This proxy statement provides information about Citizens Financial, the proposals on the agenda for the Annual Meeting and this proxy solicitation. The terms we, us, our, Citizens Financial and the Company used in this statement refer to Citizens Financial Corporation. statement and the enclosed proxy are first being sent to shareholders on or about May 5, 2005.

## VOTING

**Voting rights.** You are entitled to notice of the Annual Meeting and to vote your Class A Stock if our records show that you owned shares as of the close of business on April 22, 2005. At that time, there were 1,671,628 shares of Class A Stock outstanding and entitled to vote. You have one vote for each share of Class A Stock you owned on the record date on all proposals.

**Using a proxy to vote.** If you hold your shares in your own name, you may indicate on the enclosed proxy how you want your shares voted and sign, date and mail the proxy in the enclosed postage-paid envelope. The persons named on the proxy will vote your shares in accordance with those instructions. If you give us a proxy without giving specific voting instructions, your shares will be voted for the director nominees named in this statement. We are not aware of any other matters to be presented at the meeting except for those described in this statement. If any other matters not described in this statement are properly presented at the meeting, the persons named on the proxy will have the authority to vote your shares in their discretion and will vote them in accordance with the recommendations of the Board of Directors. If the meeting is adjourned to a later time, they may vote your shares at the new time as well, unless you revoke your proxy.

If your Class A Stock is held in street name, the broker, bank or other nominee holding your shares will send you directions you must follow in order to give instructions on how to vote your shares.

---

**How to revoke your proxy.** If you return the proxy before the Annual Meeting, you may revoke it at any time before it is voted. You may revoke the proxy by (1) delivering written notice of revocation to the Secretary of Citizens Financial or (2) delivering a later-dated proxy or (3) voting in person at the meeting.

If your Class A Stock is held in street name, the broker, bank or other nominee holding your shares will send you directions you must follow in order to revoke or change your prior instructions on how to vote your shares.

**Votes required.** To transact business at the Annual Meeting, a majority of the outstanding Class A Stock entitled to vote must be represented at the meeting in person or by proxy. If you have returned a properly executed proxy or attend the meeting in person, your Class A Stock will be counted for the purpose of determining whether a majority is represented, even if you wish to abstain from voting on some or all matters introduced at the meeting. A broker non-vote can occur if shares are held by a broker, bank or other nominee who does not have authority to vote on a particular matter. Like abstentions, broker non-votes will be counted for determining whether a majority is represented at the meeting. We do not count abstentions or broker non-votes as votes for or against a proposal. As a result, they will not affect the outcome of the vote in the election of directors. In the election of directors, the six (6) nominees receiving the greatest number of votes will be elected.

## YOUR VOTE IS IMPORTANT.

---

**You may help us save the expense of a second mailing by promptly returning the enclosed proxy. Please complete, date, sign and return the enclosed proxy in order that the required number of shares may be represented at the meeting. ## CORPORATE GOVERNANCE

### Board of Directors

Our Board of Directors currently has six (6) members, who are John H. Harralson, Jr., Frank T. Kiley, George A. Turk, Thomas G. Ward, Darrell R. Wells and Margaret A. Wells. The Board held six (6) meetings during 2004. All of the directors attended at least 75% of the total number of meetings of the Board and the committees on which they served.

Although the Company does not have a formal policy regarding Annual Meeting attendance by members of the Board, each director of the Company is expected to be present at the Annual Meeting, absent urgent circumstances. All of the Company's directors attended the 2004 Annual Meeting.

The Board is not currently comprised of a majority of independent directors, as such term is defined in NASD Rule 4200(a)(15). The Board has determined that the Company is exempt from the requirement set forth in NASD Rule 4350(c)(1) that a majority of the Company's directors

## Edgar Filing: CITIZENS FINANCIAL CORP /KY/ - Form DEF 14A

be independent due to the Company's status as a controlled company, as such term is defined in NASD Rule 4350(c)(5). The Company is a controlled company because more than 50% of the voting power of the Company is held by an individual, Mr. Wells.

