FIRST BANCTRUST CORPORATION

-----  
PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

APRIL 21, 2003

GENERAL

This Proxy Statement is being furnished to the holders of common stock, \$0.01 par value per share ("Common Stock"), of First BancTrust Corporation ("First BancTrust" or the "Company"), the bank holding company of First Bank & Trust, S.B. ("First Bank" or the "Bank"), in connection with the solicitation of proxies by the Board of Directors of the Company for use at its Annual Meeting of Stockholders ("Annual Meeting") to be held at the Human Resources Center located at 118 East Court Street, Paris, Illinois, on Monday, April 21, 2003, at 10:00 a.m., Central Daylight Time, and at any adjournment thereof, for the purposes set forth in the Notice of Annual Meeting of Stockholders. This Proxy Statement is first being mailed to stockholders on or about March 21, 2003.

VOTING RIGHTS

Only stockholders of record at the close of business on March 14, 2003 ("Voting Record Date") will be entitled to notice of and to vote at the Annual Meeting. At such date, there were 1,328,110 shares of Common Stock outstanding and the Company had no other class of equity securities outstanding.

Each share of Common Stock is entitled to one vote at the Annual Meeting on all matters properly presented at the Annual Meeting. The presence in person or by proxy of at least a majority of the outstanding shares of Common Stock entitled to vote is necessary to constitute a quorum at the Annual Meeting. The persons receiving the greatest number of votes of the Common Stock shall be elected as directors of the Company. The affirmative vote of a majority of the total votes cast at the Annual Meeting is required for approval of the proposal to ratify the appointment of the Company's independent auditors.

Abstentions will be counted for purposes of determining the presence of a quorum at the Annual Meeting. Because of the required votes, abstentions will have no effect on the voting for the election of directors or the proposal to ratify the appointment of the Company's independent auditors. Under rules applicable to broker-dealers, the election of directors and the proposal to ratify the appointment of the Company's independent auditors are considered "discretionary" items upon which brokerage firms may vote in their discretion on

Edgar Filing: FIRST BANCTRUST CORP - Form DEF 14A

behalf of their client if such clients have not furnished voting instructions. Thus, there are no proposals to be considered at the Annual Meeting which are considered "non-discretionary" and for which there will be "broker non-votes."

PROXIES

Shares of Common Stock represented by properly executed proxies, if such proxies are received in time and not revoked, will be voted in accordance with the instructions indicated on the proxies. If no contrary instructions are given, each proxy received will be voted (i) FOR the nominees for director described herein; (ii) FOR ratification of BKD, LLP as the Company's independent public accountants for the year ending December 31, 2003; and (iii) upon the transaction of such other business as may properly come before the meeting, in accordance with the best judgment of the persons appointed as proxies. Any stockholder giving a proxy has the power to revoke it at any time before it is exercised by (i) filing with the Secretary of the Company written notice thereof (Mary Ann Tucker, Secretary, First BancTrust Corporation, 206 South Central Avenue, P.O. Box 880, Paris, Illinois 61944); (ii) submitting a duly-executed proxy bearing a later date; or (iii) appearing at the Annual Meeting and giving the Secretary notice of his or her intention

to vote in person. Proxies solicited hereby may be exercised only at the Annual Meeting and any adjournment thereof and will not be used for any other meeting.

BENEFICIAL OWNERSHIP

The following table sets forth information as to the Common Stock beneficially owned, as of March 14, 2003, by (i) the only persons or entities, including any "group" as that term is used in Section 13(d)(3) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), who or which was known to the Company to be the beneficial owner of more than 5% of the issued and outstanding Common Stock, (ii) each director and director nominee of the Company, (iii) certain named executive officers, and (iv) all directors and executive officers of the Company and the Bank as a group.

### ELECTION OF DIRECTORS

The Certificate of Incorporation and Amended and Restated Bylaws of the Company provide that the Board of Directors shall be divided into three classes as nearly equal in number as possible, and that the members of each class shall be elected for terms of three years and until their successors are elected and qualified, with one of the three classes of directors to be elected each year.

At the Annual Meeting, stockholders of the Company will be asked to elect three directors for a three-year term and until their successors are elected and qualified. The three nominees for election as directors were selected by the Nominating Committee of the Board of Directors. of the Board, to be made pursuant to timely notice in writing to the Secretary of the Company, as set forth in the Amended and Restated Bylaws. To be timely, with respect to an election to be held at an annual meeting of stockholders, a stockholders' notice must be delivered to or received by the Secretary not later than 120 days prior to the anniversary date of the mailing of proxy materials by the Company in connection with the immediately preceding annual meeting of stockholders of the Company. No notice has been received by the Company in connection with the Annual Meeting. Each written notice of a stockholder

### SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's officers and directors, and persons who own more than 10% of the Company's Common Stock to file reports of ownership and changes in ownership with the SEC and the National Association of Securities Dealers, Inc. Officers, directors and 10% stockholders are required by regulation to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on review of the copies of such forms furnished to the Company, the Company believes that during 2002, all Section 16(a) filing requirements applicable to its officers and directors were complied with.

