**PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS**

To be Held on Thursday, June 28, 2007

WHY DID YOU SEND ME THIS PROXY STATEMENT?

The Board of Directors (the "Board") of GSE Systems, Inc. (the "Company") is furnishing you this proxy statement and accompanying proxy card in connection with the solicitation of proxies by the Board for use at the Annual Meeting of GSE Systems stockholders. The annual meeting will be held at 10:00 a.m. local time on Thursday, June 28, 2007 at our headquarters located at 7133 Rutherford Rd., Suite 200, Baltimore, Maryland. The proxies may also be voted at any adjournments or postponements of the annual meeting.

This proxy statement summarizes the information you need to make an informed vote on the proposals to be considered at the Annual Meeting. However, you do not need to attend the Annual Meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card using the envelope provided. The address of the Company's principal executive offices is 7133 Rutherford Rd., Suite 200, Baltimore, Maryland, 21244. The proxy materials and the Company's 2006 Annual Report are first being sent to stockholders on or about June 4, 2007.

HOW MANY VOTES DO I HAVE?

We will send this proxy statement, the attached Notice of Annual Meeting and the enclosed proxy card on or about June 4, 2007, to all stockholders. Stockholders who owned GSE Systems Common Stock ("Common Stock") at the close of business on May 25, 2007 (the "Record Date") are entitled to one vote for each share of common stock they held on that date, in all matters properly brought before the Annual Meeting.

On the Record Date, there was one class of stock issued and outstanding, the Common Stock. On that date there were 13,125,821 shares of Common Stock outstanding. Each share of Common Stock is entitled to one vote.

Brokers who hold shares of GSE Systems Securities in street name may not have the authority to vote on certain matters for which they have not received voting instructions from beneficial owners. Such broker non-votes, although present for quorum purposes, will be deemed shares not present to vote on such matters and will not be included in calculating the number of votes necessary for approval of such matters.

All properly executed written proxies that are delivered pursuant to this solicitation will be voted at the meeting in accordance with the directions given in the proxy unless the proxy is revoked before the meeting.

As a stockholder, you should specify your choice for each matter on the enclosed form of proxy. If no instructions are given, proxies that are signed and returned will be voted FOR the election of all director nominees, FOR the proposal to ratify the appointment of KPMG LLP and FOR ratification of all of the 1998 grants of non-plan options to certain directors. Other matters that properly come before the annual meeting will be voted upon by the persons named in the enclosed proxy in accordance with their best judgment.

The Company will continue its long-standing practice of holding the votes of all stockholders in confidence from directors, officers and employees except: (a) as necessary to meet applicable legal requirements and to assert and defend claims for or against the Company; (b) in case of a contested proxy solicitation; or (c) if a stockholder makes a written comment on the proxy card or otherwise communicates his/her vote to management.

WHAT PROPOSALS WILL BE ADDRESSED AT THE ANNUAL MEETING?

We will address the following proposals at the Annual Meeting:

1. Election of three Class III directors;
2. Ratification of the selection of KPMG LLP as the Company's independent registered public accountants; and
3. Ratification of the 1998 grant of non-plan options awarded to certain directors.

Our Board has taken unanimous affirmative action with respect to each of the foregoing proposals and recommends that the stockholders vote FOR each of the proposals.

WHO MAY VOTE ON THESE PROPOSALS?

All of the holders of record of GSE Systems Common Stock at the close of business on May 25, 2007 will be entitled to vote at the Annual Meeting. At the close of business on the Record Date, the Company had 13,125,821 shares of Common Stock outstanding and entitled to vote.

The Notice of Annual Meeting, this proxy statement, the enclosed proxy and the GSE Systems' Annual Report on Form 10-K for the year ended December 31, 2006 is being mailed to stockholders on or about June 4, 2007.

WHY WOULD THE ANNUAL MEETING BE POSTPONED?

The Annual Meeting will be postponed if a quorum is not present at the Annual Meeting on June 28, 2007. The presence in person or by proxy of at least a majority of the shares of Common Stock outstanding as of the Record Date, will constitute a quorum and are required to transact business at the Annual Meeting. If a quorum is not present, the Annual Meeting may be adjourned until a quorum is obtained.

For purposes of determining whether the stockholders have approved matters other than the election of directors, abstentions are treated as shares present or represented and voting, so abstaining has the same effect as a negative vote. Shares held by brokers who do not have discretionary authority to vote on a particular matter and who have not received voting instructions from their customers are not counted or deemed to be present or represented for the purpose of determining whether stockholders have approved that matter, but they are counted as present for the purposes of determining the existence of a quorum at the Annual Meeting.

A broker non-vote occurs when a broker submits a proxy card with respect to Securities held in a fiduciary capacity (typically referred to as being held in “street name”), but declines to vote on a particular matter because the broker has not received voting instructions from the beneficial owner. Under the rules that govern brokers who are voting with respect to shares held in street name, brokers have the discretion to vote such Securities on routine matters, but not on non-routine matters. Routine matters include the election of directors, increases in authorized common stock for general corporate purposes and ratification of auditors. Non-routine matters include amendments to stock plans.

HOW DO I VOTE BY PROXY?

Whether you plan to attend the Annual Meeting or not, we urge you to complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. Returning the proxy card will not affect your right to attend the Annual Meeting and vote in person.

If you properly fill in your proxy card and send it to us in time to vote, your proxy (one of the individuals named on your proxy card) will vote your shares as you have directed. If you sign the proxy card but do not make specific choices, your proxy will vote your shares as recommended by the Board as follows:

- FOR the election of the three Class III director nominees;
- FOR the ratification of the selection of KPMG LLP as the Company’s independent registered public accountants.
- FOR the ratification of the grant of options awarded in 1998 to certain directors.

If any other matter is presented, your proxy will vote in accordance with his best judgment. At the time this proxy statement went to press, we knew of no matters that needed to be acted on at the Annual Meeting other than those discussed in this proxy statement.

HOW DO I VOTE IN PERSON?

