PROXY STATEMENT

Dated March 24, 2011

For the Annual Meeting of Shareholders
to be Held April 28, 2011

GENERAL INFORMATION

This Proxy Statement is furnished to the shareholders of Evans Bancorp, Inc., a New York corporation (the Company), in connection with the solicitation of proxies for use at the Twenty-Third Annual Meeting of Shareholders (the Annual Meeting) to be held at Romanello's South Restaurant, 5793 South Park Avenue, Hamburg, New York, on **Thursday, April 28, 2011 at 9:00 a.m.** and at any adjournments thereof. The enclosed proxy is being solicited by the Board of Directors of the Company. To obtain directions to be able to attend our Annual Meeting and vote in person, please contact Michelle A. Baumgarden, (716) 926-2032.

Shares of common stock represented by a proxy in the form enclosed, properly executed, will be voted in the manner instructed, or if no instructions are indicated, **FOR** the election of the director nominees named therein, **FOR** the amendment to increase the aggregate number of shares of Common Stock available for issuance under the Evans Bancorp, Inc. Employee Stock Purchase Plan from one hundred thousand (100,000) to two hundred thousand (200,000), and **FOR** ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm for fiscal year 2011. The proxy given by the enclosed proxy card may be revoked at any time before it is voted by delivering to the Secretary of the Company a written revocation or a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person. Any shareholder of record may vote in person at the Annual Meeting, whether or not he or she has previously given a proxy. Attendance at the Annual Meeting will not have the effect of revoking a proxy unless you give proper written notice of revocation to the Secretary before the proxy is exercised or you vote by written ballot at the meeting.

This Proxy Statement and the enclosed proxy are first being mailed to shareholders on or about March 24, 2011.

The following proposals will be considered at the meeting:

Proposal I To elect six directors of the Company, four of such directors to hold office for the term of three years, one such director to hold office for the term of two years, and one such director to hold office for the term of one year and until the election and qualification of their successors.

Proposal II To amend the Evans Bancorp, Inc. Employee Stock Purchase Plan to increase the aggregate number of shares of Common Stock available for issuance under the Plan from one hundred thousand (100,000) to two hundred thousand (200,000) (the Plan Amendment).

Proposal III To ratify the appointment of KPMG LLP as the Company's independent registered public accounting firm for fiscal year 2011.

The Board of Directors of the Company unanimously recommends that you vote **FOR** each of the proposals.

Voting Securities

Only holders of shares of common stock of record at the close of business on March 10, 2011 are entitled to notice of and to vote at the Annual Meeting and at all adjournments thereof. At the close of business on March 10, 2011, the Company had 4,086,087 shares of common stock outstanding. For all matters to be voted on at the Annual Meeting, holders of common stock are entitled to one vote per share. A quorum of shareholders is necessary to hold a valid Annual Meeting. A majority of shares entitled to vote, present in person or represented by proxy, shall constitute a quorum for the transaction of business at the Annual Meeting. Broker non-votes and abstentions will be counted as being present or represented at the Annual Meeting for purposes of establishing a quorum. A broker non-vote occurs on an item when a broker is not permitted to vote on that item without timely instruction from the beneficial owner of the shares and no instruction is given.

Under New York law and the Company's bylaws, directors are elected by the affirmative vote, in person or by proxy, of a plurality of the shares entitled to vote in the election at a meeting at which a quorum is present. Only votes actually cast will be counted for the purpose of determining whether a particular nominee received more votes than the persons, if any, nominated for the same seat on the Board of Directors. That means the six director nominees will be elected if they receive more affirmative votes than any other nominees. The approval of the amendment to the Evans Bancorp, Inc. Employee Stock Purchase Plan (Proposal II) and the ratification of the appointment of the Company's independent registered public accounting firm (Proposal III) requires for adoption the affirmative vote of the holders of a majority of shares of Common Stock present in person or represented by proxy and entitled to vote on the proposal at the Annual Meeting.

Abstentions will be counted as present for purposes of determining the existence of a quorum but will be counted as not voting on any proposal brought before the Annual Meeting. Since the election of directors (Proposal I) is determined by a plurality of the votes cast at the Annual Meeting, abstentions will not affect the outcome of this matter. An abstention as to the approval of the amendment to the Evans Bancorp, Inc. Employee Stock Purchase Plan (Proposal II) and the ratification of the appointment of the Company's independent registered public accounting firm (Proposal III) will have the same effect as voting against the proposal.

If you hold your shares (i.e., they are registered) through a bank, broker or other nominee in street name but you do not provide the firm that holds your shares with your specific voting instructions, it will only be allowed to vote your shares on your behalf in its discretion on routine matters, but it cannot vote your shares in its discretion on your behalf on any non-routine matters. Proposal I relating to the election of your Board's nominees for Directors and Proposal II relating to the amendment to the Evans Bancorp, Inc. Employee Stock Purchase Plan are considered non-routine matters, and Proposal III relating to the appointment of the Company's independent auditors for fiscal year 2011 is considered a routine matter. While your broker will have discretionary authority to vote your uninstructed shares for or against or abstaining from voting on Proposal III, if you do not give specific instructions to your broker how to vote your shares on your behalf with respect to the election of the Board's nominees for Directors and the Plan Amendment at the Annual Meeting before the 10th day prior to the Annual Meeting, your broker will have no discretionary authority to vote your shares on those matters at the Annual Meeting. Therefore, if you hold your shares in street name, you must give specific instructions to your broker for your shares to be voted on the election of Directors or on the Plan Amendment at the Annual Meeting.

Security Ownership of Management and Certain Beneficial Owners

The following table sets forth information, as of March 10, 2011, concerning, except as indicated in the footnotes below:

Each person whom we know beneficially owns more than 5% of our common stock.

Each of our directors and nominees for the board of directors.

Each of our Named Executive Officers.

All of our directors and executive officers as a group.

Beneficial ownership is determined under the rules of the Securities and Exchange Commission (the "SEC") and generally includes voting or investment power with respect to securities. Except as indicated in the footnotes to this table, the persons named in the table below have sole voting and investment power with respect to all shares of common stock beneficially owned. The number of shares beneficially owned by each person as of March 10, 2011 includes shares of common stock that such person has the right to acquire on or within 60 days after March 10, 2011 upon the exercise of options and shares of restricted stock that are subject to forfeiture and transfer restrictions until the vesting date thereof. For each individual included in the table below, percentage ownership is calculated by dividing the number of shares beneficially owned by such person by the sum of the 4,086,087 shares of common stock outstanding on March 10, 2011 plus the number of shares of common stock that such person or group has the right to acquire on or within 60 days after March 10, 2011. Beneficial ownership representing less than one percent is denoted with an *.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 (the Exchange Act) requires the Company s officers and directors, and persons who beneficially own more than ten percent of the Company s common stock, to file initial reports of ownership and reports of changes in ownership with the Securities and Exchange Commission (the SEC). Officers, directors and greater than ten percent beneficial owners are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on a review of the copies of such forms furnished to the Company and written representations from the Company s officers and directors, the Company believes that during fiscal 2010, all Section 16(a) filing requirements applicable to its officers, directors and greater than ten percent beneficial owners were complied with by such persons, except that James E. Biddle, Jr. filed a late report on Form 4 to report a purchase of 1,700 shares of common stock of the Company; John B. Connerton filed a late report on Form 4 to report a purchase of 400 shares of common stock of the Company; Gary A. Kajtoch filed a late report on Form 4 to report a purchase of 4,150 shares of common stock of the Company; Kenneth C. Kirst filed a late report on Form 4 to report a purchase of 1,200 shares of common stock of the Company; Mary Catherine Militello filed a late report on Form 4 to report a purchase of 1,700 shares of common stock of the Company; David J. Nasca filed a late report on Form 4 to report a purchase of 1,650 shares of common stock of the Company; John R. O'Brien filed a late report on Form 4 to report a purchase of 800 shares of common stock of the Company; James Tilley filed a late report on Form 4 to report a purchase of 700 shares of common stock of the Company; Nancy Ware filed a late report on Form 4 to report a purchase of 1,600 shares of common stock of the Company; and Thomas H. Waring, Jr. filed a late report on Form 4 to report a purchase of 1,400 shares of common stock of the Company. The late filings were a result of a delay in receiving affirmation of shares purchased on behalf of the individuals in connection with the Company s common stock offering in May 2010. Additionally, Nicholas J. Snyder filed a late report on Form 3 to report initial holdings of common stock of the Company.

