**Item 1.01 Entry into a Material Definitive Agreement.**

On May 16, 2008, Enova Systems, Inc. ("Enova") entered into a Supply Agreement (the "Agreement") with Navistar, Inc. ("Navistar").

Pursuant to the Agreement, Navistar has agreed to purchase Post-Transmission Hybrid Drive Systems (the "Drive Systems") equipment and services exclusively from Enova, and Enova has agreed to supply Drive Systems equipment and services to Navistar. In addition, Enova has agreed to not sell Drive Systems equipment and services to any other party other than Navistar into the North American School and Commercial Bus Market, unless expressly authorized by Navistar.

The initial term of the Agreement terminates on February 28, 2011 and may be extended for two additional terms of 12 months upon agreement by Enova and Navistar. The agreement may be terminated by Navistar for any reason with 120 days prior notice to Enova by Navistar.

Navistar has no minimum purchase requirements under the Agreement, but if certain Navistar purchasing goals are not achieved by Navistar, Enova's obligation to exclusively supply Drive Systems to Navistar in the North American School and Commercial Bus Market may be terminated.

In addition, if Enova is unable to supply Navistar's requirements pursuant to the Agreement, then Navistar's obligation to exclusively purchase from Enova may be terminated.

Assuming Navistar does not terminate the contract pursuant to its terms, if Navistar's purchasing goals are met during the life of the Agreement Enova estimates the contract could generate approximately \$120 million in revenue. There is no guarantee that these purchasing goals will be met however and actual revenue received could be substantially less, depending on the Drive Systems demands of Navistar.

**Item 7.01 Regulation FD Disclosure.**

On May 19, 2008, Enova issued a press release announcing the entry into the Agreement with Navistar. A copy of the press release is furnished herewith as Exhibit 99.1.
