PROXY STATEMENT
FOR
ANNUAL MEETING OF STOCKHOLDERS

JUNE 17, 2002

INTRODUCTION

GENERAL

This proxy statement is furnished to our stockholders in connection with the solicitation of proxies for use at our annual meeting of stockholders to be held at our offices located at 2830 North First Street, San Jose, California 95134, on June 17, 2002 at 10:00 a.m. Pacific time, for the purposes of:

- electing a board of four directors for the ensuing year or until the election and qualification of their respective successors; and
- transacting any other business which is properly brought before the meeting or any adjournment or postponement thereof.

A copy of our Annual Report on Form 10-K for the year ended March 31, 2001 and this proxy statement and accompanying proxy card will be first mailed to stockholders on or about May 15, 2002.

This solicitation is made on behalf of our Board of Directors and we will pay the costs of solicitation. Our directors, officers and employees may also solicit proxies by telephone, e-mail, fax or personal interview. We will reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy material to our stockholders.

Our principal executive offices are located at 2830 North First Street, San Jose, California 95134, telephone (408) 434-1292.

SHARES ENTITLED TO VOTE AND REQUIRED VOTE

Our outstanding common stock constitutes the only class of securities entitled to vote at the meeting. Stockholders of record of the common stock at the close of business on May 10, 2002 are entitled to notice of, and to vote at, the meeting. On that date, 7,273,272 shares of our common stock were issued and outstanding.

The presence at the meeting, in person or by proxy, of a majority of the shares of the common stock issued and outstanding on May 10, 2002 will constitute a quorum. Abstentions and broker non-votes (proxies submitted by brokers that do not indicate a vote for a proposal because they do not have discretionary voting authority and have not received instructions as to how to vote on a proposal) are counted as present in determining whether the quorum

Edgar Filing: IMP INC - Form DEF 14A

requirement is satisfied.

There are no statutory or contractual rights of appraisal or similar remedies available to those

stockholders who dissent from any matter to be acted on at the meeting. Cumulative voting is not available, and each share of common stock is entitled to one vote.

VOTING PROCEDURES

A proxy card is enclosed for your use. We ask that you sign, date and return the proxy card in the accompanying envelope. You may also vote in person at the meeting, or submit a signed proxy card at the meeting. All votes cast at the meeting will be tabulated by the persons appointed by us to act as inspectors of election for the meeting.

You have a choice regarding the matter to be voted upon at the meeting. Concerning the election of the directors, by checking the appropriate box on your proxy card you may:

- vote for the director nominees; or
- withhold authority to vote for some or all of the director nominees.

The candidates for director receiving the highest number of votes, up to the number of directors to be elected, shall be elected to the Board of Directors. Unless there are different instructions on the proxy, all shares represented by valid proxies (and not revoked before they are voted) will be voted at the meeting FOR the election of the director nominees listed in Proposal No. 1.

With respect to any other business which may properly come before the meeting and be submitted to a vote of stockholders, proxies will be voted in accordance with the best judgment of the designated proxyholders. With the exception of the election of directors and in certain other specific circumstances, Delaware law requires the affirmative vote of a majority of shares present in person or represented by proxy at a meeting at which a quorum is present for approval of proposals presented to stockholders. Broker non-votes will be treated as not present and not entitled to vote with respect to such proposals. Shares which are voted to abstain on such proposals will have the same effect as votes against the proposal since they are not affirmative votes for it.

YOUR VOTE IS IMPORTANT. ACCORDINGLY, PLEASE SIGN AND RETURN THE ACCOMPANYING PROXY CARD WHETHER OR NOT YOU PLAN TO ATTEND THE MEETING IN PERSON.

You may revoke your proxy at any time before it is actually voted at the meeting by:

- delivering written notice of revocation to our Secretary at IMP, Inc., 2830 North First Street, San Jose, California 95134, or in person at the meeting;
- submitting a later dated proxy; or
- attending the meeting and voting in person.

Edgar Filing: IMP INC - Form DEF 14A

Your attendance at the meeting will not, by itself, constitute revocation of your proxy. You may also be represented by another person present at the meeting by executing a form of proxy designating that person to act on your behalf. Shares may only be voted by or on behalf of the stockholder of record as indicated in our stock transfer records. If you are a beneficial stockholder but your shares are held of record by another person, such as a stock brokerage firm or bank, that person must vote the shares as the stockholder of record.

PROPOSAL NO. 1: ELECTION OF NOMINEES TO BOARD OF DIRECTORS

GENERAL INFORMATION

Directors are elected at each annual meeting and hold office until their resignation or removal and until their successors are duly elected and qualified at the next annual meeting. Our Bylaws provide that our Board of Directors shall consist of four directors. Currently, we have four incumbent directors, and those four persons are nominated for re-election. Proxies cannot be voted for more than four persons.