PROPOSAL I ELECTION OF DIRECTORS

The Company s bylaws provide for a classified board of directors, with three classes of directors, each nearly as equal in number as possible. Each class serves for a three-year term, and one class is elected each year. The Board of Directors is authorized by the Company s bylaws to fix from time to time, the number of directors that constitute the whole Board of Directors. The Board size has been set at thirteen members. The nominees for director at the 2011 Annual Meeting are: James E. Biddle, Jr., Marsha S. Henderson, Kenneth C. Kirst, Michael J. Rogers, Nancy W. Ware, and Lee C. Wortham for the following terms and until their successors are duly elected and qualified:

Board nominees for terms to expire at the 2012 Annual Meeting: Mr. Rogers

Board nominees for terms to expire at the 2013 Annual Meeting: Mr. Wortham

Board nominees for terms to expire at the 2014 Annual Meeting: Messrs. Biddle and Kirst, and Mesdames Henderson and Ware

The members of the Board, in accordance with Section 705 of the New York business corporation law, appointed Ms. Henderson and Mr. Wortham to the Board, effective January 1, 2011, with terms to expire at the Annual Meeting. Mr. Rogers has been nominated by the Board with a term to expire at the Annual Meeting of 2012 to ensure that each of the three classes of directors is as equal in number as possible.

The Board of Directors has no reason to believe that any nominee would be unable or unwilling to serve, if elected. In the event that any nominee for director becomes unavailable and a vacancy exists, it is intended that the Nominating Committee of the Board of Directors will recommend a substitute nominee for approval by the Board of Directors.

It is intended that proxies solicited by the Board of Directors will, unless otherwise directed, be voted FOR the director nominees: James E. Biddle, Jr., Marsha S. Henderson, Kenneth C. Kirst, Michael J. Rogers, Nancy W. Ware, and Lee C. Wortham.

THE COMPANY'S BOARD OF DIRECTORS RECOMMENDS A VOTE FOR EACH OF THE NOMINEES OF THE BOARD OF DIRECTORS.

Directors, Director Nominees and Executive Officer Information.

Set forth below are the biographies of (1) each of the nominees and continuing directors containing information regarding the person's service as a director, business experience, director positions held currently or at any time during the last five years, and the experiences, qualifications, attributes or skills that caused the Board to determine that the person should serve as a director for the Company beginning in 2011, and (2) the executive officers of the Company.

Nominees for Director

Mr. Biddle has been a director of the Company since 2001. He serves as the Chairman and Treasurer of Mader Construction Co., Inc., and has held that position since 2001. In addition, Mr. Biddle serves as the Vice President and Treasurer of Arric Corp., an environmental remediation company. Mr. Biddle has extensive experience in the construction sector, an attribute that enables him to assist the Board in understanding the opportunities and risks of a large component of our loan portfolio. In addition, his experience as a treasurer provides the Board skills in assessing risk and exercising diligence, which are functions relevant to his service on the Audit Committee, as well as the Governance and Nominating Committees. We believe that Mr. Biddle's work in the construction industry, his continuing executive experience, and his proven financial acumen make him a very valuable member of our Board and its Audit, Governance and Nominating Committees.

Mrs. Henderson has been a director of the Company since January 1, 2011. She is the Vice President for External Affairs at the University at Buffalo, a university in the State University of New York system, and has held that position since 2005. Mrs. Henderson was the President of the Western New York District of KeyBank, N.A. from 1998 to 2005. From 1990 to 1998, Mrs. Henderson held the position of Senior Vice President and Market Manager, Private Clients Group, of Fleet Boston. Mrs. Henderson worked at M&T Bank from 1971 to 1990, with much of her time spent in commercial lending and operations, including as Vice President of the WNY Commercial Group from 1985 to 1990. Mrs. Henderson's experience working in a leadership position in the Western New York banking industry and her highly visible role in one of Western New York's leading institutions in the University at Buffalo

provide the Board with valuable banking and strategic expertise and community leadership.

Mr. Kirst has been a director of the Company since 2005. He is the Executive Vice President of Kirst Construction, Inc., a construction company, and has held that position since 2004. From 1976 until 2004, he was the Vice President of Kirst Construction, Inc. Mr. Kirst's significant experience as an executive in a construction company provides the Board with in-depth knowledge of the real estate marketplace. His high-

level executive experience qualifies him for service as a member of our Board of Directors, as well as serving on our Governance Committee.

Mr. Rogers is a nominee for director of the Company. He is a certified public accountant in New York State and a managing member of the real estate development company, Oakgrove Development, LLC, a position he has held since 2008. Mr. Rogers was the Executive Vice President and Chief Financial Officer of Great Lakes Bancorp, the parent company of Greater Buffalo Savings Bank, from 2006 to 2007. From 2004 to 2005, Mr. Rogers worked as an independent consultant, principally on Sarbanes-Oxley initiatives and business rationalization reviews. Mr. Rogers worked at KPMG LLP from 1984 to 2004, including his service as an audit partner from 1995 to 2004. In his role as an auditor at KPMG LLP, a leading accounting firm, Mr. Rogers worked on several engagements for financial institutions, particularly banks. His many years of experience have provided Mr. Rogers with a very strong knowledge base on the banking industry. His previous roles as an audit partner, SEC reviewing partner, and CFO also demonstrate his high level of competence in the areas of finance and accounting in general, and SEC reporting in particular, providing the Board an additional expert on these matters in an increasingly complex regulatory environment.

Mrs. Ware has been a director of the Company since 2003. She has served as the President of EduKids, Inc. Early Childhood Centers since 1989. Mrs. Ware is a well-known and respected leader in the Western New York business community. Her success as an entrepreneur in starting and growing her business is evidence of the business acumen she brings to our Board. As the CEO of her own business, she has dealt with all aspects of its operations and regularly encounters the same issues and challenges that our Human Resource and Compensation, Nominating, and Governance Committees face on a regular basis.

Further, we believe Mr. Brothman's work with multiple sectors of industry as an attorney, including local municipalities and school districts, small and mid-sized businesses, and high net-worth individuals provides our Board with insights into the goals and concerns of current and potential customers.

Independence of Directors

A majority of the Board of Directors and each member of the Audit, Human Resource and Compensation, and Nominating Committees are independent, as affirmatively determined by the Board, consistent with the criteria established by NYSE Amex and as required by the Company's Bylaws.