During 2004, the Board had two standing committees: the Executive Committee and the Audit Committee. The members of the Executive Committee are Mrs. Wells and Messrs. Wells and Kiley. The Executive Committee is authorized to perform all of the functions of the Board except as limited by the Company's Articles of Incorporation and Bylaws and by certain provisions contained in the resolution of the Board that created the Executive Committee. The Executive Committee held no meetings in 2004.

### **Audit Committee**

The Company's Board of Directors has a separately-designated standing audit committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended. The current members of the Audit Committee are Messrs. Harralson, Turk and Ward. The primary responsibility of the Audit Committee is to oversee, on behalf of the Board of Directors, the Company's financial reporting process and audits of the Company's financial statements. The Audit Committee held five (5) meetings in 2004.

The Audit Committee operates pursuant to a written charter adopted by the Board of Directors. The Audit Committee Charter may be found on our corporate website at [www.citizensfinancialcorp.com](http://www.citizensfinancialcorp.com). The Audit Committee reviews and reassesses the adequacy of the Audit Committee Charter on an annual basis.

The Board of Directors determined that Messrs. Harralson, Turk and Ward are independent, as such term is defined in Rule 10A-3(b)(1) under the Exchange Act and NASD Rule 4200(a)(15). The Board of Directors has also determined that Mr. Turk is an audit committee financial expert, as such term is defined in Item 401(h) of SEC Regulation S-K.

### **Director Nominations**

We have not established a standing nominating committee or committee performing similar functions. Because the Company is a controlled company, as such term is defined in NASD Rule 4350(c)(5), the Board of Directors has deemed it appropriate for the Company not to have such a committee. Director nominees are approved by resolution, including the Company's independent directors. In identifying and evaluating nominees for director, the Board examines each candidate's integrity, leadership and experience in the Company's business area.

The Board of Directors has not adopted a formal policy with regard to the consideration of director candidates recommended by shareholders. Again, because the Company is a controlled company, the Board has deemed it appropriate for the Company not to have such a formal policy. Currently, the Board does not formally seek or accept director nominees recommended by shareholders other than those who are directors, acting in their capacity as directors, but this does not preclude shareholder communications, as discussed generally below, that may concern potential director candidates. To date, the Company has not paid a fee to any third party for assistance in the identification or evaluation of potential director nominees.

### **Communications with Shareholders**

The Board of Directors welcomes communications from shareholders. Shareholders may send communications to the Board, or to any particular director, c/o Citizens Financial Corporation, The Marketplace, Suite 300, 12910 Shelbyville Road, Louisville, Kentucky 40243. Any correspondence addressed to the Board, or to any particular director, will be forwarded by the Company to the addressee, without review by management.

### **Code of Business Ethics and Conduct**

The Board of Directors has adopted a Code of Business Ethics and Conduct that applies to our principal executive, financial and accounting officers and persons performing similar functions, as well as all other directors and employees. This Code may be found on our corporate website at [www.citizensfinancialcorp.com](http://www.citizensfinancialcorp.com). The Company intends to disclose any amendments or waivers of the Code on the website.

### **Section 16(a) Beneficial Ownership Reporting Compliance**

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors, executive officers and persons who beneficially own more than 10% of a registered class of our equity securities to file reports of holdings and transactions in our equity securities with the Securities and Exchange Commission. To our knowledge, based solely upon a review of the copies of such reports furnished to us, during the fiscal year ended December 31, 2004, all Section 16(a) reports were timely filed except for the following: an initial ownership statement for Len

E. Schweitzer, Vice President of Accounting and a long-time employee, was filed late due to delayed recognition that he had acquired a reporting obligation upon the departure of the Company's former chief financial officer; and an initial ownership statement for Joseph M. Bost, newly-appointed Executive Vice President, was filed five days late. Neither Mr. Schweitzer nor Mr. Bost own any shares.

### Compensation Committee Interlocks and Insider Participation

The Board of Directors has not appointed a Compensation Committee or the equivalent but acted in 2004 on executive compensation matters as a committee of the whole. The directors who so acted for the entire year were: John H. Harralson, Jr., Frank T. Kiley, Thomas G. Ward, Darrell R. Wells and Margaret A. Wells. George A. Turk so acted after his election in June.

