PROXY STATEMENT FOR THE
ANNUAL MEETING OF SHAREHOLDERS
MAY 2, 2003

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Tasty Baking Company (the "Company") to be used in voting at the Annual Meeting of Shareholders to be held on Friday, May 2, 2003 at 11:00 a.m., at the ACE Center, Ridge Pike & Manor Road, Lafayette Hill, Pennsylvania 19444, or at any adjournment or adjournments thereof. This Proxy Statement, the Notice, the Proxy and the Company's 2002 Annual Report, including Consolidated Balance Sheets as of December 28, 2002 and December 29, 2001 and Consolidated Statements of Operations and Retained Earnings, Changes in Capital Accounts and Cash Flows for the fiscal years ended December 28, 2002, December 29, 2001 and December 30, 2000 have been mailed on or after March 31, 2003 to each shareholder of record at the close of business on February 11, 2003.

Please sign, mark and complete the enclosed Proxy and return it in the addressed reply envelope which is furnished for your convenience. If any matters that are not specifically set forth on the Proxy and in this Proxy Statement properly come before the Annual Meeting, the proxies intend to vote on those matters in accordance with their reasonable business judgment.

Proxies in the form enclosed, if duly signed, marked, and received in time for voting, will be voted in accordance with the directions of the shareholders. The persons designated as the proxies shall have the discretionary authority to vote cumulatively for the election of directors and to distribute such votes among the nominees standing for election (except as otherwise instructed by a shareholder in the accompanying Proxy) to assure the election of the nominees of the Board of Directors. The giving of a Proxy does not prevent you from voting in person should you so desire. Under Pennsylvania law, a shareholder may revoke a Proxy by giving notice to the Secretary of the Company in writing at the address of the principal executive offices or in open meeting, but the revocation will not affect any vote previously taken.

The expense of soliciting Proxies for the Annual Meeting, including the cost of preparing, assembling and mailing the Notice, Proxy and Proxy Statement, will be paid by the Company. The solicitation will be made by the use of the mails and through brokers and banking institutions and may also be made by officers and regular employees of the Company. Proxies may be solicited by personal interview, mail, telephone and possibly by

1

facsimile transmission. At the Annual Meeting, in accordance with past practice, shareholders will be requested to approve the minutes of the 2002 Annual Meeting of Shareholders. The approval requested will be for the minutes, and not the underlying actions taken by the shareholders at that meeting.

In this Proxy Statement, and unless otherwise provided, the term "executive officers" refers to the President and Chief Executive Officer; the Executive Vice President; the Senior Vice President and Chief Financial Officer; the Senior Vice President and Chief Marketing Officer; the Vice President, Human Resources; the Vice President, Manufacturing; and the Vice President, Strategic Planning and Corporate Development.

VOTING SECURITIES

GENERAL

Each holder of record of the Company's Common Stock, par value \$0.50 per share, at the close of business on February 11, 2003, is entitled to one vote per share on matters that come before the meeting, except that cumulative voting rights may be exercised with respect to the election of directors. At the close of business on February 11, 2003, there were outstanding 8,099,212 shares of the Company's Common Stock entitled to vote at the Annual Meeting.

Under the Pennsylvania Business Corporation Law of 1988, as amended, and the Company's By-Laws, the presence, in person or by proxy, of shareholders entitled to cast at least a majority of the votes which all shareholders are entitled to cast on a particular matter constitutes a quorum to take action at a shareholders' meeting. Shares which are present, or represented by a proxy, will be counted for quorum purposes regardless of whether the holder of the shares or proxy fails to vote on a matter ("Abstentions") or whether a broker with discretionary authority fails to exercise its discretionary authority to vote shares with respect to the matter ("Broker Non-Votes"). The affirmative vote of at least a majority of the votes cast at the Annual Meeting of Shareholders by all shareholders entitled to vote thereon is required to adopt any proposal. For voting purposes, only shares voted either for or against the adoption of a proposal or the election of directors, and neither Abstentions nor Broker Non-Votes, will be counted as voting in determining whether a proposal is approved or a director is elected. As a consequence, Abstentions and Broker Non-Votes will have no effect on the adoption of a proposal or the election of a director.

CUMULATIVE VOTING

A shareholder wishing to exercise cumulative voting rights in the election of directors may multiply the number of shares which he or she is entitled to vote by the total number of directors to be elected (three) to determine the total number of votes he or she may cast. The shareholder may then distribute the total number of votes among one or more nominees in the proportion he or she desires. The proxies shall have the discretionary authority to vote cumulatively and to distribute such votes among the nominees so as to assure the election of the nominees of the Board of Directors, except for nominees as to whom a shareholder withholds authority to vote and except where a shareholder has directed that votes be cast cumulatively by specific instructions to the proxies.

- (1) This table does not include columns for Other Annual Compensation and Restricted Stock Awards. The Company shall report any restricted stock awards that are earned under the Restricted Stock Incentive Plan as LTIP payouts if and when they are earned by the executive officers (see note 2). The amount of Other Annual Compensation paid to the named executive officers was in each case for perquisites which are not reportable since

11

- they did not exceed the lesser of \$50,000 or 10% of salary and bonus as reported for each named executive officer.
- (2) The Long-Term Incentive Plan Committee did not award any stock options during fiscal years 2000 and 2001. In December, 2000 the Board of Directors approved the Restricted Stock Incentive Plan which was approved by shareholders at the 2001 Annual Meeting. On December 31, 2000 restricted stock awards were made to certain executive officers which will be earned if the Company's cumulative earnings per share for fiscal years 2001 through 2003 (the "Measurement Period") increase by a compound annualized rate of 10% per year over reported earnings for fiscal year 2000. In the event the actual compound annualized rate of increase in the Company's cumulative earnings per share for the Measurement Period is between 6% and 12%, the number of shares earned will be adjusted on a roughly pro rata basis between 50% and 125% of the shares awarded. In the event that the compound annualized rate for the Measurement Period is less than 6%, the restricted stock awards will be forfeited. Messrs. Pettine and Bauer were awarded 10,000 and 3,000 shares, respectively, on December 31, 2000 under the Restricted Stock Incentive Plan. Messrs. Watts, Nagle and Kyle were awarded 50,000, 6,000 and 6,000 shares, respectively, on December 31, 2000, all of which were forfeited on December 28, 2002. Since the restricted stock awards are subject to performance-based conditions on vesting, these shares have not been included in the table. Since earnings per share have declined significantly in both 2001 and 2002, no provision has been made on the Company's books with respect to these awards and it is anticipated that none of the awarded shares will be earned.
- (3) On December 17, 1999 the Board of Directors conditionally granted shares of Company Common Stock to executive officers and managers to be distributed in one-third installments in the event that the Company's stock price achieved the target prices of \$12, \$14 and \$16 for five consecutive trading days (the "Targets") prior to December 17, 2002 (the "1999 Conditional Stock Grant"). On May 19, 2000 the Company's stock price equaled or exceeded the \$12 Target and the first third of the shares granted was earned by the executive officers and managers. Messrs. Pettine, Bauer, Watts, Nagle and Kyle were awarded 2,338, 1,125, 5,625, 1,833 and 1,833 shares, respectively, which were valued at the closing price for the Company's Common Stock on May 19, 2000 (\$12.3125). On January 24, 2001 the Company's stock price equaled or exceeded the \$14 Target and the second third of the shares granted was earned by the executive officers and managers. Messrs. Pettine, Bauer, Watts, Nagle and Kyle were awarded 2,338, 1,125, 5,625, 1,833 and 1,833 shares, respectively, which were valued at the closing price for the Company's Common Stock on January 24, 2001 (\$15.75). On February 23, 2001 the Company's stock price equaled or exceeded the \$16 Target and the final third of the shares granted was earned by the executive officers and managers. Messrs. Pettine, Bauer, Watts, Nagle and Kyle were awarded 2,337, 1,125, 5,625, 1,834 and 1,834 shares, respectively, which were

Edgar Filing: TASTY BAKING CO - Form DEF 14A

valued at the closing price for the Company's Common Stock on February 23, 2001 (\$16.30).

- (4) Includes contributions made for all executive officers under the Company's Thrift Plan and term life insurance premiums paid on behalf of each executive. In 2002, Messrs. Pettine, Bauer, Watts, Nagle and Kyle each received contributions of \$600 under the Company's Thrift Plan. In addition, Messrs. Pizzi, Pettine, Bauer, Watts, Nagle and Kyle each received imputed values of \$1,084, \$79, \$75, \$2,134, \$2,246 and \$75, respectively, for term life insurance premiums.
- (5) Mr. Pizzi joined the Company as President and Chief Executive Officer on October 7, 2002. As an inducement to join the Company, Mr. Pizzi was granted 4,000 shares of the Company's Common Stock which was valued at the closing price on October 7, 2003 (\$11.30). In addition, the Company reimbursed Mr. Pizzi on a full "gross-up"

12

basis for the income tax cost of the stock award (see p. 20). The amount appearing in the "Bonus" column for Mr. Pizzi represents the value of this stock award and the tax "gross up."