The Board has conducted an annual review of director independence for all current nominees for election as directors and all continuing directors. During this review, the Board considered transactions and relationships during the prior year between each director or any member of his or her immediate family and the Company and its subsidiaries, affiliates and principal shareholders, including those reported below under Transactions with Related Persons. The Board also examined transactions and relationships between directors or their affiliates and members of senior management or their affiliates. The purpose of this review was to determine

whether any such relationships or transactions were inconsistent with a determination that the director is independent. As a result of this review, the Board affirmatively determined that of the nominees, James E. Biddle, Jr., Marsha S. Henderson, Kenneth C. Kirst, Michael J. Rogers, Nancy W. Ware, and Lee C. Wortham, meet the Company's standard of independence, as do the following continuing directors: Phillip Brothman, Mary Catherine Militello, John R. O'Brien, James Tilley, and Thomas H. Waring, Jr. David J. Nasca and Robert G. Miller, Jr. were determined not to be independent because they are currently executive officers of the Company.

Leadership Structure. Phillip Brothman has served as Chairman of the Company's Board of Directors since 2001. In his capacity as Chairman, Mr. Brothman chairs meetings of the Board and executive sessions of the Board, coordinates the activities of the other independent directors, and performs such other duties and responsibilities as the Board of Directors may determine. These duties also include chairing meetings of the Company's shareholders, overseeing the preparation of agendas for meetings of the Board, keeping directors informed through the timely distribution of information and reports, maintaining contact with the Company's CEO and outside counsel between meetings to stay current on developments and to determine when it may be appropriate to alert the Board to significant pending developments, serving as a liaison between independent directors and the CEO with respect to sensitive issues, and other matters.

In 2001, we separated the positions of Chairman and CEO. While the separation of these positions is not required by our bylaws, we believe that it is the most appropriate leadership structure for us at this time. We believe that it is advantageous to separate the two positions in order to provide for independent director control over Board agenda and information flow, encourage open and lively communication between the independent directors and management, and to help balance the leadership of the Board.

Oversight of Risk Management. The Board's role in the Company's risk oversight process includes receiving regular reports from members of senior management on areas of material risk to the Company, including operational, financial, credit, liquidity, legal and regulatory, and strategic and reputational risks. The full Board (or the appropriate committee in the case of risks that are under the purview of a particular committee) receives these reports from the appropriate risk owner within the organization to enable it to understand our risk identification, risk management and risk mitigation strategies. When a committee receives the report, the chairman of the relevant committee reports on the discussion to the full Board during the committee reports portion of the next Board meeting. This enables the Board and its committees to coordinate the risk oversight role, particularly with respect to risk interrelationships. The Board's role in the Company's risk oversight process has not directly impacted its leadership structure.

Policy for Director Attendance at Annual Meeting. It is the policy of the Company that all directors be present at the Annual Meeting, barring unforeseen or extenuating circumstances. All directors were present at the Company's 2010 Annual Meeting, except Thomas H. Waring, Jr., who was out of the country.

Shareholder Communications with the Board of Directors. Shareholders and other parties interested in communicating directly with the Company's Board of Directors may do so by writing to the Evans Bancorp, Inc. Board of Directors, One Grimsby Drive, Hamburg, NY 14075. All correspondence received under this process is compiled and summarized by the Executive Assistant to the President and Chief Executive Officer of the Company and presented to the Board of Directors. Concerns relating to accounting, internal controls or auditing matters are handled in accordance with procedures established by the Audit Committee. These procedures are available in the Governance Documents - Audit Concerns and Communication Policy section of the Company's website (www.evansbancorp.com).

Code of Ethics for Chief Executive Officer and Principal Financial Officers. The Company has a Chief Executive Officer/Treasurer/Controller Code of Ethics, which is applicable to the Company's principal executive officer, principal financial officer, and principal accounting officer. The Chief Executive Officer/Treasurer/Controller Code of Ethics is available in the Governance Documents section of the Company's website (www.evansbancorp.com). The Company intends to post amendments to or waivers from its code of ethics at this location on its website.

BOARD OF DIRECTOR COMMITTEES

The Company's Board of Directors has four standing committees: the Audit Committee, the Governance Committee, the Human Resource and Compensation Committee and the Nominating Committee. The members of each committee have been nominated by the Chairman of the Board of Directors and approved by the full Board. The names of the members of each committee, together with a brief description of each committee's function, is set forth below.

Audit Committee:

John R. O'Brien, Chairman

James E. Biddle, Jr.

Mary Catherine Militello

The Audit Committee met eight times during fiscal 2010. The Audit Committee is responsible for reviewing the financial information of the Company that will be provided to shareholders and others, overseeing the systems of internal controls which management and the Board of Directors have established, selecting and monitoring the performance of the Company's independent auditors, and overseeing the Company's audit and financial reporting processes. The Board of Directors has determined that John R. O'Brien and James E. Biddle, Jr. each qualify as an audit committee financial expert as defined in Item 407(d) of Regulation S-K, and that each member of the Audit Committee is an independent director in accordance with applicable NYSE Amex listing requirements and Rule 10-A-3(b)(1) under the Exchange Act. The Board of Directors has adopted an Audit Committee Charter, which is available in the Governance Documents section of the Company's website at www.evansbancorp.com.

Human Resource and Compensation Committee:

Thomas H. Waring, Jr., Chairman

John R. O'Brien

Phillip Brothman

Nancy W. Ware

Mary Catherine Militello

The Human Resource and Compensation Committee met five times during fiscal 2010. The Human Resource and Compensation Committee is responsible for administering the Company's equity plans and awarding new grants thereunder, for administering the Evans Excels Plan and the Employee Stock Purchase Plan, for making such determinations and recommendations as the Human Resource and Compensation Committee deems necessary or appropriate regarding the remuneration and benefits of employees of the Company and its subsidiaries and, in addition, for reviewing with management the Compensation Discussion and Analysis and providing a report recommending to the Board of Directors whether the Compensation Discussion and Analysis should be included in the Proxy Statement.

The Human Resource and Compensation Committee has the authority to act on behalf of the Board of Directors in setting compensation policy, administering Board or shareholder approved plans, approving benefit programs and making decisions for the Board with respect to compensation of senior management. The Human Resource and Compensation Committee may delegate any of its responsibilities to a subcommittee comprised of one or more members of the Human Resource and Compensation Committee, the Board or members of management. As discussed in more detail below under Compensation Discussion and Analysis, the Company's executive officers may attend Human Resource and Compensation Committee meetings to present data and analysis and to make recommendations regarding executive (excluding the President and CEO) and employee compensation, benefit plans and promotions. The Human Resource and Compensation Committee, on an annual basis, reviews and approves corporate goals and objectives relevant to CEO and other officer compensation, evaluates the CEO's performance in light of those goals and objectives, and as a committee or together with the independent members of the Board, determines and approves the CEO's compensation levels based on this evaluation.

The Human Resource and Compensation Committee also has the authority to review and recommend to the full Board for approval director compensation, including board fees, committee fees and additional compensation, including awards of stock options and restricted stock.

In carrying out its duties, the Human Resource and Compensation Committee has the authority to retain, at the Company's expense, and to terminate, a compensation consultant. The Human Resource and Compensation Committee also has the authority to retain independent counsel and other advisors at the Company's expense. During 2010, the Human Resource and Compensation Committee engaged Arthur Warren, an executive compensation consultant, to provide the Human Resource and Compensation Committee with data and analysis, best practices, current trends in the industry and education. A more detailed discussion of the role played by the compensation consultant in advising the Human Resource and Compensation Committee regarding executive compensation matters is set forth below under Compensation Discussion and Analysis Role of Compensation Consultants and Compensation Discussion and Analysis Benchmark Analysis.

