On November 1, 2004, the registrant filed its Definitive Information Statement on Form 14C announcing the action taken by a majority of the shareholders approving in part an increase in the authorized common shares of the registrant from 10,000,000,000 common shares to 20,000,000,000 common shares. The board of directors of the registrant has now determined that the increase in the number of authorized common shares is not in the best interest of the registrant. Accordingly, the increase will not be put into effect by the officers of the registrant despite the prior approval by the majority shareholders.

On November 3, 2004, the registrant filed a registration statement on Form S-8 registering options for the purchase of 4,500,000,000 common shares of the registrant and 4,500,000,000 common shares underlying those options. The filing of the Form S-8 also registered an additional 500,000,000 common shares of the registrant. These options and shares were to be issued pursuant to the EMPLOYEE STOCK INCENTIVE PLAN FOR THE YEAR 2004 NO. 6 and the NON-EMPLOYEE DIRECTORS AND CONSULTANTS RETAINER STOCK PLAN FOR THE YEAR 2004 NO.3. The board of directors of the registrant has now determined to not issued any of the options or shares registered pursuant to the Form S-8 filed on November 3, 2004, unless a post effective amendment is filed greatly reducing the number of options or shares available to be issued.
