NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. Basis of Presentation

In the opinion of the management of Ionics, Incorporated (the "Company"), all adjustments have been made that are necessary to present fairly the consolidated financial position of the Company, the consolidated results of its operations and the consolidated cash flows for each period presented. The consolidated results of operations for the interim periods are not necessarily indicative of the results of operations to be expected for the full year. These financial statements should be read in conjunction with the Company's 2000 Annual Report as filed on Form 10-K with the Securities and Exchange Commission. Other than noted below, there have been no significant changes in the information reported in those Notes, other than from the normal business activities of the Company, and there have been no changes which would, in the opinion of management, have a materially adverse effect upon the Company.

The number of options that were antidilutive at the three months ended June 30, 2001 and 2000 was 1,555,834 and 1,715,684, respectively. The number of options that were antidilutive at the six months ended June 30, 2001 and 2000 was 1,541,234 and 1,665,084, respectively.

5. Accounting Pronouncements

In July 2001, the Financial Accounting Standards Board (FASB) issued Statement of Financial Accounting Standards (SFAS) No. 141, Business Combinations. SFAS No. 141 requires that all business combinations be accounted for under the purchase method only and that certain acquired intangible assets in a business combination be recognized as assets apart from goodwill. Implementation of SFAS No. 141 is required for fiscal years beginning after December 15, 2001.

In July 2001, the FASB also issued SFAS No. 142, Goodwill and Other Intangible Assets. SFAS No. 142 addresses financial accounting and reporting for intangible assets acquired individually or with a group of assets (but not those acquired in a business combination) at acquisition. This Statement also addresses financial accounting and reporting for goodwill and other intangible assets subsequent to their acquisition. The provisions of this Statement are required to be applied with fiscal years beginning after December 15, 2001. This Statement is required to be applied at the beginning of an entity's fiscal year and to be applied to all goodwill and other intangible assets recognized in its financial statements at that date. Impairment losses for goodwill and indefinite-lived intangible assets that arise due to the initial application of this Statement are to be reported as resulting from a change in accounting principle.

SFAS Nos. 141 and 142 were issued very recently, and consequently the Company

Edgar Filing: IONICS INC - Form 10-Q

has not yet determined what effect, if any, the adoption of SFAS Nos. 141 and 142 will have on the Company's financial position or results of operations.

MANAGEMENT'S DISCUSSION AND ANALYSIS OF RESULTS OF OPERATIONS AND FINANCIAL CONDITION

Results of Operations

Comparison of the Three and Six Months Ended June 30, 2001 with the Three and Six Months Ended June 30, 2000

Revenues for the second quarter of 2001 increased 10.6% and net income decreased 1.1%, compared to the results of the second quarter of 2000. Revenues for the first six-month period of 2001 increased 15.1% while net income decreased 7.9% from the comparable six-month period in 2000. Gross profit was \$34.9 million in the second quarter of 2001 compared to \$32.7 million in the second quarter of 2000. For the first six-month period of 2001, gross profit was \$70.8 million compared to \$63.2 million for the first six-month period of 2000. Gross profit increased in the second quarter and first six-month period of 2001 for the Equipment Business Group (EBG) and the Consumer Water Group (CWG) as compared to similar periods in 2000. The Ultrapure Water Group's (UWG) gross profit decreased in the second quarter of 2001 but increased for the first six-month period of 2001 from the comparable periods in 2000. Gross profit for the Instrument Business Group (IBG) decreased in the second quarter and first six-month period of 2001 from the comparable periods in 2000.

Total revenues for the second quarter of 2001 increased 10.6% to \$113.7 million from \$102.8 million in 2000. For the second quarter of 2001, revenues were higher in EBG and CWG but lower in UWG and IBG as compared to the same period in 2000. Revenues for the first six-month period of 2001 increased 15.1% to \$236.6 million from \$205.6 million in the comparable 2000 period. Revenues were higher in all four business groups in the first six-month period of 2001, compared to the same period in 2000.

EBG revenues increased 22.1% in the second quarter and increased 23.9% in the first six-month period of 2001, as compared with the same respective periods of 2000. These increases came primarily from higher capital equipment sales and the continuing work in 2001 on a desalination facility in Trinidad.

UWG revenues decreased \$1.3 million, or 5.1%, in the second quarter of 2001 from the second quarter of 2000. This decrease was due primarily to lower revenues in the Company's Malaysian and Australian subsidiaries. UWG revenues increased \$4.8 million, or 8.8%, in the first six-months of 2001 compared to the first six months of 2000. This increase was the result of increased capital equipment sales to the microelectronics industry.

The revenues of CWG increased \$3.3 million, or 12.3%, in the second quarter of 2001 compared to the second quarter of 2000. Similarly, CWG revenues increased \$6.2 million, or 11.7%, in the first six-month period of 2001 compared to the first six-month period of 2000. These increases were due to continued growth in both the bottled water and home water businesses.

IBG revenues decreased \$0.5 million, or 6.7%, in the second quarter of 2001 compared to the second quarter of 2000. Revenues for the first six-month period of 2001 were approximately the same as revenues for the first six-month period of 2000.

Cost of sales as a percentage of revenue for the second quarter was 69.3% in

Edgar Filing: IONICS INC - Form 10-Q

2001 and 68.2% in 2000. For the six-month period, cost of sales as a percentage of revenue was 70.1% in 2001 and 69.2% in 2000.

-8-

Cost of sales as a percentage of revenues increased for EBG and IBG for both the second quarter and six-month periods of 2001, as compared to the respective periods in 2000. UWG's cost of sales as a percentage of revenues was relatively unchanged in the second quarter of 2001, as compared to the second quarter of 2000, but decreased in the first half of 2001 compared to the first half of 2000. Cost of sales as a percentage of revenue for CWG decreased in the second quarter and first half of 2001 compared to the second quarter and first half of 2000. EBG's cost of sales percentage increased to 77.2% and to 77.1% in the second quarter and first half of 2001, respectively, as compared to 73.3% and 74.6% in the same respective periods in 2000. The increases in this percentage for EBG primarily reflect a shift in business mix to lower margin capital equipment. IBG's cost of sales percentage increased to 46.4% and 45.2% in the second quarter and first six months of 2001, respectively, from 40.0% and 42.6% in the second quarter and first six months of 2000, respectively. These increases were the result of a less favorable mix of sales in 2001 than in 2000, as well as lower sales volume in the second quarter of 2001. These increases were offset somewhat by decreases in the cost of sales as a percentage of revenues for UWG and CWG. UWG's cost of sales as a percentage of revenue in the second quarter of 2001 was relatively unchanged from the percentage in the second quarter of 2000. Cost of sales as a percentage of revenue for the first half of 2001 decreased to 77.8% from 79.6% in the first half of 2000. This decrease was primarily due to improved performance in certain domestic operations but was offset by charges incurred by the Company's Malaysian and Australian subsidiaries in the second quarter of 2001. Cost of sales as a percentage of revenues for CWG decreased to 51.3% and 56.3% in the second quarter and first half of 2001, respectively, from 55.3% and 57.4% in the second quarter and first half of 2000, respectively. The decreases are due to both improved operations and a gain recognized on the sale of certain bottled water assets in the second quarter of 2001.

Operating expenses (Research and Development and Selling, General and Administrative) as a percentage of revenues increased during the second quarter of 2001 to 25.7% from 25.2% in 2000. For the six-month period, operating expenses as a percentage of revenues increased to 25.1% in 2001 from 24.7% in 2000. The increase in operating expenses as a percentage of revenues reflected primarily the expansion of the consumer water business sales force both domestically and in Europe during the second quarter of 2001.

Interest income of \$0.7 million for the second quarter of 2001 increased from \$0.3 million for the second quarter of 2000. Interest income of \$1.0 million for the first half of 2001 increased from interest income of \$0.6 million for the first half of 2000. Interest expense of \$1.4 million and \$3.1 million for the second quarter and first half of 2001, respectively, increased from \$1.2 million and \$1.9 million for the second quarter and first half of 2000, respectively. The increases in interest expense in 2001 reflect higher average borrowings by the Company.

Financial Condition

Working capital increased \$20.7 million during the first six months of 2001 while the Company's current ratio increased to 1.7 at June 30, 2001 from 1.5 at December 31, 2000. At June 30, 2001, the Company had \$25.9 million in cash and cash equivalents which is approximately the same amount as that at December 31, 2000. Notes payable and current portion of long-term debt decreased \$8.9 million, and accounts payable decreased \$15.1 million. Inventory and investments in affiliates increased \$5.9 million and \$5.2 million, respectively.

Edgar Filing: IONICS INC - Form 10-Q

Cash provided by operating activities totaled \$1.9 million during the first six months of 2001. The primary uses of cash for investing purposes during this period were for additions to property, plant and equipment. Significant expenditures were made for "own and operate" facilities and ongoing operations of the Company's bottled water business. Cash provided by financing activities was \$16.0 million for the first half of 2001, due to proceeds from the issuance of common stock in a private placement and stock option exercises, partially offset by payments and borrowings of short-term debt.

-9-

During 2001, construction has been continuing on the Trinidad desalination facility owned by Desalination Company of Trinidad and Tobago Ltd. (Desalcott), in which the Company has a 40% equity interest. During 2000 and through the first half of 2001, the Company loaned \$10 million to the 60% equity owner, Hafeez Karamath Engineering Services Ltd. (HKES), as the source of HKES' equity contribution, in addition to the \$10 million contributed by the Company for its 40% equity interest. Desalcott has entered into a "bridge loan" agreement with a Trinidad bank providing \$60 million in construction financing. The bank has indicated that it is willing to increase the amount of the bridge loan to Desalcott, subject to certain conditions. Based on current estimates, the augmented bridge loan plus the \$20 million of equity provided to Desalcott should provide sufficient funds to complete construction of the project. Although Desalcott has received proposals for long-term debt financing, there is no assurance that such financing will be obtained on terms acceptable to Desalcott or on a timely basis. If permanent financing is not obtained on a timely basis, or is insufficient to repay the bridge loan, Desalcott may be required to obtain additional funds to finance the project, and the Company has committed to lend Desalcott up to \$10 million under such circumstance.

The Company completed a private placement of common stock to Fidelity Management & Research Company (Fidelity), on behalf of funds and accounts managed by Fidelity, in April 2001. 875,000 shares were sold at a price of \$24.93 per share, and the total proceeds to the Company were approximately \$21.8 million. The proceeds were used to reduce short-term borrowings. The Company filed a registration statement with the Securities and Exchange Commission covering the resale of these shares. The registration statement became effective on June 7, 2001.

On June 29, 2001, the Company entered into a Third Amended and Restated Revolving Credit Agreement with Fleet National Bank (as lender and agent) and Bank of America, N.A., the Chase Manhattan Bank, and Mellon Bank, N.A. (the "Credit Agreement"). Under the terms of the Credit Agreement, which supercedes a prior loan agreement with Fleet National Bank, the Company may borrow up to \$90 million, subject to terms and financial covenants typical to such loan agreements.

The Company believes that its cash and cash equivalents, cash from operations, lines of credit and foreign exchange facilities are adequate to meet its currently anticipated needs.

Accounting Pronouncements

In July 2001, the Financial Accounting Standards Board (FASB) issued Statement of Financial Accounting Standards (SFAS) No. 141, Business Combinations. SFAS No. 141 requires that all business combinations be accounted for under the purchase method only and that certain acquired intangible assets in a business combination be recognized as assets apart from goodwill. Implementation of SFAS No. 141 is required for fiscal years beginning after December 15, 2001.

Edgar Filing: IONICS INC - Form 10-Q

In July 2001, the FASB also issued SFAS No. 142, Goodwill and Other Intangible Assets. SFAS No. 142 addresses financial accounting and reporting for intangible assets acquired individually or with a group of assets (but not those acquired in a business combination) at acquisition. This Statement also addresses financial accounting and reporting for goodwill and other intangible assets subsequent to their acquisition. The provisions of this Statement are required to be applied with fiscal years beginning after December 15, 2001. This Statement is required to be applied at the beginning of an entity's fiscal year and to be applied to all goodwill and other intangible assets recognized in its financial statements at that date. Impairment losses for goodwill and indefinite-lived intangible assets that arise due to the initial application of this Statement are to be reported as resulting from a change in accounting principle.

SFAS Nos. 141 and 142 were issued very recently, and consequently the Company has not yet determined what effect, if any, the adoption of SFAS Nos. 141 and 142 will have on the Company's financial position or results of operations.

Rate Loan and (iv) the Type of such Revolving Credit Loan. Promptly upon receipt of any such notice, the Agent shall notify each of the Banks thereof. Each Loan Request shall be irrevocable and binding on the Borrower and shall obligate the Borrower to accept the Revolving Credit Loan requested from the Banks on the proposed Drawdown Date. Each Loan Request shall be in a minimum aggregate amount of \$250,000 or a whole multiple of \$100,000 in excess thereof.

2.6.2. Swing Line. Notwithstanding the notice and minimum amount requirements set forth in ss.2.6.1 but otherwise in accordance with the terms and conditions of this Credit Agreement, the Agent may, in its sole discretion and without conferring with the Banks, but subject to the satisfaction of the conditions precedent set forth in ss.12, make Revolving Credit Loans to the Borrower (a) by entry of credits to the Borrower's operating account (the "Operating Account") with the Agent to cover checks or other charges which the Borrower has drawn or made against such account or (b) in an amount as otherwise requested by the Borrower ("Swing Line Loans"). The Borrower hereby requests and authorizes the Agent to make from time to time Swing Line Loans by means of appropriate entries of such credits sufficient to cover checks and other charges then presented for payment from the Operating Account or as otherwise so requested. Except as set forth in the first sentence of this ss.2.6.2, the Borrower acknowledges and agrees that the making of Swing Line Loans shall, in each case, be subject in all respects to the provisions of this Credit Agreement as if they were Revolving Credit Loans covered by a Loan Request including, without limitation, the limitations set forth in ss.2.1 and the requirements that the applicable provisions of ss.11 (in the case of Revolving Credit Loans made on the Closing Date) and ss.12 be satisfied and that outstanding Swing Line Loans prior to a Settlement shall not exceed \$5,000,000 in the aggregate at any time. All actions taken by the Agent pursuant to the provisions of this ss.2.6.2 shall be conclusive and binding on the Borrower and the Banks absent the Agent's gross negligence or willful misconduct. Swing Line Loans shall be Prime Rate Loans and, prior to a Settlement, such interest shall be for the account of the Agent. Swing Line Loans requested (a) prior to 2 p.m. (Boston time) on any Business Day shall be made on the date requested and (b) after 2 p.m. (Boston time) on any Business Day shall be made on the following Business Day.