- (6) During fiscal year 2002, Mr. Watts was Chairman, President and Chief Executive Officer until October 7, 2002. Thereafter, he served as Chairman of the Board until December 28, 2002. Mr. Watts entered into a Personal Leave Agreement on December 28, 2002, pursuant to the terms of which he resigned from the Board of Directors and went on personal leave status until April 30, 2004 (see pp. 17 and 20).
- (7) Mr. Nagle was Vice President, Route and Food Service Operations, during fiscal year 2002. His employment with the Company ended on December 28, 2002 (see p. 18).
- (8) Mr. Kyle was Vice President, National Sales and Marketing, during fiscal year 2002. His employment with the Company ended on December 28, 2002 (see p. 18).

Committee awarded Mr. Pizzi options to purchase 25,000 shares of Common Stock on October 7, 2002 with an exercise price equal to the closing price of the Company Common Stock on the date of grant (\$11.30). On December 20, 2002, the Long Term Incentive Plan Committee awarded Mr. Pizzi options to purchase an additional 50,000 shares of Common Stock with an exercise price equal to the closing price of the Company Common Stock on the date of grant (\$8.60). No other named executive officer received option grants in fiscal 2002.

- (2) These values were calculated using the Black-Scholes option-pricing model based on the following assumptions: dividend yield of 3.51%, expected volatility of 28.28%, expected life of five years and risk-free interest rate of 2.84%.

PENSION PLAN

The following table shows the approximate annual retirement benefits which will be payable under the Company's Pension Plan and Supplemental Executive Retirement Plan at the normal retirement age of 65 (assuming continuation of the plans) for the specified years of service and levels of average remuneration. The amounts listed in this table do not include Social Security benefits to which executive officers may be entitled.

The Company has a defined benefit, non-contributory pension plan which covers substantially all employees, including the executive officers named above. Annual amounts which are contributed to the plan and charged to expense during the year are computed on an aggregate actuarial basis and cannot be individually allocated. The remuneration covered by the plan includes salaries and bonuses paid to plan participants as reflected in the Summary Compensation Table (see p. 11). Benefits under the plan are calculated as a percentage of the average 60 highest consecutive calendar months compensation paid by the Company during the last 120 calendar months of employment, which percentage depends on the employee's total number of years of service. Benefits under the pension plan are coordinated with Social Security and are presently restricted under federal tax law to a maximum of \$160,000 per year. Messrs. Pettine, Bauer, Watts, Nagle and Kyle have approximately 30-1/4, 27, 35-3/4, 18-3/4 and 16-1/4 years, respectively, of credited service under the plan.

The Supplemental Executive Retirement Plan ("SERP") was adopted by the Board of Directors effective February 18, 1983 in order to encourage key executives to continue in the service of the Company. The SERP is designed to provide to certain key executives upon their retirement a monthly supplemental retirement benefit equal to the difference between (i) 45% of the average 60 highest consecutive calendar months compensation paid by the Company during the 120 calendar months immediately preceding the executive's separation from service and (ii) the sum of the executive's primary monthly Social Security Benefits, monthly payments which the executive would be eligible to receive under the Tasty Baking Company Pension Plan on a single life annuity basis, and any other monthly retirement benefits for which the executive is eligible. The SERP was amended by the Board of Directors on May 15, 1987 to provide for benefits to the surviving spouse of a deceased key executive in the same percentage or proportion, if any, as the surviving spouse would be entitled to receive under the Tasty Baking Company Pension Plan.

The Company has entered into a Trust Agreement with Wachovia Bank, N. A. for the benefit of the participants in the SERP. Under this Trust Agreement the Company is obligated to deposit sufficient funds with the trustee to enable it to purchase annuity contracts to fund the SERP in the event of a change in control of the Company.

The retirement benefits which the Company is obligated to pay to Mr. Pizzi are defined in his Employment Agreement and a separate Supplemental Executive Retirement Plan Agreement dated as of October 7, 2002. The monthly retirement benefit which Mr. Pizzi will be entitled to receive, calculated on a single life annuity basis, is equal to the greater of (a) \$1,308.30 multiplied by his years of service for the Company (up to a maximum of 10 years) or (b) 1.92% of his final average compensation multiplied by his years of service with the Company (up to a maximum of 10 years). In each case, the Company's obligation will be offset by any accrued benefits paid under the Company's pension plan. There is no offset for social security benefits.

Edgar Filing: TASTY BAKING CO - Form DEF 14A

Under Mr. Pizzi's SERP Agreement, he is fully vested in his benefits after one year of service. Normal retirement age for Mr. Pizzi under his SERP Agreement is age 62. Assuming Mr. Pizzi works until age 62 and retires at that time, the Company will be obligated to pay not less than \$157,000 of retirement benefits annually to Mr. Pizzi (single life annuity). The amount may be higher depending on his final average compensation with the Company, but in no event will it be less than \$157,000. If Mr. Pizzi were to retire, become disabled or die prior to age 62 (assuming one year of service), he or his surviving spouse would be entitled to receive the benefits under the SERP Agreement commencing on the latter of the date that Mr. Pizzi would have attained age 57, or the date of his actual death, retirement or disability. Such benefits will be reduced by a factor of 0.41666% for each month that the benefit

15

commencement date precedes the date that Mr. Pizzi would have attained age 62. Mr. Pizzi's income for calculating his retirement benefits is \$400,000 per year. Mr. Pizzi has no years of credited service for purposes of his retirement benefits.

EMPLOYMENT AND TERMINATION ARRANGEMENTS FOR EXECUTIVES

Mr. Pizzi. On August 14, 2002, the Company and Charles P. Pizzi entered into an Employment Agreement under the terms of which Mr. Pizzi was hired to serve as Chief Executive Officer and President for a period of two years commencing October 7, 2002. His Agreement will be automatically renewed for additional one year periods if not terminated by either Mr. Pizzi or the Company on at least 90 days notice prior to the end of the then current term. The Agreement provides that Mr. Pizzi will receive a base salary of not less than \$400,000 per year, that he will be entitled to participate in the Management Incentive Plan providing cash bonuses to executive officers, and that he will receive 4,000 shares of Common Stock which became fully vested upon commencement of his employment and options to purchase 25,000 shares of Common Stock in accordance with the provisions of the Company's Long Term Incentive Plans. The Company will also pay the premiums on a term life insurance policy for the benefit of Mr. Pizzi's heirs in the amount of \$1,000,000. Other perquisites and benefits are provided to Mr. Pizzi commensurate with his position as President and Chief Executive Officer.

In order to encourage Mr. Pizzi to leave his prior position and join the Company, the Company agreed to provide to Mr. Pizzi retirement benefits equivalent to not less than the retirement benefits that he would have received from his prior employer had he worked until age 62. Assuming Mr. Pizzi were to retire from the Company at age 62, the Company will be obligated to make retirement payments to Mr. Pizzi from its defined benefit pension plan and under a supplemental agreement in the aggregate of not less than \$157,000 per annum. The amounts payable could be higher depending on Mr. Pizzi's actual compensation during his tenure with the Company.

In the event that Mr. Pizzi's employment is terminated under any of the circumstances described below, he will be entitled to receive certain continuing compensation benefits from the Company: (i) termination by the Company without cause, (ii) if the Company elects not to renew Mr. Pizzi's employment agreement, (iii) if Mr. Pizzi terminates employment for "good reason," or (iv) if Mr. Pizzi terminates employment after a change of control. The compensation benefits which Mr. Pizzi will be entitled to receive include: (a) two times his annual base salary payable over twenty-four months, (b) one-half of his average historical annual cash bonus payable each year during the two years following termination, and (c) acceleration of the vesting of all outstanding stock options. Mr. Pizzi will be entitled to receive these benefits without any obligation to mitigate damages by seeking other employment; however, payment of such benefits is

Edgar Filing: TASTY BAKING CO - Form DEF 14A

conditioned upon Mr. Pizzi's signing a general release in favor of the Company. Mr. Pizzi will have the right to receive these benefits in the event of a change of control of the Company if he elects to leave the employment of the Company during the period beginning six months after the change of control and ending 18 months after the change of control. The Company will not be obligated to make payments to Mr. Pizzi to the extent that the aggregate amount of benefits payable upon a change of control exceed the parachute payment limitations under the Internal Revenue Code.

