PROXY STATEMENT

*Annual Meeting of Stockholders
To Be Held on Thursday, December 9, 2004*

General

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the Board of Directors or the Board) of NaviSite, Inc., a Delaware corporation (NaviSite), for use at NaviSite's 2004 Annual Meeting of Stockholders, which will be held on Thursday, December 9, 2004 (the Annual Meeting) at 10:00 a.m., local time, at NaviSite's offices, 400 Minuteman Road, Andover, Massachusetts 01810, and at any adjournments thereof, for the purposes set forth in the Notice of Annual Meeting of Stockholders (the Notice of Annual Meeting).

The Notice of Annual Meeting, this Proxy Statement, the accompanying proxy card and NaviSite's Annual Report to Stockholders for the fiscal year ended July 31, 2004 (the 2004 Annual Report) are being mailed to stockholders on or about November 15, 2004. NaviSite's principal executive offices are located at 400 Minuteman Road, Andover, Massachusetts 01810 and its telephone number is (978) 682-8300.

Solicitation

The cost of soliciting proxies, including expenses in connection with preparing and mailing this Proxy Statement, will be borne by NaviSite. NaviSite may engage a paid proxy solicitor to assist in the solicitation. Copies of solicitation materials will be furnished to brokerage houses, nominees, fiduciaries and custodians to forward to beneficial owners of NaviSite's Common Stock, \$.01 par value per share (the Common Stock), held in their names. In addition to the solicitation of proxies by mail, NaviSite's directors, officers and other employees may, without additional compensation, solicit proxies by telephone, facsimile, electronic communication and personal interviews. NaviSite will also reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to stockholders.

Record Date, Voting Securities and Votes Required

Only holders of record of NaviSite Common Stock as of the close of business on Friday, October 29, 2004 (the Record Date) will be entitled to receive notice of and vote at the Annual Meeting and any adjournments thereof. On the Record Date, NaviSite had approximately 27,928,724 shares of Common Stock issued and outstanding and entitled to be voted. The holders of Common Stock are entitled to one vote for each share held as of the Record Date on any proposal presented at the Annual Meeting.

A majority of the shares of Common Stock issued and outstanding and entitled to be voted at the Meeting will constitute a quorum at the Annual Meeting. Votes withheld, abstentions and broker non-votes shall be counted for purposes of determining the presence or absence of a quorum for the transaction of business at the Annual Meeting.

The affirmative vote of the holders of a plurality of the votes cast at the Annual Meeting is required for the election of directors (Proposal No. 1). The affirmative vote of the holders of a majority of the shares of NaviSite Common Stock present or represented by proxy and voting on the matter is required to ratify the appointment of KPMG LLP as NaviSite's independent registered public accounting firm for the fiscal year ending July 31, 2005 (Proposal No. 2).

Table of Contents

Shares which abstain from voting on a particular matter and shares held in street name by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter (broker non-votes) will not be counted as votes in favor of such matter and will also not be counted as votes cast or shares voting on such matter. Accordingly, neither abstentions nor broker non-votes will have any effect upon the outcome of voting with respect to the election of directors (Proposal No. 1), which requires a plurality of the votes cast, or the ratification of the appointment of KPMG LLP as NaviSite's independent registered public accounting firm (Proposal No. 2), which requires an affirmative vote of a majority of the shares of NaviSite Common Stock present or represented by proxy and voting on the matter.

An automated system administered by NaviSite's transfer agent tabulates the votes. The votes on each matter are tabulated separately.

To vote by mail, complete, date and sign the enclosed proxy card and return it in the enclosed envelope. No postage is necessary if the proxy card is mailed in the United States. If you hold your shares through a bank, broker or other nominee, they will give you separate instructions for voting your shares.

Proxies

Voting By Proxy

Voting instructions are included on your proxy card. If you properly complete, sign and date your proxy card and return it to us (in the postage prepaid envelope provided) in time to vote, one of the individuals named as your proxy will vote your shares as you have directed. If you sign and timely return your proxy card but do not indicate how your shares are to be voted with respect to one or more of the proposals to be voted on at the Annual Meeting, your shares will be voted for each of such proposals and in accordance with the judgment of the proxy holders as to any other matter that may be properly brought before the Annual Meeting, and the individuals named in the proxy card will have discretionary authority to vote upon any adjournment of the Annual Meeting.

