRGS and later taught Programming Techniques there. He has worked in companies like Crefisul, Procergs, Hewlett Packard and Digital. In 1994 in São Paulo, he participated in the startup of digital trunking and pager companies linked to Mcom, Mobilcom and Mcomcast. He returned to Porto Alegre in 1998 to launch the B band mobile operator Telet, where he was Chief Sales and Marketing Officer. He was back in São Paulo in September 2000 as an executive officer at Telemar entrusted with the challenge of leading the group that worked to obtain the D Band mobile license for the region in which the company operated. In Rio in March 2001, after obtaining the D Band license, he set up the PCS mobile service with more than 4,000 stations, hundreds of points of sale, coverage in 16 states, etc. He faced a true "wartime operation" to launch Telemar's mobile service in the beginning of 2002. He is currently the Chief Technology Officer.

FRANCISCO AURÉLIO SAMPAIO SANTIAGO, remains in his position as **Technical Executive Officer**.

The new management remuneration will be defined in the next Board of Directors Meeting.

Brasília, January 08, 2009.

Alex Waldemar Zornig
Chief Financial and Investor Relations Officer

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