Mr. Wells was President and Chief Executive Officer of the Company throughout the year. Mr. Wells is also the controlling shareholder of the business that employs Mr. Kiley, and participates in the determination of Mr. Kiley's compensation from that source.

Relationships required to be disclosed pursuant to Item 404 of Regulation S-K of the Securities and Exchange Commission are described in Certain Relationships and Related Transactions.

### Report on Executive Compensation

The following is the Board of Directors' report on executive compensation for the Company's fiscal year ended December 31, 2004.

Until 2004, Darrell R. Wells, the Company's President and Chief Executive Officer, had not received a salary from the Company but had indirectly benefited from the Company's former investment advisory contracts with SMC Advisors, Inc., which were terminated as of January 31, 2004. Since February 1, 2004, he has been paid an annual salary of \$100,000 as compensation for his investment portfolio management services as well as for his part-time service as President and CEO. He does not participate in Company employee benefit programs. The salary amount was proposed by Mr. Wells and accepted by vote of the independent directors of the Company. It was not based on factors or criteria related to the Company's performance, quantitative or qualitative.

The Board of Directors has not appointed a Compensation Committee or the equivalent but has instead acted as a committee of the whole to determine the compensation and benefits to be provided to the Company's other executive officers. The Board has also not adopted a formal executive compensation policy. In 2004, the material components of most executive officers' compensation continued to be (i) salary and (ii) benefits, which are generally available to all employees. As a general approach, the Board intends that salary levels will be near the median for executives with comparable responsibilities at comparable companies in the insurance industry and competitive with other opportunities available to Company executives. Executive compensation is indirectly related to corporate performance, in that improved Company performance improves the climate for annual salary increases or bonuses. However, no portion of executive compensation is currently contingent upon meeting specific criteria. The Company has not adopted a bonus plan or other incentive compensation plan, other than a bonus plan covering all employees that has not been put in effect and the 1999 Stock Option Plan. To date, no options have been granted under the 1999 Stock Option Plan.

The year ended December 31, 2004 was unusual in that three named former executive officers left the Company, one executive was employed only for an interim period of eight (8) months, his successor was appointed effective December 1 and another executive officer was promoted to that status during the year. Compensation decisions for those executive officers employed or promoted during the year were negotiated on an ad hoc basis in relation to particular circumstances.

The Board of Directors reviewed the salaries of the other officers at a meeting held after the completion of the Company's financial statements for 2003 and adopted the recommendations of Mr. Wells as to selective increases

consistent with the general approach expressed above.

### CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Darrell R. Wells is involved in, and he and his wife Margaret A. Wells and Frank T. Kiley are affiliated with, certain business entities that are or were formerly engaged in one or more transactions with the Company. As stated previously, Mr. Wells is the controlling shareholder of the business that employs Mr. Kiley, and participates in the determination of Mr. Kiley's compensation from that source.

SMC Advisors, Inc. formerly provided securities portfolio management services to us under separate contracts with the Company and each of our three Insurance Subsidiaries. SMC Advisors is an investment advisory entity of which Mr. Wells is the principal officer, a director, and the sole shareholder. Mr. Kiley is also an officer and director of SMC Advisors. All of these contracts were terminated effective as of January 31, 2004. The Company's concluding payments to SMC Advisors in 2004 were \$52,000.

Insurance regulatory statutes require the Insurance Subsidiaries to deposit portions of their assets in bank custodial accounts for the protection of policyholders. The Company utilizes Commonwealth Bank and Trust Company, which is controlled by Mr. Wells, as the principal custodian for the Company's statutory deposits and other assets. The fees we pay the bank are based on the amount of assets held. In 2004, we paid \$41,800 in fees to the bank (0.036% of our average deposits and other assets held by the bank). Mrs. Wells and Mr. Kiley are also directors of the bank.

