CONSENT SOLICITATION STATEMENT  
FOR  
THE SOLICITATION OF WRITTEN CONSENTS  
TO THE ADOPTION OF AN AMENDMENT TO THE  
RESTATED CERTIFICATE OF INCORPORATION

This Consent Solicitation Statement is furnished to the stockholders of Independence Holding Company, a Delaware corporation, by the Board of Directors

## Edgar Filing: INDEPENDENCE HOLDING CO - Form DEF 14A

in connection with the solicitation by the Company of the written consents of the stockholders to the adoption of an amendment (the "Amendment") to the Restated Certificate of Incorporation of the Company.

The purpose of the Amendment is to increase the number of shares of common stock, par value \$1.00, which the Company has authority to issue by 5,000,000 from 15,000,000 to 20,000,000, and, consequently, to increase the total number of shares of all classes of stock which the Company shall have authority to issue by 5,000,000, from 15,100,000 to 20,100,000. The text of the Amendment is set forth below under the heading "The Amendment".

The Company intends to distribute this Consent Solicitation Statement and the accompanying consent card commencing on or about July 12, 2004, to the holders of the Company's common stock as of the close of business on July 8, 2004. This latter date is referred to as the "record date." Written consents of stockholders representing a majority of the outstanding shares of common stock at the record date are required to approve the Amendment.

The principal executive offices of the Company are located at 96 Cummings Point Road, Stamford, Connecticut 06902 and the telephone number of the Company is (203) 358-8000.

### Reasons for the Amendment

On June 9, 2004, the Company announced that its Board of Directors had declared an 80% stock dividend payable on July 2, 2004, to holders of record as of June 18, 2004. As set forth below, after giving effect to payment of this dividend, the Company does not have sufficient authorized but unissued shares of common stock for issuance pursuant to stock options that may vest in the future, or options that may be issued in the future under the Company's existing plans, although it will have sufficient shares to honor the exercise of all presently vested options.

The Company currently has 15,000,000 authorized shares of common stock. The number of shares outstanding as of the record date, after giving effect to the payment of the stock dividend on July 2, is 14,062,300 shares. Also, after giving effect to the stock dividend as of the record date, the Company requires 623,374 shares to honor the exercise of currently vested options; 600,215 shares to honor the exercise of options that have been issued but are currently unvested; and 134,640 shares to honor the exercise of options that may in the future be granted under its existing plans. The authorization of additional common shares is therefore necessary to

enable the Company to honor future exercises of presently unvested options, as well as to issue additional options under its plans.

In addition, the Company believes that it is desirable to have available additional authorized shares of common stock for future stock dividends, employee benefit plans, financings, acquisitions, or other corporate purposes. Except as set forth herein, the Company has no present plan to issue additional shares to be authorized. The Company will issue shares as required upon the exercise of the existing unvested options. Also, the Company is in various stages of negotiation from time to time concerning possible acquisitions, one or more of which may be ongoing and, if consummated, may involve the issuance of shares as consideration, in whole or in part. Subject to applicable laws and regulations, the Board shall have the sole discretion to issue additional shares of the common stock authorized by the Amendment, from time to time, for any corporate purpose without further action by the stockholders, except as may be required by stock exchange rules, and without first offering such shares to

## Edgar Filing: INDEPENDENCE HOLDING CO - Form DEF 14A

stockholders.

No holder of shares of common stock is entitled as such, as a matter of right, to subscribe for or purchase any part of any new or additional issue of any stock of any class, series or kind whatsoever, or to subscribe for or purchase securities convertible into stock of any class, series or kind whatsoever.

### The Amendment

The first paragraph of Article V of the Company's Restated Certificate of Incorporation reads as follows before giving effect to the Amendment:

V. The total number of shares of stock which the Corporation shall have the authority to issue is Fifteen Million One Hundred Thousand (15,100,000) shares, consisting of Fifteen Million (15,000,000) shares of Common Stock, par value \$1.00 per share ("Common Stock"), and One Hundred Thousand (100,000) shares of Preferred Stock, par value \$1.00 per share.

Pursuant to the Amendment, the first paragraph of Article V of the Restated Certificate would be deleted and replaced by the following:

V. The total number of shares of stock which the Corporation shall have the authority to issue is Twenty Million One Hundred Thousand (20,100,000) shares, consisting of Twenty Million (20,000,000) shares of Common Stock, par value \$1.00 per share ("Common Stock"), and One Hundred Thousand (100,000) shares of Preferred Stock, par value \$1.00 per share.