### EMPLOYMENT AGREEMENT

First BancTrust and First Bank, as employers, have entered into an employment agreement with Terry J. Howard pursuant to which the employers have agreed to employ Mr. Howard as President and Chief Executive Officer of First BancTrust and First Bank for a term of two years. The agreement provides that Mr. Howard will initially be paid a salary level of \$107,500. Mr. Howard's compensation and expenses shall be paid by First BancTrust and First Bank in the same proportion as the time and services actually expended by the executive on behalf of each employer. The employment agreement will be reviewed annually. The term of Mr. Howard's employment agreement shall be extended each year for a successive additional one-year period upon the approval of the employers' Boards of Directors, unless either party elects, not less than 30 days prior to the annual anniversary date, not to extend the employment term.

The employment agreement shall be terminable with or without cause by the employers. Mr. Howard shall have no right to compensation or other benefits pursuant to the employment agreement for any period after voluntary termination or termination by the employers for cause, disability or retirement. The agreement provides for certain benefits in the event of Mr. Howard's death. In the event that

9

(1) either executive terminates his employment because the employers either fail to comply with any material provision of the employment agreement or change the executive's title or duties, or

(2) the employment agreement is terminated by the employers other than for cause, disability, retirement or death or by the executive as a result of certain adverse actions which are taken with respect to the executive's employment following a change in control of First BancTrust, as defined,

then the executive will be entitled to a cash severance amount equal to three times his average annual compensation for the last five calendar years (or such shorter period that he has worked with First Bank), plus the continuation of certain miscellaneous fringe benefits, subject to reduction pursuant to Section 280G of the Internal Revenue Code as set forth below in the event of a change in control.

A change in control is generally defined in the employment agreement to include any change in control of First BancTrust required to be reported under the federal securities laws, as well as (1) the acquisition by any person of 20% or more of First BancTrust's outstanding voting securities and (2) a change in a

majority of the directors of First BancTrust during any three-year period without the approval of at least two-thirds of the persons who were directors of First BancTrust at the beginning of such period.

The employment agreement provides that, in the event any of the payments to be made thereunder or otherwise upon termination of employment are deemed to constitute "parachute payments" within the meaning of Section 280G of the Internal Revenue Code, then such payments and benefits shall be reduced by the minimum necessary to result in the payments not exceeding three times the recipient's average annual compensation from the employers which was includable in the recipient's gross income during the most recent five taxable years. As a result, none of the severance payments will be subject to a 20% excise tax, and the employers will be able to deduct such payments as compensation expense for federal income tax purposes. Based upon compensation levels at December 31, 2002, if a change in control was to occur, the severance payment would be approximately \$353,646 for Mr. Howard.

Although the above-described employment agreement could increase the cost of any acquisition of control, First BancTrust and First Bank do not believe that the terms thereof would have a significant anti-takeover effect.

### 401(k) PLAN

First Bank has a 401(k) Plan in which substantially all employees may participate. First Bank may contribute to the 401(k) Plan at the discretion of the Board of Directors.

### VOLUNTARY EMPLOYEE'S BENEFIT ASSOCIATION

First Bank also maintains a voluntary employee's benefit association for the benefit of substantially all of its full-time employees. Benefits available under the voluntary employee's benefit association include major medical, life, accidental death and dismemberment, and disability insurance. These benefits are available to all employees who have attained a minimum age and length of service. The voluntary employee's benefit association is funded through voluntary contributions from employees and contributions from First Bank.

### EMPLOYEE STOCK OWNERSHIP PLAN

First BancTrust has established an ESOP for employees of First BancTrust and First Bank. Full-time employees who have been credited with at least 1,000 hours of service during a 12-month period and who have attained age 21 are eligible to participate in our employee stock ownership plan.

The ESOP borrowed funds from First BancTrust to purchase 121,670 shares of Common Stock in the Bank's conversion from mutual to stock form. The loan to our ESOP will be repaid principally from our contributions to our ESOP over a period of eight years, and the collateral for the loan will be the Common Stock purchased by our ESOP. First BancTrust may, in any plan year, make additional discretionary contributions for the benefit of plan participants

in either cash or shares of common stock, which may be acquired through the purchase of outstanding shares in the market or from individual stockholders, upon the original issuance of additional shares by First BancTrust or upon the sale of treasury shares by First BancTrust. Such purchases, if made, would be funded through additional borrowings by our ESOP or additional contributions from First BancTrust. The timing, amount and manner of future contributions to our ESOP will be affected by various factors, including prevailing regulatory policies, the requirements of applicable laws and regulations and market