2.7. Conversion Options.

2.7.1. Conversion to Different Type of Revolving Credit Loan. The Borrower may elect from time to time to convert any outstanding

-21-

Revolving Credit Loan to a Revolving Credit Loan of another Type, provided that (a) with respect to any such conversion of a Revolving Credit Loan to a Prime Rate Loan, the Borrower shall give the Agent at least one (1) Business Day prior written notice of such election; (b) with respect to any such conversion of a Prime Rate Loan to a LIBOR Rate Loan, the Borrower shall give the Agent by no later than 11:00 a.m. (Boston time) and at least three (3) LIBOR Business Days prior written notice of such election; (c) with respect to any such conversion of a LIBOR Rate Loan into a Prime Rate Loan, such conversion shall only be made on the last day of the Interest Period with respect thereto; and (d) no Revolving Credit Loan may be converted into a LIBOR Rate Loan when any Default or Event of Default has occurred and is continuing. On the date on which such conversion is being made each

Edgar Filing: IONICS INC - Form 10-Q

Bank shall take such action as is necessary to transfer its Commitment Percentage of such Revolving Credit Loans to its Domestic Lending Office or its LIBOR Lending Office, as the case may be. All or any part of outstanding Revolving Credit Loans of any Type may be converted into a Revolving Credit Loan of another Type as provided herein, provided that any partial conversion shall be in an aggregate principal amount of \$100,000 or a whole multiple thereof. Each Conversion Request relating to the conversion of a Revolving Credit Loan to a LIBOR Rate Loan shall be irrevocable by the Borrower.

2.7.2. Continuation of Type of Revolving Credit Loan. Any Revolving Credit Loan of any Type may be continued as a Revolving Credit Loan of the same Type upon the expiration of an Interest Period with respect thereto by compliance by the Borrower with the notice provisions contained in ss.2.7.1; provided that no LIBOR Rate Loan may be continued as such when any Default or Event of Default has occurred and is continuing, but shall be automatically converted to a Prime Rate Loan on the last day of the first Interest Period relating thereto ending during the continuance of any Default or Event of Default of which officers of the Agent active upon the Borrower's account have actual knowledge. In the event that the Borrower fails to provide any such notice with respect to the continuation of any LIBOR Rate Loan as such, then such LIBOR Rate Loan shall be automatically converted to a Prime Rate Loan on the last day of the first Interest Period relating thereto. The Agent shall notify the Banks promptly when any such automatic conversion contemplated by this ss.2.7 is scheduled to occur.

2.7.3. LIBOR Rate Loans. Any conversion to or from LIBOR Rate Loans shall be in such amounts and be made pursuant to such elections so that, after giving effect thereto, the aggregate principal amount of all LIBOR Rate Loans having the same Interest Period shall not be less than \$250,000 or a whole multiple of \$100,000 in excess thereof. No more than seven (7) LIBOR Rate Loans having different Interest Periods may be outstanding at any time.

2.8. Funds for Revolving Credit Loan.

-22-

2.8.1. Funding Procedures. Not later than 11:00 a.m. (Boston time) on the proposed Drawdown Date of any Revolving Credit Loans, each of the Banks will make available to the Agent, at the Agent's Head Office, in immediately available funds, the amount of such Bank's Commitment Percentage of the amount of the requested Revolving Credit Loans. Upon receipt from each Bank of such amount, and upon receipt of the documents required by ss.ss.11 and 12 and the satisfaction of the other conditions set forth therein, to the extent applicable, the Agent will make available to the Borrower the aggregate amount of such Revolving Credit Loans made available to the Agent by the Banks. The failure or refusal of any Bank to make available to the Agent at the aforesaid time and place on any Drawdown Date the amount of its Commitment Percentage of the requested Revolving Credit Loans shall not relieve any other Bank from its several obligation hereunder to make available to the Agent the amount of such other Bank's Commitment Percentage of any requested Revolving Credit Loans.

2.8.2. Advances by Agent. The Agent may, unless notified to the contrary by any Bank prior to a Drawdown Date, assume that such Bank has made available to the Agent on such Drawdown Date the amount of such Bank's Commitment Percentage of the Revolving Credit Loans to be made on such Drawdown Date, and the Agent may (but it shall not be

Edgar Filing: IONICS INC - Form 10-Q

required to), in reliance upon such assumption, make available to the Borrower a corresponding amount. If any Bank makes available to the Agent such amount on a date after such Drawdown Date, such Bank shall pay to the Agent on demand an amount equal to the product of (a) the average computed for the period referred to in clause (c) below, of the weighted average interest rate paid by the Agent for federal funds acquired by the Agent during each day included in such period, times (b) the amount of such Bank's Commitment Percentage of such Revolving Credit Loans, times (c) a fraction, the numerator of which is the number of days that elapse from and including such Drawdown Date to the date on which the amount of such Bank's Commitment Percentage of such Revolving Credit Loans shall become immediately available to the Agent, and the denominator of which is 365. A statement of the Agent submitted to such Bank with respect to any amounts owing under this paragraph shall be prima facie evidence of the amount due and owing to the Agent by such Bank. If the amount of such Bank's Commitment Percentage of such Revolving Credit Loans is not made available to the Agent by such Bank within three (3) Business Days following such Drawdown Date, the Agent shall be entitled to recover such amount from the Borrower on demand, with interest thereon at the rate per annum applicable to the Revolving Credit Loans made on such Drawdown Date.

2.9. Settlements.

2.9.1. General. On each Settlement Date, the Agent shall, not later than 11:00 a.m. (Boston time), give telephonic or facsimile notice (a) to the Banks and the Borrower of the respective outstanding amount of the Swing Line Loans made by the Agent on behalf of the Banks

-23-

from the immediately preceding Settlement Date through the close of business on the prior day and the amount of any LIBOR Rate Loans to be made (following the giving of notice pursuant to ss.2.6.1(b)) on such date pursuant to a Loan Request and (b) to the Banks of the amount (a "Settlement Amount") that each Bank (a "Settling Bank") shall pay to effect a Settlement of any Swing Line Loans. A statement of the Agent submitted to the Banks and the Borrower or to the Banks with respect to any amounts owing under this ss.2.9 shall be prima facie evidence of the amount due and owing. Each Settling Bank shall, not later than 3:00 p.m. (Boston time) on such Settlement Date, effect a wire transfer of immediately available funds to the Agent in the amount of the Settlement Amount for such Settling Bank. All funds advanced by any Bank as a Settling Bank pursuant to this ss.2.9 shall for all purposes be treated as a Revolving Credit Loan made by such Settling Bank to the Borrower and all funds received by any Bank pursuant to this ss.2.9 shall for all purposes be treated as repayment of amounts owed with respect to Revolving Credit Loans made by such Bank. In the event that any bankruptcy, reorganization, liquidation, receivership or similar cases or proceedings in which the Borrower is a debtor prevent a Settling Bank from making any Revolving Credit Loan to effect a Settlement as contemplated hereby, such Settling Bank will make such dispositions and arrangements with the other Banks with respect to such Revolving Credit Loans, either by way of purchase of participations, distribution, pro tanto assignment of claims, subrogation or otherwise as shall result in each Bank's share of the outstanding Revolving Credit Loans being equal, as nearly as may be, to such Bank's Commitment Percentage of the outstanding amount of the Revolving Credit Loans.

Edgar Filing: IONICS INC - Form 10-Q

2.9.2. Failure to Make Funds Available. The Agent may, unless notified to the contrary by any Settling Bank prior to a Settlement Date, assume that such Settling Bank has made or will make available to the Agent on such Settlement Date the amount of such Settling Bank's Settlement Amount, and the Agent may (but it shall not be required to), in reliance upon such assumption, make available to the Borrower a corresponding amount. If any Settling Bank makes available to the Agent such amount on a date after such Settlement Date, such Settling Bank shall pay to the Agent on demand an amount equal to the product of (a) the average computed for the period referred to in clause (c) below, of the weighted average interest rate paid by the Agent for federal funds acquired by the Agent during each day included in such period, times (b) the amount of such Settlement Amount, times (c) a fraction, the numerator of which is the number of days that elapse from and including such Settlement Date to the date on which the amount of such Settlement Amount shall become immediately available to the Agent, and the denominator of which is 360. A statement of the Agent submitted to such Settling Bank with respect to any amounts owing under this ss.2.9.2 shall be prima facie evidence of the amount due and owing to the Agent by such Settling Bank. If such Settling Bank's Settlement Amount is not made available to the Agent by such Settling Bank within three (3) Business Days following such Settlement Date, the Agent shall be

-24-

entitled to recover such amount from the Borrower on demand, with interest thereon at the rate per annum applicable to the Revolving Credit Loans as of such Settlement Date.

2.9.3. No Effect on Other Banks. The failure or refusal of any Settling Bank to make available to the Agent at the aforesaid time and place on any Settlement Date the amount of such Settling Bank's Settlement Amount shall not (a) relieve any other Settling Bank from its several obligations hereunder to make available to the Agent the amount of such other Settling Bank's Settlement Amount or (b) impose upon any Bank, other than the Settling Bank so failing or refusing, any liability with respect to such failure or refusal or otherwise increase the Commitment of such other Bank.

2.10. Charge Against Borrower Account. The Borrower hereby authorizes the Agent to charge any account (other than the Borrower's payroll accounts) maintained with the Agent (up to the amount available therein) in order to immediately pay the Agent the amount of any Swing Line Loans to the extent the Settlement Amount received from a Settling Bank for such Swing Line Loans is not sufficient to repay in full the outstanding Swing Line Loans, provided that, prior to charging any other account maintained with the Agent, if there is availability under the Total Commitment to repay such Swing Line Loans, notwithstanding the notice or minimum requirements set forth in ss.2.6.1, the Agent shall, and the Borrower hereby requests and authorizes the Agent to, make Revolving Credit Loans pursuant to ss.2.6.1 to the Borrower sufficient to pay to the Agent any Settlement Amount not made available to the Agent by any Settling Bank at the aforesaid time and place on the applicable Settlement Date. The Borrower acknowledges and agrees that the making of Swing Line Loans in accordance with this ss.2.10 shall, in each case, be subject in all respects to provisions of this Agreement as if they were Revolving Credit Loans covered by a Loan Request including, without limitation, the limitations set forth in ss.2.1 (except for the notice or minimum requirements set forth in ss.2.6.1) and the requirement that the applicable provisions of ss.12 be satisfied. All actions taken by the Agent pursuant to the provisions of this ss.2.10 shall be conclusive and binding on the Borrower absent the Agent's gross negligence or

Edgar Filing: IONICS INC - Form 10-Q

willful misconduct. If any portion of any such amount paid to the Agent shall be recovered by or on behalf of the Borrower from the Agent in bankruptcy or otherwise, the loss of the amount so recovered shall be ratably shared among all the Banks that have reimbursed the Agent pursuant to ss.2.9 in accordance with their respective ratable share (unless the amounts so recovered by or on behalf of the Borrower pertain to a Swing Line Loan extended after the occurrence and during the continuance of an Event of Default of which the Agent has received actual notice and which such Event of Default has not been waived by the Banks, as applicable).

3. REPAYMENT OF THE REVOLVING CREDIT LOANS.

3.1. Maturity. The Borrower promises to pay on the Revolving Credit Loan Maturity Date, and there shall become absolutely due and payable on the Revolving Credit Loan Maturity Date, all of the Revolving Credit Loans outstanding on such date, together with any and all accrued and unpaid interest thereon.

-25-

3.2. Mandatory Repayment of Revolving Credit Loans.

3.2.1. General. If at any time the sum of the outstanding amount of the Revolving Credit Loans, the Maximum Drawing Amount and all Unpaid Reimbursement Obligations exceeds the Total Commitment, then the Borrower shall immediately pay the amount of such excess to the Agent for the respective accounts of the Banks for application: first, to any Unpaid Reimbursement Obligations; second, to the Revolving Credit Loans; and third, to provide to the Agent cash collateral for Reimbursement Obligations as contemplated by ss.4.2(b) and (c). Each payment of any Unpaid Reimbursement Obligations or prepayment of Revolving Credit Loans shall be allocated among the Banks, in proportion, as nearly as practicable, to each Reimbursement Obligation or (as the case may be) the respective unpaid principal amount of each Bank's Revolving Credit Note, with adjustments to the extent practicable to equalize any prior payments or repayments not exactly in proportion.

3.2.2. Proceeds. Concurrently with the receipt by the Borrower or any of its Subsidiaries of (a) Net Cash Sale Proceeds from Asset Sales (other than the sale of inventory or the disposition of obsolete assets, in each case in the ordinary course of business consistent with past practices) or (b) Net Cash Proceeds from any Equity Issuances, the Borrower shall pay to the Agent for the respective accounts of the Banks an amount equal to (i) one hundred percent (100%) of such Net Cash Sale Proceeds from any Asset Sale by the Borrower or any of its domestic Subsidiaries in excess of \$500,000 in the aggregate in any fiscal year and from any Asset Sale by any foreign Subsidiary of the Borrower in excess of \$5,000,000 in the aggregate in any fiscal year, and (ii) seventy-five percent (75%) of such Net Cash Proceeds, in each case, to be applied against the outstanding amount of the Revolving Credit Loans.