If you plan to attend the Annual Meeting and vote in person on June 28, 2007 or at a later date if the meeting is postponed, we will give you a ballot when you arrive. However, if your shares are held in the name of your broker, bank or other nominee, you must bring a power of attorney executed by the broker, bank or other nominee that owns the shares of record for your benefit and authorizing you to vote the shares.

MAY I REVOKE MY PROXY?

If you give a proxy, you may revoke it at any time before it is exercised. You may revoke your proxy in three ways:

- You may send in another proxy with a later date; or
- You may notify the Secretary of GSE Systems in writing (by you or your attorney authorized in writing, or if the stockholder is a corporation, under its corporate seal, by an officer or attorney of the corporation) at our principal executive offices before the Annual Meeting, that you are revoking your proxy; or
- You may vote in person at the Annual Meeting.

WHAT VOTE IS REQUIRED TO APPROVE EACH PROPOSAL?

Proposal 1: Election of Directors

A plurality of the eligible votes cast is required to elect director nominees. A nominee who receives a plurality means he has received more votes than any other nominee for the same director's seat. There are three nominees for the three Class III seats. A withheld vote will not affect the required plurality. Abstentions shall not be considered to be votes cast.

Proposal 2: Ratification of Appointment of Independent Registered Public Accounting Firm

The approval of Proposal 2 requires the affirmative vote of a majority of the votes cast, voting in person or by proxy. Abstentions will have the same effect as votes against the proposals on such matters.

Proposal 3: Ratification of the Grant of Non-Plan Options Awarded in 1998 to Certain Directors

The approval of Proposal 3 requires the affirmative vote of a majority of the votes cast, voting in person or by proxy. Abstentions will have the same effect as votes against the proposals on such matters.

ARE THERE ANY DISSENTERS' RIGHTS OF APPRAISAL?

The Board is not proposing any action for which the laws of the State of Delaware, the Certificate of Incorporation, as amended, or the By-Laws, as amended, of GSE Systems provide a right of a stockholder to dissent and obtain appraisal of or payment for such stockholder's shares.

WHO BEARS THE COST OF SOLICITING PROXIES?

GSE Systems will bear the cost of soliciting proxies to include the costs of preparing, printing and mailing the materials used in the solicitation in the accompanying form. The Company will reimburse brokerage firms and others for expenses involved in forwarding proxy materials to beneficial owners or soliciting their execution. In addition to the solicitation of proxies by mail, proxies may be solicited by our officers and employees (who will receive no compensation therefore in addition to their regular salaries) by telephone or other means of communication. We estimate that the costs associated with solicitations of the proxies requested by this proxy statement will be approximately \$35,000.

WHERE ARE GSE SYSTEMS' PRINCIPAL EXECUTIVE OFFICES?

The principal executive offices of GSE Systems are located at 7133 Rutherford Road, Suite 200, Baltimore, MD 21244 and our telephone number is (410) 277-3740.

Feldman is the son of Jerome I. Feldman and, as a family member, has an indirect interest in the outcome of Proposal 1. In addition, in 1998, Jerome I. Feldman (Chairman of the Board) and George J. Pedersen (Director) each received grants of non-statutory options ("the "Options") to purchase 25,000 shares of our Common Stock outside of our Amended and Restated 1995 Long-Term Incentive Plan (as amended through April 12, 1996) (the "1996 Plan") as compensation for their individual contributions to the Company and therefore have an interest in the outcome of Proposal 3. To the best of our knowledge, no directors or officers have an interest, direct or indirect, in any other matters to be acted upon at the Annual Meeting except as described herein.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

WHO IS ENTITLED TO VOTE?

Only stockholders of record at the close of business on May 25, 2007 will be entitled to vote at the annual meeting or at any adjournments or postponements thereof. On May 25, 2007, there were 13,125,821 shares of common stock issued and outstanding. Each share of Common Stock is entitled to one vote on all matters that may properly come before the annual meeting.

WHAT CONSTITUTES A QUORUM?

The presence in person or by proxy at the annual meeting of the holders of at least a majority of the total number of outstanding shares of Common Stock will constitute a quorum for the transaction of business. Shares of Common Stock represented by a properly signed and returned proxy will be counted as present at the annual meeting for purposes of determining a quorum, without regard to whether the proxy is marked as casting a vote or abstaining.

HOW MANY VOTES DOES IT TAKE TO PASS EACH MATTER?

Directors are elected by a plurality of the votes cast. A withheld vote will not affect the required plurality. All other matters to come before the annual meeting require a majority vote in person or by proxy. Therefore, abstentions will have the same effect as votes against the proposals on such matters.

HOW ARE BROKER NON-VOTES TREATED?

Brokers who hold shares of Common Stock in street name may not have the authority to vote on certain matters for which they have not received voting instructions from beneficial owners. Such broker non-votes, although present for quorum purposes, will be deemed shares not present to vote on such matters and will not be included in calculating the number of votes necessary for approval of such matters.

WHICH STOCKHOLDERS OWN AT LEAST FIVE PERCENT OF GSE SYSTEMS?

The Common Stock is the only voting securities of GSE Systems. Except as otherwise indicated in the footnotes to the tables below, the Company believes that the beneficial owners of the Common Stock have sole investment and voting power with respect to such shares and subject to community property laws where applicable. As of the close of business on the Record Date, 13,125,821 shares of Common Stock were issued and outstanding. We are not aware of any material proceedings to which any of the parties identified under (1), (2) or (3) in the "Common Stock" section below, or any associate thereof, is a party adverse to the Company or any of its subsidiaries or has a material interest adverse to the Company or any of its subsidiaries.