16

For purposes of the Agreement, "good reason" means any material change in the authority, duties and responsibilities of Mr. Pizzi which is inconsistent with those of President and Chief Executive Officer of the Company, relocation of his principal place of employment to a place (other than the Company's Oxford facility) outside of a radius of 30 miles from the Company's Hunting Park Avenue facility, or the Company's continued failure to perform its duties under the Agreement after applicable notice and cure periods have expired.

Mr. Pettine. The Company and Mr. Pettine entered into an Amended and Restated Employment Agreement effective as of December 28, 2002. Under this Agreement, Mr. Pettine will be employed as Executive Vice President of the Company through December 31, 2004, at which time he will retire. The Agreement specifies that Mr. Pettine will be entitled to receive a base annual salary of not less than \$223,000, participate in the Management Incentive Plan, and receive all other benefits and perquisites of executive officers of the Company during the period of his employment.

The Agreement provides that in the event Mr. Pettine's employment is terminated by the Company for any reason, other than for cause or death, prior to December 31, 2004, or if Mr. Pettine terminates his employment because his authority, duties or responsibilities are altered so as to be inconsistent with his background, training and experience or because of a breach by the Company which is not cured after notice, he will be entitled to receive, in lieu of any other damages, his base salary and bonus and medical and life insurance benefits at the cost of the Company through December 31, 2004, and supplemental executive retirement benefits equivalent to that which he would have received had his employment continued through December 31, 2004. In return for these additional SERP benefits, Mr. Pettine is obligated to sign a general release in favor of the Company.

Mr. Bauer. The Company and Mr. Bauer entered into an Employment Agreement effective July 1, 1988 which provides that he will receive annually for two years a minimum of \$170,000 plus bonus upon termination by the Company without two years' prior notice, other than for cause or upon death or retirement; termination by Mr. Bauer because his authority, responsibilities or duties are changed so as to be inconsistent with his background, training and expertise; or termination by Mr. Bauer because of a continuing failure by the Company to perform pursuant to his Employment Agreement. These payments would be in addition to any other damages which Mr. Bauer may suffer as a result of such termination, subject to Mr. Bauer's obligation to mitigate damages.

Mr. Watts. The Company and Mr. Watts have entered into a Personal Leave Agreement dated as of December 28, 2002. Under this Agreement, Mr. Watts resigned from the Board of Directors and went on personal leave status. Mr. Watts will continue to be paid at the rate of \$700,000 per year through April 30, 2004. During the leave period, Mr. Watts will continue to receive medical and life insurance benefits and will continue to have the use of a leased vehicle. He will not be entitled to receive any cash bonuses or additional stock options or stock-based compensation awards, and the prior award of 50,000 shares of restricted stock under the Company's Restricted Stock Incentive Plan was

Edgar Filing: TASTY BAKING CO - Form DEF 14A

canceled as of December 28, 2002.

Mr. Watts will continue to have the benefits under his Supplemental Executive Retirement Plan Agreement as described under the heading Pension Plan above (see p.18). Under the Personal Leave Agreement, if Mr. Watts signs

17

a release in favor of the Company, he will be credited with additional years of service under his SERP Agreement through April 30, 2004, and his base compensation for purposes of calculating his retirement benefits under the SERP Agreement will include the compensation paid under the Personal Leave Agreement.

Mr. Nagle. Mr. Nagle's employment with the Company terminated on December 28, 2002. The Company and Mr. Nagle had entered into an Employment Agreement dated as of July 1, 1988, as amended June 21, 1991, pursuant to which Mr. Nagle was entitled to three years notice prior to termination of his Employment Agreement. The Company elected to terminate Mr. Nagle's employment without complying with this notice provision. Therefore, the Company may be obligated to Mr. Nagle for his annual base salary (\$181,000) and bonuses for a period of up to three years, ending December 28, 2005. Mr. Nagle claims he is entitled to other damages, such as the use of a car and other benefits, as a result of the Company's termination of his employment. The Company believes that Mr. Nagle is obligated to seek other employment in order to mitigate any damages arising out of the termination of his Employment Agreement.

Mr. Kyle. Mr. Kyle's employment with the Company terminated on December 28, 2002. The Company and Mr. Kyle have entered into a Severance Agreement effective as of December 28, 2002, pursuant to which Mr. Kyle will be entitled to receive his annual base salary (\$173,000) through December 27, 2003 and will be covered under the Company's medical insurance program for employees through December 27, 2003 on substantially the same basis as if his employment with the Company continued. Mr. Kyle also received an additional \$10,000 toward the cost of outplacement services. Mr. Kyle has provided a release in favor of the Company in connection with the Severance Agreement.

REPORT OF COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

COMPENSATION POLICIES APPLICABLE TO EXECUTIVE OFFICERS

The purpose of the Company's executive compensation program is to attract, retain and motivate qualified executives to manage the business of the Company so as to maximize profits and shareholder value. Executive compensation in the aggregate is made up principally of the executive's annual base salary, a cash bonus which may be awarded under the Company's Management Incentive Plan, awards of Company Common Stock or stock options under the Company's 1994 Long Term Incentive Plan or 1997 Long Term Incentive Plan, and awards of restricted stock under the Restricted Stock Incentive Plan. The Company's Compensation Committee (the "Committee") (see p. 8) annually considers and makes recommendations to the Board of Directors as to executive compensation, including changes in base salary and bonuses, taking into consideration awards made by the Company's Long Term Incentive Plan Committee.

18

Consistent with this purpose, it is the policy of the Committee, in recommending the aggregate annual compensation of executive officers of the Company, to consider the overall performance of the Company, the performance of the functional area of the Company (e.g. route operations, national sales, manufacturing) for which the executive has responsibility, and the individual

Edgar Filing: TASTY BAKING CO - Form DEF 14A

contribution and performance of the executive. The performance of the Company and of the function for which the executive has responsibility are significant factors in determining aggregate compensation although they are not necessarily determinative. While shareholders' total return (see p. 22) is important and is considered by the Committee, it is subject to the vagaries of the public market place and the Company's compensation program focuses on the Company's strategic plans, corporate performance measures, and specific corporate goals which should lead to a favorable stock price. The corporate performance measures which the Committee considers include sales, earnings, return on equity and comparisons of sales and earnings with prior years, with budgets, and with the Company's competitors and peer group.

The Committee does not rely on any fixed formulae or specific numerical criteria in determining an executive's aggregate compensation. It considers both corporate and personal performance criteria, competitive compensation levels, the economic environment and changes in the cost of living as well as the recommendation of management. Adjustments to executive compensation are frequently most appropriately made through the award of bonus payments under the Company's Management Incentive Plan rather than through significant adjustments to the executive's base salary. The Committee exercises business judgment based on all of these criteria and the purposes of the executive compensation program.

Under the Company's Management Incentive Plan, cash bonuses are paid upon the attainment of specified financial performance objectives. The Company reported a loss of \$.54 per diluted share for fiscal 2002, including after-tax restructure charges of \$.46 per diluted share relating to the closure of thrift outlets and arrangements with senior executives leaving the Company and certain manufacturing and administrative personnel whose positions were eliminated. After evaluating the Company's actual performance relative to the financial performance objectives for fiscal 2002, the Committee determined, after consultation with the President and Chief Executive Officer, that no cash bonuses for 2002 would be awarded to participants in the Plan.

In December, 2000 the Committee reviewed, considered and recommended adoption of a restricted stock incentive plan proposed by management to provide incentives which reward executive officers and other executives and key employees of the Company when designated performance targets that benefit shareholders are achieved. Pursuant to the Tasty Baking Company Restricted Stock Incentive Plan, adopted and approved by the Committee, Board of Directors and shareholders, the Committee approved initial awards of the Company's Common Stock which would vest based upon the achievement of a compounded annualized increase in earnings per share of 10% for fiscal years 2001 through 2003 as compared with the publicly reported earnings per share for fiscal year 2000. The Committee and the Board determined that the Restricted Stock Incentive Plan was in the best interest of the Company and its shareholders in order to provide the executive officers and other executives of the Company with performance

19

incentives that further align their interests with those of shareholders. Earnings per share have declined significantly in both 2001 and 2002, and as a result no provision has been made on the Company's books with respect to these awards.