3.3. Optional Repayments of Revolving Credit Loans. The Borrower shall have the right, at its election, to repay the outstanding amount of the Revolving Credit Loans, as a whole or in part, at any time without penalty or premium, provided that any full or partial prepayment of the outstanding amount of any LIBOR Rate Loans pursuant to this ss.3.3 may be made only on the last day of the Interest Period relating thereto. The Borrower shall give the Agent, no later than 10:00 a.m., Boston time, at least one (1) Business Days prior written notice of any proposed prepayment pursuant to this ss.3.3 of Prime Rate Loans,

Edgar Filing: IONICS INC - Form 10-Q

and three (3) LIBOR Business Days notice of any proposed prepayment pursuant to this ss.3.3 of LIBOR Rate Loans, in each case specifying the proposed date of prepayment of Revolving Credit Loans and the principal amount to be prepaid. Each such partial prepayment of the Revolving Credit Loans shall be in an integral multiple of \$500,000 or a whole multiple of \$100,000 in excess thereof, shall be accompanied by the payment of accrued interest on the principal prepaid to the date of prepayment and shall be applied, in the absence of instruction by the Borrower, first to the principal of Prime Rate Loans and then to the principal of LIBOR Rate Loans. Each partial prepayment shall be allocated among

-26-

the Banks, in proportion, as nearly as practicable, to the respective unpaid principal amount of each Bank's Revolving Credit Note, with adjustments to the extent practicable to equalize any prior repayments not exactly in proportion.

4. LETTERS OF CREDIT.

4.1. Letter of Credit Commitments.

4.1.1. Commitment to Issue Letters of Credit. Subject to the terms and conditions hereof, the satisfaction of the conditions precedent set forth in ss.12 and the execution and delivery by the Borrower of a letter of credit application on the Agent's customary form (a "Letter of Credit Application"), the Agent on behalf of the Banks and in reliance upon the agreement of the Banks set forth in ss.4.1.4 and upon the representations and warranties of the Borrower contained herein, agrees, in its individual capacity, to issue, extend and renew for the account of the Borrower one or more standby or documentary letters of credit (individually, a "Letter of Credit"), in such form as may be requested from time to time by the Borrower and agreed to by the Agent; provided, however, that, after giving effect to such request, the sum of (a) the Maximum Drawing Amount on all Letters of Credit, (b) all Unpaid Reimbursement Obligations, and (c) the amount of all Revolving Credit Loans outstanding shall not exceed the Total Commitment. Notwithstanding the foregoing, the Agent shall have no obligation to issue any Letter of Credit to support or secure any Indebtedness of the Borrower or any of its Subsidiaries to the extent that such Indebtedness was incurred prior to the proposed issuance date of such Letter of Credit, unless in any such case the Borrower demonstrates to the satisfaction of the Agent that (x) such prior incurred Indebtedness were then fully secured by a prior perfected and unavoidable security interest in collateral provided by the Borrower or such Subsidiary to the proposed beneficiary of such Letter of Credit or (y) such prior incurred Indebtedness were then secured or supported by a letter of credit issued for the account of the Borrower or such Subsidiary and the reimbursement obligation with respect to such letter of credit was fully secured by a prior perfected and unavoidable security interest in collateral provided to the issuer of such letter of credit by the Borrower or such Subsidiary.

4.1.2. Letter of Credit Applications. Each Letter of Credit Application shall be completed to the reasonable satisfaction of the Agent. In the event that any provision of any Letter of Credit Application shall be inconsistent with any provision of this Credit Agreement, then the provisions of this Credit Agreement shall, to the extent of any such inconsistency, govern.

4.1.3. Terms of Letters of Credit. Each Letter of Credit issued, extended or renewed hereunder shall, among other things, (a)

Edgar Filing: IONICS INC - Form 10-Q

provide for the payment of sight drafts for honor thereunder when presented in accordance with the terms thereof and when accompanied by

-27-

the documents described therein, and (b) have an expiry date no later than the date which is fourteen (14) days (or, if the Letter of Credit is confirmed by a confirmer or otherwise provides for one or more nominated persons, forty-five (45) days) prior to the Revolving Credit Loan Maturity Date. Each Letter of Credit so issued, extended or renewed shall be subject to the Uniform Customs or, in the case of a standby Letter of Credit, either the Uniform Customs or the International Standby Practices.

4.1.4. Reimbursement Obligations of Banks. Each Bank severally agrees that it shall be absolutely liable, without regard to the occurrence of any Default or Event of Default or any other condition precedent whatsoever, to the extent of such Bank's Commitment Percentage, to reimburse the Agent on demand for the amount of each draft paid by the Agent under each Letter of Credit to the extent that such amount is not reimbursed by the Borrower pursuant to ss.4.2 (such agreement for a Bank being called herein the "Letter of Credit Participation" of such Bank).

4.1.5. Participations of Banks. Each such payment made by a Bank shall be treated as the purchase by such Bank of a participating interest in the Borrower's Reimbursement Obligation under ss.4.2 in an amount equal to such payment. Each Bank shall share in accordance with its participating interest in any interest which accrues pursuant to ss.4.2.

4.2. Reimbursement Obligation of the Borrower. In order to induce the Agent to issue, extend and renew each Letter of Credit and the Banks to participate therein, the Borrower hereby agrees to reimburse or pay to the Agent, for the account of the Agent or (as the case may be) the Banks, with respect to each Letter of Credit issued, extended or renewed by the Agent hereunder,

(a) except as otherwise expressly provided in ss.4.2(b) and (c), on each date that any draft presented under such Letter of Credit is honored by the Agent, or the Agent otherwise makes a payment with respect thereto, (i) the amount paid by the Agent under or with respect to such Letter of Credit, and (ii) the amount of any taxes, fees, charges or other costs and expenses whatsoever incurred by the Agent or any Bank in connection with any payment made by the Agent or any Bank under, or with respect to, such Letter of Credit,

(b) upon the reduction (but not termination) of the Total Commitment to an amount less than the Maximum Drawing Amount, an amount equal to such difference, which amount shall be held by the Agent for the benefit of the Banks and the Agent as cash collateral for all Reimbursement Obligations, and

(c) upon the termination of the Total Commitment, or the acceleration of the Reimbursement Obligations with respect to all Letters of Credit in accordance with ss.13, an amount equal to the then Maximum Drawing Amount on all Letters of Credit, which amount shall be

-28-

Edgar Filing: IONICS INC - Form 10-Q

held by the Agent for the benefit of the Banks and the Agent as cash collateral for all Reimbursement Obligations.

Each such payment shall be made to the Agent at the Agent's Head Office in immediately available funds. Interest on any and all amounts remaining unpaid by the Borrower under this ss.4.2 at any time from the date such amounts become due and payable (whether as stated in this ss.4.2, by acceleration or otherwise) until payment in full (whether before or after judgment) shall be payable to the Agent on demand at the rate specified in ss.5.11 for overdue principal on the Revolving Credit Loans.

4.3. Letter of Credit Payments. If any draft shall be presented or other demand for payment shall be made under any Letter of Credit, the Agent shall notify the Borrower of the date and amount of the draft presented or demand for payment and of the date and time when it expects to pay such draft or honor such demand for payment. If the Borrower fails to reimburse the Agent as provided in ss.4.2 on or before the date that such draft is paid or other payment is made by the Agent, the Agent may at any time thereafter notify the Banks of the amount of any such Unpaid Reimbursement Obligation. No later than 3:00 p.m. (Boston time) on the Business Day next following the receipt of such notice, each Bank shall make available to the Agent, at the Agent's Head Office, in immediately available funds, such Bank's Commitment Percentage of such Unpaid Reimbursement Obligation, together with an amount equal to the product of (a) the average, computed for the period referred to in clause (c) below, of the weighted average interest rate paid by the Agent for federal funds acquired by the Agent during each day included in such period, times (b) the amount equal to such Bank's Commitment Percentage of such Unpaid Reimbursement Obligation, times (c) a fraction, the numerator of which is the number of days that elapse from and including the date the Agent paid the draft presented for honor or otherwise made payment to the date on which such Bank's Commitment Percentage of such Unpaid Reimbursement obligation shall become immediately available to the Agent, and the denominator of which is 360. All funds advanced by a Bank pursuant to this ss.4.3 shall for all purposes be treated as a Revolving Credit Loan made by such Bank to the Borrower. The responsibility of the Agent to the Borrower and the Banks shall be only to determine that the documents (including each draft) delivered under each Letter of Credit in connection with such presentment shall be in conformity in all material respects with such Letter of Credit.

4.4. Obligations Absolute. The Borrower's obligations under this ss.4 shall be absolute and unconditional under any and all circumstances and irrespective of the occurrence of any Default or Event of Default or any condition precedent whatsoever or any setoff, counterclaim or defense to payment which the Borrower may have or have had against the Agent, any Bank or any beneficiary of a Letter of Credit. The Borrower further agrees with the Agent and the Banks that the Agent and the Banks shall not be responsible for, and the Borrower's Reimbursement Obligations under ss.4.2 shall not be affected by, among other things, the validity or genuineness of documents or of any endorsements thereon, even if such documents should in fact prove to be in any or all respects invalid, fraudulent or forged, or any dispute between

-29-

or among the Borrower, the beneficiary of any Letter of Credit or any financing institution or other party to which any Letter of Credit may be transferred or any claims or defenses whatsoever of the Borrower against the beneficiary of any Letter of Credit or any such transferee. The Agent and the Banks shall not be liable for any error, omission, interruption or delay in transmission, dispatch or delivery of any message or advice, however transmitted, in connection with

Edgar Filing: IONICS INC - Form 10-Q

any Letter of Credit absent their gross negligence and willful misconduct. The Borrower agrees that any action taken or omitted by the Agent or any Bank under or in connection with each Letter of Credit and the related drafts and documents, if done in good faith, shall be binding upon the Borrower and shall not result in any liability on the part of the Agent or any Bank to the Borrower.

4.5. Reliance by Issuer. To the extent not inconsistent with ss.4.4, the Agent shall be entitled to rely, and shall be fully protected in relying upon, any Letter of Credit, draft, writing, resolution, notice, consent, certificate, affidavit, letter, cablegram, telegram, telecopy, telex or teletype message, statement, order or other document reasonably believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel, independent accountants and other experts selected by the Agent. The Agent shall be fully justified in failing or refusing to take any action under this Credit Agreement unless it shall first have received such advice or concurrence of the Majority Banks as it reasonably deems appropriate or it shall first be indemnified to its reasonable satisfaction by the Banks against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Credit Agreement in accordance with a request of the Majority Banks (solely with respect to the Borrower, absent the Agent's gross negligence and willful misconduct), and such request and any action taken or failure to act pursuant thereto shall be binding upon the Banks and all future holders of the Revolving Credit Notes or of a Letter of Credit Participation.

4.6. Letter of Credit Fee. The Borrower shall pay a fee (in each case, a "Letter of Credit Fee") to the Agent quarterly in arrears on the first day of each calendar quarter for the immediately preceding calendar quarter commencing on the first such date following the date hereof (a) in respect of each standby Letter of Credit an amount equal to the Applicable Margin for Letter of Credit Fees per annum of the face amount of such standby Letter of Credit, of which an amount equal to one eighth of one percent (1/8%) per annum of the face amount of such standby Letter of Credit shall be for the account of the Agent, as a fronting fee, and the balance of which Letter of Credit Fee shall be for the accounts of the Banks in accordance with their respective Commitment Percentages and (b) in respect of each documentary Letter of Credit an amount equal to the Applicable Margin for Letter of Credit Fees per annum of the face amount of such documentary Letter of Credit, of which an amount equal to one eighth of one percent (1/8%) per annum of the face amount of such documentary Letter of Credit shall be for the account of the Agent, as a fronting fee, and the balance of which Letter of Credit Fee shall be for the accounts of the Banks in accordance with their respective Commitment Percentages. In respect of each Letter of Credit, the Borrower shall also pay to the Agent for the Agent's own account, on

-30-

the date of issuance or any extension or renewal of any Letter of Credit and at such other time or times as such charges are customarily made by the Agent, the Agent's customary issuance, amendment, negotiation or document examination and other administrative fees as in effect from time to time.

5. CERTAIN GENERAL PROVISIONS.

5.1. Agent's Fee. The Borrower shall pay to the Agent an agent fee in accordance with the terms of the fee letter dated as of the date hereof.

5.2. Funds for Payments.

Edgar Filing: IONICS INC - Form 10-Q

5.2.1. Payments to Agent. All payments of principal, interest, Reimbursement Obligations, Commitment Fees, Letter of Credit Fees and any other amounts due hereunder or under any of the other Loan Documents shall be made on the due date thereof to the Agent in Dollars, for the respective accounts of the Banks and the Agent, at the Agent's Head Office or at such other place that the Agent may from time to time designate, in each case at or about 11:00 a.m. (Boston, Massachusetts, time or other local time at the place of payment) and in immediately available funds.

5.2.2. No Offset, etc. All payments by the Borrower hereunder and under any of the other Loan Documents shall be made without recoupment, setoff or counterclaim and free and clear of and without deduction for any taxes, levies, imposts, duties, charges, fees, deductions, withholdings, compulsory loans, restrictions or conditions of any nature now or hereafter imposed or levied by any jurisdiction or any political subdivision thereof or taxing or other authority therein unless the Borrower is compelled by law to make such deduction or withholding. If any such obligation is imposed upon the Borrower with respect to any amount payable by it hereunder or under any of the other Loan Documents, the Borrower will pay to the Agent, for the account of the Banks or (as the case may be) the Agent, on the date on which such amount is due and payable hereunder or under such other Loan Document, such additional amount in Dollars as shall be necessary to enable the Banks or the Agent to receive the same net amount which the Banks or the Agent would have received on such due date had no such obligation been imposed upon the Borrower. The Borrower will deliver promptly to the Agent certificates or other valid vouchers for all taxes or other charges deducted from or paid with respect to payments made by the Borrower hereunder or under such other Loan Document.

5.3. Computations. All computations of interest on the Prime Rate Loans and of Commitment Fees, Letter of Credit Fees or other fees shall, unless otherwise expressly provided herein, be based on a 365-day year and paid for the actual number of days elapsed, and all computations of interest on LIBOR Rate Loans shall be based on a 360-day year and paid for the actual number of days elapsed. Except as otherwise provided in the definition of the term "Interest Period" with respect to LIBOR Rate Loans, whenever a payment hereunder or under

-31-

any of the other Loan Documents becomes due on a day that is not a Business Day, the due date for such payment shall be extended to the next succeeding Business Day, and interest shall accrue during such extension. The outstanding amount of the Revolving Credit Loans as reflected on the Records from time to time shall be considered prima facie evidence thereof and binding on the Borrower unless within ten (10) Business Days after receipt of any notice by the Agent or any of the Banks of such outstanding amount, the Agent or such Bank shall notify the Borrower to the contrary.