Each nominee for director has indicated his willingness to serve if re-elected. Proxies received by us will be voted for the nominees. Although we do not anticipate that any nominee will be unavailable for re-election, if a nominee is unavailable for re-election, we will vote the proxies for any substitute nominee we may designate.

Each nominee for re-election to the Board of Directors currently serves as one of our directors and has continually served as a director since the date he initially became a director of our company which is set forth below. During the fiscal year ended March 31, 2002, our Board of Directors met 10 times and each director attended at least 75% of those meetings. WE ARE INFORMED BY OUR MAJORITY STOCKHOLDER, SUBBA MOK LLC, THAT IT INTENDS TO VOTE ALL OF ITS SHARES FOR THE NOMINEES LISTED BELOW. ASSUMING THAT SUBBA MOK LLC VOTES ITS SHARES FOR THE NOMINEES LISTED BELOW, THE ELECTION OF SUCH NOMINEES TO OUR BOARD OF DIRECTORS WOULD BE ASSURED.

LIMITATION OF LIABILITY AND INDEMNIFICATION MATTERS

Our Restated Certificate of Incorporation provides that a director shall not be personally liable to us or our stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to us or our stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the Delaware General Corporation Law, or (iv) for any transaction from which the director derived any improper personal benefit. If the Delaware General Corporation Law is hereafter amended to authorize, with the approval of stockholders, further reductions in the liability of the corporation's directors for breach

4

of fiduciary duty, then our directors shall not be liable for any such breach to the fullest extent permitted by the Delaware General Corporation Law as so amended. Any repeal or modification of the foregoing provisions by our stockholders shall not adversely affect any right or protection of a director existing at the time of such repeal or modification.

Our Bylaws provide that we shall indemnify to the full extent permitted by, and in the manner permissible under the laws of the State of Delaware, any person made or threatened to be made, a party to an action or proceeding, whether criminal, civil, administrative or investigative, by reason of the fact that he, his testator or intestate is or was a director or officer of IMP, Inc. or any of our predecessors, or served any other enterprise as director or officer at our request or at the request of any of our predecessors. Expenses incurred by a director in defending a civil or criminal action, suit or proceeding by reason of the fact that he is or was a director (or was serving at our request as a director or officer of another corporation) shall be paid by us in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by us as authorized by relevant sections of the General Corporation Law of Delaware. COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During the fiscal year ended March 31, 2002, the Compensation Committee consisted of Messrs. Brandi, Rajan and Somaya, none of whom (1) is a present or former officer or employee of IMP, Inc., or (2) is engaged in any transactions described under the heading "Certain Transactions."

CERTAIN TRANSACTIONS

On November 30, 2001, we completed the sale and issuance of an aggregate of 5,482,284 shares of common stock to Subba Mok LLC and several additional investors for an aggregate purchase price of \$6.0 million pursuant to a Stock Purchase Agreement dated as of September 28, 2001 (the "Stock Purchase Agreement"). Mr. Pinamaneni is the Managing Member of Subba Mok LLC.

This transaction resulted in a change of control of IMP, Inc. Subba Mok LLC owns approximately 72% of our outstanding common stock and is able to influence or control the corporate actions of our company. In connection with the closing of the transactions contemplated by the Stock Purchase Agreement, we and our prior majority stockholder, Teamasia, amended certain terms of the outstanding \$3.5 million principal amount of convertible debentures held by Teamasia, which otherwise would have become due and payable in May and June 2001, as follows: (1) the maturity date was extended for one year; (2) interest will accrue at the prime rate and be payable on the maturity date; and (3) the conversion rate was reduced from \$8.75 to \$3.45, the closing price of our common stock on May 10, 2001 (after giving effect to the 1-for-5 reserve stock split effective on September 26, 2001). In addition, we issued to Teamasia a warrant to purchase 319,800 shares of common stock at an exercise price of \$1.10 per share. Teamasia is entitled to nominate one director for election to our Board of Directors for so long as it continues to own at least five percent of our outstanding common stock.

At various times during the fiscal year ended March 31, 2002, Mr. Pinamaneni made interest-free loans to our company to enable us to finance necessary operating costs and expenses. The maximum outstanding balance owed to

COMPENSATION COMMITTEE REPORT

During the fiscal year ended March 31, 2002, the Compensation Committee of the Board of Directors was comprised of Messrs. Brandi, Rajan and Somaya, all non-employee directors, who administered our executive compensation programs and policies. Our executive compensation programs are designed to attract, motivate and retain the executive talent needed to optimize stockholder value in a competitive environment. The programs are intended to support the goal of increasing stockholder value while facilitating our business strategies and long-range plans.