COMPENSATION OF THE CHIEF EXECUTIVE OFFICERS

In 2002, the Board of Directors concluded that it was in the best interest of the Company to hire a new President and Chief Executive Officer in light of the expressed intention of Mr. Watts to retire in the first half of 2004. After due consideration, the Board elected Charles P. Pizzi to the offices of President and Chief Executive Officer effective October 7, 2002. Mr. Pizzi's

Edgar Filing: TASTY BAKING CO - Form DEF 14A

annual base salary is \$400,000. In addition, in order to encourage Mr. Pizzi to accept the position with the Company, the Long Term Incentive Plan Committee awarded Mr. Pizzi options to purchase 25,000 shares of Common Stock, and the Compensation Committee recommended a stock award of 4,000 shares of Common Stock which vested immediately upon commencement of Mr. Pizzi's employment. The Company also agreed to reimburse Mr. Pizzi on a full "gross-up" basis for the income tax cost of the stock award. These compensation arrangements for Mr. Pizzi are reflected in his Employment Agreement dated August 14, 2002. As a result, in part, of independent information that the Compensation Committee received regarding compensation for chief executive officers for companies of a size similar to the Company, the Committee concluded that the financial arrangements with Mr. Pizzi were fair and reasonable and in the best interest of the Company.

In considering whether cash bonuses would be awarded to executives, the Committee noted that the Company's sales and net income had not met expectations for 2002. The Committee also considered the Company's results in relation to the general economic conditions in 2002 and industry-wide performance. As a result of the financial performance of the Company in 2002, the Committee awarded no bonuses under the Management Incentive Plan for 2002 to the chief executive officers. However, the Committee recognized that Mr. Pizzi did not join the Company until the fourth quarter and his efforts could have had little impact on financial performance in 2002. As a result, the Long Term Incentive Plan Committee awarded options to purchase 50,000 shares of Common Stock to Mr. Pizzi on December 20, 2002, in recognition of his energy and efforts in addressing various business problems facing the Company and in recruiting a new, experienced and highly-motivated management team.

Carl S. Watts served as Chairman, Chief Executive Officer and President until October 7, 2002, and served as Chairman through December 28, 2002 at which time he retired from the Board of Directors. Mr. Watts joined the Company in 1967, became President in 1991, Chief Executive Officer in 1992, and Chairman of the Board in 1998. At the commencement of 2002, Mr. Watts' base salary was established at \$420,000 and he was employed pursuant to an Employment Agreement dated as of July 1, 1988. Under the Employment Agreement, Mr. Watts was entitled to receive three (3) years notice prior to termination, and consequently his base salary, bonus and other perquisites while he worked during such three year period. In order to facilitate the immediate hiring of a new President and Chief Executive Officer, the Company and Mr. Watts negotiated an Amended and Restated Employment Agreement dated as of August 19, 2002, which provided for fixed annual compensation, without a bonus, stock options or other stock-

20

based compensation, of \$700,000 commencing January 1, 2002 through April 30, 2004. In establishing this level of compensation, the Committee considered, among other factors, the Company's obligations under the original Employment Agreement with Mr. Watts and the operating performance of the Company through June 29, 2002, as it anticipated at the time it approved the terms of the new agreement with Mr. Watts. After due consideration, the Committee concluded that the financial and other arrangements with Mr. Watts were reasonable and in the best interest of the Company.

The Committee's recommendations as to both Mr. Pizzi and Mr. Watts were made to the Board of Directors and, after due consideration, were approved as presented.

ADOPTION OF THE TASTY BAKING COMPANY 2003 LONG TERM INCENTIVE PLAN - PROPOSAL NO. 2

Effective March 27, 2003, the Board of Directors adopted (subject to shareholder approval) the Tasty Baking Company 2003 Long Term Incentive Plan

Edgar Filing: TASTY BAKING CO - Form DEF 14A

(the "Plan"), a copy of which is attached to this Proxy Statement as Appendix B. The Plan authorizes the Compensation Committee to grant equity-based and other performance-based awards to employees of the Company and members of the Board of Directors. The purpose of the Plan is to promote the success and enhance the value of the Company by linking the personal interests of participants to those of Company shareholders and by providing such individuals with an incentive for outstanding performance in order to generate superior returns to shareholders. The Plan is designed to give the Compensation Committee flexibility in structuring awards that will achieve these objectives. Due to the nature of the Plan, the benefits to be received by or allocated to the named executive officers or to the Directors, either individually or as a group, cannot be determined.

The following is a summary of the key provisions of the Plan.

1. NUMBER OF SHARES. The aggregate number of shares reserved and available for grant under the Plan is 400,000 shares of Common Stock, adjusted for any stock dividend, stock split or other subdivision or combination of the Common Stock.

2. ADMINISTRATION. The Plan is administered by the Compensation Committee of the Board (the "Committee"). The members of the Committee must be comprised of directors who satisfy the requirements of "non-employee directors" within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934 and the requirements of "outside directors" within the meaning of the regulations under Section 162(m) of the Internal Revenue Code of 1986, as amended. At present the Committee consists of Judith M. von Seldeneck, Chairperson, G. Fred DiBona, Jr., and Ronald J. Kozich.

3. ELIGIBILITY. The Board intends the Plan to be a broad-based incentive compensation program. Accordingly, all members of the Board, employees, officers and executives of the Company are eligible to become participants in the Plan, as determined by the Committee from time to time. Management contemplates that as many as 150 employees, officers, executives and Directors of the Company may participate in the Plan. It is possible that one or more officers of the Company may receive awards under the Plan which in the aggregate exceed one percent (1%) of the Company's issued and outstanding Common Stock.

23

4. TERM OF PLAN. If approved by the shareholders, the Plan will be effective as of March 27, 2003 and will terminate on March 26, 2013. The Board reserves the right to terminate the Plan prior to such date without prejudice to the holders of any awards then outstanding.

5. PLAN AWARDS. The Plan authorizes the Committee to grant a variety of incentive awards to participants, as described below. Each award shall be evidenced by a written award agreement, which shall specify the terms and conditions of the award, as determined by the Committee in its discretion, subject to the limitations set forth in the Plan.

a. Stock Options. The Committee may award options to purchase a specified number of shares of Common Stock. The exercise price of an option must be no less than the fair market value of the underlying shares on the date the option is awarded. The maximum number of shares of Common Stock with respect to which stock options and stock appreciation rights (as described below) may be granted to any single participant during any one fiscal year of the Company is 100,000. Tax-qualified incentive stock options ("ISOs") may be awarded to participants who are employees of the Company. Non-qualified stock options ("NQOs") may be awarded to participants who are employees of the Company and also to members of the Board. As of March 25, 2003, the market value of the Common Stock was \$8.40

per share.

b. Stock Appreciation Rights. A stock appreciation right ("SAR") gives the participant the right to receive, at the time it is exercised by the participant, the excess (if any) of the fair market value of a specified number of shares of Common Stock at the time of exercise over the fair market value of the shares at the time of the award. Upon exercise, the appreciation in the value of the shares will be paid to the participant in cash, in the form of shares of Common Stock, or a combination thereof.

c. Stock Awards. The Committee may award shares of Common Stock to a participant at no cost to the participant. The award may take the form of an immediate transfer of shares which are subject to forfeiture if conditions specified by the Committee are not met ("Restricted Stock"). Alternatively, the award may take the form of an immediate transfer of shares which are not subject to a risk of forfeiture or a deferred transfer of shares if and when the conditions specified by the Committee are met ("Unrestricted Stock"). The criteria for avoiding forfeiture of Restricted Stock, or receiving a deferred transfer of Unrestricted Stock, may be the completion of a period of continuous employment or Board service with the Company, or satisfaction of specified performance goals, or a combination thereof.

d. Performance Shares. The Committee may grant an award that will entitle the holder to receive a specified number of shares of Common Stock, or cash in lieu of shares, or a combination thereof, if certain performance goals are met ("Performance Shares"). These goals may include, for example, the price of the Common Stock as reported on the New York Stock Exchange reaching one or more targeted levels, or the Company's earnings on a per-share basis reaching one or more targeted levels.

24

The Committee may allow participants who become entitled to receive cash or unrestricted shares of Common Stock pursuant to awards under the Plan to elect to defer receipt of the cash or shares, as the case may be, until a later date. In addition, the Committee may implement a deferred compensation program for members of the Board of Directors, whereby they can elect to receive a deferred award of shares of Common Stock in lieu of current cash compensation.

6. INTERPRETATION. The Committee has the power to set, alter or change the rules, guidelines and regulations for the administration of the Plan, and to interpret the Plan and any and all guidelines, rules and regulations so adopted. The determinations by the Committee will be conclusive and binding on all Plan participants and their beneficiaries.

7. AMENDMENTS. The Board may, from time to time, in its discretion, amend or supplement any provision of the Plan, in whole or in part; provided however, no amendment shall be made to modify the requirements for eligibility for participation or to increase the number of shares of Common Stock with respect to which awards may be granted under the Plan unless approved by the shareholders of the Company, and no amendment shall adversely affect the rights of participants under the Plan with respect to outstanding awards.

8. ANTI-DILUTION. The number of shares with respect to which awards may be granted under the Plan, the number of shares of Common Stock subject to any outstanding award, and the nature of the securities which may be issued under the Plan, in each case shall be adjusted as a result of stock splits, stock dividends, or other subdivisions or combinations of the Common Stock, or reorganizations, mergers, consolidations, dividends or reclassifications affecting the Company.

