2005 ANNUAL MEETING OF STOCKHOLDERS
SEPTEMBER 16, 2005

PROXY STATEMENT

GENERAL

This Proxy Statement and the accompanying proxy are furnished to stockholders of SigmaTron International, Inc. (the "Company") in connection with the solicitation of proxies by the Company's Board of Directors for use at the 2005 Annual Meeting of Stockholders (the "Meeting") to be held at the Holiday Inn located at 1000 Busse Road, Elk Grove Village, Illinois, 60007 at 10:00 a.m. local time, on Friday, September 16, 2005, for the purposes set forth in the accompanying Notice of Meeting. This Proxy Statement, the form of proxy included herewith and the Company's Annual Report to Stockholders for the fiscal year ended April 30, 2005 are being mailed to stockholders on or about August 16, 2005.

Stockholders of record at the close of business on July 29, 2005 are entitled to notice of and to vote at the Meeting. On such date there were outstanding 3,752,054 shares of Common Stock, par value \$.01 per share (the "Common Stock"). The presence, in person or by proxy, of the holders of a majority of the shares of Common Stock outstanding and entitled to vote at the Meeting is necessary to constitute a quorum. In deciding all questions, each holder of Common Stock shall be entitled to one vote, in person or by proxy, for each share held on the record date.

If you are a stockholder of record (that is, if you hold your shares in certificate form registered in your name on the books of the Company's transfer agent, American Stock Transfer and Trust Company, as of the close of business on July 29, 2005), and attend the Meeting, you may deliver your completed proxy card in person. However, if you hold your shares in "street name" (that is, not certificate form) (a) you must return your voting instructions to your broker or nominee so that the holder of record can be instructed how to vote those shares or (b) if you wish to attend the Meeting and vote in person, you must obtain and bring to the Meeting a proxy signed by the record holder giving you the right to vote the shares in order to be able to vote at the Meeting. (You may not use the voting instruction form provided by your broker or nominee to vote in person at the Meeting.)

Votes cast by proxy or in person at the Meeting will be tabulated by the election inspector appointed for the Meeting and will determine whether or not a quorum is present. The election inspector will treat abstentions as shares that are present and entitled to vote but as not voted for purposes of determining the approval of any matter submitted to the stockholders for a vote. Abstentions will have the same effect as negative votes. If a broker indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter ("Broker Non-Votes"), those shares will not be considered as present and entitled to vote with respect to that matter.

Properly executed proxies will be voted in the manner directed by the

Edgar Filing: SIGMATRON INTERNATIONAL INC - Form DEF 14A

stockholders. If no direction is indicated, such proxies will be voted FOR the election of all nominees named under the caption "Election of Directors" as set forth therein as directors of the Company, and FOR the ratification of the selection of Grant Thornton LLP as the Company's Independent Auditors. If a quorum is present at the Meeting, directors will be elected by a plurality of the votes cast. The ratification of the selection of auditors requires an affirmative vote by holders of a majority of the shares present at the Meeting in person or by proxy and entitled to vote. Any proxy may be revoked by the stockholder at any time prior to the voting thereof by notice in writing to the Secretary of the Company, either prior to the Meeting (at the above address) or at the Meeting if the stockholder attends in person. A later dated proxy will revoke a prior dated proxy.

As of the date of this Proxy Statement, the Board of Directors knows of no other business which will be presented for consideration at the Meeting. If other proper matters are presented at the Meeting, however, it is the intention of the proxy holders named in the enclosed form of proxy to take such actions as shall be in accordance with their best judgment.

The information contained in this Proxy Statement relating to the occupations and security holdings of directors and officers of the Company and their transactions with the Company is based upon information received from each individual as of July 15, 2005.

CORPORATE GOVERNANCE

Our Board of Directors determined that each of Messrs. Chen, McClelland, Rieck, Sove and Zemenick are independent under the rules of the Nasdaq Stock Market, Inc. As a result, our Board currently has a majority of independent directors under the rules of the Nasdaq Stock Market, Inc. Our Board of Directors has determined that our independent directors shall have regularly scheduled meetings during each fiscal year at which only the independent directors are present.