Revoking Your Proxy

You may revoke your proxy at any time before it is voted by:

Notifying NaviSite's Secretary in writing at the principal executive offices of NaviSite located at 400 Minuteman Road, Andover, MA 01810, Attention: Secretary, before the Annual Meeting that you have revoked your proxy; or

By attending the Annual Meeting and voting in person at the Annual Meeting.

Voting in Person

If you plan to attend the Annual Meeting and wish to vote in person, we will give you a ballot at the meeting. However, if your shares are held in the name of your broker, bank or other nominee, you must bring a proxy from your nominee authorizing you to vote your street name shares held as of the Record Date.

Householding of Annual Meeting Materials

Some banks, brokers and other nominee record holders may be participating in the practice of householding proxy statements and annual reports. This means that only one copy of our Proxy Statement or 2004 Annual Report may have been sent to multiple stockholders in your household. We will promptly deliver a separate copy of either document to you if you write or call us at the following address or telephone number: Investor Relations Department, NaviSite, Inc., 400 Minuteman Road, Andover, Massachusetts 01810, telephone: (978) 682-8300. If you want to receive separate copies of the Proxy Statement or 2004 Annual Report in the future, or if you are receiving multiple copies and would like to receive only one copy for your household, you should contact your bank, broker, or other nominee record holder, or you may contact NaviSite at the above address and telephone number.

Table of Contents**Stock Split**

Security Ownership of Certain Beneficial Owners and Management

The following table sets forth certain information as of September 30, 2004 (unless otherwise indicated), with respect to the beneficial ownership of NaviSite Common Stock by the following:

each person known by NaviSite to beneficially own more than 5% of the outstanding shares of NaviSite Common Stock;

each of NaviSite's directors;

each of the Named Executive Officers (as defined below under the heading "Executive Compensation");

one additional executive officer of NaviSite; and

all of the current executive officers and directors as a group.

For purposes of the following table, beneficial ownership is determined in accordance with the rules promulgated by the Securities and Exchange Commission and the information is not necessarily indicative of beneficial ownership for any other purpose. Except as otherwise noted in the footnotes to the table, NaviSite believes that each person or entity named in the table has sole voting and investment power with respect to all shares of NaviSite Common Stock shown as beneficially owned by them (or shares such power with his or her spouse). Under such rules, shares of NaviSite Common Stock issuable under options that are currently exercisable or exercisable within 60 days after September 30, 2004 ("Presently Exercisable Options") are deemed outstanding and are included in the number of shares beneficially owned by a person named in the table and are used to compute the percentage ownership of that person. These shares are not, however, deemed outstanding for computing the percentage ownership of any other person or entity. Unless otherwise indicated, the address of each person listed in the table is c/o NaviSite, Inc., 400 Minuteman Road, Andover, Massachusetts 01810.

The percentage ownership of NaviSite Common Stock of each person or entity named in the following table is based on 27,928,724 shares of NaviSite Common Stock outstanding as of September 30, 2004 plus any shares subject to Presently Exercisable Options held by such person.

The Board of Directors held 14 meetings during the fiscal year ended July 31, 2004. During the period in which he served as a director of NaviSite, each incumbent director attended at least 75% of the aggregate number of meetings of the Board of Directors and of the committees on which he served. NaviSite strongly encourages all directors to attend the annual meeting of stockholders. All members of the Board of Directors attended the 2003 Annual Meeting of Stockholders.

The Board of Directors has designated two principal standing committees, an audit committee (the Audit Committee) and a compensation committee (the Compensation Committee). The current members of the Audit Committee and the Compensation Committee are identified in the following table:

Name	Audit Committee	Compensation Committee
James Kennedy	Chair	X
Thomas R. Evans	X	X
Larry Schwartz	X	Chair

Audit Committee

The Audit Committee assists the Board of Directors in fulfilling its responsibilities to stockholders concerning NaviSite's financial reporting and internal controls, and facilitates open communication among the Audit Committee, Board of Directors, NaviSite's independent registered public accounting firm and management. The Audit Committee discusses with management and NaviSite's independent registered public accounting firm the financial information developed by NaviSite, NaviSite's systems of internal controls and NaviSite's audit process. The Audit Committee is solely and directly responsible for appointing, evaluating, retaining, and, where necessary, terminating the engagement of the independent registered public accounting firm who will audit the books of NaviSite. The independent registered public accounting firm meets with the Audit Committee (both with and without the presence of NaviSite's management) to review