The Board of Directors has determined that each of the members of the Human Resource and Compensation Committee is an independent director, in accordance with applicable NYSE Amex listing requirements. The Board of Directors has adopted a Human Resource and Compensation Committee Charter, which is available in the Governance Documents section of the Company's website at www.evansbancorp.com.

Governance Committee:

Nancy W. Ware, Chairwoman

Kenneth C. Kirst

James E. Biddle, Jr.

James Tilley

Phillip Brothman

The Governance Committee met three times during fiscal 2010. Its purpose is to assist the Board in developing and implementing corporate governance guidelines for the Company, and to provide oversight of the corporate governance affairs of the Company.

Nominating Committee:

Phillip Brothman, Chairman

Nancy W. Ware

James E. Biddle, Jr.

John R. O'Brien

The Nominating Committee met five times during fiscal 2010. It is charged with the responsibility of identifying and recommending to the Board candidates for director nominees to be presented to the shareholders for their consideration at the annual meetings of shareholders, and to fill vacancies on the Board of Directors. The director nominees for the Annual Meeting were selected by a majority of the independent directors of the full Board. The Board of Directors has determined that each of the members of the Nominating Committee is an independent director, in accordance with applicable NYSE Amex listing requirements. The Board of Directors has adopted a Nominating Committee Charter, which is available in the Governance Documents section of the Company's website at www.evansbancorp.com.

The Company's bylaws set out the procedure to be followed by shareholders desiring to nominate directors for consideration at an annual meeting of shareholders. Under the Company's bylaws, shareholder director nominations must be submitted to the Secretary of the Company in writing not less than 14 days nor more than 50 days immediately preceding the date of the annual meeting. If less than 21 days notice of the annual meeting is given to shareholders, nominations must be mailed or delivered to the Secretary of the Company not later than the close of business on the seventh day following the day on which the notice of meeting was mailed. Such notification must contain the following information to the extent known by the notifying shareholder: (a) name and address of each proposed nominee; (b) the principal occupation of each proposed nominee; (c) the total number of shares of common stock of the Company that will be voted for each proposed nominee; (d) the name and residence address of the notifying shareholder; and (e) the number of shares of common stock of the Company owned by the notifying shareholder. Additionally, the Company's bylaws require that, in order to serve as a director of the Company, an individual must own at least \$10,000 aggregate market value of the Company's common stock and must be less than 70 years of age. Upon his or her first election or appointment to the Board of Directors, a new director shall hold, or shall obtain within sixty (60) calendar days after such election or appointment, not less than \$10,000 aggregate market

value of

14

the Company's common stock, based on the trailing 365-day average price. A new director shall have a period of five (5) years from the beginning of such director's term of office to obtain said common stock of not less than \$50,000 aggregate market value. The value of a new director's Qualifying Shares at the beginning of his or her term in office shall be determined as of the date purchased or the date on which the individual becomes a director, whichever value is greater. (Current members of the Board of Directors shall have until August 18, 2014 to obtain said common stock of not less than \$50,000 aggregate market value, based on the Trailing 365-Day Average Price.) Nominations not made in accordance with the bylaws of the Company may be disregarded by the presiding officer of the meeting, in his or her discretion, and upon his or her instruction, the inspectors of election may disregard all votes cast for each such nominee. However, in the event that any such nominee is nominated by more than one shareholder, the nomination shall be honored, and all votes cast in favor of such nominee shall be counted if at least one nomination for that person complies with the provisions of the bylaws of the Company.

The process whereby the Nominating Committee identifies director candidates may include identification of individuals well-known in the community in which the Company operates and individuals recommended to the Nominating Committee by current directors or officers who know those individuals through business or other professional relationships, as well as recommendations of individuals to the Nominating Committee by shareholders and customers. In its evaluation of prospective director candidates, the Nominating Committee considers an individual's independence (as defined in the listing rules of NYSE Amex), skills and experience relative to the needs of the Company. Director candidates meet personally with the members of the Nominating Committee and are interviewed to determine their satisfaction of the criteria referred to above. Although the Company has no policy regarding diversity, the charter of the Nominating Committee provides that diversity is one of the criteria the Nominating Committee may consider when selecting individuals to recommend for Board membership, together with independence, sound judgment, skill, integrity, willingness to make the required time commitment, understanding of financial statements and knowledge of and experience in the Company's and its subsidiaries' businesses, and the interplay of a candidate's experience with the experience of other members of the Board of Directors. There is no difference in the manner in which the Nominating Committee will evaluate director candidates recommended by shareholders, as opposed to director candidates presented for consideration to the Nominating Committee by directors, officers or otherwise.

Board Meetings and Attendance at Board of Director and Committee Meetings. The Company's Board of Directors met twelve times during fiscal 2010. Each incumbent director attended at least 75% of the aggregate of: (1) all meetings of the Company's Board of Directors (held during the period for which he or she served as a director) and (2) all meetings held by the committees of the Company's Board of Directors on which he or she served (during the periods that he or she served).

Availability of Committee Charters and Other Corporate Governance Documents. Current copies of the written charters for the Audit Committee, Governance Committee, Human Resource and Compensation Committee, and Nominating Committee, copies of the Company's Chief Executive Officer/Treasurer/Controller Code of Ethics and Code of Conduct, the Policy for Communication to the Board of Directors, and the process for reporting questionable accounting or audit matters are available in the Governance Documents section of the Company's website at www.evansbancorp.com.

DIRECTOR COMPENSATION

Director Fees. Each director of the Company also serves as a member of the Board of Directors of the Bank. Non-employee directors do not receive compensation for meetings of the Bank's Board, but do receive committee fees. Further, it is the policy of the Board that employee directors are not paid for their service on the Company's or the Bank's Board of Directors in addition to their regular employee compensation.

During fiscal 2010,

non-employee directors were compensated at the rate of \$1,000 in cash (\$1,350 for Mr. Biddle), payable on a monthly basis, and \$500 in shares of restricted stock payable as a lump sum grant equal to \$6,000 at the January board meeting. The number of shares of restricted stock awarded was calculated by dividing \$6,000 by the closing price for a share of the Company's common stock on the NASDAQ Global Market on the date of grant. In January 2010, each non-employee director received a grant of 490 shares of restricted stock. Each restricted stock grant vested on a one-year basis, with 100% of the award vesting on the anniversary of the grant date. However, upon Mr. Taylor's retirement from the Board in June 2010, a pro-rated portion of his grant, equal to 204 shares, vested. Vesting of restricted stock grants is accelerated on a pro-rated basis upon resignation, retirement, or a change in control of the Company.

non-employee directors were compensated at a rate of \$350 per committee meeting of the Board of Directors of the Company and of the Bank, and the chairperson of each committee received \$550 per meeting, except that members of the Company's Audit Committee and Human Resource and Compensation Committee received \$600 per meeting, and the chairperson of each of those committees received \$900 per meeting.

in addition to director meeting fees, Mr. Brothman received \$43,000 in 2010 for serving as Chairman of the Board of Directors of the Company and of the Bank. Mr. Brothman was not paid committee meeting fees.

In February 2011, consistent with the prior year's practice, each non-employee director received a grant of 420 shares of restricted stock. Each restricted stock grant vests on a one-year basis, with 100% of the award vesting on the anniversary of the grant date. Vesting of restricted stock grants is accelerated on a pro-rated basis upon resignation, retirement, or a change in control of the Company.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis.

