ITEM 8.01 Other Events.

On June 9, 2016, White Mountains Insurance Group, Ltd. (“White Mountains”) announced that it had entered into a definitive agreement for the sale of Tranzact Holdings, LLC to an affiliate of Clayton, Dubilier & Rice, LLC. White Mountains expects that the transaction will close within the next 60 days and that the transaction will increase its book value by approximately \$85 million, or \$17 per share. The transaction is subject to customary closing conditions.

This report may contain “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. All statements, other than statements of historical facts, included or referenced in this report which address activities, events or developments which the registrant expects or anticipates will or may occur in the future are forward-looking statements. The words “will,” “believe,” “intend,” “expect,” “anticipate,” “project,” “estimate,” “predict” and similar expressions are also intended to identify forward-looking statements. These statements are based on certain assumptions and analyses made by the registrant in light of its experience and perception of historical trends, current conditions and expected future developments, as well as other factors believed to be appropriate in the circumstances. However, whether actual results and developments will conform with its expectations and predictions is subject to a number of risks and uncertainties that could cause actual results to differ materially from expectations. Consequently, all of the forward-looking statements made in this report are qualified by these cautionary statements, and there can be no assurance that the actual results or developments anticipated by the registrant will be realized or, even if substantially realized, that they will have the expected consequences to, or effects on, the registrant or its business or operations. The registrant assumes no obligation to update publicly any such forward-looking statements, whether as a result of new information, future events or otherwise.