Common Stock

The following table sets forth certain information known to the Company regarding the beneficial ownership of the Common Stock as of May 25, 2007 by (1) all beneficial owners of more than 5% of the Common Stock; (2) each director and nominee for election as director; (3) each executive officer named in the Summary Compensation Table appearing elsewhere in this Proxy Statement; and (4) all executive officers, directors and nominees of the Company as a group. The number of shares beneficially owned by each person is determined under the rules of the Securities and Exchange Commission (the "SEC") and the information is not necessarily indicative of beneficial ownership for any other purpose. Under the rules of the SEC, a person is also deemed to be a beneficial owner of any securities of which that person has a right to acquire beneficial ownership within 60 days after the date on which the determination of beneficial ownership is made. Unless otherwise indicated, the address for each of the stockholders listed below is c/o GSE Systems, Inc., 7133 Rutherford Road, Suite 200, Baltimore, MD 21244.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers and directors, and persons who own more than ten percent (10%) of any publicly traded class of our equity securities (the "Reporting Persons"), to file reports of ownership and changes in ownership of equity securities of the Company with the SEC and the American Stock Exchange. These Reporting Persons are required by the SEC's regulation to furnish the Company with copies of all Section 16(a) filings.

Based solely upon a review of Forms 3 and Forms 4 and amendments thereto furnished to GSE Systems during the most recent fiscal year, and Forms 5 and amendments thereto with respect to its most recent fiscal year, or written representations from certain Reporting Persons that such filings were not required, we believe that the following officers and directors filed one late Form 4 in 2006, with each Form 4 reporting one transaction: Messrs. Jerome Feldman, Michael Feldman, Grady, Greenberg, Hough, Moran, and Paris and Ms. Kantor. Messr. Jen filed two late Forms 4 in 2006, with each Form 4 reporting one transaction.

NOMINEES TO THE BOARD OF DIRECTORS

Jerome I. Feldman, John V. Moran and George J. Pedersen are the Class III nominees standing for re-election to the Board. See "Information about Directors and Executive Officers" above for information relating to their respective business experience.

THE BOARD OF DIRECTORS

The Board oversees the business affairs of GSE Systems and monitors the performance of management. The Board elects executive officers of the Company. In 2006, there were 9 directors. The Board held three regularly scheduled meetings during the fiscal year ended December 31, 2006. During the 2006 fiscal year, with the exception of Mr. Greenberg, none of the then-serving directors attended fewer than seventy-five percent (75%) of the aggregate of (1) the total number of meetings of the Board (held during the period for which he or she was a director) and (2) the total number of meetings held by all committee(s) of the Board on which he or she served (during the periods that he or she served). Mr. Greenberg's attendance was 67%.

GSE Systems' Certificate of Incorporation provides that the Board shall be divided into three classes that serve staggered three-year terms and are as nearly equal in number as possible. The stockholders elect at least one class of directors annually. Each class generally serves for a period of three years, although a director may be elected for a shorter term in order to keep the number of directors in each class approximately equal.

All of the current Class III directors are standing for re-election for a three-year term at the Annual Meeting. One of the Class III nominees standing for election will be deemed “independent” as that term is defined by the SEC. The Class I Directors will stand for re-election at the next Annual Meeting and the Class I directors will stand for re-election at the Annual Meeting in two years.

The Class I Incumbent Directors whose terms will expire in 2008 are Messrs. Glashow, Hagenruber and Michael Feldman. Messrs. Greenberg, Lewis and Tawes are the presently serving Class II Directors whose terms will expire in 2009. The Class III Incumbent Directors whose terms expire in 2007 are Messrs. Jerome Feldman, Moran and Pederson. If duly elected, the Class III Director Nominees shall have terms which will expire in 2010.

Mr. Jerome Feldman is the Chairman of the Board of Directors, is a member of the Company's Executive Committee and serves as an executive officer of the Company in the position of Chairman of the Board.

CORPORATE GOVERNANCE

The Board has the responsibility for establishing broad corporate policies and for the overall performance of the Company, although it is not involved in day-to-day operating details. Members of the Board are kept informed of the Company's business by various reports and documents sent to them as well as by operating and financial reports made at Board and Committee meetings.

The non-management directors meet periodically in executive session. The executive sessions of non-management directors are to be presided over by the director who is the Chairman of the committee responsible for the issue being discussed. The Board intends to schedule at least two executive sessions of non-management directors each year. However, any director may request additional executive sessions of non-management directors to discuss any matter of concern. The Board has provided the means by which stockholders may send communications to the Board or to individual members of the Board. Such communications should be directed to the Secretary of the Company, 7133 Rutherford Road, Suite 200, Baltimore, MD 21244 who will forward them to the intended recipients.

The Board reviews the independence of its members on an annual basis. No directors will be deemed to be independent unless the Board affirmatively determines that the director in question has no material relationship with the Company, directly or as an officer, stockholder, member or partner of an organization that has a material relationship with the Company. The Board has not adopted any categorical standards of directors' independence; however, the Board employs the standards of independence of the American Stock Exchange ("AMEX") rules currently in effect. As a result of its Annual Review, the Board determined that Dr. Sheldon L. Glashow, Dr. Roger Hagenruber, Joseph W. Lewis, George J. Pedersen and Orrie Lee Tawes III meet AMEX independence standards and that all of the members of the Audit Committee are independent.

BOARD MEMBER ATTENDANCE AT ANNUAL MEETINGS

All current Board members and all nominees for election to our Board put forward by the Board are required to attend our annual meetings of stockholders, provided, however, that attendance shall not be required if personal circumstances affecting the Board member or director nominee make his or her attendance impracticable or inappropriate. Two directors, Messrs. Moran and Jerome I. Feldman, attended the 2006 annual meeting of stockholders.

COMMITTEES OF THE BOARD OF DIRECTORS

The Board has four standing committees: the Executive Committee, the Nominating Committee, the Audit Committee and the Compensation Committee. As an AMEX listed company, we are subject to the AMEX listing standards. Prior to September 30, 2005, the Company was considered a “controlled company” and was not required under the AMEX listing standards to have a majority of independent directors and independent audit, nominating and compensation committees. On September 30, 2005, the Company ceased to be a “controlled company” and is now required under the AMEX listing standards to have a majority of independent directors and independent audit, nominating and compensation committees.

Executive Committee. The Executive Committee consists of Messrs. Pedersen (Chairman), Moran and Jerome Feldman. The Executive Committee has the authority to exercise all powers of the board, except for actions that must be taken by the full board under the Delaware General Corporation Law. The Executive Committee met four times during fiscal year 2006.