Executive Compensation Philosophy. The Human Resource and Compensation Committee (the Committee) has reviewed the various elements of executive compensation during 2010 to ensure that the elements of compensation will align executives' interest with those of the shareholders and the long-term

interest of the Company. The Committee reviews each element of compensation to ensure they will allow the Company to attract and retain superior executive talent and reward performance while managing risk. The Company's compensation program during 2010, discussed in greater detail below, included:

Cash base salary and employment contracts competitive within the industry, designed to enable the Company to recruit and retain highly-qualified individuals;

Cash bonus incentive plans, directly linking pay to performance and designed to motivate executives to deliver superior results without encouraging excessive risk;

Long-term equity incentives designed to align executives' interests with those of the Company's shareholders in achieving long-term growth;

A Supplemental Executive Retirement Plan (SERP), designed to assist the Company in retaining talented executives; and

A qualified 401(k) and non-qualified deferred compensation plan allowing executives to defer pre-tax earnings to save adequately for retirement.

The decisions made on senior executive compensation, including NEO compensation, are based primarily upon the Committee's assessment of each executive's leadership, operational performance and potential to enhance long-term shareholder value. The Committee considers its subjective assessment of these individuals, and not rigid formulas or short-term changes in business performance, in determining the amount and mix of compensation elements and whether each particular payment or award provides an appropriate incentive and reward for performance that sustains and enhances long-term shareholder value. Key factors affecting the Committee's judgment include the executive's performance compared to the financial, operational, and strategic goals established by the Board of Directors at the beginning of each fiscal year; contribution to the Company's financial results, particularly with respect to key metrics such as asset growth and earnings on capital; and effectiveness in leading our initiatives to increase shareholder value.

Role of the Human Resource and Compensation Committee and CEO. The Committee is composed of independent directors of the Company. It is responsible for all policies and practices related to executive and employee compensation. As part of this responsibility, the Committee reviews and approves corporate goals and objectives relevant to executive compensation, reviews the performance of each of the senior executive officers, including the executive officers named in the Summary Compensation Table below (the Named Executive Officers or NEOs), and approves compensation actions for them, including all of the policies under which executive compensation is paid or awarded. The Committee, on an annual basis, reviews and approves corporate goals and objectives relevant to NEO compensation, evaluates the CEO's performance in light of those goals and objectives, and as a committee or together with the independent members of the Board determines and approves the CEO's compensation levels based on this evaluation.

The Committee meets at least quarterly. In addition to information provided by the consultant as described below, members of Company management may attend Committee meetings to provide the Committee with information relating to the Company's compensation and benefit plans and programs, recommended changes to those plans and programs, and educational material. In particular, the Bank's President and CEO, Chief Financial Officer, and Senior Vice President of Human Resources attend Committee meetings to present data and analysis and to formulate recommendations regarding executive (excluding the President and CEO) and employee compensation, benefit plans and promotions. The Senior Vice President of Human Resources provides the Committee with data for its consideration in setting the base salary for the President and CEO. In determining the base salary, annual incentive and long-term incentive components of CEO compensation, the Committee will consider multiple factors including the Company's performance and relative shareholder return, the value of similar incentive awards to CEOs at comparable companies, and the awards given to the CEO in past years. In addition, certain members of the executive management team may attend committee meetings to provide guidance on reporting requirements and/or for investment / insurance issues. The Committee also spends a portion of each meeting convening in executive session,

without the presence of any members of management or other attendees.

Role of Compensation Consultants. During 2010, the Committee engaged Arthur Warren, an executive compensation consultant, to provide data and analysis, best practices, current trends in the industry and education to the Human Resource and Compensation Committee. The consultant, specializing in community bank compensation plans, serves as an independent / objective advisor to the Committee and is selected and retained by the Committee. The Committee reviews the analysis provided and requests that the consultant participate in Committee meetings as appropriate. The Senior Vice President of Human Resources works with the consultant to provide data for the consultant to analyze and to ensure the flow of information between the Committee and the consultant remains fluid.

Benchmark Analysis. The base salary compensation of the NEOs and certain other members of the executive management team are compared to a benchmark established using industry compensation surveys. Several groups are identified for benchmark analysis including a proxy peer group, a high performing peer group and local banks within our market. The Proxy Peer Group is selected to reflect banks of similar size and regions to the Bank. The High Performing Peer Group is utilized for both compensation benchmarks, as well as comparison for financial performance. In addition, the Committee considers the compensation data for local banks, including the larger money center banks located within our market area, because we compete directly with these institutions for executive talent. The Proxy Peer Group utilized in setting equity compensation levels for 2010 included Chemung Financial Corporation; Cortland Bancorp; Croghan Bancshares, Inc.; CSB Bancorp, Inc.; Dimeco, Inc. Emclair Financial Corp.; Jeffersonville Bancorp; Juniata Valley Financial Corp.; Killbuck Bancshares, Inc.; LCNB Corp.; CNB Financial Corporation; Wilber Corporation; Comm Bancorp, Inc.; Penn Woods Bancorp, Inc.; Codorus Valley Bancorp, Inc.; United Bancshares, Inc.; NB&T Financial Group, Inc.; Mid Penn Bancorp, Inc.; Norwood Financial Corp.; Peoples Financial Corporation; and Bridge Bancorp, Inc. The High Performing Peer Group, which is the group utilized to compare overall company performance included CNB Financial, Comm Bancorp, Merchants Bancshares, Monroe Bancorp, Wilber Corporation and Penn Wood Bancorp. Compensation data for local banks included Lakeshore Bancorp, Financial Institutions, First Niagara Financial Group, M&T Bank Corporation and Tompkins Financial Corporation. In addition, survey data created by Pearl Meyer & Partners, as well as American Bankers Association, was reviewed by both asset size as well as region.

The Committee utilizes the salary surveys as a source of information in determining base salary for Messrs. Nasca and Kajtoch, and has generally targeted the 50th to the 75th percentile for base salary. The base salaries of Mr. Miller and Mr. Glass are not compared to benchmark data but are determined based upon their individual performance as compared to annual goals, including the achievement of corporate strategic and operational objectives. The Committee uses the survey data as a point of reference and comparison only, and not for purposes of establishing or setting a specific level of compensation to be achieved. The survey data includes companies that may not have the complexity of our organization, such as an insurance component and/or leasing component, and we believe it is important to pay for the expertise required to manage our business. Because the roles and responsibilities of executive officers can vary from one institution to another, the Committee also considers each NEO's experience, length of service in his or her position, and individual performance. The Committee has made the decision to pay above the 50th percentile for NEO salary where the Committee believes it is necessary to attract superior executive talent and/or experience in order to support planned growth of the Company. The Committee believes that this is appropriate in light of the expected future roles of the executives in supporting a larger organization as the Company pursues a growth strategy. The Company paid Mr. Nasca 95% and Mr. Kajtoch 111% of the weighted average base salary at the 50th percentile, as reported in the 2009 salary surveys utilized by the Committee as described above. See Executive Total Compensation Base Salary below for a discussion of actions taken with respect to the NEOs' base salary in 2010.

The Committee also utilized the compensation consultant to provide advice to the Committee related to other elements of compensation and to assess the value of additional compensation provided for our NEOs.