Edgar Filing: TASTY BAKING CO - Form DEF 14A

9. CHANGE OF CONTROL. In the event of a change of control of the Company, the Committee, in its discretion, may accelerate the vesting of all or less than all outstanding awards.

TERMINATION OF EXISTING STOCK COMPENSATION PLANS

In connection with the approval of the Plan by the Board of Directors, the Board also terminated the 2000 Restricted Stock Incentive Plan and the Management Stock Purchase Plan effective upon shareholder approval of this Plan. This termination will not affect any outstanding awards under those plans, but will preclude the grant of any new awards. Under the 2000 Restricted Stock Incentive Plan 179,500 shares would be available for award if the plan were not terminated. The Company anticipates that the outstanding awards of 20,500 shares under that plan will be cancelled at the end of the current fiscal year insofar as the applicable performance target will not be achieved.

25

FEDERAL TAX CONSEQUENCES OF PLAN

The following is a summary of the principal federal tax consequences of the Plan under the Internal Revenue Code of 1986, as amended ("Code"), based on laws and regulations in effect on the date of this proxy statement, which laws and regulations are subject to change, and does not purport to be a complete description of the federal tax aspects of the Plan.

A participant does not realize taxable income upon the award of a stock option. If the option qualifies as an ISO, the participant does not realize taxable income upon exercise of the option (except for purposes of the alternative minimum tax). The maximum value of shares of Common Stock (measured at the time of the award) subject to ISOs granted to any participant which can become exercisable in any calendar year is \$100,000. Provided the participant holds the Common Stock for at least one year and until the end of the two-year period from the date the option was awarded, the gain or loss upon the sale of the Common Stock will be treated as capital gain or loss. If the participant sells the stock before satisfying both of these holding period requirements, this is known as a "disqualifying disposition." In the event of a disqualifying disposition, the lesser of (1) the excess of the fair market value of the Common Stock at the time of exercise over the exercise price, or (2) the excess (if any) of the fair market value of the Common Stock at the time of sale over the exercise price will be taxable to the participant as ordinary income. The Company will not be entitled to any tax deduction in connection with an ISO, except that the Company will be entitled to a deduction equal to the amount that is taxable to the participant as ordinary income as a result of a disqualifying disposition.

If a stock option is an NQO, the participant will realize ordinary compensation income at the time of exercise equal to the excess of the fair market value of the Common Stock at the time of exercise over the exercise price, and the Company will be entitled to a tax deduction for the same amount.

A participant does not realize taxable income upon the award of an SAR. The participant will realize ordinary compensation income at the time of exercise equal to the excess of the fair market value of the underlying Common Stock at the time of exercise over the fair market value of the Common Stock at the time of the award, and the Company will be entitled to a tax deduction for the same amount.

In general, a participant does not realize taxable income upon the award of Restricted Stock; the value of the Restricted Stock will be taxable to the participant as ordinary compensation income if and when the forfeiture

Edgar Filing: TASTY BAKING CO - Form DEF 14A

restrictions lapse. However, a participant may make an election under Section 83(b) of the Code ("83(b) Election") to be taxed on the value of the Restricted Stock at the time of the award. If a participant makes an 83(b) Election, he or she will not be taxed on the Restricted Stock if and when the forfeiture restrictions lapse. A participant would make an 83(b) Election by filing a written statement with the IRS no later than 30 days after the date of the award of the Restricted Stock. A copy of that statement also must be given to the Company, and another copy must be attached to the participant's income tax return for the year of the award.

26

A participant will realize ordinary compensation income upon the receipt of Unrestricted Stock equal to the value of the Unrestricted Stock at that time.

The Company will be entitled to a tax deduction attributable to Restricted Stock or Unrestricted Stock equal to the amount taxable to the participant, and at the time it is taxable to the participant, subject to special rules under Section 162(m) of the Code which may limit the deductibility of compensation attributable to such awards which are granted to the Chief Executive Officer and the four highest compensated officers (other than the Chief Executive Officer) whose compensation must be reported in the Company's proxy statement.

A participant will not realize taxable income upon the award of Performance Shares. The value of the Performance Shares will be taxable to the participant as ordinary compensation income if and when the conditions for vesting specified in the award are satisfied, and will be deductible by the Company for tax purposes at that time (subject to the Section 162(m) rules).

VOTE REQUIRED FOR APPROVAL

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR ADOPTION OF THE 2003 LONG TERM INCENTIVE PLAN.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee (the "Committee") oversees the Company's financial reporting process on behalf of the Board of Directors. Management has primary responsibility for the financial statements, reporting process and internal controls. The Company's independent certified public accountants are responsible for auditing the financial statements in accordance with generally accepted auditing standards and issuing an opinion as to whether the Company's financial statements are, in all material respects, presented fairly in conformity with generally accepted accounting principles. The Committee monitors the quality and objectivity of the Company's financial statements and independent audit process, informs the Board of Directors with respect to the Company's accounting policies and internal controls and selects the Company's independent certified public accountants. In addition, the Committee reviews with management and the Company's independent certified public accountants the interim financial statements to be included in the Company's Quarterly Reports on Form 10-Q and Annual Report on Form 10-K and those matters required by Statement of Auditing Standards ("SAS") No. 61, "Communications with Audit Committees", and SAS No. 90, "Audit Committee Communications".

The Committee operates pursuant to a written charter that was adopted by the Board of Directors in April, 2000 and amended by the Board of Directors in March, 2003 (the "Charter"). A copy of the amended Charter is attached to this Proxy Statement as Appendix A. The Board of Directors has determined that all members of the Committee are "independent" and "financially literate," and at least one member of the Committee has accounting or financial expertise as the Board of Directors has interpreted such qualifications in its business judgment, all as required by the applicable New York Stock Exchange listing standards. The Committee intends to recommend further revisions to its Charter as and when the NYSE listing standards are changed.

Promptly after enactment of the Sarbanes-Oxley Act of 2002, the Committee implemented procedures for pre-approval of all engagements of the Company's Independent Auditors for both audit and non-audit engagements. The pre-approval process also applies to the fees and other terms of each engagement. The procedure requires that prior to engaging the Independent Auditor for any services, management must first inform the Chairman of the Audit Committee of the nature and terms of the proposed engagement. The Chairman will discuss the matter with management and, if desirable, with the Independent Auditor, prior to making any determination to approve or reject any such engagement. The Chairman reports any approvals he has given at the next meeting of the Audit Committee

Edgar Filing: TASTY BAKING CO - Form DEF 14A

for approval by the full Committee. Since the enactment of the Sarbanes-Oxley Act, there were two new engagements of the Independent Auditors (due diligence review and profitability analysis) during fiscal 2002, both of which were pre-approved by the Chairman of the Audit Committee and subsequently approved by the full Committee.

28

In fulfilling its responsibilities, the Committee has reviewed and discussed with the Company's independent certified public accountants, PricewaterhouseCoopers LLP ("PricewaterhouseCoopers" or the "Independent Auditors"), and management the Company's audited consolidated financial statements for the fiscal year ended December 28, 2002. The Committee has also discussed with the Independent Auditors such matters as are required to be discussed with the Committee under generally accepted auditing standards. In addition, the Committee has received written disclosures and a letter from the Independent Auditors as required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees", as currently in effect, and has discussed with the Independent Auditors their independence and the matters required to be discussed under SAS No. 61, as amended. The Committee has also considered whether the fees paid for services other than the consolidated financial statement audit and review services provided by the Independent Auditors are compatible with the independence of the Independent Auditors.

Based upon the Committee's review and discussion of the foregoing information in accordance with the provisions of its Charter, the Committee recommended to the Board of Directors that the consolidated financial statements of the Company for the fiscal year ended December 28, 2002 as audited by PricewaterhouseCoopers, be included in the Company's Annual Report on Form 10-K for fiscal year 2002 to be filed with the Securities and Exchange Commission. The Committee further engaged PricewaterhouseCoopers as the Company's independent certified public accountants for fiscal year 2003.

The Committee's recommendations were made to the Board of Directors and, after due consideration, were approved as presented.

Each member of the Audit Committee shall be financially literate, as such qualification is interpreted by the Company's Board of Directors in its business judgment, or must become financially literate within a reasonable period of time after his or her appointment to the Audit Committee. At least one member of the Audit Committee must have accounting or related financial management expertise, as the Board of Directors interprets such qualification in its business judgment.
- (b) Audit Committee Financial Expert. The Company shall use all reasonable efforts to assure that, after December 31, 2003, at least one member of the Committee shall qualify as an "audit committee financial expert" as defined in SEC Regulation S-K, item 401.