Nominating Committee. The Nominating Committee consists of Messrs. Glashow and Pedersen. All members of the Nominating Committee are “independent” directors as that term is defined by applicable SEC rules and the AMEX listing standards. The Nominating Committee selects and recommends nominees for election as directors. In considering director candidates, the Nominating Committee will consider such factors as it deems appropriate to assist in developing a board and committees that are diverse in nature and comprised of experienced and seasoned advisors. Each director nominee is evaluated in the context of the full Board’s qualifications as a whole, with the objective of establishing a Board that can best perpetuate our success and represent stockholder interests through the exercise of sound business judgment. Each director nominee will be evaluated considering the relevance to us of the director nominee’s skills and experience, which must be complimentary to the skills and experience of the other members of the Board. The Nominating Committee met once during fiscal year 2006. The Nominating Committee Charter is available on our website at www.gses.com.

Audit Committee. The Audit Committee consists of Messrs. Hagengruber, Glashow and Lewis (Chairman), each of whom is “independent” as defined by applicable SEC rules and the AMEX listing standards. In addition, the Board has determined that Mr. Lewis is an “audit committee financial expert” as defined by applicable SEC rules and established by AMEX. The Audit Committee operates under a written charter adopted by the Board. Management is responsible for the Company's internal controls and preparing the Company's consolidated financial statements. The Company's independent registered public accountants are responsible for performing an independent audit of the consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The Committee is responsible for overseeing the conduct of these activities and appointing the Company's independent accountants. The Audit Committee makes recommendations concerning the engagement of independent registered public accountants, reviews with the independent registered public accountants the plans and results of the audit engagement, approves professional services provided by the independent registered public accountants, reviews the independence of the independent registered public accountants and reviews the adequacy of the Company's internal accounting controls. The Audit Committee met five times during fiscal year 2006. See “Report of the Audit Committee” below. The Audit Committee Charter is available on our website at www.gses.com

Compensation Committee. The Compensation Committee consists of Messrs. Tawes and Pedersen (Chairman). Messrs. Pedersen and Tawes are “independent” directors as that term is defined by applicable SEC rules and the AMEX listing standards. The Compensation Committee is responsible for determining compensation for the Company's executive officers and for administering and granting awards under the Company's Long-Term Incentive Plan (the “Plan”). The Compensation Committee met one time during fiscal year 2006. See “Report of the Compensation Committee” below. The Compensation Committee Charter is available on our website at www.gses.com.

AUDIT COMMITTEE REPORT

The Audit Committee of the GSE Systems, Inc. Board of Directors is comprised of the three directors named below. Each member of the Audit Committee is an independent director as defined by applicable SEC rules and AMEX listing standards. In addition, the Board has determined that Joseph W. Lewis is an “audit committee financial expert” as defined by applicable SEC rules and satisfies the “accounting or related financial management expertise” criteria established by AMEX. The Audit Committee operates under a written charter adopted by the Board.

The following paragraphs constitute the report of the Audit Committee for the fiscal year ended December 31, 2006. In accordance with SEC rules, this report shall not be deemed to be subject to SEC Regulation 14A or to Section 18 of the Exchange Act, nor shall it be deemed to be incorporated by reference into any statements or reports filed by GSE Systems with the SEC that do not specifically incorporate this report by reference, even if this proxy statement is incorporated into any such report.

The Audit Committee performed the following functions:

- reviewed and discussed GSE Systems’ audited financial statements with management;
- discussed with GSE Systems’ independent registered public accountants the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1 AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T;
- SAS 61 requires independent registered public accountants to communicate certain matters related to the scope and conduct of an audit, including the adequacy of staffing and compensation, to those who have responsibility for oversight of the financial reporting process, specifically the Audit Committee. Among the matters to be communicated to the Audit Committee are: (i) methods used to account for significant or material transactions; (ii) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus; (iii) the process used by management in formulating particularly sensitive accounting estimates and the basis for the auditor’s conclusions regarding the reasonableness of those estimates, and (iv) disagreements with management over the application of accounting principles, the basis for management’s accounting estimates, and the disclosures in the financial statements in addition to discussing the adequacy and effectiveness of the accounting and financial controls (including the Company’s system to monitor and manage business risk) and legal and ethical compliance programs;
- received the written disclosures and the letter from the independent registered public accountants required by Independence Standards Board Standard (“ISB”) No. 1 (Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*), as adopted by the Public Company Accounting Oversight Board in Rule 3600T, and has discussed with the independent registered public accountants the independent registered public accountants’ independence from the Company’s management and from the Company and the matters included in the written disclosures required by the ISB in accordance with SEC Rule 201-2.01, and reviewed and recommended to the Board the selection of the Company’s independent registered public accountants;
- reviewed the interim financial statements with the Company’s management and the independent registered public accountants prior to filing the Company’s Quarterly Reports on Form 10-Q and discussed the results of the quarterly reviews and other

matters to be communicated to the Audit Committee by the independent registered public accountants under generally accepted auditing standards;

- based on the review and discussions above with the Company's management and the independent registered public accountants concerning the quality of accounting principles, reasonableness of significant judgments, clarity of disclosures in the financial statements, results of the annual audit and other matters to be communicated to the Audit Committee by the independent registered public accountants under generally accepted auditing standards, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in GSE Systems' annual report on Form 10-K, the annual report to shareholders required by section 30(e) of the Investment Company Act of 1940 and Rule 30d-1 for the fiscal year ended December 31, 2006 for filing with the SEC; and
- approved KPMG as the independent registered public accountants for the Company for the fiscal year 2006.