The Board of Directors has adopted resolutions that set forth the Amendment, declare the advisability of the Amendment, and submit the Amendment to the stockholders for approval. The Board recommends approval of the Amendment by the stockholders.

2

### The Consent Procedure

#### General

The Amendment is submitted for stockholder approval by written consent. No meeting of the stockholders will be held to vote on this matter. Only stockholders who own their shares as of July 8, 2004 are entitled to consent, to withhold their consent, or to revoke their consent, to the Amendment. Stockholders are entitled to one consent for each outstanding share of common stock held at the record date. After giving effect to the stock dividend payable on July 2, as of the record date there were 14,062,300 issued and outstanding shares of common stock.

A stockholder that is not a holder of record and wishes to consent may either instruct the stockholder's nominee to deliver a consent on its behalf, or accompany the consent with documentary evidence of beneficial ownership of its common stock as of the record date and a statement that such documentary evidence is a true and correct copy of what it purports to be.

Consents, once dated, signed, and delivered to the Company, will remain effective unless and until revoked by written notice of revocation dated, signed, and delivered to the Company at the address set forth below on or before the time that the Company has received written consents from holders of a majority of the outstanding shares of common stock.

## Edgar Filing: INDEPENDENCE HOLDING CO - Form DEF 14A

Stockholders owning a majority of the outstanding common stock as of the record date have indicated their intent to deliver to the Company their written consents approving the Amendment. Those stockholders hold sufficient shares of common stock to assure the approval of the Amendment regardless of whether consents are received from any other stockholders.

The Amendment will be approved at such time as the Company holds unrevoked written consents of stockholders approving the Amendment representing a majority of the outstanding shares of common stock at the record date. Consequently, abstentions and broker non-votes would have the effect of a vote against approval of the Amendment.

Stockholders are requested to indicate approval of the Amendment by signing and dating the Consent Card, checking the box on the Consent Card which corresponds to the approval of the Amendment, and delivering the Consent Card to the Company at the address set forth below. Withholding of consent to the Amendment, or abstention with respect to the approval of the Amendment, may be indicated by signing and dating the Consent Card, checking the box which corresponds to withholding of consent to the Amendment or abstention with respect to the approval of the Amendment, respectively, and delivering the Consent Card to the Company at the address set forth below.

A Consent Card which has been signed, dated and delivered to the Company without any of the boxes for approval, withholding of consent, or abstention checked will constitute a consent to the Amendment.

Consent Cards should be delivered to the Company at the following address:

3

Registrar and Transfer Company  
10 Commerce Drive  
Cranford, New Jersey 07016  
Attention: Proxy Department

Consent Cards should be delivered to the Company as soon as possible, but no later than August 6, 2004. An addressed return envelope is enclosed for this purpose, which requires no postage if mailed in the United States. Consent Cards and revocations of consents will be deemed to have been received by the Company upon actual delivery at the above address.

It is the Company's intention to file a certificate of amendment with the Secretary of State of Delaware promptly after the Amendment is approved by a majority of the shares of common stock outstanding as of the record date, at which time the Amendment will become effective. This may occur at any time after the mailing of this Consent Statement.

### Absence of Appraisal Rights

Stockholders who abstain from consenting with respect to the Amendment, or who withhold consent to the Amendment, do not have the right to an appraisal of their shares of common stock or any similar dissenters' rights under applicable law.

### Expense of Consent Solicitation

## Edgar Filing: INDEPENDENCE HOLDING CO - Form DEF 14A

The Company will bear the entire cost of the solicitation of stockholder approval of the amendment, including the preparation, assembly, printing and mailing of this consent statement and any additional material furnished to stockholders. In addition, the Company may reimburse certain persons for their costs of forwarding the solicitation material to stockholders. The Company does not anticipate that it will be necessary to supplement its solicitation of consents by mail with telephone, telegram or personal solicitation of consents by directors, officers or employees of the Company. However, if such persons are called upon to solicit consents on behalf of the Company, no additional compensation will be paid for any of such services.

### Security Ownership of Certain Beneficial Owners and Management Ownership of the Company