- (d) Business Relationship. A Director (i) who is a partner, controlling shareholder, or executive officer of an organization that has a business relationship with the Company or (ii) who has a direct business relationship with the Company (e.g., a consultant) may serve on the Audit Committee only if the Company's Board of Directors determines in its business judgment that the relationship does not interfere with the Director's exercise of independent judgment. In making a determination regarding the independence of a Director pursuant to this paragraph, the Board of Directors should consider, among other things, the materiality of the relationship to the Company, to the Director and, if applicable, to the organization with which the Director is affiliated.

A-4

"Business relationships" can include commercial, industrial, banking, consulting, legal, accounting and other relationships. A Director can have this relationship directly with the Company, or the Director can be a partner, officer or employee of an organization that has such a relationship. the requirements of subparagraphs 2(c) and 2(f) hereof, one Director who is no longer an employee or who is an Immediate Family member of a former executive officer of the Company or its affiliates, but is not considered independent pursuant to these provisions due to the five-year restriction period, may be appointed, under exceptional and limited circumstances, to the Audit Committee if the Company's Board of Directors determines in its business judgment that membership on the Committee by the individual is required by the best interests of the Company and its shareholders, and the Company discloses, in the next annual proxy statement subsequent to such determination, the nature of the relationship and the reasons for that determination.

3. Definitions.

- (a) "Immediate Family" includes a person's spouse, parents, children, siblings, fathers and mothers-in-law, sons and daughters-in-law, brothers and sisters-in-law, and anyone (other than employees) who shares such person's home.
- (b) "Affiliate" includes a subsidiary, sibling company, predecessor, parent company, or former parent company.
- (c) "Officer" shall have the meaning specified in Rule 16a-1(f) under the Securities Exchange Act of 1934, or any successor rule.

A-5

4. Written Affirmation. With respect to any subsequent changes to the composition of the Audit Committee, and otherwise approximately once each year, the Company should provide the New York Stock Exchange written affirmation in the form attached hereto and marked as Exhibit A regarding:

- (a) Any determination that the Company's Board of Directors has made regarding the independence of Directors pursuant to any of the subparagraphs above;
- (b) The financial literacy of the Audit Committee members;
- (c) The determination that at least one of the Audit Committee members has accounting or related financial expertise; and

The Plan is further intended to provide flexibility to the Company in its ability to motivate, attract, and retain the services of members of the Board, employees, officers, and executives of the Company upon whose judgment, interest, and special effort the successful conduct of the Company's operation is largely dependent. Any awards granted under the Plan prior to shareholder approval are effective when made (unless the Committee specifies otherwise at the time of grant), but no Award may be exercised or settled and no restrictions relating to any Award may lapse before the Plan is approved by the shareholders as provided above. If the shareholders fail to approve the Plan, any Award previously made shall be automatically canceled without any further act.

2.2 TERM. Unless sooner terminated by the Board, the Plan shall terminate on the tenth (10th) anniversary of the Effective Date, and no Awards may be granted under the Plan thereafter. 6.1 ELIGIBILITY. Persons eligible to participate in this Plan include all members of the Board, employees, officers, and executives of the Company, as determined by the Committee.

6.2 ACTUAL PARTICIPATION. No individual shall have any right to be granted an Award under this Plan.

ARTICLE 7 STOCK OPTIONS

7.1 GENERAL. The Committee is authorized to grant Options to Participants on the following terms and conditions:

(a) EXERCISE PRICE. The exercise price per share of Stock under an Option shall be determined by the Committee and set forth in the Award Agreement. It is the intention under the Plan that the exercise price for any Option shall not be less than the Fair Market Value as of the date of grant; provided, however that the Committee may, in its discretion, grant Options (other than Options that are intended to be Incentive Stock Options or Options that are intended to qualify as performance-based compensation under Code Section 162(m)) with an exercise price of less than Fair Market Value on the date of grant.

(b) TIME AND CONDITIONS OF EXERCISE. The Committee shall determine the time or times at which an Option may be exercised in whole or in part. The Committee shall also determine the performance or other conditions, if any, that must be satisfied before all or part of an Option may be exercised. Unless otherwise provided in an Award Agreement, an Option will lapse immediately if a Participant's employment or services are terminated for Cause.

(c) PAYMENT. The Committee shall determine the methods by which the exercise price of an Option may be paid, the form of payment, including, without limitation, cash, shares of Stock (through actual tender or by attestation), or other property (including broker-assisted "cashless exercise" arrangements), and the methods by which shares of

Edgar Filing: TASTY BAKING CO - Form DEF 14A

7.2 INCENTIVE STOCK OPTIONS. Incentive Stock Options shall be granted only to employees and the terms of any Incentive Stock Options granted under the Plan must comply with the following additional rules:

(a) EXERCISE PRICE. The exercise price per share of Stock shall be set by the Committee, provided that the exercise price for any Incentive Stock Option may not be less than the Fair Market Value as of the date of the grant.

(b) EXERCISE. In no event, may any Incentive Stock Option be exercisable for more than ten years from the date of its grant.

(c) LAPSE OF OPTION. An Incentive Stock Option shall lapse under the following circumstances.

(1) The Incentive Stock Option shall lapse ten years from the date it is granted, unless an earlier time is set in the Award Agreement.

(2) The Incentive Stock Option shall lapse upon termination of employment for Cause or for any other reason, other than the Participant's death or Disability, unless otherwise provided in the Award Agreement.

(3) If the Participant terminates employment on account of Disability or death before the Option lapses pursuant to paragraph (1) or (2) above, the Incentive Stock Option shall lapse, unless it was previously exercised, on the earlier of (i) the date on which the Option would have lapsed had the Participant not become Disabled or lived and had his employment status (i.e., whether the Participant was employed by the Company on the date of his Disability or death or had previously terminated employment) remained unchanged; or (ii) 12 months after the date of the Participant's termination of employment on account of Disability or death.

(d) INDIVIDUAL DOLLAR LIMITATION. The aggregate Fair Market Value (determined as of the time an Award is made) of all shares of Stock with respect to which Incentive Stock Options are first exercisable by a Participant in any calendar year may not exceed \$100,000.00 or such other limitation as imposed by Section 422(d) of the Code, or any successor provision. To the extent that Incentive Stock Options are first exercisable by a Participant in excess of such limitation, the excess shall be considered Non-Qualified Stock Options.

(e) TEN PERCENT OWNERS. An Incentive Stock Option shall be granted to any individual who, at the date of grant, owns stock possessing more than ten percent of the total combined voting power of all classes of Stock of the Company only if such Option is granted at a price that is not less than 110% of Fair Market Value on the date of grant and the Option is exercisable for no more than five years from the date of grant.

B-8

(f) RIGHT TO EXERCISE. During a Participant's lifetime, an Incentive Stock Option may be exercised only by the Participant.

ARTICLE 8 STOCK APPRECIATION RIGHTS

8.1 GRANT OF SARS. The Committee is authorized to grant SARs to Participants on the following terms and conditions:

Edgar Filing: TASTY BAKING CO - Form DEF 14A

(a) RIGHT TO PAYMENT. Upon the exercise of a Stock Appreciation Right, the Participant to whom it is granted has the right to receive the excess, if any, of:

(1) The Fair Market Value of a share of Stock on the date of exercise; over

(2) The grant price of the Stock Appreciation Right as determined by the Committee, which shall not be less than the Fair Market Value of a share of Stock on the date of grant in the case of any SAR related to any Incentive Stock Option.

(b) OTHER TERMS. All such Awards shall be evidenced by an Award Agreement. The terms, methods of exercise, methods of settlement, form of consideration payable in settlement, and any other terms and conditions of any Stock Appreciation Right shall be determined by the Committee at the time of the grant of the Award and shall be reflected in the Award Agreement.

ARTICLE 9 PERFORMANCE SHARES

9.1 GRANT OF PERFORMANCE SHARES. The Committee is authorized to grant Performance Shares to Participants on such terms and conditions as may be selected by the Committee. The Committee shall have the complete discretion to determine the number of Performance Shares granted to each Participant. All such Awards shall be evidenced by an Award Agreement.

9.2 RIGHT TO PAYMENT. A grant of Performance Shares gives the Participant rights, valued as determined by the Committee, and payable to, or exercisable by, the Participant to whom the Performance Shares are granted, in whole or in part, as the Committee shall establish at grant or thereafter. Subject to the terms of the Plan, the Committee shall set performance goals and other terms or conditions to payment of the Performance Shares in its discretion which, depending on the extent to which they are met, will determine the number and value of Performance Shares that will be paid to the Participant.

9.3 OTHER TERMS. Performance Shares may be payable in cash, Stock, or other property, and have such other terms and conditions as determined by the Committee and reflected in the Award Agreement.