By the members of the Audit Committee:

Joseph W. Lewis, Chairman
Dr. Sheldon L Glashow
Dr. Roger L. Hagengruber

AUDIT COMMITTEE PRE-APPROVAL OF AUDIT AND NON-AUDIT SERVICES

The Audit Committee pre-approves all audit and permissible non-audit services provided to the Company by the independent registered public accountants. These services may include audit services, audit-related services, tax services and other services. The Audit Committee has adopted policies and procedures for the pre-approval of services provided by the independent registered public accountants. Such policies and procedures provide that management shall submit to the Audit Committee a schedule of audit and non-audit services for approval as part of the annual plan for each fiscal year. In addition, the policies and procedures provide that the Audit Committee also may pre-approve particular services not in the annual plan on a case-by-case basis. Management must provide a detailed description of each proposed service and the projected fees and costs (or a range of such fees and costs) for the service. The policies and procedures require management to provide quarterly updates to the Audit Committee regarding services rendered to date and services yet to be performed.

As permitted under the Sarbanes-Oxley Act of 2002, the Audit Committee may delegate pre-approval authority to its Chairman, for audit and permitted non-audit services. Any service pre-approved by the Audit Committee or its Chairman must be reported to the Audit Committee at the next scheduled quarterly meeting. In addition, the pre-approval procedures require that all proposed engagements of KPMG LLP for services of any kind be directed to the Company's Chief Financial Officer before they are submitted for approval prior to the commencement of any service.

The following table presents fees for professional audit services rendered by KPMG LLP for the audit of the Company's annual financial statements for fiscal 2006 and fees billed for other services rendered by KPMG LLP, together with a comparison of the fees for audit services and other services rendered by KPMG LLP in fiscal 2005. The Audit Committee approved 100% of the services described in the following table. During the most recent fiscal year's audit, 100% of the hours expended on KPMG's audit were performed by KPMG's full-time, permanent employees.

	2006	2005
Audit fees (1)	\$ 239,000	\$ 193,250
Audit related fees (2)	13,000	12,500
Tax fees (3)	-	1,500
Total fees	\$ 252,000	\$ 207,250

(1) Audit fees consisted of fees for audits of the Company's financial statements, including quarterly review services in accordance with SAS No. 100, statutory audit services for subsidiaries of the Company, and issuance of consents related to two registration statements filed with the SEC.

(2) Audit related fees consisted principally of fees for audits of financial statements of certain employee benefit plans.

(3) Tax fees consisted of fees for tax consultation and tax compliance services.

All of the fees in the above table were approved by the audit committee in advance of the services being provided. There were no other fees for the last two years except as outlined in the above table.

COMPENSATION OF DIRECTORS

In 2004, the Board restructured director compensation so only those directors who were on the Audit Committee would receive compensation. All members of the audit committee are independent directors who are not employees of the Company. The director compensation structure during 2006 was as follows:

Title	Annual Retainer	Meetings	Estimated Annual Compensation
Chairman, Audit Committee	\$ 15,000	\$ 8,000 (1)	\$ 23,000
	\$ 10,000	\$ 8,000 (1)	\$ 18,000

**Audit Committee
Member**

- (1) Includes \$6,000 for estimated number of board meetings (4 times \$1,500 each) and \$2,000 for estimated number of Audit Committee meetings (4 times \$500 each).

At the discretion of the Board, each person who becomes a non-management director may receive an initial grant of options under the Plan to purchase shares of common stock having an exercise price per share equal to the fair market value of a share of common stock on the date such person first becomes a non-management director. Also at the discretion of the Board, under the Plan, each non-management director serving as a director on December 31 of each calendar year may receive options to purchase shares of common stock with an exercise price per share equal to the fair market value of a share of common stock on such date. Usually, options granted under the Plan to non-management directors become exercisable in three installments with 40% vesting on the first anniversary of the date of grant and 30% vesting on each of the second and third anniversaries of the date of grant, subject to acceleration under certain circumstances such as a change of control. In 2006, options with an exercise price of \$1.61 per share covering 85,000 shares of common stock were granted to Jerome Feldman. These options vest 40% after one year from date of grant, an additional 30% after two years from date of grant and an additional 30% three years from date of grant. No other options were granted to non-management directors in 2006.

On February 6, 2007, the Company's Board approved the following revised compensation plan for the directors effective for 2007:

- Annual Retainer: an annual retainer of \$12,000 will be paid to all directors who do not chair a committee and are classified as "Independent Directors" based upon the SEC and AMEX criteria for Independent Directors. The Chairman of the Board, the Chairman of the Compensation Committee and the Chairman of the Audit Committee will each be paid an annual retainer of \$25,000 per year.
- Board of Committee Meeting Attendance Fees: Independent Directors will be paid \$1,500 for each Board meeting attended. Members of the Audit Committee will receive \$500 for each Audit Committee meeting attended.
- Stock Options: On an annual basis, each Independent Director will be awarded non-qualified GSE stock options to purchase 10,000 shares of the Company's common stock, pursuant to the Company's Plan.

EMPLOYMENT CONTRACTS AND TERMINATION OF EMPLOYMENT AND CHANGE-IN-CONTROL

EMPLOYMENT AGREEMENTS

The sole employment agreement in effect for any executive officer at December 31, 2006 is the formal two-year employment agreement with Mr. Moran, the Company's CEO, as of May 1, 2006 (the "Moran Employment Agreement").

In recognition that Mr. Moran's responsibilities as its CEO increased substantially in recent years, and based on comparison to peer organizations with similar activities and risk profiles, the Company agreed to pay Mr. Moran a base salary of \$240,000 commencing May 1, 2006. The Board may grant Mr. Moran an annual performance bonus at the close of each fiscal year. The 2006 fiscal year target bonus was \$150,000; in February 2007 the Board granted Mr. Moran a performance bonus for 2006 of \$110,000; however, in April 2007, Mr. Moran notified the Company that he declined acceptance of \$50,000 of the amount awarded stating that it was in the best interests of the Company to conserve its cash reserves given the number of new projects which the Company plans to undertake during the 2007 calendar year. On the one-year anniversary date of the Employment Agreement, Mr. Moran's compensation and target performance bonus will each increase by three percent (3%) or an amount equal to the percentage increase in the Consumer Price Index over the preceding twelve month period.

