PROXY STATEMENT
for
Annual Meeting of Shareholders
to be held October 24, 2002

INTRODUCTION

Your Proxy is solicited by the Board of Directors of Techne Corporation

Edgar Filing: TECHNE CORP /MN/ - Form DEF 14A

(the "Company") for use at the Annual Meeting of Shareholders to be held on October 24, 2002 and at any adjournment thereof, for the purposes set forth in the attached Notice of Annual Meeting.

The cost of soliciting Proxies, including preparing, assembling and mailing the Proxies and soliciting material, will be borne by the Company. Directors, officers and regular employees of the Company may, without compensation other than their regular compensation, solicit Proxies personally or by telephone.

Proxies not revoked will be voted in accordance with the choice specified by shareholders by means of the ballot provided on the Proxy for that purpose. Proxies which are signed but which lack any such specification will, subject to the following, be voted in favor of the proposals set forth in the Notice of Meeting and in favor of the number and slate of directors proposed by the Board of Directors and listed herein. If a shareholder abstains from voting as to any matter, then the shares held by such shareholder shall be deemed present at the meeting for purposes of determining a quorum and for purposes of calculating the vote with respect to such matter, but shall not be deemed to have been voted in favor of such matter. Abstentions, therefore, as to any proposal will have the same effect as votes against such proposal. If a broker returns a "non-vote" proxy, indicating a lack of voting instruction by the beneficial holder of the shares and a lack of discretionary authority on the part of the broker to vote on a particular matter, then the shares covered by such non-vote shall be deemed present at the meeting for purposes of determining a quorum but shall not be deemed to be represented at the meeting for purposes of calculating the vote required for approval of such matter.

The mailing address of the Company's principal executive office is 614 McKinley Place N.E., Minneapolis, MN 55413. The Company expects that this Proxy Statement and the related Proxy and Notice of Annual Meeting will first be mailed to shareholders on or about September 24, 2002.

Edgar Filing: TECHNE CORP /MN/ - Form DEF 14A

(Proposals #1 and #2)

General Information

The Bylaws of the Company provide that the number of directors shall be determined by the shareholders at each annual meeting. The Board of Directors recommends that the number of directors to be set at seven. In the election of directors, each Proxy will be voted for each of the nominees listed below unless the Proxy withholds a vote for one or more of the nominees. Each person elected as a director shall serve for a term of one year or until his successor is duly elected and qualified. All of the nominees are members of the present Board of Directors. If any of the nominees should be unable to serve as a director by reason of death, incapacity or other unexpected occurrence, the Proxies solicited by the Board of Directors shall be voted by the proxy representatives for such substitute nominee as is selected by the Board, or, in the absence of such selection, for such fewer number of directors as results from such death, incapacity or other unexpected occurrence.

Committee and Board Meetings

The Company's Board of Directors has two standing Committees, the Audit Committee and the Compensation Committee. The Audit Committee (whose members

Edgar Filing: TECHNE CORP /MN/ - Form DEF 14A

are Messrs. Herbert, O'Connell, Sears and Dr. Steer) is responsible for reviewing the Company's internal audit procedures, the quarterly and annual financial statements of the Company and, with the Company's independent accountants, the results of the annual audit. The Audit Committee also establishes and oversees the implementation of the Company's cash investment policy. The Audit Committee met five times during fiscal 2002. The Compensation Committee (whose members are Drs. Henney and Steer and Messrs. Herbert and O'Connell) recommends compensation for officers of the Company. The Compensation Committee met twice during fiscal 2002. In addition to formal meetings, the Audit and Compensation Committees had numerous telephone conferences regarding Committee business and individual members of the Committee had meetings with management, auditors and auditor candidates. The Board does not have a separate Nominating Committee, but functions as a whole in considering nominations.

During fiscal 2002, the Board held six meetings. Each director attended 75% or more of the total number of meetings of the Board and of Committees of which he was a member.

Directors' Fees

Directors who are not employees of the Company are compensated at the rate of \$25,000 per year for service on the Board and Committees of the Board. In addition, under the Company's 1998 Nonqualified Stock Option Plan, outside directors automatically receive an option to purchase shares of the Company's Common Stock on election and upon each re-election. In connection with the 2002 Annual Meeting of Shareholders, the number of shares subject to the option granted to outside directors re-elected to the Board will be 5,000 per director.

Audit Committee Report

The Audit Committee is composed of four independent directors and operates under a written charter adopted by the Board of Directors. The Audit Committee assists the Board of Directors with fulfilling its oversight responsibility regarding the quality and integrity of the accounting, auditing and financial reporting practices of the Company. In discharging its oversight responsibilities regarding the audit process, the Audit Committee:

- (1) reviewed and discussed the audited financial statements with management;
- (2) discussed with the independent auditors the material required to be discussed by Statement on Auditing Standards No. 61; and
- (3) reviewed the written disclosures and the letter from the independent auditors required by the Independence Standards Board's Standard No.1, and discussed with the independent auditors any relationships that may impact their objectivity and independence.

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2002 as filed with the Securities and Exchange Commission.

EXECUTIVE COMPENSATION

Compensation Committee Report on Executive Compensation

Compensation Committee Interlocks and Insider Participation. The Compensation Committee of the Board of Directors of the Company is composed of directors Christopher S. Henney, D.Sc., Ph.D., G. Arthur Herbert, Howard V. O'Connell and Randolph C. Steer, M.D., Ph.D. None of the members of the Committee is or ever has been an employee or officer of the Company and none is affiliated with any entity other than the Company with which an executive officer of the Company is affiliated.