DIRECTOR COMMITTEES; BOARD MEETINGS

The Board of Directors has established an Audit Committee, a Compensation Committee and a Nominating Committee. A copy of the Audit Committee charter is included in this Proxy Statement as Appendices A and the Nominating Committee charter is available on the Company's website at www.sgmaintl.com. The Company believes that the composition of these committees meets the criteria for independence under, and the functioning of these committees complies with, the applicable requirements of, the Sarbanes-Oxley Act of 2002, the current listing standards of the Nasdaq Stock Market, Inc. and Securities and the Exchange Commission rules and regulations.

The functions of the Audit Committee include: (1) selection, evaluation, and where appropriate, replacement of the Company's independent accountants; (2) pre-approval of audit and permitted non-audit services to be performed by the independent accountants; (3) review of the scope of the audit; (4) reviewing, with the independent accountants, the corporate accounting practices and policies and recommending to whom reports should be submitted within the Company; (5) reviewing the final report of the independent accountants; (6) reviewing accounting controls; and (7) being available to the independent accountants and management for consultation purposes. The Audit Committee is comprised of three members: Messrs. Rieck, Sove (Chairman) and Vyas. The Board of Directors has determined that each of the members of the Audit Committee is independent as defined by the Rules of the Securities and Exchange Commission. The Board also determined that Messrs. Rieck and Sove are independent and Mr. Vyas is not independent under the rules of the Nasdaq Stock Market, Inc. based upon Mr. Vyas' role as a manager of SMD International L.L.C., which sold real estate to the Company in November 2003. The Board of Directors has further determined that membership of Mr. Vyas on the Audit Committee is in the best interest of the Company and its stockholders, based upon Mr. Vyas' experience in finance at another public company and his acumen developed in connection with his own business ventures. Mr. Rieck has been determined to be an Audit Committee financial expert as defined in Item 401 of Regulation S-K promulgated under the Exchange Act. The Board of Directors has adopted a written charter for the Audit Committee, a copy of which is included as Appendix A to this Proxy Statement. The report of the Audit Committee to the Stockholders is included in this Proxy Statement below under the heading "Report of the Audit Committee."

The functions of the Compensation Committee are to review and recommend to the Board of Directors annual salaries and bonuses for all executive officers of the Company, to review, approve and recommend to

the Board of Directors the terms and conditions of all employee benefit plans or

Edgar Filing: SIGMATRON INTERNATIONAL INC - Form DEF 14A

changes thereto and to administer the Company's stock option plans. Messrs. Rieck (Chairman), Chen and Zemenick are members of the Compensation Committee. The Board of Directors has determined that each of the members of the Compensation Committee are independent under listing standards of the Nasdaq Stock Market, Inc.

The functions of the Nominating Committee are to (1) review and recommend to the Board of Directors the size and composition of the Board and a slate of nominees for each election of members to the Board of Directors; (2) review and recommend changes to the number, classification, and term of directors; (3) identify and recommend to the Board candidates to fill appointments to Board committees; and (4) develop, assess and make recommendations to the Board concerning appropriate corporate policies to identify and recommend to the Board candidates to fill a vacancy in the offices of President and Chief Executive, to receive and review nominations by stockholders with regard to the nomination process. The members of the Nominating Committee are Messrs. Chen (Chairman), McClelland and Zemenick. The Board of Directors has determined that each of the members is independent under the Nasdaq Stock Market, Inc. The charter for the Nominating Committee is available on the Company's website at www.sgmaintl.com.

In evaluating and determining whether to recommend a person as a candidate for election as a director, the Nominating Committee's criteria reflects the requirements of the recently adopted Nasdaq rules with respect to independence as well as the following factors: the needs of the Company with respect to the particular talents and experience of its directors; personal and professional integrity of the candidate; the level of education and/or business experience of the candidate; broad-based business acumen of the candidate; the candidate's level of understanding of the Company's business and the electronic manufacturing services industry; the candidate's abilities for strategic thinking and willingness to share ideas; and the Board of Directors' need for diversity of experiences, expertise and background. The Committee will use these criteria to evaluate all potential nominees.

