PROXY STATEMENT
for
ANNUAL MEETING OF STOCKHOLDERS
To Be Held May 6, 2002

To our Stockholders:

Your Board of Directors furnishes this proxy statement in connection with its solicitation of your proxy in the form enclosed to be used at Cadiz' annual meeting of stockholders to be held on Monday, May 6, 2002, at the time and place and for the purposes set forth in the accompanying notice of annual meeting of stockholders.

Cadiz' Annual Report on Form 10-K for the year ended December 31, 2001, including audited financial statements, is being mailed to you with this proxy statement on or about April 5, 2002.

We cordially invite you to attend the annual meeting. Whether or not you expect to attend the annual meeting in person, please either vote your shares via the Internet, by phone (detailed instructions are included on the proxy card) or date, sign and return your proxy promptly in the postage paid return envelope provided. You may revoke your proxy at any time prior to its exercise at the meeting by notice to Cadiz' Secretary, and, if you attend the meeting, you may vote your shares in person. You may also revoke your proxy by returning a duly executed proxy reflecting a later date. Your proxy, if not revoked, will be voted at the annual meeting in accordance with the instructions specified therein.

Only holders of record of Cadiz' common stock at the close of business on March 22, 2002 will be entitled to vote at the meeting. At the close of business on March 22, 2002, there were 36,230,241 shares of common stock of Cadiz outstanding, with each share of common stock being entitled to one vote on each matter to be voted upon. There is no right to cumulate votes as to any matter.

The candidates for director receiving a plurality of the votes of the shares present in person or represented by proxy will be elected (Proposal 1). An affirmative vote of a majority of the shares present or represented by proxy and voting at the meeting is required for approval of Cadiz' independent auditors (Proposal 2). For purposes of determining whether a matter has received a majority vote, abstentions will be included in the vote totals, with the result that an abstention has the same effect as a negative vote. In instances where brokers are prohibited from exercising discretionary authority for beneficial owners who have not returned a proxy (so-called "broker non-votes"), those shares will not be included in the vote totals and, therefore, will have no effect on the vote on Proposals 1 and 2.

Stockholders of Cadiz will not have appraisal rights with

Edgar Filing: CADIZ INC - Form DEF 14A

respect to any of the proposals to be voted upon at the annual meeting.

Cadiz has been advised by its directors and officers that they intend to vote all of the 1,359,182 outstanding shares of common stock which they hold or control, representing 3.66% of the total shares outstanding as of the record date, in favor of the proposals presented in this proxy statement. See "Beneficial Ownership of Securities".

The entire cost of soliciting proxies will be borne by Cadiz, including expenses in connection with preparing and mailing proxy solicitation materials. In addition to use of the mails, proxies may be solicited by officers, directors and regular employees of Cadiz, without extra compensation, by telephone, telegraph or personal solicitation, and no additional compensation will be paid to such persons. If requested, Cadiz will reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable expenses incurred in mailing proxy material to their principals.