Table of Contents

and discuss various matters pertaining to the audit, including NaviSite's financial statements, the report of the independent registered public accounting firm on the results, scope and terms of their work, and their recommendations concerning the financial practices, controls, procedures and policies employed by NaviSite. The Audit Committee preapproves all audit services to be provided to NaviSite, whether provided by the principal auditor or other firms, and all other services (review, attest and non-audit) to be provided to NaviSite by the independent auditor. The Audit Committee is charged with establishing procedures for (i) the receipt, retention and treatment of complaints received by NaviSite regarding accounting, internal accounting controls or auditing matters; and (ii) the confidential, anonymous submission by employees of NaviSite of concerns regarding questionable accounting or auditing matters. The Audit Committee reviews all related party transactions on an ongoing basis, and all such transactions must be approved by the Audit Committee. The Audit Committee is authorized, without further action by the Board of Directors, to engage such independent legal, accounting and other advisors as it deems necessary or appropriate to carry out its responsibilities. The Board of Directors has adopted a written charter for the Audit Committee. Each current member of the Audit Committee is an independent director as defined in Rule 4200 of the Marketplace Rules of the Nasdaq Association of Securities Dealers, Inc. During the last fiscal year, the Audit Committee held eight meetings.

Compensation Committee

The Compensation Committee of the Board of Directors determines salaries, incentives and other forms of compensation for the Chief Executive Officer and the executive officers of NaviSite and reviews and makes recommendations to the Board of Directors with respect to director compensation. In addition, the Compensation Committee administers NaviSite's stock incentive compensation and equity-based plans. The Board of Directors has adopted a written charter for the Compensation Committee. During the last fiscal year, the Compensation Committee held one meeting.

Nominating Committee

We do not have a nominating committee. We are a controlled company as defined in the rules of the Nasdaq Stock Market because more than 50% of our voting stock is held by Atlantic Investors, LLC. Therefore, we are not subject to certain rules of the Nasdaq Stock Market, including those rules that would otherwise require us to have (i) a majority of independent directors on the Board; (ii) a nominating committee composed solely of independent directors; and (iii) director nominees selected, or recommended for the Board's selection, either by a majority of the independent directors or a nominating committee composed solely of independent directors.

The Board serves the function that would otherwise be provided by a separate nominating committee. Each member of the Board of Directors participates in the consideration of director nominees. Generally, the Board of Directors identifies candidates for director nominees in consultation with management and the independent members of the Board, through the use of search firms or other advisers, through the recommendations submitted by stockholders or through such other methods as the Board of Directors deems to be helpful to identify candidates. Once candidates have been identified, the Board of Directors confirms that the candidates meet the qualifications for director nominees established by the Board. The Board of Directors may gather information about the candidates through interviews, questionnaires, background checks, or any other means that the Board of Directors deems to be helpful in the evaluation process. The Board of Directors meets to discuss and evaluate the qualities and skills of each candidate, both on an individual basis and taking into account the overall composition and needs of the Board.

In considering whether to include any particular candidate in the Board's slate of recommended director nominees, the Board will consider the candidate's integrity, education, business acumen, knowledge of NaviSite's business and industry, age, experience, diligence, conflicts of interest and the ability to act in the interests of all stockholders. The Board does not assign specific weights to particular criteria and no particular criterion is a prerequisite for each prospective nominee. NaviSite believes that the backgrounds and qualifications of its directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities.

Table of Contents

The Board of Directors will consider director candidates who are recommended by the stockholders of NaviSite. Such recommendation for nomination must be in writing and include the following:

Name and address of the stockholder making the recommendation;

Number of shares of NaviSite Common Stock that are owned beneficially and held of record by such stockholder;

Name and address of the individual recommended for consideration as a director nominee;

Principal occupation and experience of the director nominee;

Total number of shares of NaviSite Common Stock that will be voted for the director nominee by the stockholder making the recommendation; and

A written statement from the stockholder making the recommendation stating whether the director nominee has indicated his or her willingness to serve if elected and why such recommended candidate would be able to fulfill the duties of a director.

Nominations must be sent to the attention of the Secretary of NaviSite by U.S. mail to NaviSite, Inc., 400 Minuteman Road, Andover, Massachusetts 01810. The Secretary will then provide the nomination to the Board for consideration. Assuming that the required material has been provided on a timely basis, the Board of Directors will evaluate stockholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates submitted by others.