B-9

ARTICLE 10 STOCK AWARDS

10.1 GRANT OF STOCK. The Committee is authorized to grant Unrestricted Stock Awards and Restricted Stock Awards to Participants in such amounts and subject to such terms and conditions as determined by the Committee. All such Awards shall be evidenced by an Award Agreement.

10.2 ISSUANCE AND RESTRICTIONS. An Unrestricted Stock Award may provide for a transfer of shares of Stock to a Participant at the time the Award is granted, or it may provide for a deferred transfer of shares of Stock subject to conditions prescribed by the Committee. Restricted Stock Awards shall be subject to such restrictions on transferability and other restrictions as the Committee may impose (including, without limitation, limitations on the right to vote the Stock subject thereto or the right to receive dividends on the Stock). These restrictions may lapse separately or in combination at such times, under such circumstances, in such installments, or otherwise, as the Committee determines at the time of the grant of the Award or thereafter.

Edgar Filing: TASTY BAKING CO - Form DEF 14A

10.3 FORFEITURE. Except as otherwise determined by the Committee at the time of the grant of the Award or thereafter, upon termination of employment during the applicable restriction period, Stock subject to a Restricted Stock Award that is at that time subject to restrictions shall be forfeited, provided, however, that the Committee may provide in any Restricted Stock Award that restrictions or forfeiture conditions relating to the Stock will be waived in whole or in part in the event of terminations resulting from specified causes, and the Committee may in other cases waive in whole or in part restrictions or forfeiture conditions relating to the Stock.

10.4 CERTIFICATES FOR RESTRICTED STOCK. Restricted Stock Awards granted under the Plan may be evidenced in such manner as the Committee shall determine. If certificates representing shares of Stock subject to Restricted Stock Awards are registered in the name of the Participant, certificates must bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such shares, and the Company may, at its discretion, retain physical possession of the certificate until such time as all applicable restrictions lapse.

ARTICLE 11 PERFORMANCE-BASED AWARDS

11.1 PURPOSE. The purpose of this Article 11 is to provide the Committee the ability to qualify the Performance Share Awards under Article 9 and the Stock Awards under Article 10 as "performance-based compensation" under Section 162(m) of the Code. If the Committee, in its discretion, decides to grant a Performance-Based Award to a Covered Employee, the provisions of this Article 11 shall control over any contrary provision contained in Articles 9 or 10.

11.2 APPLICABILITY. This Article 11 shall apply only to those Covered Employees selected by the Committee to receive Performance-Based Awards. The Committee may, in its discretion, grant Stock Awards or Performance Share Awards to Covered Employees that do not satisfy the requirements of this Article 11. The

B-10

designation of a Covered Employee as a Participant for a Performance Period shall not in any manner entitle the Participant to receive an Award for the period. Moreover, designation of a Covered Employee as a Participant for a particular Performance Period shall not require designation of such Covered Employee as a Participant in any subsequent Performance Period and designation of one Covered Employee as a Participant shall not require designation of any other Covered Employees as a Participant in such period or in any other period.

11.3 DISCRETION OF COMMITTEE WITH RESPECT TO PERFORMANCE AWARDS. With regard to a particular Performance Period, the Committee shall have full discretion to select the length of such Performance Period, the type of Performance-Based Awards to be issued, the kind and/or level of the Performance Goal, and whether the Performance Goal is to apply to the Company or any division or business unit thereof.

11.4 PAYMENT OF PERFORMANCE AWARDS. Unless otherwise provided in the relevant Award Agreement, a Participant must be employed by the Company on the last day of the Performance Period to be eligible for a Performance Award for such Performance Period. Furthermore, a Participant shall be eligible to receive payment under a Performance-Based Award for a Performance Period only if the Performance Goals for such period are achieved. In determining the actual size of an individual Performance-Based Award, the Committee may reduce or eliminate the amount of the Performance-Based Award earned for the Performance Period, if

Edgar Filing: TASTY BAKING CO - Form DEF 14A

in its sole and absolute discretion, such reduction or elimination is appropriate.

11.5 SHAREHOLDER APPROVAL. The Board shall disclose to the shareholders of the Company the material terms of any Performance - Based Award, and shall seek approval of the shareholders of the Performance - Based Award before any cash or Stock is paid or transferred to a Participant, or before any restrictions with respect to same lapse, pursuant to such Award. The Committee shall certify that the Performance Goals with respect to any Performance - Based Award have been achieved before any cash or Stock is paid or transferred to a Participant, or before any restrictions with respect to same lapse. Such disclosure, approval and certification shall be effected in accordance with the requirements of Section 162(m) (4) (C) of the Code.

ARTICLE 12 PROVISIONS APPLICABLE TO AWARDS

12.1 STAND-ALONE AND TANDEM AWARDS. Awards granted under the Plan may, in the discretion of the Committee, be granted either alone, in addition to, or in tandem with, any other Award granted under the Plan. Awards granted in addition to or in tandem with other Awards may be granted either at the same time as or at a different time from the grant of such other Awards.

12.2 EXCHANGE PROVISIONS. The Committee may at any time offer to exchange or buy out any previously granted Award for a payment in cash, Stock, or another Award, based on the terms and conditions the Committee determines and communicates to the Participant at the time the offer is made.

12.3 TERM OF AWARD. The term of each Award shall be for the period as determined by the Committee,

B-11

provided that in no event shall the term of any Incentive Stock Option or a Stock Appreciation Right granted in tandem with the Incentive Stock Option exceed a period of ten years from the date of its grant.

12.4 FORM OF PAYMENT FOR AWARDS. Subject to the terms of the Plan and any applicable law or Award, payments or transfers to be made by the Company on the grant or exercise of an Award may be made in such forms as the Committee determines at or after the time of grant, including without limitation, cash, promissory note, Stock, other Awards, or other property, or any combination, and may be made in a single payment or transfer, in installments, or on a deferred basis, in each case determined in accordance with rules adopted by, and at the discretion of, the Committee.

12.5 LIMITS ON TRANSFER. No right or interest of a Participant in any Award may be pledged, encumbered, or hypothecated to or in favor of any party other than the Company, or shall be subject to any lien, obligation, or liability of such Participant to any other party other than the Company. No Award shall be assignable or transferable by a Participant other than by will or the laws of descent and distribution, except that the Committee, in its discretion, may permit a Participant to make a gratuitous transfer of an Award that is not an Incentive Stock Option to his or her spouse, lineal descendants, lineal ascendants, or a duly established trust for the benefit of one or more of these individuals.

12.6 BENEFICIARIES. Notwithstanding Section 12.5, a Participant may, in the manner determined by the Committee, designate a beneficiary to exercise the rights of the Participant and to receive any distribution with respect to any Award upon the Participant's death. A beneficiary, legal guardian, legal

Edgar Filing: TASTY BAKING CO - Form DEF 14A

representative, or other person claiming any rights under the Plan is subject to all terms and conditions of the Plan and any Award applicable to the Participant, except to the extent the Plan and Award otherwise provide, and to any additional restrictions deemed necessary or appropriate by the Committee. If no beneficiary has been designated or survives the Participant, payment shall be made to the person entitled thereto under the Participant's will or the laws of descent and distribution. Subject to the foregoing, a beneficiary designation may be changed or revoked by a Participant at any time provided the change or revocation is filed with the Committee.

12.7 STOCK CERTIFICATES. Notwithstanding anything herein to the contrary, the Company shall not be required to issue or deliver any certificates evidencing shares of Stock pursuant to the exercise of any Awards, unless and until the Board has determined, with advice of counsel, that the issuance and delivery of such certificates is in compliance with all applicable laws, regulations of governmental authorities and, if applicable, the requirements of any exchange on which the shares of Stock are listed or traded. All Stock certificates delivered under the Plan are subject to any stop-transfer orders and other restrictions as the Committee deems necessary or advisable to comply with Federal, state, or foreign jurisdiction, securities or other laws, rules and regulations and the rules of any national securities exchange or automated quotation system on which the Stock is listed, quoted, or traded. The Committee may place legends on any Stock certificate to reference restrictions applicable to the Stock. In addition to the terms and conditions provided herein, the Board may require that a Participant make such reasonable covenants, agreements, and representations as the Board, in its discretion, deems advisable in order to comply with any such laws, regulations, or requirements.

B-12

12.8 ACCELERATION UPON A CHANGE OF CONTROL. If a Change of Control occurs, or in anticipation thereof, the Board, in its discretion, may cause any or all outstanding Options, Stock Appreciation Rights and other Awards to become fully exercisable and all restrictions on outstanding Awards to lapse. To the extent that such action causes Incentive Stock Options to exceed the dollar limitation set forth in Section 7.2(d), the excess Options shall be deemed to be Non-Qualified Stock Options. Upon, or in anticipation of, a change in control, the Board may cause every Award outstanding hereunder to terminate at a specific time in the future and shall give each Participant the right to exercise Awards during a period of time as the Board, in its sole and absolute discretion, shall determine.

