Item 4. Description of Securities

Not applicable.

Item 5. Interests of Named Experts and Counsel

The validity of the Ordinary Shares to be issued under the Savings Plans will be passed upon for us by Solms U. Wittig, General Counsel Corporate and Finance. Mr. Wittig is a full time employee of the Registrant. Mr. Wittig currently beneficially owns less than 0.001% of our outstanding Ordinary Shares.

Item 6. Indemnification of Directors and Officers

Under German law, a stock corporation may indemnify its officers, and, under certain circumstances, German labor law requires a stock corporation to do so. However, such a corporation may not, as a general matter, indemnify members of the Managing Board or the Supervisory Board. A German stock corporation may, however, purchase directors and officers insurance. The insurance may be subject to any mandatory restrictions imposed by German law. In addition, German law may permit such a corporation to indemnify a member of the Managing Board or the Supervisory Board for attorneys fees incurred if such member is the successful party in a suit in a country, such as the United States, where prevailing parties are required to bear their own litigation costs, if German law would have required the losing party to pay the member's attorneys fees had the suit been brought in Germany.

The Registrant provides a group insurance policy for board and committee members and employees of the Siemens organization which is taken out for one year and renewed annually. The insurance covers the personal liability of the insured in the case of a financial loss associated with employment functions. In such a case, the Registrant may, with effect from October 1, 2005, hold members of the Managing Board liable for such loss up to an amount equivalent to 20 percent of the respective Managing Board member's annual fixed salary. In the same way, each member of the Supervisory Board has individually agreed to be held liable up to an amount equivalent to 20 percent of the fixed compensation component. The insurance policy for the 2010 fiscal year includes a deductible for members of the Managing and Supervisory Boards subject to the requirements of the German Stock Corporation Act (AktG) and the German Corporate Governance Code.

Pursuant to Item 8(b) of Part II of Form S-8, the undersigned Registrant hereby undertakes that it has, both in the past and currently, submitted the Savings Plans to the Internal Revenue Service (the "IRS") in a timely manner and it has in the past, and will currently, make all changes required by the IRS in order to qualify the Savings Plans.

Item 9. Undertakings

The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

Table of Contents

(ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that: Paragraphs (1)(i) and (1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