Mr. Moran's Employment Agreement also provides that the Company will provide him an automobile at its expense and that the Company shall pay for all related maintenance, gas and insurance expenses incurred for that automobile. Mr. Moran is also entitled to receive vacation and participate in the Company's employee benefits plan to include the Company's medical and 401(k) plans. In addition, Mr. Moran is entitled to reimbursement by the Company for all reasonable expenses incurred by him in connection with this employment such as business travel and customer entertainment expenses.

The Company may terminate the Employment Agreement for cause provided it gives written notice indicating the reason for termination and that Mr. Moran has the opportunity to be heard by the Company's Board. In the event of termination for cause, Mr. Moran shall continue to receive his full salary through the date of termination. In the event of disability, Mr. Moran will continue to receive his full salary (less any sum payable under the Company's disability benefit plan) until his employment is terminated.

The foregoing is a brief description of the terms of the various agreements and documents described above and by its nature is incomplete. It is qualified in its entirety by the text of the respective agreements and documents which were described in the definitive Proxy Statement on Form 14A filed with the SEC on October 13, 2006. A copy of the Moran Employment Agreement was included in the Exhibits to the Form 8-K filed with the SEC on May 2, 2006 and incorporated therein by reference. All readers of this proxy are encouraged to read the entire text of the documents referred to in the text.

GSE's Board first appointed John V. Moran as its CEO in December 2003. He became a Director in December 2003. At the time of his appointment, Mr. Moran was a GP Strategies executive with experience in the power industry and simulation technology. In 2004, Mr. Moran continued as a GP Strategies employee, although 100% of his time was devoted to the performance of his duties as GSE's CEO. As GP Strategies owned 58% of GSE's outstanding common stock at that time, and as Mr. Moran's employment as the Company's CEO as well as an employee of GP Strategies could be deemed a related-party transaction, the Company's Audit Committee negotiated the compensation paid to GP Strategies for Mr. Moran's services. After reviewing the nature and extent of Mr. Moran's duties and responsibilities as the Company's CEO in comparison to compensation paid to other GSE executives, the Company's Audit Committee approved a \$35,000 charge in 2003 and a charge of \$300,000 in 2004 by GP Strategies for Mr. Moran's compensation and benefits. As Mr. Moran became an employee of the Company on December 16, 2004, the actual charge from GP Strategies for Mr. Moran's 2004 compensation was decreased to \$289,000 from \$300,000.

In April 2007, the Company entered into an "at will" agreement (the "Feldman Employment Agreement") with Jerome I. Feldman to serve as an executive officer in the position of Chairman of the Board. Mr. Feldman's role is focused primarily on Strategic Development, Marketing and International Customer Relations given his in-depth knowledge of the Company and the nuclear, chemical, petrochemical and fossil electric utility industry as well as his experience in international development. His annual salary is \$240,000 and he is eligible to participate in the Company's comprehensive employee benefits plan as well as in the Company's Executive Benefits Program, to include a monthly automobile allowance of \$600 and monthly club dues allowance of \$333. As an "at will" employee, either the Company or Mr. Feldman may terminate the employment relationship at any time, with or without cause, provided there is no violation of any applicable laws. The summary description of the Feldman Employment Agreement is qualified in its entirety by the text of the respective agreements and documents described in the Form 8-K filed with the SEC on April 6, 2007.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee is currently comprised of Mr. Pedersen, who is the Chairman of the Company's Compensation Committee, is also Chairman of the Board and Chief Executive Officer of ManTech; and Mr. Tawes, who is the Executive Vice President and Head of Investment Banking and a member of the Board of Directors at Northeast Securities, Inc.

The Compensation Committee acts on matters related to other directors, executive officers and related entity proposals. In accordance with applicable law, any matter related to a member of the Compensation Committee requires ratification by the independent directors or approval of the entire board.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The following paragraphs constitute the report of the Compensation Committee of the Board on executive compensation policies for the fiscal year ended December 31, 2006. In accordance with SEC rules, this report shall not be deemed to be incorporated by reference into any statements or reports filed by GSE Systems with the SEC that do not specifically incorporate this report by reference, even if this proxy statement is incorporated into any such report. The Compensation Committee consists of Messrs. Pederson and Tawes. Jerome I. Feldman resigned from the committee in October 2006 in compliance with the American Stock Exchange ("AMEX") requirements.

The Compensation Committee consists entirely of independent directors in accordance with the AMEX requirements. The Committee is responsible for overseeing and administering the Company's compensation program for its executive officers and for granting awards under and administering the Company's Long-Term Incentive Plan. The Compensation Committee bases its decisions on both individual performance and the Company's financial results. All compensation decisions are made solely by the Compensation Committee; however, the Compensation Committee may consult with the Chairman of the Board, the Company's Chief Executive Officer and Chief Operating Officer as part of its decision making process when examining their respective compensation packages. However, the Chief Executive Officer, as required by the AMEX, may not be present during voting or deliberations as to his compensation. In the event compensation to an officer or director of the Company may result or be deemed to result from a related party transaction, the Company's Audit Committee or a majority of the Independent Directors may review the proposed compensation arrangement.

Philosophy. The compensation program for the executive officers of the Company is developed and administered by the board and its Compensation Committee. Overall compensation policies regarding other officers and employees of the Company are established by the Compensation Committee, but the specific compensation program for such persons is developed and administered by Company management. The key goals of the Company's compensation program are: (1) to attract, retain and reward talented and productive executive officers and other employees who can contribute (both short and long-term) to the success of the Company; (2) provide incentives for executive officers for superior performance; (3) and to align compensation and interests of the executive officers with those of the Company and reward executive officers according to their contribution to the Company's success.

Compensation of Principal Executive Officer. In 2006, the Compensation Committee did not change Mr. Moran's compensation from what he received in 2005. His 2005 compensation was determined by the members of the Audit Committee in connection with his election as the Company's Chief Executive Officer in December 2003. The Audit Committee determined Mr. Moran's 2005 compensation based on an analysis of competitive salaries for positions with similar scope of responsibilities and job complexities for comparable companies. The Audit Committee determined Mr. Moran's 2005 compensation instead of the Compensation Committee since it was a related party transaction and the Audit Committee is comprised solely of independent directors.