The following is the Compensation Committee's report submitted to the Board of Directors addressing the compensation of our executive officers for the fiscal year ended March 31, 2002.

COMPENSATION POLICY AND PHILOSOPHY

Our executive compensation policy is:

- designed to establish an appropriate relationship between executive pay and our annual performance, its long term growth objectives and its ability to attract and retain qualified executive officers; and
- based on the belief that the interests of the executives should be closely aligned with our stockholders.

The Compensation Committee attempts to achieve these goals by integrating competitive annual base salaries with:

- annual incentive bonuses based on corporate performance and on the achievement of specified performance objectives set forth in our financial plan for the respective fiscal year; and
- stock options through various plans.

In support of this philosophy, a meaningful portion of each executive's compensation is placed at-risk and linked to the accomplishment of specific results that are expected to lead to the creation of value for our stockholders from both the short term and long term perspectives. The Compensation Committee believes that cash compensation in the form of salary and performance-based incentive bonuses provides our executives with short term rewards for success in operations, and that long term compensation through the award of stock options encourages growth in management stock ownership which leads to expansion of management's stake in our long term performance and success. The Compensation Committee considers all elements of compensation and the compensation policy when determining individual components of pay.

The Board of Directors believes that leadership and motivation of our employees are critical to achieving the objective of maintaining our position in

Edgar Filing: IMP INC - Form DEF 14A

chip manufacturing in the United States. The Compensation Committee is responsible to the Board of Directors for ensuring that our executive officers are highly qualified and that they are compensated in a way that furthers our business strategies and which aligns their interests with those of our stockholders. To support this philosophy, the following principles provide a framework for executive compensation:

- offer compensation opportunities that attract the best talent;
- motivate individuals to perform at their highest levels;
- reward outstanding achievement;

12

- retain those with leadership abilities and skills necessary for building long-term stockholder value;
- maintain a significant portion of executives' total compensation at risk, tied to both our annual and long-term financial performance and the creation of incremental stockholder value; and
- encourage executives to manage from the perspective of owners with an equity stake in IMP, Inc.

EXECUTIVE COMPENSATION COMPONENTS

As discussed below, our executive compensation package is primarily comprised of three components: base salary, annual incentive bonuses and stock options.

Base Salary. The base salary for each executive officer is set on the basis of personal performance, the salary levels in effect for comparable positions with our principal competitors, and internal comparability standards, however, the Compensation Committee does not take into account any specific salary surveys in setting the base salary levels for our executive officers. The Compensation Committee believes our most direct competitors for executive talent are necessarily all of the companies that we would use in a comparison for stockholder returns. Therefore, the compensation comparison group is not necessarily the same as the industry group index in the Performance Graph on page 16.

Annual Incentive Bonuses. No bonuses were paid to any of our executive officers for the fiscal year ended March 31, 2002.

Long Term Incentive Compensation. The Compensation Committee periodically approves grants of stock options under one of our stock option plans to our executive officers. The grants are designed to align the interests of each executive officer with those of the stockholders and provide each individual with a significant incentive to manage IMP, Inc. from the perspective of an owner with an equity stake in the business. Each grant generally allows the officer to acquire shares of common stock at a fixed price per share (the market price on the grant date) over a specified period of time (up to 10 years), thus providing a return to the executive officer only if the market price of the shares appreciates over the option term. There were no option grants to executive officers in the fiscal year ended March 31, 2002.

COMPENSATION OF CHIEF EXECUTIVE OFFICER

Edgar Filing: IMP INC - Form DEF 14A

The Compensation Committee believes that Subbarao Pinamaneni, our Chief Executive Officer, provides valuable services and that his compensation should therefore be competitive with that paid to executives at comparable companies. In addition, the Compensation Committee believes that an important portion of his respective compensation should be based on our performance.

Mr. Pinamaneni did not receive, nor did he accrue, any salary for the year ended March 31, 2001. No annual incentive bonus was paid to Mr. Pinamaneni for the fiscal year ended March 31, 2002. Mr. Pinamaneni's salary for the fiscal year ended March 31, 2001 was accrued, but he has not been paid.

INTERNAL REVENUE CODE SECTION 162(m)

Under Section 162(m) of the Internal Revenue Code, the amount of compensation paid to certain executives that is deductible with respect to our corporate taxes is limited to \$1,000,000 annually. It is the current policy of the Compensation Committee to maximize, to the extent reasonably possible, our ability to

13

obtain a corporate tax deduction for compensation paid to our executive officers to the extent consistent with our best interests and the best interests of our stockholders.