Executive Total Compensation. The key elements of the Company's NEO compensation program and the actions taken with respect to each element for 2010 are:

- 1. Base Salary.** The Company's approach to compensation begins with establishing a fair base salary determined by individual factors, such as the employee's role in the organization, scope and complexity of responsibility of the position, the market value of his or her job, the level of an individual's expertise in the role and his or her performance in the position, as well as Company performance factors, such as Company financial performance, including earnings per share and growth in net income. The Committee also considers the level of achievement of corporate strategic and operational objectives established by the Committee as described above under Compensation Discussion and Analysis Role of the Human Resource and Compensation Committee and CEO. During 2010, the Committee engaged Arthur Warren to review competitive market data as mentioned above under Role of Compensation Consultants. In setting individual NEO salary, the Committee considered market data, including the peer group data and salary surveys discussed above under Benchmark Analysis. The committee also considers the recommendation of the President and CEO in setting the base salary for Messrs. Kajtoch and Miller. The compensation for Mr. Glass was based upon a contractual agreement between the Company and Mr. Glass and his current role to transition industry and competitive knowledge to his successor until his planned retirement in December 2012. The Committee sets the base salary for Mr. Nasca after considering the individual and Company performance factors discussed above, as well as the data provided by the Senior Vice President for Human Resources.

After consideration of compensation data, Company performance and individual performance, the Committee approved increases to the base salary of each of our NEOs as follows: Mr. Nasca's annual base salary was increased from \$242,650 to \$252,650, Mr. Kajtoch's annual base salary was increased from \$161,400 to \$166,800, Mr. Miller's annual base salary was increased from \$219,600 to \$226,900. Mr. Glass' annual salary was maintained at \$192,900. The Committee exercised its discretion to increase the NEOs' salary based on its subjective assessment of each individual's performance, as described above under Compensation Discussion and Analysis Executive Compensation Philosophy.

- 2. Short-Term Cash Incentive Compensation.** The Evans Excels Plan is a short-term incentive compensation plan intended to reward performance of officers of the Bank and ENL, including the NEOs. The plan is designed to motivate employees to attain desired objectives and encourage teamwork and collaboration while aligning compensation with overall Company performance. This plan is a key element of the total compensation benefits provided to our NEOs and allows the Company to remain competitive with the market by providing the opportunity to receive significant cash incentives. The design of the plan is intended to ensure that Company goals are attained before any benefits are paid to executives and employees. For 2010, the Company utilized Company annual net income growth as the measure for determining whether awards would be paid under the Evans Excels Plan. The Committee determined the levels of growth in net income which it believes provides a reasonable balance between shareholder value and appropriate employee motivation and reward. A target of \$4,530,711, which would pay out 100% of the potential incentive was based upon the targeted growth in net income for 2010. A threshold was set at \$4,308,801, which would provide potential incentive payout at 50%, and a stretch goal was set at \$4,752,621 which would provide potential incentive payout at 150%. If actual net income growth were below the threshold, no incentive would be paid. In 2010, the stretch goal was met. The Committee believes that the targets established required strong overall performance. All awards are to be paid out as a percentage of a participant's base salary earned during the relevant performance period, which runs from January 1st to December 31st.

Individual performance and attainment of assigned goals is considered and all employees are required to meet a certain level of performance to receive payment. Individual performance which meets or exceeds expectations is rewarded with additional incentive eligibility, but only if the Company attains the higher overall performance measure (stretch) targets. The measure utilized for the NEOs was based upon the growth in net income for 2010, which is also the measure utilized to open the plan and allow payout. The payouts are determined pursuant to the following formula: (i) if the minimum net income growth level of threshold is met, Mr. Nasca would be awarded a

cash incentive payment equal to 10% of his 2010 base salary and each of Messrs. Miller, Kajtoch and Glass would be awarded

a cash incentive payment equal to 7.5% of his 2010 base salary; (ii) if the targeted net income growth level of target is met, Mr. Nasca would be awarded 20% of his base 2010 salary and each of Messrs. Miller, Kajtoch and Glass would be awarded 15% of his 2010 base salary; (iii) if net income growth exceeds the target to stretch, Mr. Nasca would be awarded 30% of his 2010 base salary and each of Messrs. Miller, Kajtoch and Glass would be awarded 22.5% of his 2010 base salary; and (iv) if the minimum net income growth (threshold) is not met, no awards would be payable pursuant to the plan. The Board of Directors may, at its discretion, grant awards notwithstanding performance below threshold. Because the Company achieved the stretch target in the plan as indicated in the Summary Compensation Table, the NEOs were paid incentive compensation at the highest level, with the exception of Mr. Glass. Mr. Glass's incentive award was based on the discretion of the CEO and was indicative of the change in his responsibilities as he transitions toward retirement.

The Evans Excels Plan additionally provides parameters including: the altering, inflating and/or inappropriate manipulation of performance / financial results or any other infraction of recognized ethical standards will subject the employee to disciplinary action up to and including termination of employment. In addition, any incentive compensation as provided by the plan to which the employee would otherwise be entitled will be revoked.

3. **Equity Incentives.** While the Evans Excels Plan focuses on the achievement of short-term performance, the 2009 Long-Term Equity Incentive Plan, approved by shareholders in April 2009, is designed to provide key employees with a reward opportunity that aligns the interests of the participants with those of the Company's shareholders by focusing on our Company's performance over a longer period of time. Under the Plan, the Committee grants awards of stock options, under which executives recognize value commensurate with increases in long-term shareholder value, and restricted stock, which provides immediate value to the NEO but loses value in the event that shareholder value decreases. Both stock options and restricted stock link an NEO's compensation to long-term Company performance. Both types of equity awards also have a retentive effect because they vest over a period of time, typically four years. Vesting may be accelerated under certain circumstances, such as the executive's death, disability or retirement, or if an executive's employment is terminated in connection with a change in control of our Company. The Committee believes that the Evans Excels short-term incentive plan and the equity-based long-term incentive plan together create a balance between short-term and long-term performance goals.

Equity awards are typically granted on an annual basis, but may under certain circumstances be granted at other times during the year, for example, in connection with a new hire.

During 2010, the Committee approved the following equity awards (for more detail on these awards, see the Summary Compensation Table and Grants of Plan-Based Awards table below):

Stock Options during 2010, a total of 7,520 options were granted to 6 employees, none of which were granted to NEOs.

Restricted Shares during 2010, a total of 1,190 restricted shares were granted to 6 employees, none of which were granted to NEOs.

The Committee decided not to grant any equity awards to NEOs in 2010 due to the Company's financial performance in 2009. In 2009, net income was \$0.7 million, an 85.6% decrease from \$4.9 million in 2008.

4. **Executive Deferred Salary Plan.** Under the Company's Deferred Compensation Plan, participating NEOs are able to defer, at their election, up to 100% of their base salary. This deferred salary amount accrues interest at the rate of prime plus 1%, based upon prime as stated in the Wall Street Journal as of January 1st each year (4.25% for 2010). The plan is designed to provide a vehicle for executives, including NEOs, to defer their base salary on a pre-tax basis in order to achieve their personal retirement goals. The Company does not contribute to this plan.

5. **Supplemental Executive Retirement Plan (the SERP).** Messrs. Nasca, Miller, Glass and Kajtoch are participants in the Bank's SERP, which increases their retirement benefits above amounts available under the Company's tax-qualified and other pension programs. The SERP for Messrs. Glass and Miller are considered an offset plan, designed to provide 70% of base salary offset by benefits provided under the Defined Benefit Pension Plan, Company contributions to the Evans Employee Savings Plan 401(k) and the value of the Company contribution to Social Security benefits. The SERP for Mr. Glass has the benefit frozen at the value Mr. Glass would attain at age 65 and provides a 20 year payout. The SERP for Mr. Miller provides a 15 year benefit, but the benefit is not frozen at a specific age. The SERP is unfunded and is considered a non-qualified plan for tax purposes. Messrs. Glass and Miller's annual benefit, when combined with amounts payable under the Company's tax-qualified and other pension programs and Social Security, will equal 70% of the respective executive's average of the highest five consecutive years' salary.