Compensation of Chairman of the Board. In 2007, Jerome I. Feldman became an “at will” employee serving in the position of Chairman of the Board. He received no salary or other compensation in 2006, nor received any director fee in 2006. See the discussion of director compensation in the section “Compensation of Directors”, above.

Implementation Guidelines. To implement the general compensation philosophy described above, the Company's executive compensation program has three primary components: (i) a base salary, (ii) bonus awards, and (iii) long-term incentive awards. The factors and criteria to be considered with respect to each of these components are set forth below.

Base Salary.

The range of the base salary for an executive or other employee position will generally be established based on competitive salaries for positions with a similar scope of responsibilities and job complexities. The level of base salary within the range of competitive salaries will be determined on the basis of individual performance, experience and other relevant factors, such as demonstrated leadership, job knowledge and management skills. Such determination will be made by the Compensation Committee, with regard to the Company's executive officers, and by management with regard to all other officers and employees consistent with the general overall compensation policies established by the Compensation Committee.

Base salaries will be targeted within the appropriate competitive range, although higher compensation may be paid if necessary or appropriate to attract or retain unusually qualified executives. Annual or other base salary adjustments will be based on individual performance as well as other market factors. Base salary payments made in 2006 were made to compensate ongoing performance throughout the year.

Bonus Awards.

The bonus award is intended to focus the efforts of the executives and other employees on performance objectives in accordance with the business strategy of the Company.

The Compensation Committee will administer incentive awards for the Company's executive officers. The Compensation Committee will review and assess the extent to which the overall Company performance goals have been met during the year and make such awards to the Company's executive officers. Management of the Company will be responsible for awarding bonus amounts to other officers and employees of the Company, taking into account the general compensation philosophy of the Company.

On February 1, 2007, the Compensation Committee assessed the competitiveness of the current and proposed compensation levels of the named executive officers of the Company and, as part of this process, analyzed the compensation of the named executive officers in light of information regarding the compensation practices of similar publicly traded companies and published survey data, among other factors. The Compensation Committee then approved and, on February 6, 2007, the Board ratified, cash individual performance bonuses (“Performance Bonuses”) for the calendar year ending December 31, 2006 to the Company’s principal executive officer and five other executive officers. The Performance Bonuses totaled \$270,000 for the twelve months ended December 31, 2006 and were made to John V. Moran, Chief Executive Officer, Harold D. Paris, Senior Vice President, Michael D. Feldman, Executive Vice President, Chin-Our “Jerry” Jen, President and Chief Operating Officer, Gill R. Grady, Senior Vice President, and Jeffery G. Hough, Chief Financial Officer and Senior Vice President in the amounts of \$110,000, \$50,000, \$50,000, \$20,000, \$20,000, and \$20,000, respectively. In April 2007 Messrs. Jen, Hough and Grady notified the Company that they declined acceptance of more than \$15,500 of the amounts awarded to them stating that it was in the best interests of the Company to conserve its cash reserves given the number of new projects in which the Company plans to undertake during the 2007 calendar year. Likewise Mr. Moran notified the Company that he declined acceptance of more than \$60,000 of the bonus awarded to him.

Long-Term Incentive Awards.

The third element of the Company's compensation program is provided through the Company's Long-Term Incentive Plan (the "Plan"), which is designed to align the interests of the officers and employees with those of stockholders. The Plan is intended to focus the efforts of officers and employees on performance which will increase the value of the Company for its stockholders.

Pursuant to the Plan, the Compensation Committee may grant incentive stock options within the meaning of the Internal Revenue Code of 1986, as amended, and may grant, among other types of awards, non-statutory stock options to purchase shares of common stock. The Compensation Committee also may grant stock appreciation rights and award shares of restricted stock and incentive shares in accordance with the terms of the Plan. Subject to the terms of the Plan, the Compensation Committee will have discretion in making grants and awards under the Plan. The Compensation Committee may, however, consider the recommendations of management with respect to such grants and awards.

Total direct compensation to the Company's executive officers (base salary, bonus awards and long-term incentive awards) will be targeted within the appropriate competitive range, although higher compensation may be paid if necessary to attract or retain unusually qualified executives.

A total of 403,000 options were granted to the named executive officers in 2006 as outlined above in the "Options Granted in Last Fiscal Year" table. In general, the Compensation Committee's decisions concerning the specific compensation elements for individual executive officers were made within the broad framework previously described and in light of each executive officer's level of responsibility, performance, current salary, prior year bonus and other compensation awards. In all cases, the Compensation Committee's specific decisions regarding 2006 executive officer compensation were ultimately based upon the Compensation Committee's judgment about the individual executive officer's performance and potential future contributions, and about whether each particular payment or award would provide an appropriate reward and incentive for that executive officer to contribute to, and enhance, the Company's performance.

The Board, with the advice of the Compensation Committee, will re-examine the Company's compensation philosophy and objectives periodically and determine if changes should be considered.

At the close of the period covered by the foregoing report, Messrs. Pederson (Chairman) and Tawes were the sole members of the Compensation Committee.

By the members of the Compensation Committee:

George J. Pedersen, Chairman
Orrie Lee Tawes III

The written nomination solicitation notice must contain the following material elements, as well as any other information reasonably requested by us or the Nominating Committee:

- the name and address, as they appear on our books, of the stockholder giving the notice or of the beneficial owner, if any, on whose behalf the nomination is made;
- a representation that the stockholder giving the notice is a holder of record of our common stock entitled to vote at the annual meeting and intends to appear in person or by proxy at the annual meeting to nominate the person or persons specified in the notice;
- a complete biography of the nominee, as well as consents to permit us to complete any due diligence investigations to confirm the nominee's background, as we believe to be appropriate;
- the disclosure of all special interests and all political and organizational affiliations of the nominee;
- a signed, written statement from the director nominee as to why the director nominee wants to serve on our Board, and why the director nominee believes that he or she is qualified to serve;

- such other information regarding each nominee proposed by the stockholder giving the notice as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC had the nominee been nominated, or intended to be nominated, by our Board of Directors; and
- the signed consent of each nominee to serve as a director if so elected.

