#### Item 1.01 Entry into a Material Definitive Agreement.

On June 14, 2006, Insight Enterprises, Inc. (the "Company") entered into a Stock Purchase Agreement (the "Agreement") with Teletech Holdings, Inc ("Teletech"), whereby Teletech will acquire 100% of the outstanding stock of the Company's wholly owned subsidiary, Direct Alliance Corporation ("Direct Alliance") for \$46.5 million, subject to a specified level of working capital for Direct Alliance at closing. The purchase price does not include real estate and intercompany receivables, which have an estimated fair value between \$45.0 million and \$50.0 million and will be distributed to the Company immediately prior to closing. In addition to payment of the purchase price, TeleTech will be obligated under the agreement to make a one-time bonus payment to the Company if Direct Alliance achieves certain gross profit levels for the year ending December 31, 2006 ("Earn Out"). Additionally, TeleTech will be entitled to a claw back of the purchase price of up to \$5.0 million if certain Direct Alliance client contracts are not renewed on terms prescribed in the Agreement. The sale of Direct Alliance is not conditioned on the receipt of financing by Teletech, however, it is subject to customary closing conditions.

Also, the Company will pay to the holders of the 2,022,500 exercised Direct Alliance stock options an amount equal to approximately 6.3% of the purchase price plus the fair value of the real estate and intercompany receivable distributed to the Company, less the \$1.42 per share exercise price of the stock options. Any payment to option holders will be subject to adjustment if the Company receives any additional proceeds as a result of the Earn-Out or if the clawback is triggered.

The foregoing description of the Agreement is not complete and is qualified in its entirety by reference to the Agreement, a copy of which is filed as Exhibit 10.1 hereto and is incorporated herein by reference. The Company announced its entry into the Agreement in a press release dated June 15, 2006, a copy of which is filed as Exhibit 99.1 hereto and is incorporated herein by reference.