5.4. Inability to Determine LIBOR Rate. In the event, prior to the commencement of any Interest Period relating to any LIBOR Rate Loan, the Agent shall determine that adequate and reasonable methods do not exist for ascertaining the LIBOR Rate that would otherwise determine the rate of interest to be applicable to any LIBOR Rate Loan during any Interest Period, the Agent shall forthwith give notice of such determination (which shall be conclusive and binding on the Borrower and the Banks) to the Borrower and the Banks. In such event (a) any Loan Request or Conversion Request with respect to LIBOR Rate Loans shall be automatically withdrawn and shall be deemed a request for Prime

Edgar Filing: IONICS INC - Form 10-Q

Rate Loans, (b) each LIBOR Rate Loan will automatically, on the last day of the then current Interest Period relating thereto, become a Prime Rate Loan, and (c) the obligations of the Banks to make LIBOR Rate Loans shall be suspended until the Agent determines that the circumstances giving rise to such suspension no longer exist, whereupon the Agent shall so notify the Borrower and the Banks.

5.5. Illegality. Notwithstanding any other provisions herein, if any present or future law, regulation, treaty or directive or in the interpretation or application thereof shall make it unlawful for any Bank to make or maintain LIBOR Rate Loans, such Bank shall forthwith give notice of such circumstances to the Borrower and the other Banks and thereupon (a) the commitment of such Bank to make LIBOR Rate Loans or convert Loans of another Type to LIBOR Rate Loans shall forthwith be suspended and (b) such Bank's Revolving Credit Loans then outstanding as LIBOR Rate Loans, if any, shall be converted automatically to Prime Rate Loans on the last day of each Interest Period applicable to such LIBOR Rate Loans or within such earlier period as may be required by law. The Borrower hereby agrees promptly to pay the Agent for the account of such Bank, upon demand by such Bank, any additional amounts necessary to compensate such Bank for any costs incurred by such Bank in making any conversion in accordance with this ss.5.6, including any interest or fees payable by such Bank to lenders of funds obtained by it in order to make or maintain its LIBOR Rate Loans hereunder.

5.6. Additional Costs, etc. If any present or future applicable law, which expression, as used herein, includes statutes, rules and regulations thereunder and interpretations thereof by any competent court or by any governmental or other regulatory body or official charged with the administration or the interpretation thereof and requests, directives, instructions and notices at any time or from time to time hereafter made upon or otherwise issued to any bank by any central bank or other fiscal, monetary or other authority (whether or not having the force of law), shall:

-32-

(a) subject any Bank or the Agent to any tax, levy, impost, duty, charge, fee, deduction or withholding of any nature with respect to this Credit Agreement, the other Loan Documents, any Letters of Credit, such Bank's Commitment or the Revolving Credit Loans (other than taxes based upon or measured by the income or profits of such Bank or the Agent), or

(b) materially change the basis of taxation (except for changes in taxes on income or profits) of payments to any Bank of the principal of or the interest on any Revolving Credit Loans or any other amounts payable to any Bank or the Agent under this Credit Agreement or any of the other Loan Documents, or

(c) impose or increase or render applicable (other than to the extent specifically provided for elsewhere in this Credit Agreement) any special deposit, reserve, assessment, liquidity, capital adequacy or other similar requirements (whether or not having the force of law) against assets held by, or deposits in or for the account of, or loans by, or letters of credit issued by, or commitments of an office of any Bank, or

(d) impose on any Bank or the Agent any other conditions or requirements with respect to this Credit Agreement, the other Loan Documents, any Letters of Credit, the Revolving Credit Loans, such Bank's Commitment, or any class of loans, letters of credit or commitments of which any of the Revolving Credit Loans or such Bank's Commitment forms a part, and the result of any of the foregoing

Edgar Filing: IONICS INC - Form 10-Q

is

(i) to increase the cost to any Bank of making, funding, issuing, renewing, extending or maintaining any of the Revolving Credit Loans or such Bank's Commitment or any Letter of Credit, or

(ii) to reduce the amount of principal, interest, Reimbursement Obligation or other amount payable to such Bank or the Agent hereunder on account of such Bank's Commitment, any Letter of Credit or any of the Revolving Credit Loans, or

(iii) to require such Bank or the Agent to make any payment or to forego any interest or Reimbursement Obligation or other sum payable hereunder, the amount of which payment or foregone interest or Reimbursement Obligation or other sum is calculated by reference to the gross amount of any sum receivable or deemed received by such Bank or the Agent from the Borrower hereunder,

then, and in each such case, the Borrower will, within thirty (30) days of any demand made by such Bank or (as the case may be) the Agent, pay to such Bank or the Agent such additional amounts as will be sufficient to compensate such Bank or the Agent for such additional cost, reduction, payment or foregone interest or Reimbursement Obligation or other sum.

-33-

5.7. Capital Adequacy. If after the date hereof any Bank or the Agent determines that (a) the adoption of or change in any law, governmental rule, regulation, policy, guideline or directive (whether or not having the force of law) regarding capital requirements for banks or bank holding companies or any change in the interpretation or application thereof by a court or governmental authority with appropriate jurisdiction, or (b) compliance by such Bank or the Agent or any corporation controlling such Bank or the Agent with any law, governmental rule, regulation, policy, guideline or directive (whether or not having the force of law) of any such entity regarding capital adequacy, has the effect of reducing the return on such Bank's or the Agent's commitment with respect to any Revolving Credit Loans to a level below that which such Bank or the Agent could have achieved but for such adoption, change or compliance (taking into consideration such Bank's or the Agent's then existing policies with respect to capital adequacy and assuming full utilization of such entity's capital) by any amount deemed by such Bank or (as the case may be) the Agent to be material, then such Bank or the Agent may notify the Borrower of such fact. To the extent that the amount of such reduction in the return on capital is not reflected in the Prime Rate, the Borrower and such Bank shall thereafter attempt to negotiate in good faith, within thirty (30) days of the day on which the Borrower receives such notice, an adjustment payable hereunder that will adequately compensate such Bank in light of these circumstances. If the Borrower and such Bank are unable to agree to such adjustment within thirty (30) days of the date on which the Borrower receives such notice, then commencing on the date of such notice (but not earlier than the effective date of any such increased capital requirement), the fees payable hereunder shall increase by an amount that will, in such Bank's reasonable determination, provide adequate compensation. Each Bank shall allocate such cost increases among its customers in good faith and on an equitable basis.

5.8. Certificate. A certificate setting forth any additional amounts payable pursuant to ss.ss.5.7 or 5.8 and a brief explanation of such amounts which are due, submitted by any Bank or the Agent to the Borrower, shall be

Edgar Filing: IONICS INC - Form 10-Q

conclusive, absent manifest error, that such amounts are due and owing.

5.9. Indemnity. The Borrower agrees to indemnify each Bank and to hold each Bank harmless from and against any loss, cost or expense (including loss of anticipated profits) that such Bank may sustain or incur as a consequence of (a) default by the Borrower in payment of the principal amount of or any interest on any LIBOR Rate Loans as and when due and payable, including any such loss or expense arising from interest or fees payable by such Bank to lenders of funds obtained by it in order to maintain its LIBOR Rate Loans, (b) default by the Borrower in making a borrowing or conversion after the Borrower has given (or is deemed to have given) a Loan Request or a Conversion Request relating thereto in accordance with ss.2.6 or ss.2.7 or (c) the making of any payment of a LIBOR Rate Loan or the making of any conversion of any such Revolving Credit Loan to a Prime Rate Loan on a day that is not the last day of the applicable Interest Period with respect thereto, including interest or fees payable by such Bank to lenders of funds obtained by it in order to maintain any such Revolving Credit Loans.

-34-

5.10. Interest After Default; Late Fee.

5.10.1. Overdue Amounts. Overdue principal and (to the extent permitted by applicable law) interest on the Revolving Credit Loans and all other overdue amounts payable hereunder or under any of the other Loan Documents shall bear interest compounded monthly and payable on demand at a rate per annum equal to four percent (4%) above the interest rate otherwise applicable to such Revolving Credit Loans until such amount shall be paid in full (after as well as before judgment).

5.10.2. Amounts Not Overdue. During the continuance of an Event of Default the principal of the Revolving Credit Loans not overdue shall, until such Event of Default has been cured or remedied or such Event of Default has been waived by the Majority Banks pursuant to ss.26, bear interest at a rate per annum equal to four percent (4%) above the interest rate otherwise applicable to such Revolving Credit Loans pursuant to ss.2.5.

5.10.3. Late Fee. If the entire amount of any required principal and/or interest is not paid in full within ten (10) days after the same is due, the Borrower shall pay to the Agent for the account of the Banks a late fee equal to five percent (5%) of the required payment.

6. GUARANTIES.

The Obligations shall also be guaranteed pursuant to the terms of the Guaranty.

7. REPRESENTATIONS AND WARRANTIES.

The Borrower represents and warrants to the Banks and the Agent as follows:

7.1. Corporate Authority.

7.1.1. Incorporation; Good Standing. Each of the Borrower and the Guarantors (a) is a corporation duly organized, validly existing and in good standing under the laws of its state of incorporation, (b) has all requisite corporate power to own its property and conduct its business as now conducted and as presently contemplated, and (c) is in

Edgar Filing: IONICS INC - Form 10-Q

good standing as a foreign corporation and is duly authorized to do business in each jurisdiction where such qualification is necessary except where a failure to be so qualified would not have a materially adverse effect on the business, assets or financial condition of the Borrower and the Guarantors, taken as a whole.

7.1.2. Authorization. The execution, delivery and performance of this Credit Agreement and the other Loan Documents to which the Borrower or any of the Guarantors is or is to become a party and the transactions contemplated hereby and thereby (a) are within the corporate authority of such Person, (b) have been duly authorized by

-35-

all necessary corporate proceedings, (c) to the best of the Borrower's knowledge, do not conflict with or result in any breach or contravention of any provision of law, statute, rule or regulation to which the Borrower or any of the Guarantors is subject or any judgment, order, writ, injunction, license or permit applicable to the Borrower or any of the Guarantors and (d) do not conflict with any provision of the corporate charter or bylaws of, or, in any material respect, any agreement or other instrument binding upon, the Borrower or any of the Guarantors.

7.1.3. Enforceability. The execution and delivery of this Credit Agreement and the other Loan Documents to which the Borrower or any of the Guarantors is or is to become a party will result in valid and legally binding obligations of such Person enforceable against it in accordance with the respective terms and provisions hereof and thereof, except as enforceability is limited by bankruptcy, insolvency, reorganization, moratorium or other laws relating to or affecting generally the enforcement of creditors' rights and except to the extent that availability of the remedy of specific performance or injunctive relief is subject to the discretion of the court before which any proceeding therefor may be brought.

7.2. Governmental Approvals. The execution, delivery and performance by the Borrower and any of the Guarantors of this Credit Agreement and the other Loan Documents to which the Borrower or any of the Guarantors is or is to become a party and the transactions contemplated hereby and thereby do not require the approval or consent of, or filing with, any governmental agency or authority other than those already obtained.

7.3. Title to Properties; Leases. Except as indicated on Schedule 7.3 hereto, the Borrower and its Consolidated Subsidiaries own all of the assets reflected in the consolidated balance sheet of the Borrower and its Consolidated Subsidiaries as at the Balance Sheet Date or acquired since that date (except property and assets sold or otherwise disposed of in the ordinary course of business since that date), subject to no rights of others, including any mortgages, leases, conditional sales agreements, title retention agreements, liens or other encumbrances except Permitted Liens.

7.4. Financial Statements, Projections and Solvency.

7.4.1. Fiscal Year. The Borrower and each of its Subsidiaries has a fiscal year which is the twelve months ending on December 31 of each calendar year.

7.4.2. Financial Statements. There has been furnished to each of the Banks a consolidated balance sheet of the Borrower and its

Edgar Filing: IONICS INC - Form 10-Q

Subsidiaries as at the Balance Sheet Date, and a consolidated statement of income of the Borrower and its Subsidiaries for the fiscal year then ended, certified by PricewaterhouseCoopers LLP and an unaudited consolidated balance sheet of the Borrower and its Subsidiaries, and an

-36-

unaudited consolidated statement of income of the Borrower and its Subsidiaries for the calendar quarter ended March 31, 2001. Such balance sheets and statements of income have been prepared in accordance with generally accepted accounting principles and fairly present the financial condition of the Borrower as at the close of business on the date thereof and the results of operations for the fiscal year then ended. There are no contingent liabilities of the Borrower or any of its Subsidiaries as of such date involving material amounts, known to the officers of the Borrower, which were not disclosed in such balance sheet and the notes related thereto.

7.4.3. Projections. The projections of the annual operating budgets of the Borrower and its Subsidiaries on a consolidated basis, balance sheets and cash flow statements for the 2001 fiscal year, copies of which have been delivered to each Bank, disclose all material assumptions made with respect to general economic, financial and market conditions used in formulating such projections. To the knowledge of the Borrower or any of its Subsidiaries, no facts exist that (individually or in the aggregate) would result in any material change in any of such projections. The projections are based upon reasonable estimates and assumptions, have been prepared on the basis of the assumptions stated therein and reflect the reasonable estimates of the Borrower and its Subsidiaries of the results of operations and other information projected therein.

7.4.4. Solvency. The Borrower and its Subsidiaries, on a consolidated and consolidating basis, both before and after giving effect to the transactions contemplated by this Credit Agreement and the other Loan Documents (a) are solvent; (b) have assets having a fair value in excess of their liabilities; (c) have assets having a fair value in excess of the amount required to pay their liabilities on existing debts as such debts become due and payable, and (d) have, and expect to continue to have, access to adequate capital for the conduct of their business and the ability to pay their debts from time to time incurred in connection with the operation of their business as such debts mature.

7.5. No Material Changes, etc. Since the Balance Sheet Date there has occurred no materially adverse change in the financial condition or business of the Borrower and its Subsidiaries as shown on or reflected in the consolidated balance sheet of the Borrower and its Subsidiaries as at the Balance Sheet Date, or the consolidated statement of income for the fiscal year then ended, other than changes in the ordinary course of business that have not had any materially adverse effect either individually or in the aggregate on the business or financial condition of the Borrower or any of its Subsidiaries. Since the Balance Sheet Date, the Borrower has not made any Distribution.