Stockholder Communications with the Board of Directors

Stockholders may communicate with the Board of Directors by sending written communications to the Board of Directors or any individual member of the Board of Directors to the following address: Board of Directors, c/o Secretary, NaviSite, Inc., 400 Minuteman Road, Andover, Massachusetts 01810. The Secretary will forward all such correspondence accordingly, except for mass mailings, job inquiries, surveys, business solicitations or advertisements, personal grievances, matters as to which NaviSite tends to receive repetitive or duplicative communications, or patently offensive or otherwise inappropriate material.

PROPOSAL NO. 2

RATIFICATION OF SELECTION OF INDEPENDENT

REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected KPMG LLP as NaviSite's independent registered public accounting firm to audit NaviSite's financial statements for the fiscal year ending July 31, 2005. KPMG LLP has audited the financial statements of NaviSite for each fiscal year since NaviSite's inception. If the stockholders do not ratify the selection of KPMG LLP as NaviSite's independent registered public accounting firm, the Audit Committee will reconsider its selection. Even if the appointment is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in NaviSite's and its stockholders' best interests. A representative of KPMG LLP is expected to be present at the Annual Meeting and will have the opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions from stockholders.

The Board of Directors recommends a vote FOR ratification of the selection of KPMG LLP as NaviSite's independent registered public accounting firm for the fiscal year ending July 31, 2005.

Compensation Committee Report

This report discusses the Compensation Committee's compensation objectives and policies with respect to NaviSite's executive officers. The report reviews the compensation of senior executive officers as a group for the last fiscal year and, specifically, the compensation of Arthur P. Becker, NaviSite's Chief Executive Officer.

Table of Contents

Compensation Philosophy. NaviSite's executive compensation program has three objectives: (i) to align the interests of its executive officers with the interests of NaviSite's stockholders by basing a significant portion of an executive's compensation on NaviSite's performance; (ii) to attract and retain highly talented and productive executives; and (iii) to provide incentives for superior performance by NaviSite's executives. To achieve these objectives, the Compensation Committee has crafted a program that consists of base salary, short-term incentive compensation in the form of a bonus, and long-term incentive compensation in the form of stock options. These compensation elements are in addition to the general benefit programs that are offered to all of NaviSite's employees. The Compensation Committee has determined that, in light of NaviSite's current cash position, awarding cash bonuses at this time is not appropriate.

The Compensation Committee reviews NaviSite's executive compensation program annually. In its review, the Compensation Committee assesses the competitiveness of NaviSite's executive compensation program and reviews NaviSite's performance for the previous fiscal year. In future years, the Compensation Committee will gauge the success of the compensation program in achieving its objectives in the previous year and will consider NaviSite's overall performance objectives. Each element of NaviSite's executive compensation program is discussed below.

Benefits. The Compensation Committee believes that NaviSite must offer a competitive benefits program to attract and retain key executives. NaviSite provides the same medical and other benefits to its executive officers that are generally available to its other employees. Senior executives, along with all eligible employees of NaviSite, may also choose to participate in NaviSite's 401(k) plan.

Long-Term Incentive Compensation. The Compensation Committee believes that placing a portion of an executive's total compensation in the form of stock options achieves three objectives: (i) it aligns the interest of NaviSite's executives directly with those of NaviSite's stockholders; (ii) it gives executives a significant long-term interest in NaviSite's success; and (iii) it helps NaviSite retain key executives. In determining the number and terms of options to grant an executive, the Compensation Committee will primarily consider subjectively the executive's past performance and the degree to which an incentive for long-term performance would benefit NaviSite.

Compensation of the Chief Executive Officer. The Compensation Committee believes that the compensation of the Chief Executive Officer is consistent with NaviSite's general policies concerning executive compensation and is appropriate in light of NaviSite's financial objectives and performance. Awards of intermediate and long-term incentive compensation to the Chief Executive Officer are considered concurrently with awards to other executive officers and follow the same general policies as such other intermediate and long-term incentive awards.

Mr. Becker has served as a director of NaviSite since September 2002 and became its Chief Executive Officer and President in February 2003. Mr. Becker's base salary for the last fiscal year was \$275,000. In December 2003, Mr. Becker also received an option to acquire 60,000 shares of NaviSite Common Stock at an exercise price of \$2.55 per share, and in January 2004, Mr. Becker received an option to acquire 400,000 shares of NaviSite Common Stock at an exercise price of \$5.41 per share. Mr. Becker's compensation was designed to align his interests with those of NaviSite's stockholders by tying the value of the stock option award and his eligibility for periodic cash bonuses to the success of his efforts towards building NaviSite's management team, business and infrastructure and improving the operating and financial performance of NaviSite. The Compensation Committee believes that Mr. Becker's compensation has been consistent with the Compensation Committee's compensation philosophy.