Overview and Philosophy. The Company's executive compensation program is comprised of base salaries, annual performance bonuses comprised of a cash and option component, long-term incentive compensation in the form of stock options, and various benefits, including the Company's profit sharing and savings plan and stock bonus plan in which all qualified employees of the Company participate. In addition, the Compensation Committee from time to time may award special cash bonuses or stock options related to non-recurring, extraordinary performance.

The Compensation Committee has followed a policy of paying annual base salaries which are on the moderate side of being competitive in its industry and of awarding bonuses based on achievement of specific revenue, profit and non-monetary goals. If the goals are achieved, the officer receives an option to purchase a number of shares with a fair market value on date of grant equal to 20% of the officer's base salary and receives, at the election of the officer, either a cash bonus equal to 20% of the officer's base salary or an additional option to purchase a number of shares with a fair market value on date of grant equal to 170% of the cash bonus alternative. Bonuses are awarded on a prorated basis if between 85% and 100% of the specific revenue and profit goals are achieved. The goals are established annually as recommended by the Chief Executive Officer of the Company and approved by the Compensation Committee.

The Company has formal employment agreements with its full-time executive officers, other than its President, effective through June 30, 2004, except Mr. Heaney's, whose agreement expires September 30, 2002 and who is retiring in October, 2002. See "Employment Contracts and Change in Control Arrangements" below. The agreements provide for base salaries subject to annual review, bonuses as described above, benefits as provided to all employees and severance compensation dependent upon years of employment with or service to the Company in the event that the officer's employment is terminated without cause or in connection with a sale or merger of the Company.

Compensation in 2002. During fiscal 2002, the Company maintained its principal compensation policies and made adjustments in base salaries to reflect competitive industry and individual performance factors. The Committee, at the beginning of fiscal 2002, established performance criteria for officers based 70% on growth in consolidated revenues and earnings and, working through the Company's Chief Executive Officer, 30% on individual goals which, if met, would permit each officer to earn a cash bonus and additional stock options. The Company achieved record revenues and, excluding a one-time litigation settlement, earnings. On the basis of performance against the criteria established, the Committee at the close of fiscal 2002 awarded to Dr. Tsang, and Messrs. Veronneau and Heaney the bonuses indicated in the table below under "Summary Compensation Table" and, subsequent to fiscal year end, the options indicated in footnote (2) to the table below under "Options/SAR Grants During 2002 Fiscal Year". In further recognition of the officers' achievements, the

Edgar Filing: TECHNE CORP /MN/ - Form DEF 14A

Committee established base salaries for fiscal 2003 as disclosed below under "Employment Contracts and Change in Control Arrangements."

General. The Company provided medical and insurance benefits to its executive officers, which are the same as those generally available to all Company employees. The Company has a profit sharing and savings plan in which all qualified employees, including executive officers, participate subject to statutory limitations on contributions for highly compensated individuals. In fiscal 2002, 2001 and 2000, the Company has contributed to the plan an amount equal to approximately 10%, 9% and 10% of gross wages, respectively. One half of the contributions to the plan is in the form of Common Stock of the Company. The amount of perquisites allowed to executive officers, as determined in accordance with rules of the Securities and Exchange Commission, did not exceed 10% of salary in fiscal 2002.

Chief Executive Officer Compensation. Thomas E. Oland served as the Company's Chief Executive Officer in fiscal 2002. His compensation was determined in accordance with the policies described above as applicable to all executive officers. His base salary was increased from \$220,000 in fiscal 2001 to \$225,000 in fiscal 2002 in light of the Company's increase in revenues and earnings. For fiscal 2002 performance he earned but waived a cash bonus. In February of 1996 the Compensation Committee, in connection with the Board's long-term strategic planning for the Company, adopted a substantial long-term incentive for Mr. Oland in the form of options to purchase an aggregate of 400,000 shares of the Common Stock of the Company at \$4.53 per share, the fair market value on the date of grant. The options are contingent on continued employment by the Company and have fully vested. The options will expire in February of 2006.

Summary. Aggregate executive compensation increased moderately in fiscal 2002 and the Company awarded modest stock options to officers because the Company achieved record revenues and individual officers achieved performance goals. The Compensation Committee intends to continue its policy of paying relatively moderate base salaries, basing bonuses on specific revenue, profit and performance goals and granting options to provide long-term incentive.

Employment Contracts and Change in Control Arrangements

The Company has formal employment agreements with each of its full-time executive officers with the exception of its President and Chief Executive Officer, with whom the Company has an oral understanding. The agreements, which in the cases of Dr. Tsang and Mr. Veronneau expire June 30, 2004 and in the case of Mr. Heaney expires September 30, 2002, provide for base salaries subject to annual review, bonuses as described in the Compensation Committee Report contained in this Proxy Statement, benefits as provided to all employees and severance compensation based upon years of employment by or service to the Company in the event that the officer's employment is terminated without cause or in connection with a sale or merger of the Company. Base salaries for fiscal 2003 for the executive officers named in the Summary Compensation Table are as follows: T. Oland - \$225,000; M. Tsang - \$221,000; M. Veronneau - \$136,000 and T. Heaney - \$201,000. Each of such officers is also subject to a confidentiality and non-competition agreement, which prohibits competition with the Company for a period of two years following termination of employment with the Company.