7.6. Franchises, Patents, Copyrights, etc. Each of the Borrower and its Subsidiaries possesses all franchises, patents, copyrights, trademarks, trade names, licenses and permits, and rights in respect of the foregoing, adequate

-37-

Edgar Filing: IONICS INC - Form 10-Q

for the conduct of its business substantially as now conducted without known conflict with any rights of others.

7.7. Litigation. Except as set forth in Schedule 7.7 hereto, there are no actions, suits, proceedings or investigations of any kind pending or threatened against the Borrower or any of its Subsidiaries before any court, tribunal or administrative agency or board that, if adversely determined, might, either in any case or in the aggregate, materially adversely affect the properties, assets, financial condition or business of the Borrower and its Subsidiaries or materially impair the right of the Borrower and its Subsidiaries, considered as a whole, to carry on business substantially as now conducted by them, or result in any substantial liability not adequately covered by insurance, or for which adequate reserves are not maintained on the consolidated balance sheet of the Borrower and its Subsidiaries, or which question the validity of this Credit Agreement or any of the other Loan Documents, or any action taken or to be taken pursuant hereto or thereto.

7.8. No Materially Adverse Contracts, etc. Neither the Borrower nor any of its Subsidiaries is subject to any charter, corporate or other legal restriction, or any judgment, decree, order, rule or regulation that has or is expected in the future to have a materially adverse effect on the business, assets or financial condition of the Borrower or any of its Subsidiaries. Neither the Borrower nor any of its Subsidiaries is a party to any contract or agreement that has or is expected, in the judgment of the Borrower's officers, to have any materially adverse effect on the business of the Borrower and its Subsidiaries, taken as a whole.

7.9. Compliance with Other Instruments, Laws, etc. Neither the Borrower nor any of its Subsidiaries is in violation of any provision of its charter documents, bylaws, or any agreement or instrument to which it may be subject or by which it or any of its properties may be bound or any decree, order, judgment, statute, license, rule or regulation, in any of the foregoing cases in a manner that could result in the imposition of substantial penalties or materially and adversely affect the financial condition, properties or business of the Borrower and any of its Subsidiaries, taken as a whole.

7.10. Tax Status. The Borrower and the Guarantors (a) have made or filed all federal and state income and all other tax returns, reports and declarations required by any jurisdiction to which any of them is subject or have obtained a lawful extension for the making or filing of any such tax returns, reports or declarations, (b) have paid all taxes and other governmental assessments and charges shown or determined to be due on such returns, reports and declarations, except those being contested in good faith and by appropriate proceedings and (c) have set aside on their books provisions reasonably adequate for the payment of all taxes for periods subsequent to the periods to which such returns, reports or declarations apply. There are no unpaid taxes in any material amount claimed to be due by the taxing authority of any jurisdiction, and the officers of the Borrower know of no basis for any such claim.

-38-

7.11. No Event of Default. No Default or Event of Default has occurred and is continuing.

7.12. Holding Company and Investment Company Acts. Neither the Borrower nor any of its Subsidiaries is a "holding company", or a "subsidiary company" of a "holding company", or an "affiliate" of a "holding company", as such terms are defined in the Public Utility Holding Company Act of 1935; nor is it an "investment company", or an "affiliated company" or a "principal underwriter" of

Edgar Filing: IONICS INC - Form 10-Q

an "investment company", as such terms are defined in the Investment Company Act of 1940.

7.13. Absence of Financing Statements, etc. Except with respect to Permitted Liens, there is no financing statement, security agreement, chattel mortgage, real estate mortgage or other document filed or recorded with any filing records, registry or other public office, that purports to cover, affect or give notice of any present or possible future lien on, or security interest in, any assets or property of the Borrower or any of its Subsidiaries or any rights relating thereto.

7.14. Certain Transactions. Except for arm's length transactions pursuant to which the Borrower or any of its Subsidiaries makes payments in the ordinary course of business upon terms no less favorable than the Borrower or such Subsidiary could obtain from third parties, none of the officers, directors, or employees of the Borrower or any of its Subsidiaries is presently a party to any transaction with the Borrower or any of its Subsidiaries (other than for services as employees, officers and directors), including any contract, agreement or other arrangement providing for the furnishing of services to or by, providing for rental of real or personal property to or from, or otherwise requiring payments to or from any officer, director or such employee or, to the knowledge of the Borrower, any corporation, partnership, trust or other entity in which any officer, director, or any such employee has a substantial interest or is an officer, director, trustee or partner.

7.15. Employee Benefit Plans.

7.15.1. In General. Each Employee Benefit Plan and each Guaranteed Pension Plan has been maintained and operated in compliance in all material respects with the provisions of ERISA and, to the extent applicable, the Code, including but not limited to the provisions thereunder respecting prohibited transactions and the bonding of fiduciaries and other persons handling plan funds as required by ss.412 of ERISA. The Borrower has heretofore delivered to the Agent the most recently completed annual report, Form 5500, with all required attachments, and actuarial statement required to be submitted under ss.103(d) of ERISA, with respect to each Guaranteed Pension Plan.

7.15.2. Terminability of Welfare Plans. No Employee Benefit Plan, which is an employee welfare benefit plan within the meaning of ss.3(1) or ss.3(2)(B) of ERISA, provides benefit coverage subsequent to termination of employment, except as required by Title I, Part 6 of ERISA or the

-39-

applicable state insurance laws. The Borrower may terminate each such Plan at any time (or at any time subsequent to the expiration of any applicable bargaining agreement) in the discretion of the Borrower without liability to any Person other than for claims arising prior to termination.

7.15.3. Guaranteed Pension Plans. Each contribution required to be made to a Guaranteed Pension Plan, whether required to be made to avoid the incurrence of an accumulated funding deficiency, the notice or lien provisions of ss.302(f) of ERISA, or otherwise, has been timely made. No waiver of an accumulated funding deficiency or extension of amortization periods has been received with respect to any Guaranteed Pension Plan, and neither the Borrower nor any ERISA Affiliate is obligated to or has posted security in connection with an amendment to a Guaranteed Pension Plan pursuant to ss.307 of ERISA or ss.401(a)(29) of the Code. No liability to the PBGC (other than required insurance premiums, all of which have been

Edgar Filing: IONICS INC - Form 10-Q

paid) has been incurred by the Borrower or any ERISA Affiliate with respect to any Guaranteed Pension Plan and there has not been any ERISA Reportable Event (other than an ERISA Reportable Event as to which the requirement of thirty (30) days notice has been waived), or any other event or condition which presents a material risk of termination of any Guaranteed Pension Plan by the PBGC. Based on the latest valuation of each Guaranteed Pension Plan (which in each case occurred within twelve months of the date of this representation), and on the actuarial methods and assumptions employed for that valuation, the aggregate benefit liabilities of all such Guaranteed Pension Plans within the meaning of ss.4001 of ERISA did not exceed the aggregate value of the assets of all such Guaranteed Pension Plans, disregarding for this purpose the benefit liabilities and assets of any Guaranteed Pension Plan with assets in excess of benefit liabilities, by more than \$100,000.

7.15.4. Multiemployer Plans. Neither the Borrower nor any ERISA Affiliate has incurred any material liability (including secondary liability) to any Multiemployer Plan as a result of a complete or partial withdrawal from such Multiemployer Plan under ss.4201 of ERISA or as a result of a sale of assets described in ss.4204 of ERISA. Neither the Borrower nor any ERISA Affiliate has been notified that any Multiemployer Plan is in reorganization or insolvent under and within the meaning of ss.4241 or ss.4245 of ERISA or is at risk of entering reorganization or becoming insolvent, or that any Multiemployer Plan intends to terminate or has been terminated under ss.4041A of ERISA.

7.16. Use of Proceeds.

7.16.1. General. The proceeds of the Revolving Credit Loans shall be used to refinance existing Indebtedness, for working capital, and general corporate purposes. The Borrower will obtain Letters of Credit solely for working capital and other corporate purposes.

-40-

7.16.2. Regulations U and X. No portion of any Revolving Credit Loan is to be used, and no portion of any Letter of Credit is to be obtained, for the purpose of purchasing or carrying any "margin security" or "margin stock" as such terms are used in Regulations U and X of the Board of Governors of the Federal Reserve System, 12 C.F.R. Parts 221 and 224.

7.16.3. Ineligible Securities. No portion of the proceeds of any Revolving Credit Loans is to be used, and no portion of any Letter of Credit is to be obtained, for the purpose of knowingly purchasing, or providing credit support for the purchase of, during the underwriting or placement period or within thirty (30) days thereafter, any Ineligible Securities underwritten or privately placed by a Section 20 Subsidiary.

7.17. Environmental Compliance. To the best of the Borrower's knowledge (which for the purposes of this ss.7.17, shall not require the Borrower or any of its Subsidiaries to make any further investigation of the condition or useage of any of the Real Estate or operations thereon unless the Borrower or any of its Subsidiaries becomes aware of or is notified of an environmental condition which could reasonably be expected to require further investigation):

(a) none of the Borrower, its Subsidiaries or any operator of the Real Estate or any operations thereon is in violation, or alleged violation, of any judgment, decree, order, law, license, rule or regulation pertaining to environmental matters, including without limitation, those arising under the Resource Conservation and Recovery Act ("RCRA"), the Comprehensive Environmental Response,

Edgar Filing: IONICS INC - Form 10-Q

Compensation and Liability Act of 1980 as amended ("CERCLA"), the Superfund Amendments and Reauthorization Act of 1986 ("SARA"), the Federal Clean Water Act, the Federal Clean Air Act, the Toxic Substances Control Act, or any state or local statute, regulation, ordinance, order or decree relating to health, safety or the environment (hereinafter "Environmental Laws"), which violation would have a material adverse effect on the environment or the business, assets or financial condition of the Borrower or any of its Subsidiaries;

(b) neither the Borrower nor any of its Subsidiaries has received written notice from any third party including, without limitation, any federal, state or local governmental authority, (i) that any one of them has been identified by the United States Environmental Protection Agency ("EPA") as a potentially responsible party under CERCLA with respect to a site listed on the National Priorities List, 40 C.F.R. Part 300 Appendix B; (ii) that any hazardous waste, as defined by 42 U.S.C. ss.6903(5), any hazardous substances as defined by 42 U.S.C. ss.9601(14), any pollutant or contaminant as defined by 42 U.S.C. ss.9601(33) and any toxic substances, oil or hazardous materials or other chemicals or substances regulated by any Environmental Laws ("Hazardous Substances") which any one of them has generated, transported or disposed of has been found at any site at which a federal, state or local agency or other third party has conducted or has ordered that any Borrower or any of its Subsidiaries conduct a remedial investigation, removal or other response action

-41-

pursuant to any Environmental Law; or (iii) that it is or shall be a named party to any claim, action, cause of action, complaint, or legal or administrative proceeding (in each case, contingent or otherwise) arising out of any third party's incurrence of costs, expenses, losses or damages of any kind whatsoever in connection with the release of Hazardous Substances;

(c) except as set forth on Schedule 7.17 attached hereto: (i) no portion of the Real Estate has been used by the Borrower, any of its Subsidiaries or operators of their properties for the handling, processing, storage or disposal of Hazardous Substances except in accordance with applicable Environmental Laws; and no underground tank or other underground storage receptacle for Hazardous Substances is located on any portion of the Real Estate; (ii) in the course of any activities conducted by the Borrower, its Subsidiaries or operators of its properties, no Hazardous Substances have been generated or are being used on the Real Estate except in accordance with applicable Environmental Laws; (iii) there have been no releases by the Borrower, any of its Subsidiaries or operators of their properties (i.e. any past or present releasing, spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, disposing or dumping) or threatened releases of Hazardous Substances on, upon, into or from the properties of the Borrower or its Subsidiaries, which releases would have a material adverse effect on the value of any of the Real Estate or adjacent properties or the environment; (iv) to the best of the Borrower's knowledge, there have been no releases on, upon, from or into any real property in the vicinity of any of the Real Estate which, through soil or groundwater contamination, may have come to be located on, and which would have a material adverse effect on the value of, the Real Estate; and (v) in addition, any Hazardous Substances that have been generated on any of

Edgar Filing: IONICS INC - Form 10-Q

the Real Estate have been transported offsite only by carriers having an identification number issued by the EPA, treated or disposed of only by treatment or disposal facilities maintaining valid permits as required under applicable Environmental Laws, which transporters and facilities have been and are, to the best of the Borrower's knowledge, operating in compliance with such permits and applicable Environmental Laws; and

(d) none of the Borrower and its Subsidiaries or any of the Real Estate is subject to any applicable environmental law requiring the performance of Hazardous Substances site assessments, or the removal or remediation of Hazardous Substances, or the giving of notice to any governmental agency or the recording or delivery to other Persons of an environmental disclosure document or statement by virtue of the transactions set forth herein and contemplated hereby, or as a condition to the effectiveness of any other transactions contemplated hereby.

7.18. Subsidiaries, etc. Schedule 7.18(a) sets forth the Subsidiaries of the Borrower. Except as set forth on Schedule 7.18(b) hereto, neither the Borrower nor any Subsidiary of the Borrower is engaged in any joint venture or partnership with any other Person.

-42-

7.19. Disclosure. None of this Credit Agreement or any of the other Loan Documents contains any untrue statement of a material fact or omits to state a material fact (known to the Borrower or any of its Subsidiaries in the case of any document or information not furnished by it or any of its Subsidiaries) necessary in order to make the statements herein or therein not misleading. There is no fact known to the Borrower or any of its Subsidiaries which materially adversely affects, or which is reasonably likely in the future to materially adversely affect, the business, assets, financial condition or prospects of the Borrower or any of its Subsidiaries, exclusive of effects resulting from changes in general economic conditions, legal standards or regulatory conditions.

8. AFFIRMATIVE COVENANTS OF THE BORROWER.

The Borrower covenants and agrees that, so long as any Revolving Credit Loan, Unpaid Reimbursement Obligation, Letter of Credit or Revolving Credit Note is outstanding or any Bank has any obligation to make any Revolving Credit Loans or the Agent has any obligation to issue, extend or renew any Letters of Credit:

8.1. Punctual Payment. The Borrower will duly and punctually pay or cause to be paid the principal and interest on the Revolving Credit Loans, all Reimbursement Obligations, the Letter of Credit Fees, the Commitment Fees, the Agent's fee and all other amounts provided for in this Credit Agreement and the other Loan Documents to which the Borrower or any of its Subsidiaries is a party, all in accordance with the terms of this Credit Agreement and such other Loan Documents.