On April 8, 2010, the Compensation Committee approved the adoption of the Evans Bank, N.A. Supplemental Executive Retirement Plan for Senior Executives (the Senior Executive SERP), which was effective as of January 1, 2010. Mr. Nasca and Mr. Kajtoch, as well as other employees of the Bank who have been or may in the future be selected by the Board of Directors, are eligible to participate in the Senior Executive SERP. The plan design was based upon recommendations from Arthur Warren, our compensation consultant, and is considered in conformity with current industry practice, as well as competitive within the industry. The plan provides a benefit to Mr. Nasca of 35% of his base salary for a period of 15 years. The benefit for Mr. Kajtoch will be 25% of his base salary for a period of 15 years. There is a 10 year vesting on these plans.

6. **Perquisites.** The Company provides its NEOs with perquisites that it believes are reasonable, competitive and consistent with its overall executive compensation program. The Company believes that its perquisites allow senior executive officers to operate more effectively. These perquisites, the aggregate cost of which is disclosed in the Summary Compensation Table below, generally include an auto allowance, club memberships and long-term disability insurance.

Employment Agreements. The Company believes the use of clear and concise employment contracts is an effective tool to attract and retain senior executives, as well as to protect proprietary information and customer relationships. The employment agreement for Mr. Glass was amended during 2010 to replace an evergreen contract with a new fixed term contract, which anticipates his planned retirement at December 31, 2012. Messrs. Nasca, Kajtoch and Miller are each covered by a three year term contract with a daily renewal.

Post-Termination Compensation. As mentioned above, the Company has entered into employment contracts with its NEOs which provide for certain severance payments, described below under Potential Payments Upon Termination or Change in Control, if the executive's employment terminates under circumstances described in their employment contracts. In addition, if there is a change in control of the Company, the NEOs may be entitled to full acceleration of their equity-based compensation, as described under Equity Incentives. The Committee believes that these arrangements are important as a recruitment and retention device, as most of the companies with which we compete for executive talent have similar arrangements in place for their executives. These arrangements may help incentivize NEOs to remain with the Company and to assist in any potential change in control transaction. The Committee attempts to balance protection of its executives upon a change in control with protection of the Company's interests by making accelerated vesting available upon a change in control only if the NEOs are involuntarily terminated in connection with the change in control (a so-called double-trigger). Additionally, the Committee links severance payments to agreements by the NEOs not to compete with the Company, solicit the Company's employees or customers, or disclose confidential information.

Tax and Accounting Considerations. Section 162(m) of the Internal Revenue Code generally denies publicly-held corporations a federal income tax deduction for compensation exceeding \$1,000,000 paid to the chief executive officer or any of the three other highest paid executive officers (other than the chief financial

officer), excluding performance-based compensation. Through December 31, 2010, this provision has not limited the Company's ability to deduct executive compensation. The Committee will continue to monitor the potential impact of Section 162(m) on the Company's ability to deduct executive compensation, and in particular, will review the effect of recent Internal Revenue Service rulings related to performance-based compensation in change-in-control situations. The 2009 Long-Term Equity Incentive Plan has been designed, and is intended to be administered, in a manner that will enable the Company to deduct compensation attributable to options and certain other awards thereunder, without regard to the deduction limitation established by Section 162(m).

Section 409A of the Internal Revenue Code generally changes the tax rules that affect most forms of deferred compensation that were not earned and vested prior to 2005, and imposes an additional tax on certain forms of deferred compensation. The Committee takes Section 409A into account in determining the form and timing of compensation paid to the Company's executives, and Section 409A is generally not applicable to the compensation provided by the Company.

The Company values stock option and restricted stock grants under FASB ASC Topic 718. More information regarding the application of ASC Topic 718 by the Company may be found in Note 12 to the Company's audited financial statements filed with the SEC in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2010.

Employment Agreements with our NEOs

We have entered into employment contracts with our NEOs. The material terms of those employment contracts are as follows:

David J. Nasca Employment Agreement, by and among Mr. Nasca, the Company and the Bank, pursuant to which Mr. Nasca serves as the President and Chief Executive Officer of the Company and the Bank. Subject to prior termination, the term of Mr. Nasca's employment is for a three year term, which is renewed daily until his 6th birthday (October 27, 2019), at which time the contract will have a remaining and declining three year term. Automatic daily renewal will cease if the Bank gives Mr. Nasca written notice of non-renewal, in which case Mr. Nasca's employment will end 36 months after the date of the non-renewal notice, unless the parties agree to a shorter period. Mr. Nasca's employment agreement provides for an initial base salary, which is adjusted annually by the Board of Directors of Evans Bank, N.A., provided, however, that Mr. Nasca's annual salary may not be decreased. Mr. Nasca is entitled to participate in all Company and Bank cash and equity incentive programs made available to senior executives, as well as all employee benefit plans, programs, and arrangements for which he qualifies. He is entitled to four weeks paid vacation each year, plus five personal days and customary bank holidays. The Bank provides Mr. Nasca with a monthly automobile allowance of \$750 and reimburses him for reasonable country club dues and certain other expenses he incurs in the performance of his duties under the agreement.

In the event Mr. Nasca's employment is terminated:

by the Company or the Bank without cause or by Mr. Nasca for good reason, or under certain circumstances within one year following a change in control of the Company, he will be paid three times the sum of the highest base salary paid to him at any time under the employment agreement plus the average annual non-equity incentive bonus paid to Mr. Nasca in the three years prior to termination. The Company will also continue to provide amounts or benefits payable under applicable benefit plans for 36 months;

because of death, his estate will be paid a lump sum amount equal to two times Mr. Nasca's then annual

24

base salary, as well as any amounts or benefits payable under applicable benefit plans, but subject to offset for any payment due Mr. Nasca under any life insurance plan maintained by the Company or the Bank; because of disability, (i) Mr. Nasca will be entitled to participate in the short- and long-term disability plans and benefits offered by the Bank to senior executives, including long-term disability income replacement benefits and supplemental retirement benefits under a long-term disability program; and (ii) the Bank will continue to provide Mr. Nasca with certain life and medical insurance benefits under the same cost-sharing arrangement as in effect for active employees until Mr. Nasca's (A) full-time employment by another employer, (B) attaining age 65, or (C) death;

by the Company or the Bank for cause or by Mr. Nasca other than for good reason, Mr. Nasca will not be entitled to payment of any amounts or benefits, other than that portion of his annual salary accrued through the date of termination and any accrued and unpaid vacation.

The Company's or the Bank's obligation to make such payments to Mr. Nasca are conditioned upon Mr. Nasca's compliance with his obligations of confidentiality, non-competition and non-solicitation set forth in his employment agreement.

Gary A. Kajtoch Employment Agreement, by and among Mr. Kajtoch, the Company and the Bank, pursuant to which Mr. Kajtoch serves as the Chief Financial Officer and Executive Vice President of the Bank. Subject to prior termination, the term of Mr. Kajtoch's employment is for a three year term, which is renewed daily until his 62nd birthday (October 3, 2028), at which time the contract will have a remaining and declining three year term. Automatic daily renewal will cease if the Bank gives Mr. Kajtoch written notice of non-renewal, in which case Mr. Kajtoch's employment will end 36 months after the date of the non-renewal notice, unless the parties agree to a shorter period. Mr. Kajtoch's employment agreement provides for an initial base salary, which is adjusted annually by the CEO or Board of Directors of Evans Bank, N.A., provided, however, that Mr. Kajtoch's annual salary may not be decreased. Mr. Kajtoch is entitled to participate in all Company and Bank cash and equity incentive programs made available to senior executives, as well as all employee benefit plans, programs, and arrangements for which he qualifies. He is entitled to four weeks paid vacation each year, plus five personal days and customary bank holidays. The Bank provides Mr. Kajtoch with a monthly automobile allowance of \$750 and reimburses him for reasonable country club dues and certain other expenses he incurs in the performance of his duties under the agreement.

