Additional information regarding each Nominee's and Trustee's current age, principal occupations and other directorships, if any, that have been held by the Trustees for the past five years is provided in the table below.

Leadership Structure of the Board

The Board, which has overall responsibility for the oversight of the Fund's investment programs and business affairs, believes that it has structured itself in a manner that allows it to effectively perform its oversight obligations. Mr. Deems, the Chairman of the Board ("Chairman"), is an Independent Trustee. The Trustees also complete an annual self-assessment during which the Trustees review their overall structure and consider where and how its structure remains appropriate in light of the Fund's current circumstances. The Chairman's role is to preside at all meetings of the Board and in between Board meetings to generally act as the liaison between the Board and the Fund's officers, attorneys and various other service providers, including but not limited to, the Fund's investment adviser, administrator and other such third parties servicing the Fund.

The Board has three standing committees, each of which enhances the leadership structure of the Board: the Audit Committee; the Executive Committee; and the Nominating and Corporate Governance Committee. The Audit Committee and the Nominating and Corporate Governance Committee are each chaired by, and composed of, members who are Independent Trustees. The Executive Committee consists of two Independent Trustees and one Interested Trustee.

Oversight of Risk Management

The Fund is confronted with a multitude of risks, such as investment risk, counter party risk, valuation risk, political risk, risk of operational failures, business continuity risk, regulatory risk, legal risk and other risks not listed here. The Board recognizes that not all risk that may affect the Fund can be known, eliminated or even mitigated. In addition, there are some risks that may not be cost effective or an efficient use of the Fund's limited resources to moderate. As a

result of these realities, the Board, through its oversight and leadership, has and will continue to deem it necessary for shareholders of the Fund to bear certain and undeniable risks, such as investment risk, in order for the Fund to operate in accordance with its prospectus, statement of additional information and other related documents.

However, as required under the 1940 Act, the Board has adopted on the Fund's behalf a risk program that mandates the Fund's various service providers, including the investment adviser, to adopt a variety of processes, procedures and controls to identify various risks, mitigate the likelihood of such adverse events from occurring and/or attempt to limit the effects of such adverse events on the Fund. The Board fulfills its leadership role by receiving a variety of quarterly written reports prepared by the Fund's Chief Compliance Officer ("CCO") that (1) evaluate the operation, policies and procedures of the Fund's service providers, (2) makes known any material changes to the policies and procedures adopted by the Fund or its service providers since the CCO's last report, and (3) disclose any material compliance matters that occurred since the date of the last CCO report. In addition, the Independent Trustees meet quarterly in executive sessions without the presence of any Interested Trustees, the investment adviser, the administrator, or any of their affiliates. This configuration permits the Independent Trustees to effectively receive information and have private discussions necessary to perform its risk oversight role, exercise independent judgment, and allocate areas of responsibility between the full Board, its various committees and certain officers of the Fund. Furthermore the Independent Trustees have engaged independent legal counsel and auditors to assist the Independent Trustees in performing their oversight responsibilities. As discussed above and in consideration of other factors not referenced herein, the Board has determined its leadership role concerning risk management, as one of oversight and not active management of the Fund's day-to-day risk management operations.

AUDIT COMMITTEE

The role of the Fund's Audit Committee is to assist the Board in its oversight of (i) the quality and integrity of the Fund's financial statements, reporting process and the independent registered public accounting firm (the "independent accountants") and reviews thereof, (ii) the Fund's accounting and financial reporting policies and practices, its internal controls and, as appropriate, the internal controls of certain service providers, (iii) the Fund's compliance with legal and regulatory requirements, and (iv) the independent accountants' qualifications, independence and performance. The Audit Committee is also required to prepare an audit committee report pursuant to the rules of the SEC for inclusion in the Fund's annual proxy statement. The Audit Committee operates pursuant to the Audit Committee Charter (the "Charter") that was most recently reviewed and approved by the Board on September 17, 2018. The Charter is available at the Fund's website, www.utilityincomefund.com. As set forth in the Charter, management is responsible for maintaining appropriate systems for accounting and internal control, and the Fund's independent accountants are responsible for planning and carrying out proper audits and reviews. The independent accountants are ultimately accountable to the Board and to the Audit Committee, as representatives of shareholders. The independent accountants for the Fund report directly to the Audit Committee.

Based on the findings of the Board, the Board has determined that it has two "audit committee financial experts," as defined in the rules promulgated by the SEC, and as required by the NYSE American listing standards; namely, Messrs. Deems and Holland.

The Audit Committee met three times during the fiscal year ended October 31, 2018. The Audit Committee is composed of all five of the Fund's Independent Trustees (as such term is defined by the NYSE American listing standards); namely, Ms. Mary K. Anstine and Messrs. Jeremy W. Deems, Michael F. Holland, E. Wayne Nordberg and Larry W. Papasan. None of the members of the Audit Committee is an "interested person" of the Fund.

Audit Committee Report

At a meeting held on December 17, 2018, the Audit Committee reviewed and discussed with management of the Fund and the independent accountants, Deloitte & Touche LLP ("Deloitte"), the audited financial statements of the Fund as of and for the fiscal year ended October 31, 2018, and discussed the audit of such financial statements with Deloitte.

In addition, the Audit Committee discussed with the independent accountants the accounting principles applied by the Fund and such other matters brought to the attention of the Audit Committee by the independent accountants required by Public Company Accounting Oversight Board ("PCAOB") Auditing Standard No. 1301, *Communications with Audit Committees*. The Audit Committee also received from the independent accountants the written disclosures and letters required by PCAOB Ethics and Independence Rule 3526 (*Communication with Audit Committees Concerning Independence*) and discussed the relationships between Deloitte and the Fund and the impact that any such

relationships might have on the objectivity and independence of Deloitte.

The members of the Audit Committee are not, and do not represent themselves to be, professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management or internal control purposes. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or independent verification of the facts presented to it or representations made by management or the Fund's independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and/or financial reporting principles and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with generally accepted accounting standards or that the financial statements are presented in accordance with generally accepted accounting principles.

Based on its consideration of the audited financial statements and the discussions referred to above with management and the Fund's independent accountants, and subject to the limitations on the responsibilities and role of the Audit Committee set forth in the Charter and those discussed above, the Audit Committee recommended to the Board that the Fund's audited financial statements be included in the Fund's Annual Report for the fiscal year ended October 31, 2018.