8.2. Maintenance of Office. The Borrower will maintain its chief executive office in Watertown, MA, or at such other place in the United States of America as the Borrower shall designate upon written notice to the Agent, where notices, presentations and demands to or upon the Borrower in respect of the Loan Documents to which the Borrower is a party may be given or made.

8.3. Records and Accounts. The Borrower will (a) keep, and cause each of its Subsidiaries to keep, true and accurate records and books of account in which full, true and correct entries will be made in accordance with generally

Edgar Filing: IONICS INC - Form 10-Q

accepted accounting principles, (b) maintain adequate accounts and reserves for all taxes (including income taxes), depreciation, depletion, obsolescence and amortization of its properties and the properties of its Subsidiaries, contingencies, and other reserves, and (c) at all times engage PricewaterhouseCoopers LLP or other independent certified public accountants reasonably satisfactory to the Agent as the independent certified public accountants of the Borrower and its Subsidiaries and will not permit more than thirty (30) days to elapse between the cessation of such firm's (or any successor firm's) engagement as the independent certified public accountants of the Borrower and its Subsidiaries and the appointment in such capacity of a successor firm as shall be satisfactory to the Agent.

8.4. Financial Statements, Certificates and Information. The Borrower will deliver to each of the Banks:

-62-

more than fifteen (15) consecutive days, the cessation or substantial curtailment of revenue producing activities at any facility of the Borrower or any of its Subsidiaries if such event or circumstance is not covered by business interruption insurance and would have a material adverse effect on the business or financial condition of the Borrower or such Subsidiary;

No termination of the credit hereunder shall relieve the Borrower or any of its Subsidiaries of any of the Obligations.

13.3. Remedies. In case any one or more of the Events of Default shall have occurred and be continuing, and whether or not the Banks shall have accelerated the maturity of the Revolving Credit Loans pursuant to ss.13.1, each Bank, if owed any amount with respect to the Revolving Credit Loans or the Reimbursement Obligations, may, with the consent of the Majority Banks but not otherwise, proceed to protect and enforce its rights by suit in equity, action at law or other appropriate proceeding, whether for the specific performance of any covenant or agreement contained in this Credit Agreement and the other Loan Documents or any instrument pursuant to which the Obligations to such Bank are evidenced, including as permitted by applicable law the obtaining of the ex parte appointment of a receiver, and, if such amount shall have become due, by declaration or otherwise, proceed to enforce the payment thereof or any other legal or equitable right of such Bank. No remedy herein conferred upon any Bank or the Agent or the holder of any Revolving Credit Note or purchaser of any Letter of Credit Participation is intended to be exclusive of any other remedy and each and every remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute or any other provision of law.

14. SETOFF.

Regardless of the adequacy of any collateral, during the continuance of any Event of Default, any deposits or other sums credited by or due from any of the Banks to the Borrower and any securities or other property of the Borrower in the possession of such Bank may be applied to or set off by such Bank against the payment of Obligations and any and all other liabilities, direct, or indirect, absolute or contingent, due or to become due, now existing or

Edgar Filing: IONICS INC - Form 10-Q

hereafter arising, of the Borrower to such Bank. Each of the Banks agrees with each other Bank that (a) if an amount to be set off is to be applied to Indebtedness of the Borrower to such Bank, other than Indebtedness evidenced by the Revolving Credit Notes held by such Bank or constituting Reimbursement Obligations owed to such Bank, such amount shall be applied ratably to such other Indebtedness and to the Indebtedness evidenced by all such Revolving Credit Notes held by such Bank or constituting Reimbursement Obligations owed to such Bank, and (b) if such Bank shall receive from the Borrower, whether by voluntary payment, exercise of the right of setoff, counterclaim, cross action,

-64-

enforcement of the claim evidenced by the Revolving Credit Notes held by, or constituting Reimbursement Obligations owed to, such Bank by proceedings against the Borrower at law or in equity or by proof thereof in bankruptcy, reorganization, liquidation, receivership or similar proceedings, or otherwise, and shall retain and apply to the payment of the Revolving Credit Note or Notes held by, or Reimbursement Obligations owed to, such Bank any amount in excess of its ratable portion of the payments received by all of the Banks with respect to the Revolving Credit Notes held by, and Reimbursement Obligations owed to, all of the Banks, such Bank will make such disposition and arrangements with the other Banks with respect to such excess, either by way of distribution, pro tanto assignment of claims, subrogation or otherwise as shall result in each Bank receiving in respect of the Revolving Credit Notes held by it or Reimbursement Obligations owed it, its proportionate payment as contemplated by this Credit Agreement; provided that if all or any part of such excess payment is thereafter recovered from such Bank, such disposition and arrangements shall be rescinded and the amount restored to the extent of such recovery, but without interest.

15. THE AGENT.

15.1. Authorization.

(a) The Agent is authorized to take such action on behalf of each of the Banks and to exercise all such powers as are hereunder and under any of the other Loan Documents and any related documents delegated to the Agent, together with such powers as are reasonably incident thereto, provided that no duties or responsibilities not expressly assumed herein or therein shall be implied to have been assumed by the Agent.

(b) The relationship between the Agent and each of the Banks is that of an independent contractor. The use of the term "Agent" is for convenience only and is used to describe, as a form of convention, the independent contractual relationship between the Agent and each of the Banks. Nothing contained in this Credit Agreement nor the other Loan Documents shall be construed to create an agency, trust or other fiduciary relationship between the Agent and any of the Banks.

(c) As an independent contractor empowered by the Banks to exercise certain rights and perform certain duties and responsibilities hereunder and under the other Loan Documents, the Agent is nevertheless a "representative" of the Banks, as that term is defined in Article 1 of the Uniform Commercial Code, for purposes of actions for the benefit of the Banks and the Agent with respect to all collateral security, if any, and guaranties contemplated by the Loan Documents. Such actions include the designation of the Agent as "secured party", "mortgagee" or the like on all financing statements and other documents and instruments, whether recorded or otherwise,

Edgar Filing: IONICS INC - Form 10-Q

relating to the attachment, perfection, priority or enforcement of any security interests, mortgages or deeds of trust in collateral security

-65-

intended to secure the payment or performance of any of the Obligations, all for the benefit of the Banks and the Agent.

15.2. Employees and Agents. The Agent may exercise its powers and execute its duties by or through employees or agents and shall be entitled to take, and to rely on, advice of counsel concerning all matters pertaining to its rights and duties under this Credit Agreement and the other Loan Documents. The Agent may utilize the services of such Persons as the Agent in its sole discretion may reasonably determine, and all reasonable fees and expenses of any such Persons shall be paid by the Borrower.

15.3. No Liability. Neither the Agent nor any of its shareholders, directors, officers or employees nor any other Person assisting them in their duties nor any agent or employee thereof, shall be liable for any waiver, consent or approval given or any action taken, or omitted to be taken, in good faith by it or them hereunder or under any of the other Loan Documents, or in connection herewith or therewith, or be responsible for the consequences of any oversight or error of judgment whatsoever, except that the Agent or such other Person, as the case may be, may be liable for losses due to its willful misconduct or gross negligence.

15.4. No Representations.

15.4.1. General. The Agent shall not be responsible for the execution or validity or enforceability of this Credit Agreement, the Revolving Credit Notes, the Letters of Credit, any of the other Loan Documents or any instrument at any time constituting, or intended to constitute, collateral security for the Revolving Credit Notes, or for the value of any such collateral security or for the validity, enforceability or collectability of any such amounts owing with respect to the Revolving Credit Notes, or for any recitals or statements, warranties or representations made herein or in any of the other Loan Documents or in any certificate or instrument hereafter furnished to it by or on behalf of the Borrower or any of its Subsidiaries, or be bound to ascertain or inquire as to the performance or observance of any of the terms, conditions, covenants or agreements herein or in any instrument at any time constituting, or intended to constitute, collateral security for the Revolving Credit Notes or to inspect any of the properties, books or records of the Borrower or any of its Subsidiaries. The Agent shall not be bound to ascertain whether any notice, consent, waiver or request delivered to it by the Borrower or any holder of any of the Revolving Credit Notes shall have been duly authorized or is true, accurate and complete. The Agent has not made nor does it now make any representations or warranties, express or implied, nor does it assume any liability to the Banks, with respect to the credit worthiness or financial conditions of the Borrower or any of its Subsidiaries. Each Bank acknowledges that it has, independently and without reliance upon the Agent or any other Bank, and based upon such information and documents as it has deemed appropriate, made its own credit analysis and decision to enter into this Credit Agreement.

-66-

15.4.2. Closing Documentation, etc. For purposes

Edgar Filing: IONICS INC - Form 10-Q

of determining compliance with the conditions set forth in ss.11, each Bank that has executed this Credit Agreement shall be deemed to have consented to, approved or accepted, or to be satisfied with, each document and matter either sent, or made available, by the Agent to such Bank for consent, approval, acceptance or satisfaction, or required thereunder to be consented to or approved by or acceptable or satisfactory to such Bank, unless an officer of the Agent active upon the Borrower's account shall have received notice from such Bank prior to the Closing Date specifying such Bank's objection thereto and such objection shall not have been withdrawn by notice to the Agent to such effect on or prior to the Closing Date.

15.5. Payments.

15.5.1. Payments to Agent. A payment by the Borrower to the Agent hereunder or under any of the other Loan Documents for the account of any Bank shall constitute a payment to such Bank. The Agent agrees promptly to distribute to each Bank such Bank's pro rata share of payments received by the Agent for the account of the Banks except as otherwise expressly provided herein or in any of the other Loan Documents.

15.5.2. Distribution by Agent. If in the opinion of the Agent the distribution of any amount received by it in such capacity hereunder, under the Revolving Credit Notes or under any of the other Loan Documents might involve it in liability, it may refrain from making distribution until its right to make distribution shall have been adjudicated by a court of competent jurisdiction. If a court of competent jurisdiction shall adjudge that any amount received and distributed by the Agent is to be repaid, each Person to whom any such distribution shall have been made shall either repay to the Agent its proportionate share of the amount so adjudged to be repaid or shall pay over the same in such manner and to such Persons as shall be determined by such court.

15.5.3. Delinquent Banks. Notwithstanding anything to the contrary contained in this Credit Agreement or any of the other Loan Documents, any Bank that fails (a) to make available to the Agent its pro rata share of any Revolving Credit Loan or to purchase any Letter of Credit Participation or (b) to comply with the provisions of ss.14 with respect to making dispositions and arrangements with the other Banks, where such Bank's share of any payment received, whether by setoff or otherwise, is in excess of its pro rata share of such payments due and payable to all of the Banks, in each case as, when and to the full extent required by the provisions of this Credit Agreement, shall be deemed delinquent (a "Delinquent Bank") and shall be deemed a Delinquent Bank until such time as such delinquency is satisfied. A Delinquent Bank shall be deemed to have assigned any and all payments due to it from the Borrower, whether on account of outstanding Revolving Credit Loans, Unpaid Reimbursement Obligations, interest, fees or otherwise, to the remaining nondelinquent Banks for application

-67-

to, and reduction of, their respective pro rata shares of all outstanding Revolving Credit Loans and Unpaid Reimbursement Obligations. The Delinquent Bank hereby authorizes the Agent to distribute such payments to the nondelinquent Banks in proportion to their respective pro rata shares of all outstanding Revolving Credit Loans and Unpaid Reimbursement Obligations. A Delinquent Bank shall be

Edgar Filing: IONICS INC - Form 10-Q

deemed to have satisfied in full a delinquency when and if, as a result of application of the assigned payments to all outstanding Revolving Credit Loans and Unpaid Reimbursement Obligations of the nondelinquent Banks, the Banks' respective pro rata shares of all outstanding Revolving Credit Loans and Unpaid Reimbursement Obligations have returned to those in effect immediately prior to such delinquency and without giving effect to the nonpayment causing such delinquency.

15.6. Holders of Notes. The Agent may deem and treat the payee of any Revolving Credit Note or the purchaser of any Letter of Credit Participation as the absolute owner or purchaser thereof for all purposes hereof until it shall have been furnished in writing with a different name by such payee or by a subsequent holder, assignee or transferee.

15.7. Indemnity. The Banks ratably agree hereby to indemnify and hold harmless the Agent and its affiliates from and against any and all claims, actions and suits (whether groundless or otherwise), losses, damages, costs, expenses (including any expenses for which the Agent or such affiliate has not been reimbursed by the Borrower as required by ss.16), and liabilities of every nature and character arising out of or related to this Credit Agreement, the Revolving Credit Notes, or any of the other Loan Documents or the transactions contemplated or evidenced hereby or thereby, or the Agent's actions taken hereunder or thereunder, except to the extent that any of the same shall be directly caused by the Agent's willful misconduct or gross negligence.

15.8. Agent as Bank. In its individual capacity, Fleet shall have the same obligations and the same rights, powers and privileges in respect to its Commitment and the Revolving Credit Loans made by it, and as the holder of any of the Revolving Credit Notes and as the purchaser of any Letter of Credit Participations, as it would have were it not also the Agent.

15.9. Resignation. The Agent may resign at any time by giving sixty (60) days prior written notice thereof to the Banks and the Borrower. Upon any such resignation, the Majority Banks shall have the right to appoint a successor Agent. Unless a Default or Event of Default shall have occurred and be continuing, such successor Agent shall be reasonably acceptable to the Borrower. If no successor Agent shall have been so appointed by the Majority Banks and shall have accepted such appointment within thirty (30) days after the retiring Agent's giving of notice of resignation, then the retiring Agent may, on behalf of the Banks, appoint a successor Agent, which shall be a financial institution having a rating of not less than A or its equivalent by Standard & Poor's Corporation. Upon the acceptance of any appointment as Agent hereunder by a successor Agent, such successor Agent shall thereupon succeed to and become

-68-

After any retiring Agent's resignation, the provisions of this Credit Agreement and the other Loan Documents shall continue in effect for its benefit in respect of any actions taken or omitted to be taken by it while it was acting as Agent.