In the event Mr. Kajtoch's employment is terminated:

by the Company or the Bank without cause or by Mr. Kajtoch for good reason, or under certain circumstances within one year following a change in control of the Company, he will be paid three times the sum of the highest base salary paid to him at any time under the employment agreement plus the average annual non-equity incentive bonus paid to Mr. Kajtoch in the three years prior to termination. The Company will also continue to provide amounts or benefits payable under applicable benefit plans for 36 months;

because of death, his estate will be paid a lump sum amount equal to two times Mr. Kajtoch's then annual base salary, as well as any amounts or benefits payable under applicable benefit plans, but subject to offset for any payments due Mr. Kajtoch under any life insurance plan maintained by the Company or the Bank;

because of disability, (i) Mr. Kajtoch will be entitled to participate in the short- and long-term disability plans and benefits offered by the Bank to senior executives, including long-term disability income replacement benefits and supplemental retirement benefits under a long-term disability program; and (ii) the Bank will continue to provide Mr. Kajtoch with certain life and medical insurance benefits under the same cost-sharing arrangement as in effect for active employees until Mr. Kajtoch's (A) full-time employment by another employer, (B) attaining age 65, or (C) death;

by the Company or the Bank for cause or by Mr. Kajtoch other than for good reason, Mr. Kajtoch will not be entitled to payment of any amounts or benefits, other than that portion of his annual salary accrued through the date of termination and any accrued and unpaid vacation.

The Company's or the Bank's obligation to make such payments to Mr. Kajtoch are conditioned upon Mr. Kajtoch's compliance with his obligations of confidentiality, non-competition and non-solicitation set forth in his employment agreement.

William R. Glass Employment Agreement, by and among Mr. Glass, the Company and the Bank, pursuant to which Mr. Glass serves as the Executive Vice President of the Bank. On October 1, 2010, the Company entered into a new employment agreement with William R. Glass (the "Transition Agreement") which replaced his existing employment agreement with the Company. The Transition Agreement establishes a new role for Mr. Glass as he transitions to his planned retirement on December 31, 2012. During this transition period, Mr. Glass is primarily providing business development services and mentoring support for the Company's employees. He will continue to serve as a member of the Internal and External Loan Committee and of the Loan Review Committee until his planned retirement. Mr. Glass's base salary will not be less than \$192,900 per year. He is entitled to four weeks paid vacation each year, plus five personal days and customary bank holidays. For the year 2010, the Bank provided Mr. Glass with a monthly automobile allowance of \$750 and reimbursed him for reasonable country club dues and certain other expenses he incurred in the performance of his duties under his previous employment agreement.

Upon the involuntary termination of Mr. Glass's employment without cause or his resignation due to good reason (as defined in the agreement), and subject to the execution of a general release of claims, Mr. Glass will receive severance pay equal to the base salary that would have been paid during the remaining term of the agreement, which expires on December 31, 2012, as well as life insurance and non-taxable medical coverage until December 31, 2012 under the same cost-sharing arrangement as in effect upon the termination of employment. No payments are owed upon termination of employment for cause (as defined in the agreement). Upon Mr. Glass's disability (as defined in the agreement) before December 31, 2012, he will receive the short- and long-term disability plan benefits offered by the Bank to senior executives. Upon Mr. Glass's death before December 31, 2012, within 30 days after the date of death, his beneficiary shall be paid a lump sum equal to two times his base salary in effect at the time of his death, but such obligation shall be offset by the amount of any life insurance benefit paid under a plan maintained by the Bank which is separate from the customary employee benefit plans maintained by the Bank (including the supplemental executive retirement plan). For a period of two years following his termination of employment, Mr. Glass is subject to non-compete, non-solicitation, confidentiality and cooperation requirements.

Robert G. Miller Employment Agreement, by and between Mr. Miller and TEA, pursuant to which Mr. Miller serves as the President of TEA and the Executive Vice President of the Bank. Subject to prior termination, the term of Mr. Miller's employment is for a three year term, which is renewed daily until his 62nd birthday (May 11, 2018), at which time the contract will have a remaining and declining three year term. Automatic daily renewal will cease if the Bank gives Mr. Miller written notice of non-renewal, in which case Mr. Miller's employment will end 36 months after the date of the non-renewal notice, unless the parties agree to a shorter period. Mr. Miller's employment agreement provides for an initial base salary, which is adjusted annually by the CEO or Board of Directors of Evans Bank, N.A., provided, however, that Mr. Miller's annual salary may not be decreased. Mr. Miller is entitled to participate in such equity programs as the Company and the Bank make available to senior executives from time-to-time. Additionally, the Company has agreed to use commercially reasonable efforts to maintain a long-term health care insurance policy covering Mr. Miller and his spouse in lieu of family health insurance provided to the Company employees generally, as long as the cost of such a policy does not exceed the cost of the family health insurance coverage generally provided to Company employees. Mr. Miller will also be eligible to receive the employee portion of residual commissions earned on certain products sold through M&W Group, Inc. prior to September 1, 2000, and will be eligible to receive an annual bonus in an amount and subject to achievement of such goals and objectives as the Board of Directors may determine in its discretion. He is entitled to five weeks paid vacation each year, plus five personal days and customary bank holidays. TEA provides Mr. Miller with a company-owned vehicle and reimburses him for reasonable country club dues and certain other expenses he incurs in the performance of his duties under the agreement.

In the event Mr. Miller's employment is terminated:

by the Company or TEA without cause or by Mr. Miller for good reason, or under certain circumstances within one year following a change in control of the Company, he will be paid three times the sum of the highest base salary paid to him at any time under the employment agreement plus the average annual non-equity incentive bonus paid to Mr. Miller in the three years prior to termination. The Company will also continue to provide amounts or benefits payable under applicable benefit plans for 36 months;

because of death, his estate will be paid a lump sum amount equal to two times Mr. Miller's then annual base salary, as well as any amounts or benefits payable under applicable benefit plans, but subject to offset for any payment due Mr. Miller under any life insurance plan maintained by the Company or TEA;

because of disability, (i) Mr. Miller will be entitled to participate in the short- and long-term disability plans and benefits offered by TEA to senior executives, including long-term disability income replacement benefits and supplemental retirement benefits under a long-term disability program; and (ii) TEA will continue to provide Mr. Miller with certain life and medical insurance benefits under the same cost-sharing arrangement as in effect for active employees until Mr. Miller's (A) full-time employment by another employer, (B) attaining age 65, or (C) death;

by the Company or TEA for cause or by Mr. Miller other than for good reason, Mr. Miller will not be entitled to payment of any amounts or benefits, other than that portion of his annual salary accrued through the date of termination and any accrued and unpaid vacation.

The Company's or TEA's obligation to make such payments to Mr. Miller are conditioned upon Mr. Miller's compliance with his obligations of confidentiality, non-competition and non-solicitation set forth in his employment agreement.

The events that constitute cause, good reason, disability and change in control are described in the employment contract with each NEO. Accelerated vesting of stock options and restricted stock awards assumes the awards are not converted into comparable awards with respect to voting securities of the surviving or acquiring entity in accordance with the terms of the 2009 Long-Term Equity Incentive Plan.