12.9 DEFERRAL ELECTIONS. The Committee, in its discretion, may permit a Participant to elect to defer his or her receipt of the payment of cash or the delivery of shares of Stock that would otherwise be due to such Participant pursuant to an Award and may permit a Participant who is a member of the Board to elect to receive a deferred Unrestricted Stock Award in lieu of current cash compensation for his or her services as a director. If any such election is permitted, the Committee shall establish rules and procedures for such deferrals, including (a) crediting of reasonable interest on deferred amounts which will be settled in cash, (b) crediting of deferred amounts which will be settled by the transfer of shares of Stock in units representing an equivalent number of shares plus shares resulting from the deemed reinvestment of dividends paid on such shares in additional shares, and (c) the timing of distributions of deferred amounts.

ARTICLE 13 CHANGES IN CAPITAL STRUCTURE

13.1 GENERAL.

(a) SHARES AVAILABLE FOR GRANT. In the event of any change in the number

Edgar Filing: TASTY BAKING CO - Form DEF 14A

of shares of Stock outstanding by reason of any stock dividend or split, recapitalization, merger, consolidation, combination or exchange of shares or similar corporate change, the maximum aggregate number of shares of Stock with respect to which the Committee may grant Awards shall be appropriately adjusted by the Committee. In the event of any change in the number of shares of Stock outstanding by reason of any other event or transaction, the Committee may, but need not, make such adjustments in the number and class of shares of Stock with respect to which Awards may be granted as the Committee may deem appropriate.

(b) OUTSTANDING AWARDS - INCREASE OR DECREASE IN ISSUED SHARES WITHOUT CONSIDERATION. Subject to any required action by the shareholders of the Company, in the event of any increase or decrease in the number of issued shares of Stock resulting from a subdivision or consolidation of shares of Stock or the payment of a stock dividend (but only on the shares of Stock), or any other increase or decrease in the number of such shares effected without receipt or payment of consideration by the Company, the Committee shall proportionally adjust the number of shares of Stock subject to each outstanding Award and the exercise price per share of Stock of each such Award.

(c) OUTSTANDING AWARDS - CERTAIN MERGERS. Subject to any required action by the shareholders of

B-13

the Company, in the event that the Company shall be the surviving corporation in any merger or consolidation (except a merger or consolidation as a result of which the holders of shares of Stock receive securities of another corporation), each Award outstanding on the date of such merger or consolidation shall pertain to and apply to the securities which a holder of the number of shares of Stock subject to such Award would have received in such merger or consolidation.

(d) OUTSTANDING AWARDS - CERTAIN OTHER TRANSACTIONS. In the event of (i) a dissolution or liquidation of the Company, (ii) a sale of all or substantially all of the Company's assets, (iii) a merger or consolidation involving the Company in which the Company is not the surviving corporation or (iv) a merger or consolidation involving the Company in which the Company is the surviving corporation but the holders of shares of Stock receive securities of another corporation and/or other property, including cash, the Committee shall, in its absolute discretion, have the power to:

(1) cancel, effective immediately prior to the occurrence of such event, each Award outstanding immediately prior to such event (whether or not then exercisable), and, in full consideration of such cancellation, pay to the Participant to whom such Award was granted an amount in cash, for each share of Stock subject to such Award, respectively, equal to the excess of (A) the value, as determined by the Committee in its absolute discretion, of the property (including cash) received by the holder of a share of Stock as a result of such event over (B) the exercise of such Award; or

(2) provide for the exchange of each Award outstanding immediately prior to such event (whether or not then exercisable) for an option, a stock appreciation right, restricted stock award, performance share award or performance-based award with respect to, as appropriate, some or all of the property for which such Award is exchanged and, incident thereto, make an equitable adjustment as determined by the Committee in its absolute discretion in the exercise price or value of the option, stock appreciation right, restricted stock award, performance share award or performance-based award or the number of shares or amount of property subject to the option, stock appreciation right, restricted stock award, performance share award or performance-based

Edgar Filing: TASTY BAKING CO - Form DEF 14A

award or, if appropriate, provide for a cash payment to the Participant to whom such Award was granted in partial consideration for the exchange of the Award, or any combination thereof.

(e) OUTSTANDING AWARDS - OTHER CHANGES. In the event of any other change in the capitalization of the Company or corporate change other than those specifically referred to in Article 13, the Committee may, in its absolute discretion, make such adjustments in the number and class of shares subject to Awards outstanding on the date on which such change occurs and in the per share exercise price of each Award as the Committee may consider appropriate to prevent dilution or enlargement of rights.

(f) NO OTHER RIGHTS. Except as expressly provided in the Plan, no Participant shall have any rights by reason of any subdivision or consolidation of shares of stock of any class, the payment of any dividend, any increase or decrease in the number of shares of stock of any class or any dissolution, liquidation, merger, or consolidation of the Company or any other corporation. Except as expressly provided in the Plan, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment

B-14

by reason thereof shall be made with respect to, the number of shares of Stock subject to an Award or the exercise price of any Award.

ARTICLE 14 AMENDMENT, MODIFICATION, AND TERMINATION

14.1 AMENDMENT, MODIFICATION, AND TERMINATION. At any time and from time to time, the Board may terminate, amend or modify the Plan; provided, however, that no amendment shall be made to modify the requirements for eligibility for participation in the Plan, to increase the number of shares which may be subject to Awards under the Plan, or to continue the Plan beyond the time set forth in Section 2.2, without the approval of the Company's shareholders; and further provided that no other amendment shall be made without shareholder approval to the extent necessary or desirable to comply with any applicable law, regulations or stock exchange rule.

14.2 AWARDS PREVIOUSLY GRANTED. Except as otherwise provided in the Plan, including without limitation, the provisions of Article 13, no termination, amendment, or modification of the Plan shall adversely affect in any material way any Award previously granted under the Plan, without the written consent of the Participant.

ARTICLE 15 GENERAL PROVISIONS

15.1 NO RIGHTS TO AWARDS. No Participant, employee, or other person shall have any claim to be granted any Award under the Plan, and neither the Company nor the Committee is obligated to treat Participants, employees, and other persons uniformly.

15.2 NO STOCKHOLDERS RIGHTS. No Award gives the Participant any of the rights of a stockholder of the Company unless and until shares of Stock are in fact issued to such person in connection with such Award.

15.3 WITHHOLDING. The Company shall have the authority and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy Federal, state, and local taxes (including the Participant's FICA obligation) required by law to be withheld with respect to any taxable event arising as a result of this Plan. A Participant may elect to

Edgar Filing: TASTY BAKING CO - Form DEF 14A

have the Company withhold from those Stock that would otherwise be received upon the exercise of any Option, a number of shares having a Fair Market Value equal to the minimum statutory amount necessary to satisfy the Company's applicable federal, state, local and foreign income and employment tax withholding obligations.

15.4 NO RIGHT TO EMPLOYMENT OR SERVICES. Nothing in the Plan or any Award Agreement shall interfere with or limit in any way the right of the Company to terminate any Participant's employment or services at any time, nor confer upon any Participant any right to continue in the employ of the Company.

15.5 INDEMNIFICATION. To the extent allowable under applicable law, each member of the Committee or of the Board shall be indemnified and held harmless by the Company from any loss, cost, liability, or expense that may

B-15

be imposed upon or reasonably incurred by such member in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action or failure to act under the Plan and against and from any and all amounts paid by him or her in satisfaction of judgment in such action, suit, or proceeding against him or her provided he or she gives the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Articles of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

15.6 FRACTIONAL SHARES. No fractional shares of stock shall be issued and the Committee shall determine, in its discretion, whether cash shall be given in lieu of fractional shares or whether such fractional shares shall be eliminated by rounding up or down as appropriate.

15.7 GOVERNMENT AND OTHER REGULATIONS. The obligation of the Company to make payment of awards in Stock or otherwise shall be subject to all applicable laws, rules, and regulations, and to such approvals by government agencies as may be required. The Company shall be under no obligation to register under the Securities Act of 1933, as amended, any of the shares of Stock paid under the Plan. If the shares paid under the Plan may in certain circumstances be exempt from registration under the Securities Act of 1933, as amended, the Company may restrict the transfer of such shares in such manner as it deems advisable to ensure the availability of any such exemption.

15.8 GOVERNING LAW. The Plan and the terms of all Awards shall be construed in accordance with and governed by the laws of the Commonwealth of Pennsylvania.