15.10. Notification of Defaults and Events of Default. Each Bank hereby agrees that, upon learning of the existence of a Default or an Event of Default, it shall promptly notify the Agent thereof. The Agent hereby agrees that upon receipt of any notice under this ss.15.10 it shall promptly notify the other Banks of the existence of such Default or Event of Default.

If, and to the extent that the obligations of the Borrower under this ss.16.2 are unenforceable for any reason, the Borrower hereby agrees to make the maximum contribution to the payment in satisfaction of such obligations which is permissible under applicable law.

16.3. Survival. The covenants contained in this ss.16 shall survive payment or satisfaction in full of all other Obligations.

17. TREATMENT OF CERTAIN CONFIDENTIAL INFORMATION.

17.1. Confidentiality. Each of the Banks and the Agent agrees, on behalf of itself and each of its affiliates, directors, officers, employees and representatives, to use reasonable precautions to keep confidential, in accordance with their customary procedures for handling confidential information of the same nature and in accordance with safe and sound banking practices, any non-public information supplied to it by the Borrower or any of its Subsidiaries pursuant to this Credit Agreement that is identified by such Person as being

-70-

confidential at the time the same is delivered to the Banks or the Agent, provided that nothing herein shall limit the disclosure of any such information (a) after such information shall have become public other than through a violation of this ss.17, (b) to the extent required by statute, rule, regulation or judicial process, (c) to counsel for any of the Banks or the Agent, (d) to bank examiners or any other regulatory authority having jurisdiction over any Bank or the Agent, or to auditors or accountants, (e) to the Agent, any Bank or any affiliate of the foregoing, (f) in connection with any litigation to which any one or more of the Banks, the Agent or any affiliate of the Agent or any Bank is a party, or in connection with the enforcement of rights or remedies hereunder or under any other Loan Document, (g) to a Subsidiary or affiliate of such Bank or (h) to any assignee or participant (or prospective assignee or participant) so long as such assignee or participant agrees to be bound by the provisions of ss.19.6. 18. SURVIVAL OF COVENANTS, ETC.

All covenants, agreements, representations and warranties made herein, in the Revolving Credit Notes, in any of the other Loan Documents or in any documents or other papers delivered by or on behalf of the Borrower or any of its Subsidiaries pursuant hereto shall be deemed to have been relied upon by the Banks and the Agent, notwithstanding any investigation heretofore or hereafter made by any of them, and shall survive the making by the Banks of any of the Revolving Credit Loans and the issuance, extension or renewal of any Letters of Credit, as herein contemplated, and shall continue in full force and effect so long as any Letter of Credit or any amount due under this Credit Agreement or the Notes or any of the other Loan Documents remains outstanding or any Bank has

-71-

any obligation to make any Revolving Credit Loans or the Agent has any obligation to issue, extend or renew any Letter of Credit, and for such further time as may be otherwise expressly specified in this Credit Agreement. All statements contained in any certificate or other paper delivered to any Bank or the Agent at any time by or on behalf of the Borrower or any of its Subsidiaries pursuant hereto or in connection with the transactions contemplated hereby shall constitute representations and warranties by the Borrower or such Subsidiary hereunder.

Edgar Filing: IONICS INC - Form 10-Q

19.2. Certain Representations and Warranties; Limitations; Covenants. By executing and delivering an Assignment and Acceptance, the parties to the assignment thereunder confirm to and agree with each other and the other parties hereto as follows:

(a) other than the representation and warranty that it is the legal and beneficial owner of the interest being assigned thereby free and clear of any adverse claim, the assigning Bank makes no representation or warranty, express or implied, and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Credit Agreement or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Credit Agreement, the other Loan Documents

-72-

(b) the assigning Bank makes no representation or warranty and assumes no responsibility with respect to the financial condition of the Borrower and its Subsidiaries or any other Person primarily or secondarily liable in respect of any of the Obligations, or the performance or observance by the Borrower and its Subsidiaries or any other Person primarily or secondarily liable in respect of any of the Obligations of any of their obligations under this Credit Agreement or any of the other Loan Documents or any other instrument or document furnished pursuant hereto or thereto;

The Agent shall maintain a copy of each Assignment and Acceptance delivered to it and a register or similar list (the "Register") for the recordation of the names and addresses of the Banks and the Commitment Percentage of, and principal amount of the Revolving Credit Loans owing to and

-73-

Letter of Credit Participations purchased by, the Banks from time to time. The entries in the Register shall be conclusive, in the absence of manifest error, and the Borrower, the Agent and the Banks may treat each Person whose name is recorded in the Register as a Bank hereunder for all purposes of this Credit Agreement. The Register shall be available for inspection by the Borrower and the Banks at any reasonable time and from time to time upon reasonable prior notice. Upon each such recordation, the assigning Bank agrees to pay to the Agent a registration fee in the sum of \$3,500.

The surrendered Revolving Credit Notes shall be cancelled and returned to the Borrower.

19.5. Participations. Each Bank may sell participations to one or more banks or other entities in all or a portion of such Bank's rights and obligations under this Credit Agreement and the other Loan Documents; provided that (a) any such sale or participation shall not affect the rights and duties of the selling Bank hereunder to the Borrower and (b) the only rights granted to the participant pursuant to such participation arrangements with respect to waivers, amendments or modifications of the Loan Documents shall be the rights to approve waivers, amendments or modifications that would reduce the principal of or the interest rate on any Revolving Credit Loans, extend the term or increase the amount of the Commitment of such Bank as it relates to such participant, reduce the amount of any Commitment Fees or Letter of Credit Fees to which such participant is entitled or extend any regularly scheduled payment date for principal or interest.

Edgar Filing: IONICS INC - Form 10-Q

-74-

19.7. Assignee or Participant Affiliated with the Borrower. If any assignee Bank is an Affiliate of the Borrower, then any such assignee Bank shall have no right to vote as a Bank hereunder or under any of the other Loan Documents for purposes of granting consents or waivers or for purposes of agreeing to amendments or other modifications to any of the Loan Documents or for purposes of making requests to the Agent pursuant to ss.13.1 or ss.13.2, and the determination of the Majority Banks shall for all purposes of this Credit Agreement and the other Loan Documents be made without regard to such assignee Bank's interest in any of the Revolving Credit Loans or Reimbursement Obligations. If any Bank sells a participating interest in any of the Revolving Credit Loans or Reimbursement Obligations to a participant, and such participant is the Borrower or an Affiliate of the Borrower, then such transferor Bank shall promptly notify the Agent of the sale of such participation. A transferor Bank shall have no right to vote as a Bank hereunder or under any of the other Loan Documents for purposes of granting consents or waivers or for purposes of agreeing to amendments or modifications to any of the Loan Documents or for purposes of making requests to the Agent pursuant to ss.13.1 or ss.13.2 to the extent that such participation is beneficially owned by the Borrower or any Affiliate of the Borrower, and the determination of the Majority Banks shall for all purposes of this Credit Agreement and the other Loan Documents be made without regard to the interest of such transferor Bank in the Revolving Credit Loans or Reimbursement Obligations to the extent of such participation.

21. GOVERNING LAW.

THIS CREDIT AGREEMENT AND, EXCEPT AS OTHERWISE SPECIFICALLY PROVIDED THEREIN, EACH OF THE OTHER LOAN DOCUMENTS ARE CONTRACTS UNDER THE LAWS OF THE COMMONWEALTH OF MASSACHUSETTS AND SHALL FOR ALL PURPOSES BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF SAID COMMONWEALTH OF MASSACHUSETTS (EXCLUDING THE LAWS APPLICABLE TO CONFLICTS OR CHOICE OF LAW). THE BORROWER AGREES THAT ANY SUIT FOR THE ENFORCEMENT OF THIS CREDIT AGREEMENT OR ANY OF THE

-76-

OTHER LOAN DOCUMENTS MAY BE BROUGHT IN THE COURTS OF THE COMMONWEALTH OF MASSACHUSETTS OR ANY FEDERAL COURT SITTING THEREIN AND CONSENTS TO THE NONEXCLUSIVE JURISDICTION OF SUCH COURT AND SERVICE OF PROCESS IN ANY SUCH SUIT BEING MADE UPON THE BORROWER BY MAIL AT THE ADDRESS SPECIFIED IN ss.20. THE BORROWER HEREBY WAIVES ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE VENUE OF ANY SUCH SUIT OR ANY SUCH COURT OR THAT SUCH SUIT IS BROUGHT IN AN INCONVENIENT COURT.

22. HEADINGS.

The captions in this Credit Agreement are for convenience of reference only and shall not define or limit the provisions hereof.

23. COUNTERPARTS.

Edgar Filing: IONICS INC - Form 10-Q

This Credit Agreement and any amendment hereof may be executed in several counterparts and by each party on a separate counterpart, each of which when executed and delivered shall be an original, and all of which together shall constitute one instrument. In proving this Credit Agreement it shall not be necessary to produce or account for more than one such counterpart signed by the party against whom enforcement is sought.

24. ENTIRE AGREEMENT, ETC.

The Loan Documents and any other documents executed in connection herewith or therewith express the entire understanding of the parties with respect to the transactions contemplated hereby. Neither this Credit Agreement nor any term hereof may be changed, waived, discharged or terminated, except as provided in ss.27.

25. WAIVER OF JURY TRIAL.

Each of Borrower, the Agent and the Banks hereby waives its right to a jury trial with respect to any action or claim arising out of any dispute in connection with this Credit Agreement, the Revolving Credit Notes or any of the other Loan Documents, any rights or obligations hereunder or thereunder or the performance of such rights and obligations. Except as prohibited by law, the Borrower hereby waives any right it may have to claim or recover in any litigation referred to in the preceding sentence any special, exemplary, punitive or consequential damages or any damages other than, or in addition to, actual damages. The Borrower (a) certifies that no representative, agent or attorney of any Bank or the Agent has represented, expressly or otherwise, that such Bank or the Agent would not, in the event of litigation, seek to enforce the foregoing waivers and (b) acknowledges that the Agent and the Banks have been induced to enter into this Credit Agreement, and the other Loan Documents to which it is a party by, among other things, the waivers and certifications contained herein.

-77-

26. CONSENTS, AMENDMENTS, WAIVERS, ETC.

Any consent or approval required or permitted by this Credit Agreement to be given by the Banks may be given, and any term of this Credit Agreement, the other Loan Documents or any other instrument related hereto or mentioned herein may be amended, and the performance or observance by the Borrower or any of its Subsidiaries of any terms of this Credit Agreement, the other Loan Documents or such other instrument or the continuance of any Default or Event of Default may be waived (either generally or in a particular instance and either retroactively or prospectively) with, but only with, the written consent of the Borrower and the written consent of the Majority Banks. Notwithstanding the foregoing, the rate of interest on the Revolving Credit Notes (other than interest accruing pursuant to ss.5.11 following the effective date of any waiver by the Majority Banks of the Default or Event of Default relating thereto) or the amount of the Commitment Fee or Letter of Credit Fees may not be decreased without the written consent of each Bank affected thereby; the amount of the Commitments may not be increased without the written consent of the Borrower and of each Bank affected thereby; the Revolving Credit Loan Maturity Date and the Interest Payment Dates may not be postponed without the written consent of each Bank affected thereby; this ss.26 and the definition of Majority Banks may not be amended, without the written consent of all of the Banks; and the amount of the Agent's Fee or any Letter of Credit Fees payable for the Agent's account and ss.15 may not be amended without the written consent of the Agent. No waiver shall extend to or affect any obligation not expressly waived or impair any right consequent thereon. No course of dealing or delay or omission on the part

Edgar Filing: IONICS INC - Form 10-Q

of the Agent or any Bank in exercising any right shall operate as a waiver thereof or otherwise be prejudicial thereto. No notice to or demand upon the Borrower shall entitle the Borrower to other or further notice or demand in similar or other circumstances.

27. USURY.

All agreements between the Borrower and the Agent and the Banks are hereby expressly limited so that in no contingency or event whatsoever, whether by reason of acceleration of the maturity of the Revolving Credit Notes or otherwise, shall the amount paid or agreed to be paid to the Agent or any Bank for the use or the forbearance of the Indebtedness represented by any Revolving Credit Note exceed the maximum permissible under applicable law. In this regard, it is expressly agreed that it is the intent of the Borrower, the Agent and the Banks, in the execution, delivery and acceptance of the Revolving Credit Notes, to contract in strict compliance with the laws of the Commonwealth of Massachusetts. If, under any circumstances whatsoever, performance or fulfillment of any provision of any of the Revolving Credit Notes or any of the other Loan Documents at the time such provision is to be performed or fulfilled shall involve exceeding the limit of validity prescribed by applicable law, then the obligation so to be performed or fulfilled shall be reduced automatically to the limits of such validity, and if under any circumstances whatsoever the Agent or any Banks should ever receive as interest an amount which would exceed the highest lawful rate, such amount which would be excessive interest shall be applied to the reduction of the principal balance evidenced by the Revolving

-78-

Credit Notes and not to the payment of interest. The provisions of this ss.27 shall control every other provision of this Credit Agreement and each of the Revolving Credit Notes.

28. SEVERABILITY.

The provisions of this Credit Agreement are severable and if any one clause or provision hereof shall be held invalid or unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Credit Agreement in any jurisdiction.

29. TRANSITIONAL ARRANGEMENTS

29.1. Prior Credit Agreement. This Credit Agreement shall supersede the Prior Credit Agreement in its entirety, except as provided in this ss.29. On the Closing Date, the rights and obligations of the parties under the Prior Credit Agreement and the "Revolving Credit Notes" as defined therein shall be subsumed within and be governed by this Credit Agreement and the Revolving Credit Notes as defined herein; provided, however, that each of the "Revolving Credit Loans" (as such term is defined in the Prior Credit Agreement) outstanding under the Prior Credit Agreement on the Closing Date shall, for purposes of this Credit Agreement, be Revolving Credit Loans; and provided further that each "Letter of Credit" (as defined in the Prior Credit Agreement) outstanding under the Prior Credit Agreement on the Closing Date shall, for purposes of this Credit Agreement, be a Letter of Credit. Schedule 1 of the Prior Credit Agreement is deleted in its entirety and replaced with Schedule 1 attached hereto.