PROPOSALS RECOMMENDED FOR CONSIDERATION BY STOCKHOLDERS

PROPOSAL 1: ELECTION OF DIRECTORS

The Board is divided into three classes that serve staggered three-year terms and are nearly equal in number as possible. The Board increased the number of authorized directors from nine to eleven in October 2003. The stockholders elect at least one class of directors annually. Each class generally serves for a period of three years, although a director may be elected for a shorter term in order to keep the number of directors in each class approximately equal. This practice is in accordance with the Company's Certificate of Incorporation.

All of the directors were previously elected by the stockholders except for Michael D. Feldman who was appointed to the board in January 2006 to fill the vacancy created by Mr. Jen.

The terms of Jerome I. Feldman, John V. Moran and George J. Pedersen will expire at the 2007 annual meeting. These directors have been nominated by the Company's Nominating Committee to stand for reelection at the meeting to hold office until 2010 and until their successors are elected and qualified. Biographical information, including professional background and business-related experience, for each of the nominees and incumbent directors is contained in the section captioned "Information About Executive Officers and Directors".

On October 21, 2003, the Board increased the number of directors from nine to eleven.

Chin-our Jerry Jen resigned from the board on January 24, 2006 to pursue personal interests, and we have had no disagreements relating to our operations, policies or practices. Mr. Jen served as a Company director for five years beginning in March 2001 and ending in January 2006.

Andrea D. Kantor resigned from the board on August 10, 2006 to pursue personal interests, and we have had no disagreements relating to our operations, policies or practices. Ms. Kantor served as a director for three years beginning in October 2003 and ending in August 2006.

Douglas E. Sharp resigned from the board on September 13, 2006 to pursue personal interests, and we have had no disagreements relating to our operations, policies or practices. Mr. Sharp served as a director for three years beginning in October 2003 and ending in September 2006.

The proxies solicited hereby, unless directed to the contrary, will be voted for election of the nominees. All of the nominees have consented to being named in this proxy statement and to serve if elected. The Board has no reason to believe that any of the nominees will not be a candidate or will be unable to serve, but if either occurs proxies may be voted for such substituted nominee or nominees as the board, in its discretion, may designate.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF
JEROME I. FELDMAN, JOHN V. MORAN AND GEORGE J. PEDERSEN

**PROPOSAL 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC
ACCOUNTING FIRM**

Upon the recommendation of the Audit Committee, and subject to stockholder approval, the Board has appointed the firm of KPMG LLP as independent registered public accountants of the Company for the current fiscal year. The Board has been advised by KPMG LLP that neither the firm nor any member of the firm has a direct or indirect financial interest in the Company or its subsidiaries.

KPMG LLP became the Company's independent registered public accountants on March 17, 2000, replacing PriceWaterhouseCoopers.

A representative of KPMG LLP for the current fiscal years and for the most recent fiscal years is expected to be present at the annual meeting and will have an opportunity to make a statement if he/she desires to do so and will be available to respond to appropriate questions from stockholders.

For a description of the Audit Committee's pre-approval policies and procedures pursuant to 17 CFR 210.2-01(c)(7)(i), see the section captioned "Audit Committee Pre-Approval of Audit and Non-Audit Services".

Ratification of the appointment of the independent registered public accountants requires the affirmative vote of a majority of the votes cast by the holders of the shares of common stock voting in person or by proxy at the annual meeting. The stockholder's ratification of the appointment of KPMG LLP will not impact the Audit Committee's responsibility pursuant to its charter to appoint, replace and discharge the independent auditors. If the stockholders do not ratify the appointment of KPMG LLP, the Board of Directors will reconsider the appointment.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR
RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS INDEPENDENT REGISTERED PUBLIC
ACCOUNTANTS

**PROPOSAL 3: RATIFICATION OF THE GRANT OF NON-PLAN OPTIONS AWARDED IN 1998 TO
CERTAIN DIRECTORS**

In December 1997, the Company's Compensation Committee recommended that Option grants be made to Messrs. Jerome Feldman and George Pedersen in consideration of their contributions to the Company. After due consideration and deliberation, the Option grants to Messrs. Feldman and Pedersen were approved by the Board on April 6, 1998. The Board granted Messrs. Feldman and Pedersen Options to purchase 25,000 shares of Common Stock, at an exercise price of \$2.25 per share for their individual contributions to the Company.

The Options were fully vested and exercisable on the date of the grant and 50,000 shares of authorized but unissued shares of Common Stock were reserved for issuance. The term of the Options was ten years and expires in April 2008. The Options provide for the shares and Option price to be adjusted in the event of stock dividends, stock splits, adoption of stock rights plans, recapitalizations, mergers, consolidations or reorganizations of/by the Company. The registration and sale of the Common Stock issuable upon exercise of the Options, is subject to removal of restrictive legends and provision to the Company of a legal opinion stating that any transfer by the holder of the securities evidenced by the corresponding share certificate will not violate the Securities Act.

The Option grants were outside of the 1996 Plan as Messrs. Feldman and Pedersen did not, at the time, qualify as an Independent Directors of the Company and thus were not eligible for Plan grants.

Although the Board authorized registration of an aggregate of 50,000 shares with the SEC in the appropriate registration vehicle, the individual Option agreements do not require registration and contain no demand registration provisions. The Company has not entered into any individual registration rights agreements or otherwise granted Messrs. Feldman and Pedersen any right to demand the Company file a registration statement with the SEC, with respect to the resale of the Common Stock issuable upon exercise of the Options.

Messrs. Feldman and Pedersen seek to exercise their Options before they expire in 2008 and have requested that the Company seek shareholder approval of the 1998 Option grants.

Ratification of the Option grants requires the affirmative vote of a majority of the votes cast by the holders of the shares of common stock voting in person or by proxy at the annual meeting.

PEDERSEN