Our subsidiary Corporate Realty Service, Inc. has managed our home office building and two office buildings owned by partnerships controlled by Mr. Wells. These partnerships have paid management fees to Corporate Realty Service based upon a percentage of rental income and leasing commissions according to a prescribed schedule, and also reimbursed certain salary expenses of Corporate Realty Service. During 2004, the partnerships paid Corporate Realty Service \$161,000, consisting of \$65,000 in management fees, \$41,000 in leasing commissions and \$55,000 in salary reimbursement. Mr. Kiley also owns interests in these partnerships. Corporate Realty Service has provided occasional consulting services to Commonwealth Bank and Trust Company on an hourly fee basis. No such fees were paid in 2004. We have terminated the employees of Corporate Realty Service other than two maintenance personnel and plan to terminate the arrangements with the partnerships as soon as practicable.

In December 2002, the Company borrowed \$2,000,000 from Mr. Wells to increase the capital and surplus of Citizens Security and in December 2003, we borrowed an additional \$1,000,000 from him upon the same terms and conditions. The loans are unsecured and bear interest payable quarterly at the greater of six percent (6%) per annum or one percent (1%) over the prime rate charged by the unaffiliated commercial bank with which the Company has its primary borrowing relationship, reset on the first day of each calendar quarter. By its terms, the principal of the loans was repayable on 90 days notice by Mr. Wells or on June 30, 2005. The

latter date has been extended by agreement to June 30, 2006. However, Mr. Wells has agreed with the bank referred to above that no part of the principal of the loans shall be repaid to him until all the Company's indebtedness to the bank has been repaid. Such indebtedness to the bank is presently scheduled to be paid in installments through July 1, 2007. The Company is permitted to prepay the bank indebtedness without penalty, in which event it would also be permitted to prepay the loans from Mr. Wells. We have also agreed to reimburse Mr. Wells for fees he has incurred since March, 2003 to maintain a \$5,000,000 line of credit from a bank he obtained to fund these loans to the Company. The fee is equal to one fourth of one percent (0.25%) of the undrawn amount of the line of credit, presently \$2,000,000. The total amounts paid or accrued to Mr. Wells in 2004 for interest and fee reimbursements with respect to these obligations were about \$185,000.

On April 30, 2004, the Company sold its 1/16<sup>th</sup> interest in a shared ownership program for a Falcon 2000 airplane to SMC Advisors for an aggregate purchase price of \$993,750, an amount that was substantially equal to the value of the interest at the time according to the program's sponsor. The Company allowed SMC Advisors a credit of \$23,060 in respect of a portion of the commission assumed to be payable on resale of the interest. The transaction included a two-year arrangement for the Company to reimburse SMC Advisors for 30% of the monthly turnkey management fees and any other maintenance fees charged by the program sponsor, plus 30% of SMC Advisors' costs of financing the purchase. During this period, the Company and the Insurance Subsidiaries have the right to use the aircraft for up to 30% of the flight hours available to SMC Advisors. The Company's payments in respect of monthly fees and financing costs for 2004 were about \$34,000. The Company incurred a loss on the sale of the interest of about \$106,000. Benefits to the Company from the transaction include the opportunity to reinvest the proceeds in income-producing assets and reduced management and maintenance fees from those which were being incurred.

**Audit Committee Report**

Board of Directors  
Citizens Financial Corporation

Mrs. Wells and Gentlemen:

The Audit Committee of the Board of Directors is currently composed of the three (3) directors named below. The Committee recommends to the Board of Directors the selection of the Company's independent accountants.

Management is responsible for the Company's internal controls and the financial reporting process. The independent accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted

---

auditing standards and to issue a report thereon. The Committee's responsibility is to monitor and oversee these processes.

In this context, the Committee has met and held discussions with management and the independent accountants. Management represented to the Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Committee has reviewed and discussed the consolidated financial statements with management and the independent accountants. The Committee discussed with the independent accountants matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

The Company's independent accountants also provided to the Committee the written disclosures and letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Committee discussed with the independent accountants their independence.

Based upon the Committee's discussion with management and the independent accountants and the Committee's review of the representation of management and the report of the independent accountants to the Committee, the Committee recommends that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2004 filed with