The Nominating Committee will consider proposed nominees whose names are submitted to it by stockholders. The Nominating Committee has not adopted a formal process for that purpose because it believes that the Committee's process for considering information has been and remains adequate. Historically, stockholders have not proposed any nominees. The Nominating Committee intends to review periodically whether a formal process should be adopted. To be considered, all stockholder nominations must comply with the notice provisions of the Company's by-laws, which generally require that such notice be received by the Secretary of the Company not less than 60 days and not more than 90 days prior to a regularly scheduled annual meeting of stockholders, or within 10 days after receipt of notice of an annual meeting of stockholders if the date of such meeting has not been publicly disclosed within 70 days prior to the meeting date.

The Board of Directors held 13 meetings either in person or by telephone conference during the fiscal year ended April 30, 2005. The Compensation Committee held four meetings in person or by telephone conference and the Audit Committee held five meetings in person or by telephone conference during fiscal 2005. The Nominating Committee held one meeting during fiscal 2005. All directors attended at least 75% of the meetings of the board and each of the committees of which they were members. The Company has a policy of encouraging all directors to attend the annual meeting of stockholders. All directors attended the Company's 2004 annual meeting of stockholders.

EMPLOYMENT CONTRACTS, TERMINATION OF EMPLOYMENT AND CHANGE OF CONTROL AGREEMENTS

The Company adopted an Amended and Restated Change-in-Control Severance Payment Plan on May 30, 2002 (the "CIC Plan"), which covers Executive Officers an Vice Presidents of the Company (each a "CIC Participant"). Under the terms of the CIC Plan, each CIC Participant is entitled to the payment of severance pay in the event such CIC Participant's employment with the Company is involuntarily terminated within twenty-four months of a change of control of the Company.

In general, for purposes of the CIC Plan, a change of control will be deemed to have occurred when (a) any entity, person or group other than Cyrus Tang or his affiliates, acquires more than thirty percent of the outstanding stock entitled to vote for directors of the Company, (b) as a result of or in connection with certain corporate transactions identified in the CIC Plan, the identity of a majority of the members of the Board of Directors immediately before such transaction changes immediately after the transaction, (c) the merger, consolidation, or share exchange of the Company, or (d) a sale of all or substantially all of the Company's assets. In general, a CIC Participant's employment will be deemed to have been involuntarily terminated under the CIC Plan, in the event of such employee's termination by the Company for a reason other than (w) for cause (as defined in the Plan), (x) death, (y) disability, or (z) that employee's voluntary retirement or resignation except on account of the reasons set forth in the agreement (which in general would result in a constructive discharge).

Disputes concerning the CIC Plan and benefits under the CIC Plan are subject to arbitration.

The CIC Plan provides for automatic reduction of the amounts to be paid out under the plan in the event such amounts would constitute "parachute payments" under the Internal Revenue Code. Payments under the CIC Plan are also subject to an aggregate cap equal to 15% of the market value of the Company's outstanding capital stock on such date in the event the employment of one or more of the CIC Participants is terminated voluntarily or involuntarily within seven days after the change-in-control. The Plan is filed as Exhibit 10.15 to the Company's Annual Report on Form 10-K for the year ended April 30, 2005, filed on July 27, 2005.

REPORT OF THE AUDIT COMMITTEE

The functions of the Audit Committee include: (1) selection, evaluation, and where appropriate, replacement of the independent accountants; (2) pre-approval of audit and permitted non-audit services to be performed by the independent accountants; (3) review of the scope of the audit; (4) reviewing, with the independent accountants, the corporate accounting practices and policies and recommending to whom reports should be submitted within the Company; (5) reviewing the final report of the independent accountants; (6) reviewing accounting controls; and (7) being available to the independent accountants and management for consultation purposes. The Audit Committee is comprised of three members: Messrs. Rieck, Sove (Chairman) and Vyas. The Board of Directors has determined that each of the members is independent as defined by the Rules of the Securities and Exchange Commission. The Board also determined that Messrs. Rieck and Sove are independent and Mr. Vyas is not independent under the Nasdaq Stock Market, Inc. listing standards based upon Mr. Vyas' role as a manager of SMD International L.L.C., which sold real estate to the Company in November 2003. The Board of Directors has further determined that membership of Mr. Vyas on the Audit Committee is in the best interest of the Company and its stockholders, based upon Mr. Vyas' experience in finance at another public company and his acumen developed in connection with his own business ventures. Mr. Rieck has been determined to be an Audit Committee financial expert as defined in Item 401 of Regulation S-K. The Board of Directors has adopted a written charter for the Audit Committee, a copy of which is included as Appendix A to this Proxy Statement.

