INDEPENDENT AUDITORS' REPORT

The Retirement Administrative Committee
Butler Manufacturing Company:

We have audited the accompanying statements of net assets available for benefits of the Butler Manufacturing Company 401(k) Employee Savings Trust Plan (the Plan) as of December 31, 2002, and 2001, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2002, and 2001, and the changes in net assets available for benefits for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

Notes to Financial Statements
December 31, 2002 and 2001

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(A) GENERAL

Effective March 1, 1987, Butler Manufacturing Company (the Company) established the 401(k) Employee Savings Trust Plan (the Plan), which is administered by the administrative committee. The investments of the Plan are in the custody of Fidelity Institutional Retirement Services Company. The trustee of the Plan is the Fidelity Management Trust Company (Fidelity), which has been appointed by the administrative committee and thereby holds all assets of the Plan in the Butler Master Savings Plan Trust (Master Trust). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The following brief description of the Plan is provided for general information purposes only. Participants should refer to the plan document for more complete information.

(B) BASIS OF PRESENTATION

The Plan's financial statements are presented on the accrual basis

Edgar Filing: BUTLER MANUFACTURING CO - Form 11-K

of accounting and present the net assets available for benefits and changes in those net assets. Benefit payments to participants are recorded when paid.

(C) ASSETS HELD IN MASTER TRUST

All assets of the Plan are held in the Master Trust and are specifically allocated to each individual plan by participant. Plan assets and changes in plan assets held in trust have been reported by Fidelity based on the fair value of the investments.

The fair value of marketable securities is based upon quotations from national securities exchanges; where marketable securities are not listed on an exchange, quotations are obtained from brokerage firms. When the fair value of securities is not available, the securities are stated at their estimated fair value. Securities transactions are accounted for on the trade date (the date the order to buy or sell is executed).

Investments, which exceeded 5% of the net assets available for benefits at December 31, 2002, and 2001, are shown individually in the statements of net assets available for benefits.

(D) ADMINISTRATIVE EXPENSES

The expenses incurred by the administrative committee of the Plan in administering plan activity and the expenses incurred by Fidelity in administering the trust may be paid from the assets of the Plan or by the Company, as the Company elects.

(E) ELIGIBILITY

All full-time salaried and nonunion hourly employees are eligible to participate in the Plan.

Notes to Financial Statements
December 31, 2002 and 2001

(F) VESTING

All eligible employees participating in the Plan are immediately 100% vested in employer and employee contributions.

(G) TERMINATION

Although it has expressed no intention to do so, the Company's board of directors may terminate the Plan at any time, subject to the provisions of ERISA. If the Plan is terminated, each participant's account balance will be, at the discretion of the Company, distributed in a lump sum or held in trust to be distributed upon each participant's retirement, death,

Edgar Filing: BUTLER MANUFACTURING CO - Form 11-K

disability, or termination of employment.

(H) USE OF ESTIMATES

The Plan utilizes a number of estimates and assumptions related to the reporting of assets and liabilities and the disclosure of contingent assets and liabilities to prepare these financial statements in conformity with accounting principles generally accepted in the United States of America. Actual results could differ from those estimates.

(I) RECLASSIFICATIONS

Certain inconsequential reclassifications have been made to prior years' information to conform to the 2002 presentation.

(2) CONTRIBUTIONS

Employees may contribute to the Plan from 1 to 20% of their compensation in 1% increments, subject to applicable Internal Revenue Service (IRS) regulations. Participants may direct investments of their contribution in 1% increments among the funds established by the Company. At the discretion of the Company's board of directors and based on the Company's profitability, the Company can elect to match employee contributions in an amount no greater than 30%. This match is limited to 6% of employee contributions and one-third of all company-matching contributions shall be invested in the Butler common stock fund. Such investments shall remain in the Butler common stock fund until the participant's termination of employment. This match is applicable only to employees who are active employees on December 31, except in cases of retirement, disability, or death.

(3) DISTRIBUTIONS

If a participant retires on or after attaining age 55, becomes totally or permanently disabled, dies, or terminates employment for any other reason, the full value of the account becomes distributable. If the value of the amount distributable exceeds \$5,000, the distribution cannot be made until the participant reaches age 65 or gives consent to the distribution. All distributions must be made prior to April 1 of the calendar year immediately following the date the participant reaches age 70-1/2, even if still employed. All distributions shall be made in a single payment of cash.

(4) IN-SERVICE WITHDRAWALS

Employee contributions, in part or in total, may be withdrawn for extreme financial hardships. Such financial hardships include college costs, excessive medical expenses, the purchase of a principal residence, or to prevent eviction from a principal residence.

(5) LOANS TO PARTICIPANTS

At the discretion of the administrative committee, loans may be made to a participant up to the lesser of \$50,000 or 50% of the value of the participant's account. No loan may be for an amount less than \$1,000. Loans are secured by an assignment of the participant's total account balance in the Plan. Loan maturities may not be less than one year nor exceed five years, except for home loans. Interest rates will be set by the administrative committee in accordance with uniform procedures consistently applied in a manner that does not discriminate in favor of officers, shareholders, or highly compensated participants.

(8) INVESTMENT PORTFOLIO RISK

The Plan provides for various investments, which, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

(9) FEDERAL INCOME TAXES

The Plan has received a favorable determination letter, dated July 18, 2002, from the IRS, qualifying the Plan under the Internal Revenue Code and exempting the trust from Federal income taxes. The Plan has been amended since receiving the determination letter. The plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes is included in these financial statements.