Policy on Deductibility of Executive Compensation. Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code), generally disallows a federal income tax deduction to public companies for certain compensation over \$1,000,000 paid to a company's chief executive officer and four other most highly compensated executive officers. Qualifying performance-based compensation will not be subject to the deduction limit if certain requirements are met. The Compensation Committee intends to review the potential effects of Section 162(m) periodically and intends to structure NaviSite's stock option grants and certain other equity-based awards in a manner that is intended to avoid disallowances under Section 162(m) of the

Table of Contents

Code unless the Compensation Committee believes that such compliance would not be in the best interest of NaviSite or its stockholders.

Certain Relationships and Related Transactions

Atlantic Investors, LLC and affiliates

On August 8, 2003, we completed the acquisition of certain assets and the assumption of certain liabilities of ClearBlue Technologies, Inc. (CBT) pursuant to a Stock and Asset Acquisition Agreement (the CBT Agreement). We acquired all outstanding shares of six (6) wholly owned subsidiaries of CBT with data centers located in Chicago, Las Vegas, Los Angeles, Milwaukee, Oakbrook and Vienna. In addition, we assumed the revenue and expense, as of the date of acquisition, of four (4) additional wholly owned subsidiaries of CBT with data centers located in Dallas, New York, San Francisco and Santa Clara (collectively the Four Subsidiaries or the Deferred Entities). Ownership of these subsidiaries was to be automatically transferred, under certain conditions, to NaviSite for no additional consideration in February 2004 (the CBT Agreement was amended in February 2004, as described below). On February 6, 2004, we entered into an amendment to the CBT Agreement (the Amendment) by and among NaviSite, CBT and certain of CBT's wholly owned subsidiaries. The Amendment amended the CBT Agreement dated August 8, 2003 to extend the date by which we are able to cause the transfer to us of the Deferred Entities, from February 8, 2004 to anytime on or prior to August 8, 2005 (the Transfer Date), under certain conditions and for no additional consideration. In consideration for such Amendment, we agreed to operate and manage the Deferred Entities in a manner consistent with the CBT Agreement. On April 14, 2004, pursuant to the Amendment, NaviSite exercised its right to acquire from CBT all of the outstanding shares of the Deferred Entities, for no additional consideration.

On January 29, 2003, we entered into a \$10.0 million Loan and Security Agreement (the Atlantic Loan) with Atlantic Investors, LLC. The Atlantic Loan bears an interest rate of 8% per annum. Interest is payable upon demand or, at Atlantic's option, interest may be added to the outstanding balance due to Atlantic by NaviSite. Atlantic may make demand for payment of amounts in excess of the minimum Atlantic Loan amount of \$2.0 million (the Minimum Loan Amount), with 60 days notice. Atlantic can demand payment of the Minimum Loan Amount with 90 days notice. Under the Atlantic Loan agreement, we can require Atlantic to loan us (1) up to \$2.0 million to repay an amount

due from CBTM to Unicorn, a related party to NaviSite and Atlantic; (2) \$1.0 million for costs associated with our acquisition of Avasta; and (3) up to \$500,000 for the post-acquisition working capital needs of Avasta. Atlantic, at its sole and absolute discretion, may advance other amounts to us such that the aggregate amount borrowed by NaviSite does not exceed the maximum loan amount, defined as the lesser of \$10.0 million or 65% of our consolidated accounts receivables. The Atlantic Loan is secured by all of our receivables and is subordinated to the borrowings from Silicon Valley Bank. On January 16, 2004, the Atlantic Loan was amended to extend any and all Credit Advances under the Atlantic Loan made prior to, or following, January 16, 2004, to be due on or before the earlier of (i) August 1, 2004 or (ii) five (5) business days following the closing of a financing transaction or disposition pursuant to which we receive gross proceeds of \$13.0 million. On July 13, 2004, the Atlantic Loan was further amended to extend any and all Credit Advances under the Atlantic Loan made prior to, or following, July 13, 2004, to be due on or before the earlier of (i) November 1, 2004 or (ii) five (5) business days following the closing of a financing transaction or disposition pursuant to which we receive net proceeds of \$13.0 million after satisfying the mandatory prepayment obligation under those certain promissory notes due to Surebridge, Inc. On October 12, 2004, the Atlantic Loan was further amended to extend any and all Credit Advances under the Atlantic Loan made prior to, or following, October 12, 2004, to be due on or before the earlier of (i) February 1, 2005 or (ii) five (5) business days following the closing of a financing transaction or disposition pursuant to which we receive net proceeds of \$13.0 million after satisfying the mandatory prepayment obligation under those certain promissory notes due to Waythere, Inc. (formerly Surebridge, Inc.).