The Audit Committee has reviewed and discussed the audited financial statements with management, and discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards (SAS) No. 61 (Codification of Statements on Auditing Standards, AU sec. 380), as the same has been modified or supplemented. The Audit Committee has received the written disclosures and the letter from the independent accountants required by Independence Standards Board Standard No. 1, as the same has been modified or supplemented, and has discussed with the independent accountants the independent accountants' independence. Based on the review and discussions referred to herein, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the last fiscal year for filing with the Securities and Exchange Commission.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

OVERVIEW AND PHILOSOPHY

The Company's executive compensation policy is to provide a total compensation and benefit package to enable it to attract, retain and incentivize talented executives. Total compensation includes base salary, annual cash bonuses, long-term incentives and employee benefits. Guiding principles include offering an overall competitive package consisting of (a) base salary and employee benefits; and (b) performance-based incentives designed to assure that management's interests are closely aligned with those of shareholders, including annual cash bonuses and long-term stock-based incentives based on overall Company financial results and individual contributions thereto. The Company seeks to reward outstanding executive performance that contributes to superior Company operating results and enhanced shareholder value.

The Board of Directors administers the Company's executive compensation policy through the Compensation Committee. The base salary and annual cash bonuses of the President and the Chief Executive Officer and the executive officers of the Company are determined by the Board of Directors acting on the recommendations of its Compensation Committee. Annual cash bonuses are based, in large part, upon an informal plan that generates a bonus pool based upon return on net assets deployed in the business, and then the bonus pool is allocated among all of the Company's employees. Stock options may also be granted to employees of the Company as determined by the Compensation Committee pursuant to the Company's stock option plans. The President and Chief Executive Officer

Edgar Filing: SIGMATRON INTERNATIONAL INC - Form DEF 14A

recommends to the Compensation Committee the base salaries and annual cash bonuses to be paid, and, in the case of stock options, to be awarded, to all executive officers, based upon guidelines prescribed by the Committee.

REPORT OF 2005 COMPENSATION OF EXECUTIVE OFFICERS

The President and Chief Executive Officer recommended to the Compensation Committee the base salaries and cash bonuses to be paid to the executive officers for fiscal year 2006. After discussion, the Compensation Committee approved the base salaries and cash bonuses recommended, and then the entire Board of Directors adopted the recommendation. The Committee did not grant additional stock options to executive officers during fiscal 2005.

REPORT OF 2005 COMPENSATION OF PRESIDENT AND CHIEF EXECUTIVE OFFICER

The compensation for the Company's President and Chief Executive Officer is set within the philosophy and policy identified above for all executive officers. In setting the salary and determining the cash bonus of the President and Chief Executive Officer of the Company, the Compensation Committee considered many factors, including but not limited to, industry and economic conditions, achievement of Company and personal goals, and effort, but with emphasis placed on the Company's financial results. The President and Chief Executive Officer's salary was increased for cost of living, similar to the other executive officers. The President and Chief Executive Officer's bonus was reduced by approximately 50% from the prior year, also similar to the other executive officers of the Company, and more than rank and file employee decreases, because of a smaller bonus pool as a result of the decrease in the Company's net income of approximately 15% from the prior year. Notwithstanding the decrease in the bonus, the Compensation Committee remains impressed with his overall performance.

