### **Item 8.01. Other Events.**

On June 6, 2007, NS hosted an Investor Day in New York City, during which members of management provided information regarding various aspects of Norfolk Southern's ("NS") business. The text and accompanying slides of such presentations are included as exhibits to this Form 8-K. The archived webcast--including questions and answers--and all slides are available on NS' website, [www.nscorp.com](http://www.nscorp.com), under the "Investors" section.

Statements about future results made in the materials filed with this Form 8-K as exhibits constitute forward-looking statements that may be identified by the use of words like "believe," "expect," "anticipate" and "project." Forward-looking statements reflect management's good-faith evaluation of information currently available. However, such statements are dependent on and, therefore, can be influenced by, a number of external variables over which management has little or no control, including: domestic and international economic conditions; interest rates; the business environment in industries that produce and consume rail freight; competition and consolidation within the transportation industry; fluctuation in prices or availability of key materials, in particular diesel fuel; labor difficulties, including strikes and work stoppages; legislative and regulatory developments; changes in securities and capital markets; disruptions to NS' technology infrastructure, including its computer systems; and natural events such as severe weather, hurricanes and floods. For more discussion about each risk factor, see Part I, Item 1A "Risk Factors" in NS' Dec. 31, 2006, Form 10-K, and any updates contained in subsequent Forms 10-Q. Forward-looking statements are not, and should not be relied upon as, a guarantee of future performance or results, nor will they necessarily prove to be accurate indications of the times at or by which any such performance or results will be achieved. As a result, actual outcomes and results may differ materially from those expressed in forward-looking statements. NS undertakes no obligation to update or revise forward-looking statements.

The materials filed with this Form 8-K include non-GAAP financial measures, as defined by SEC Regulation G, which are reconciled on NS' website and on Exhibit 99.16 to this Form 8-K. Specifically, the materials refer to the measures "free cash flow" and "return on invested capital." See Exhibit 99.16 to this Form 8-K for the reasons NS' management believes they provide useful information to investors regarding NS' financial condition and results of operations. These measures should be considered in addition to, not as a substitute for, other information provided in accordance with GAAP.