Edgar Filing: IONICS INC - Form 10-Q

29.3. Interest and Fees Under Prior Credit Agreement. All interest and fees and expenses, if any, owing or accruing under or in respect of the Prior Credit Agreement through the Closing Date shall be calculated as of the Closing Date (pro rated in the case of any fractional periods), and shall be paid on the Closing Date. Commencing on the Closing Date, the commitment fees shall be payable by the Borrower to the Agent for the account of the Banks in accordance with ss.2.2.

29.4. Addition of New Banks. Fleet, the Agent and the Borrower consent to the addition of each of Bank of America, N.A., Mellon Bank, N.A. and The Chase Manhattan Bank (collectively, the "New Banks") as a Bank hereunder such that, after giving effect thereto and as of the Closing Date, each New Bank

-79-

shall be a party to this Credit Agreement and shall have the rights and obligations of a Bank hereunder. Each New Bank (a) represents and warrants that (i) it is duly and legally authorized to enter into this Credit Agreement, (ii) the execution, delivery and performance of this Credit Agreement do not conflict with any provision of law or of the charter or by-laws of such New Bank, or of any agreement binding on such New Bank, (iii) all acts, conditions and things required to be done and performed and to have occurred prior to the execution, delivery and performance of this Credit Agreement, and to render the same the legal, valid and binding obligation of such New Bank, enforceable against it in accordance with its terms, have been done and performed and have occurred in due and strict compliance with all applicable laws; (b) confirms that it has received a copy of this Credit Agreement, together with copies of the most recent financial statements delivered pursuant to ss.ss.7.4 and 8.4 and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into this Credit Agreement; (c) agrees that it will, independently and without reliance upon the Agent or any other Bank and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Credit Agreement; (d) appoints and authorizes the Agent to take such action as agent on its behalf and to exercise such powers under this Credit Agreement and the other Loan Documents as are delegated to the Agent by the terms of this Credit Agreement and such other Loan Documents, respectively, together with such powers as are reasonably incidental thereto; and (e) agrees that it will perform in accordance with their terms all the obligations which by the terms of this Credit Agreement are required to be performed by it as a Bank.

Each Subordinated Company further waives any and all rights with respect to marshalling.

4. Payments Held in Trust. Each Subordinated Company will hold in trust and immediately pay over to the Agent for the account of the Banks and the Agent, in the same form of payment received, with appropriate endorsements, for application to the Senior Debt any cash amount that any Debtor Company pays to the Subordinated Company with respect to the Subordinated Debt, or as collateral for the Senior Debt any other assets of any Debtor Company that the Subordinated Company may receive with respect to the Subordinated Debt, in each case except with respect to payments expressly permitted pursuant to ss.2.

5. Defense to Enforcement. If any Subordinated Company, in contravention of the terms of this Agreement, shall commence, prosecute or participate in any suit, action or proceeding against any Debtor Company, then such Debtor Company may interpose as a defense or plea the making of this Agreement, and the Agent or any Bank may intervene and interpose such defense or plea in its name or in the name of such Debtor Company. If any Subordinated Company, in contravention of the terms of this Agreement, shall attempt to collect any of the Subordinated Debt or enforce any of the Subordinated Documents, then the Agent, any Bank or such Debtor Company may, by virtue of this Agreement, restrain the enforcement thereof in the name of the Agent or such Bank or in the name of such Debtor Company. If the Subordinated Company, in contravention of the terms of this Agreement, obtains any cash or other assets of any Debtor Company as a result of any administrative, legal or equitable actions, or otherwise, the Subordinated Company agrees forthwith to pay, deliver and assign to the Agent, for the account of the Banks and the Agent, with appropriate endorsements, any such cash for application to the Senior Debt and any such other assets as collateral for the Senior Debt.

6. Bankruptcy, etc.

6.1. Payments relating to Subordinated Debt. At any meeting of creditors of any Debtor Company or in the event of any case or proceeding, voluntary or involuntary, for the distribution, division or application of all or part of the assets of any Debtor Company or the proceeds thereof, whether such case or proceeding be for the

-4-

liquidation, dissolution or winding up of any Debtor Company or its business, a receivership, insolvency or bankruptcy case or proceeding, an assignment for the benefit of creditors or a proceeding by or against any Debtor Company for relief under the federal Bankruptcy Code or any other bankruptcy, reorganization or insolvency law or any other law relating to the relief of debtors, readjustment of indebtedness, reorganization, arrangement, composition or extension or marshalling of assets or otherwise, the Agent is hereby irrevocably authorized at any such meeting or in any such proceeding to receive or collect for the benefit of the Banks and the Agent any cash or other assets of any Debtor Company distributed, divided or applied by way of dividend or payment, or any securities issued on account of any Subordinated Debt, and apply such cash to or to hold such other assets or securities as collateral for the Senior Debt, and to apply to the Senior Debt any cash proceeds of any realization upon such other assets or securities that the Agent in its discretion elects to effect, until all of the Senior Debt shall have been paid in full in cash, rendering to the applicable Subordinated Company any surplus to which such Subordinated Company is then entitled.

6.2. Subordinated Debt Voting Rights. At any such meeting of creditors or in the event of any such case or proceeding, each Subordinated Company shall retain the right to vote and otherwise act with respect to the Subordinated Debt (including, without limitation, the right to vote to accept or reject any plan of partial or complete liquidation, reorganization, arrangement, composition or extension), provided that no Subordinated Company shall vote with respect to any such plan or take any other action in any way so as to contest (i) the validity of any Senior Debt or any collateral therefor or guaranties thereof, (ii) the relative rights and duties of any holders of any Senior Debt established in any instruments or agreements creating or evidencing any of the Senior Debt with respect to any of such collateral or guaranties or (iii) such Subordinated Company's obligations and agreements set forth in this Agreement.

7. Security. Each Subordinated Company hereby acknowledges and agrees that the Subordinated Debt is unsecured.

7.1. Further Assurances. Each Subordinated Company hereby agrees, upon request of the Agent at any time and from time to time, to execute such other documents or instruments as may be reasonably requested by the Agent further to evidence of public record or otherwise the senior priority of the Senior Debt as contemplated hereby.

7.2. Books and Records. Each Subordinated Company further agrees to maintain on its books and records such notations as the Agent may reasonably request to reflect the subordination contemplated hereby and to perfect or preserve the rights of the Agent hereunder. A copy of this Agreement may be filed as a financing statement in any Uniform

Commercial Code recording office.

8. Banks' Freedom of Dealing. Each Subordinated Company agrees, with respect to the Senior Debt and any and all collateral therefor or guaranties thereof, that any Debtor Company and the Banks may agree to increase the amount of the Senior Debt or otherwise modify the terms of any of the Senior Debt, and the Banks may grant extensions of the time of payment or performance to and make compromises, including releases of collateral or guaranties, and settlements with any Debtor Company or other persons, in each case without the consent of any Subordinated Company, or a Debtor Company and without affecting the agreements of the Subordinated Company, or a Debtor Company contained in this Agreement; provided, however, that nothing contained in this ss.8 shall constitute a waiver of a Debtor Company itself to agree or consent to a settlement or compromise of a claim which the Agent or any Bank may have against such Debtor Company, as applicable.

9. Modification or Sale of the Subordinated Debt. No Subordinated Company will at any time while this Agreement is in effect, modify any of the terms of any of the Subordinated Debt or any of the Subordinated Documents unless such modification would diminish and of the rights and remedies of the Agent hereunder; nor will any Subordinated Company sell, transfer, pledge, assign, hypothecate or otherwise dispose of any or all of the Subordinated Debt to any person other than a person who agrees in a writing, satisfactory in form and substance to the Agent, to become a party hereto and to succeed to the rights and to bound by all of the obligations of such Subordinated Company hereunder. In the case of any such disposition by any Subordinated Company, such Subordinated Company will notify the Agent at least ten (10) days prior to the date of any of such intended disposition.

10. Obligations Absolute. Nothing contained in this Agreement shall impair, as between either a Debtor Company and any Subordinated Company, the obligation of a Debtor Company to pay to the Subordinated Company all amounts payable in respect of the Subordinated Debt as and when the same shall become due and payable in accordance with the terms thereof, or prevent such Subordinated Company (except as expressly otherwise provided in ss.3 or ss.6) from exercising all rights, powers and remedies otherwise permitted by Subordinated Documents and by applicable law upon a default in the payment of the Subordinated Debt or under any Subordinated Document, all, however, subject to the rights of the Agent and the Banks as set forth in this Agreement.

11. Termination of Subordination. This Agreement shall continue in full force and effect, and the obligations and agreements of the Subordinated Companies, and the Debtor Companies hereunder shall continue to be fully operative, until all of the Senior Debt shall have been paid and satisfied in full in cash and such full payment and satisfaction shall be final and not avoidable. To the extent that a Debtor Company or any guarantor of or provider of collateral for the Senior Debt makes any payment on the Senior Debt that is subsequently invalidated, declared to be fraudulent or preferential or set aside or is required to be repaid to a trustee, receiver or any other party under any bankruptcy, insolvency or reorganization act, state or federal law, common law or equitable cause (such payment being hereinafter referred to as a "Voided Payment"), then to the extent of such Voided Payment, that portion of the Senior

-6-

Debt that had been previously satisfied by such Voided Payment shall be revived and continue in full force and effect as if such Voided Payment had never been

Edgar Filing: IONICS INC - Form 10-Q

made. In the event that a Voided Payment is recovered from the Agent or any Bank, an Event of Default shall be deemed to have existed and to be continuing under the Credit Agreement from the date of the Agent's or such Bank's initial receipt of such Voided Payment until the full amount of such Voided Payment is restored to the Agent or such Bank. During any continuance of any such Event of Default, this Agreement shall be in full force and effect with respect to the Subordinated Debt. To the extent that a Subordinated Company has received any payments with respect to the Subordinated Debt subsequent to the date of the Agent's or any Bank's initial receipt of such Voided Payment and such payments have not been invalidated, declared to be fraudulent or preferential or set aside or are required to be repaid to a trustee, receiver, or any other party under any bankruptcy act, state or federal law, common law or equitable cause, such Subordinated Company shall be obligated and hereby agrees that any such payment so made or received shall be deemed to have been received in trust for the benefit of the Agent or Bank, and such Subordinated Company hereby agrees to pay to the Agent for the benefit of the Agent or (as the case may be) such Bank, upon demand, the full amount so received by such Subordinated Company during such period of time to the extent necessary fully to restore to the Agent or such Bank the amount of such Voided Payment. Upon the payment and satisfaction in full in cash of all of the Senior Debt, which payment shall be final and not avoidable, this Agreement will automatically terminate without any additional action by any party hereto.

13. Notices. All notices and other communications called for hereunder shall be made in writing and, unless otherwise specifically provided herein, shall be deemed to have been duly made or given when delivered by hand or mailed first class, postage prepaid, or, in the case of telegraphic or telexed notice, when transmitted, answer back received, addressed as follows: if to a Subordinated Company or a Debtor Company, at c/o the Borrower, at the address for notices to the Borrower set forth in ss.21 of the Credit Agreement, and if to the Agent, at the address for notices to the Agent set forth in ss.21 of the Credit Agreement, or at such address as either party may designate in writing to the other.

14. Governing Law. THIS AGREEMENT SHALL BE GOVERNED BY AND INTERPRETED IN ACCORDANCE WITH THE LAWS OF THE COMMONWEALTH OF MASSACHUSETTS (EXCLUDING THE LAWS APPLICABLE TO CONFLICTS OR CHOICE OF LAW) AND SHALL BE A SEALED INSTRUMENT UNDER SUCH LAWS.

15. Waiver of Jury Trial. EACH OF THE SUBORDINATED COMPANIES, AND THE DEBTOR COMPANIES HEREBY WAIVES ITS RIGHT TO A JURY TRIAL WITH RESPECT TO ANY ACTION OR CLAIM ARISING OUT OF, UNDER OR IN CONNECTION WITH ANY DISPUTE WITH RESPECT TO THIS AGREEMENT, ANY RIGHTS OR OBLIGATIONS HEREUNDER OR THE PERFORMANCE OF SUCH RIGHTS AND OBLIGATIONS OR ANY COURSE OF CONDUCT, COURSE OF DEALINGS, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF ANY PARTY. Except

-7-

as prohibited by law, each of the Subordinated Companies and each of the Debtor Companies hereby waives any right which it may have to claim or recover in any litigation referred to in the preceding sentence any special, exemplary, punitive or consequential damages or any damages other than, or in addition to, actual damages. Each of the Subordinated Companies and the Debtor Companies (a) certifies that neither the Agent or any Bank nor any representative, agent or attorney of the Agent or any Bank has represented, expressly or otherwise, that either the Agent or any Bank would not, in the event of litigation, seek to enforce the foregoing waivers and (ii) acknowledges that, in entering into the Credit Agreement and the other Loan Documents to which the Agent or any Bank is a party, the Agent and the Banks are relying upon, among other things, the waivers and certifications contained in this ss.15.

16. Miscellaneous. This Agreement may be executed in several counterparts and by each party on a separate counterpart, each of which when so executed and delivered shall be an original, and all of which together shall constitute one instrument. In proving this Agreement, it shall not be necessary to produce or account for more than one such counterpart signed by the party against which enforcement is sought. The Agent, acting upon the instructions of the requisite Banks, may, in its sole and absolute discretion, waive any provisions of this Agreement benefiting the Agent and the Banks; provided, however, that such waiver shall be effective only if in writing and signed by the Agent and shall be limited to the specific provision or provisions expressly so waived. This Agreement shall be binding upon the successors and assigns of any Subordinated Company and each of the Debtor Companies and shall inure to the benefit of the Agent and the Banks, the Agent's and the Banks' respective successors and assigns. Upon receipt of an affidavit of an officer of the Agent or any of the Banks as to the loss, theft, destruction or mutilation of this Agreement, any Intercompany Note or any other security document which is not of public record, and, in the case of any such loss, theft, destruction or mutilation, upon cancellation of this Agreement, any Intercompany Note or other security document, the Company receiving such notice will issue or cause to be issued, in lieu thereof, a replacement Intercompany Note or other security document in the same principal amount thereof and otherwise of like tenor. The Agent hereby agrees to indemnify, defend and hold harmless such Company, its successors and assigns, from and against any and all cost, expense (including, without limitation, reasonable attorneys' fees), loss, liability or damage incurred as a result of the Agent's failure to deliver such original Intercompany Note, properly endorsed, to such Company.