CERTAIN TRANSACTIONS

The Company had a related-party transaction with Circuit Systems, Inc., a former shareholder of the Company which filed for protection under Chapter 11 of the Federal bankruptcy code, and is now known as Circuit Systems, Inc. Liquidating Grantor's Trust, dated October 14, 2001 ("CSI"). CSI divested itself of the investment in common stock of the Company in April 2001. The transaction primarily involved the leasing of operating space. The Company leased space in Elk Grove Village, Illinois, at a base rental of \$33,800 per month, with an additional \$7,000 per month for property taxes. The lease required the Company to pay maintenance and utility expenses. CSI subsequently, sold the building to a non-related party. Rent and property tax expense related to the agreement totaled approximately \$270,000 from May 2003 through mid-November 2003 and \$495,000 for the year ended April 30, 2003.

During 1996, the Company invested \$1,200 in exchange for a 12% limited partnership interest in Lighting Components, L.P. ("LC") and invested \$1,300 in Lighting Components, Inc., which is the general partner of LC, in exchange for 13% of its capital stock. At April 30, 1998, the Company had also made advances to LC in exchange for subordinated debentures and promissory notes totaling \$280,000. The subordinated debentures and promissory notes totaling \$280,000 were fully reserved at April 30, 1998.

Edgar Filing: SIGMATRON INTERNATIONAL INC - Form DEF 14A

In addition to the subordinated debentures and promissory notes, at April 30, 2000, the Company had recorded miscellaneous receivables, interest and trade receivables from LC of \$1,560,000, against which a reserve of \$789,000 was recorded. The Company wrote off its investment in LC of \$2,500 in the statement of operations for the year ended April 30, 2001. In April 2001, LC sold certain assets to a third party. In connection with the asset sale, the Company received a \$400,000 promissory note receivable from a third party. Payments were due on the promissory note as follows: \$125,000 plus accrued interest due January 1, 2002, \$125,000 plus accrued interest due January 1, 2003, and \$150,000 plus accrued interest due January 1, 2004. The payment obligations for \$125,000 due January 1, 2003, and 2002, plus accrued interest were paid in December 2002 and 2001, respectively. The payment obligation of \$150,000 due January 1, 2004 was paid in January 2004 plus accrued interest. Interest on the promissory note accrued at 5% per annum. The third party also agreed to pay to LC royalties on certain sales derived from the purchase of the acquired assets as defined in the agreement. LC or its successor are entitled to receive royalty payments through April 30, 2007. Per the terms of a separate agreement, the Company will receive its share of the royalty payments. These royalty payments, if any, will be recorded by the Company as received and reflected as payments on the notes. At April 30, 2005 a royalty receivable of \$50,740 was recorded. The receivable was paid subsequent to April 30, 2005.

In August and September 2004 the Company acquired the interests of all the outside investors in its affiliate SMT Unlimited L.P. ("SMTU") and the general partner of SMTU, SMT Unlimited, Inc. On October 1, 2004 SMT Unlimited, Inc. was merged into the Company, and SMTU was liquidated, thereby becoming an operating division of the Company. Prior to the acquisition by the Company, SMTU was consolidated under FASB Interpretation No. 46, Consolidation of Variable Interest Entities ("FIN 46R"). The aggregate price paid for all the interests was \$2,814,699. This aggregate price was paid with \$1,330,000 in notes with terms of up to 2 years and cash in the amount of \$1,338,858 and the forgiveness of interest expense of \$145,841. The acquisition was treated as a step acquisition and resulted in goodwill of \$756,959 from one step and negative goodwill of \$452,087 from the second transaction. This was treated as a reduction in the acquired long-lived assets from SMTU. On October 1, 2004 SMT Unlimited, Inc. was merged into the Company, and SMTU was liquidated, thereby becoming an operating division of the Company. Prior to the Company's acquisition, SMTU was consolidated under FIN 46R. The Company purchased the outstanding interest of SMTU in order to provide seamless service to its customers.

The Company currently anticipates the 2006 Annual Meeting of stockholders will be held September 15, 2006.

16. Make or cause to be made, from time to time, such other examinations or reviews as the Committee may deem advisable with respect to the adequacy of the systems of internal controls, accounting practices, internal audit procedures, and disclosure controls and procedures of the Company, taking into account current accounting and regulatory trends and developments, and take such action with respect thereto as may be deemed appropriate by the Committee.