Hewlett-Packard Financial Services Company and Affiliates

In connection with our acquisition of CBTM, we assumed CBTM's equipment lease pursuant to which CBTM had leased hardware and software from HPFS. Pursuant to the assumed equipment lease, we are required to make monthly payments to HPFS through May 2007, following which we will own the leased items. In connection with our acquisition of Surebridge, we assumed Surebridge's equipment lease pursuant to which Surebridge had leased hardware and software from HPFS. Pursuant to the assumed equipment lease, we are required to make monthly payments to HPFS through May 2007, following which we will own the leased items. As of July 31, 2004, the aggregate balance outstanding under the assumed leases was approximately \$4.2 million.

In August 2003, HPFS and CBT entered into a transaction agreement under which HPFS exchanged all of the remaining shares of CBT common stock it owned for 2,115,957 shares of our common stock owned by CBT, and HPFS assumed a portion of a promissory note payable to Atlantic Investors made by CBT in the amount of approximately \$4.5 million. Upon completion of this transaction, the promissory note issued by Atlantic Investors to HPFS was offset against the promissory note assumed by HPFS to Atlantic Investors. A single new promissory note was issued by HPFS to Atlantic Investors in the principal amount of approximately \$3.6 million.

Pursuant to a services agreement between NaviSite and HPFS, during fiscal 2004 HPFS provided technology support services to NaviSite for which NaviSite paid approximately \$1.8 million. The services agreement expires in December 2004.

During fiscal 2004, Hewlett-Packard Company provided relocation services to NaviSite in connection with the acquisition of Surebridge, Inc. by NaviSite, for which NaviSite paid approximately \$200,000.

Surebridge, Inc.

On June 10, 2004, NaviSite completed the acquisition of substantially all of the assets and liabilities of Surebridge, Inc., a privately held provider of managed application services for mid-market companies. Under the terms of the Asset Purchase Agreement, NaviSite acquired substantially all of the assets and liabilities of Surebridge in exchange for two promissory notes in the aggregate principal amount of approximately \$39.3 million and three million shares of NaviSite common stock (the Fixed Shares).

Table of Contents

The promissory notes issued by NaviSite to Surebridge (now known as Waythere, Inc.) consist of a Primary Note and an Escrow Note (collectively, the Notes). The Primary Note is in the principal amount of approximately \$32.5 million. The Escrow Note is in the principal amount of approximately \$6.8 million and has been deposited into escrow for the purpose of satisfying indemnification claims by NaviSite pursuant to the Asset Purchase Agreement. The Notes accrue interest on the unpaid balance at an annual rate of 10%, however no interest shall accrue on any principal paid within nine months of the closing. The Notes shall be paid in full no later than the second anniversary of the closing. In the event that NaviSite realizes net proceeds in excess of \$1 million from certain equity or debt financings or sales of assets, NaviSite is obligated to use a significant portion of the proceeds to make payments on the Notes.

The outstanding principal and accrued interest of the Notes shall be convertible into shares of NaviSite Common Stock (the Conversion Shares) at the election of the holder (i) at any time following the first anniversary of the closing if the aggregate principal outstanding under the Notes at such time is greater than or equal to \$20 million, (ii) at any time following the 18-month anniversary of the closing if the aggregate principal outstanding under the Notes at such time is greater than or equal to \$10 million, (iii) at any time following the second anniversary of the closing, and (iv) at any time following an event of default thereunder. The conversion price of each of the Notes is \$4.642.

For a period of one year following the closing of the acquisition, Surebridge shall not sell, transfer, assign, convey, encumber, gift, distribute or otherwise dispose of the Fixed Shares, the Conversion Shares or the Notes; provided, however, if NaviSite does not make certain payments under the Notes or otherwise suffers an event of default thereunder, Surebridge may sell the Conversion Shares at any time thereafter. The Fixed Shares and the Conversion Shares shall have certain demand and piggyback registration rights pursuant to a Registration Rights Agreement entered into by and between NaviSite and Surebridge.

On May 6, 2004, Atlantic Investors, LLC, the majority stockholder of NaviSite, delivered to NaviSite an executed written consent of stockholders approving, among other things, the issuance of the Fixed Shares and the Conversion Shares.
