2006 ANNUAL MEETING OF STOCKHOLDERS
SEPTEMBER 15, 2006

PROXY STATEMENT

GENERAL

This Proxy Statement and the accompanying proxy are furnished to stockholders of SigmaTron International, Inc. (the "Company") in connection with the solicitation of proxies by the Company's Board of Directors for use at the 2006 Annual Meeting of Stockholders (the "Meeting") to be held at the Holiday Inn located at 1000 Busse Road, Elk Grove Village, Illinois, 60007 at 10:00 a.m. local time, on Friday, September 15, 2006, for the purposes set forth in the accompanying Notice of Meeting. This Proxy Statement, the form of proxy included herewith and the Company's Annual Report to Stockholders for the fiscal year ended April 30, 2006 are being mailed to stockholders on or about August 15, 2006.

Stockholders of record at the close of business on July 27, 2006 are entitled to notice of and to vote at the Meeting. On such date there were outstanding 3,786,956 shares of common stock, par value \$.01 per share (the "Common Stock"). The presence, in person or by proxy, of the holders of a majority of the shares of Common Stock outstanding and entitled to vote at the Meeting is necessary to constitute a quorum. In deciding all questions, each holder of Common Stock shall be entitled to one vote, in person or by proxy, for each share held on the record date.

If you are a stockholder of record (that is, if you hold your shares in certificate form registered in your name on the books of the Company's transfer agent, American Stock Transfer and Trust Company, as of the close of business on July 27, 2006), and attend the Meeting, you may deliver your completed proxy card in person. However, if you hold your shares in "street name" (that is, not certificate form) (a) you must return your voting instructions to your broker or nominee so that the holder of record can be instructed how to vote those shares or (b) if you wish to attend the Meeting and vote in person, you must obtain and bring to the Meeting a proxy signed by the record holder giving you the right to vote the shares in order to be able to vote at the Meeting. (You may not use the voting instruction form provided by your broker or nominee to vote in person at the Meeting.)

Votes cast by proxy or in person at the Meeting will be tabulated by the election inspector appointed for the Meeting and will determine whether or not a quorum is present. The election inspector will treat abstentions as shares that

Edgar Filing: SIGMATRON INTERNATIONAL INC - Form DEF 14A

are present and entitled to vote but as not voted for purposes of determining the approval of any matter submitted to the stockholders for a vote. Abstentions will have the same effect as negative votes. If a broker indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter ("Broker Non-Votes"), those shares will not be considered as present and entitled to vote with respect to that matter.

Properly executed proxies will be voted in the manner directed by the stockholders. If no direction is indicated, such proxies will be voted FOR the election of the nominee named under the caption "Election of Director" as set forth therein as a director of the Company, and FOR the ratification of the selection of BDO Seidman, LLP as the Company's independent auditors. If a quorum is present at the Meeting, directors will be elected by a plurality of the votes cast. The ratification of the selection of auditors requires an affirmative vote by holders of a majority of the shares present at the Meeting in person or by proxy and entitled to vote. Any proxy may be revoked by the stockholder at any time prior to the voting thereof by notice in writing to the Secretary of the Company, either prior to the Meeting (at the above address) or at the Meeting if the stockholder attends in person. A later dated proxy will revoke a prior dated proxy.

As of the date of this Proxy Statement, the Board of Directors knows of no other business which will be presented for consideration at the Meeting. If other proper matters are presented at the Meeting, however, it is the intention of the proxy holders named in the enclosed form of proxy to take such actions as shall be in accordance with their best judgment.

The information contained in this Proxy Statement relating to the occupations and security holdings of directors and officers of the Company and their transactions with the Company is based upon information received from each individual as of July 14, 2006.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

The Company is required to report to stockholders those directors, officers and beneficial owners of more than 10% of any class of the Company's equity securities registered pursuant to Section 12 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), who fail to file timely reports of beneficial ownership and changes in beneficial ownership, as required by Section 16(a) of the Exchange Act. Based solely upon a review of copies of such reports furnished to the Company, the Company believes that all persons subject to the reporting requirements of Section 16(a) of the Exchange Act timely filed all necessary reports during the fiscal year ended April 30, 2006.

I. ELECTION OF DIRECTORS

Pursuant to the Company's Certificate of Incorporation, the Board of Directors is divided into three classes of directors, each serving overlapping three-year terms. The terms of Class I directors (Messrs. Rieck and McClelland) expire in 2006; the terms of Class II directors (Messrs. Chen and Zemenick) expire in 2007; and the terms of Class III directors (Messrs. Fairhead, Sove and Vyas) expire in 2008. All directors of each class will hold their positions until the annual meeting of stockholders in the year indicated above, at which time the terms of the directors in such class

expire, or until their respective successors are elected and qualify, subject in all cases to any such director's earlier death, resignation or removal.

On June 20, 2006, William L. McClelland notified the Board of Directors of the Company that he does not intend to stand for reelection when his current term as a Class I director expires at the 2006 Annual Meeting of Stockholders. Mr. McClelland has been a member of the Board of Directors since 2001 and served as a member of its Nominating Committee through June 20, 2006. Mr. McClelland's decision not to stand for reelection was not a result of a disagreement with management regarding the Company's operations, policies, practices or otherwise.

The Board of Directors does not currently intend to fill the vacancy left by the upcoming departure of Mr. McClelland. Accordingly, the Board of Directors has decided to reduce the number of directors from seven members to six members and to re-designate as of the 2008 Annual Meeting of Stockholders one of the Class III directors as a Class I director. Upon redesignation as a Class I director in 2008, that director will hold office until the expiration of the term of the current Class I directors at the 2009 Annual Meeting of Stockholders.

NOMINEE FOR ELECTION AS CLASS I DIRECTOR AT THE MEETING

If a quorum is present at the Meeting, one Class I director will be elected by a plurality of the stockholder votes cast at the Meeting, to serve until the 2009 annual meeting of stockholders or until his successor shall be elected and qualified, subject to their earlier death, resignation or removal. Abstentions and Broker Non-Votes will have no effect on the vote. Shares represented by executed proxies will be voted, if the authority to do so is not withheld, for the election of the nominee named below. The stockholders do not have cumulative voting rights with respect to the election of directors. The following person has been nominated:

NAME	AGE	DIRECTOR OF COMPANY SINCE
----	---	-----
Thomas W. Rieck..... Class I	61	1994
	Attorney and President of Rieck and Crotty, P.C. Mr. Rieck was an executive officer of CSI.	

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE IN FAVOR OF THE NOMINEE NAMED ABOVE.

The Board of Directors knows of no reason why the foregoing nominee will be unavailable or will decline to serve, but, in the event of any such unavailability, the proxies received will be voted for such substitute nominee as the Board of Directors may recommend. THE ENCLOSED PROXY CANNOT BE VOTED FOR A GREATER NUMBER OF PERSONS THAN ONE, THE NUMBER OF NOMINEES NAMED IN THIS PROXY STATEMENT.

CSI filed a petition for relief under Chapter 11 of the Bankruptcy Code in September 2000 and ceased to exist in 2003.	1994

II. PROPOSAL TO RATIFY SELECTION OF INDEPENDENT
CERTIFIED PUBLIC ACCOUNTANTS

The Board of Directors will recommend at the Meeting that the stockholders ratify the appointment of the firm of BDO Seidman, LLP to audit the accounts of

Edgar Filing: SIGMATRON INTERNATIONAL INC - Form DEF 14A

the Company for the current fiscal year. Representatives of that firm are expected to be present at the Meeting, have the opportunity to make a statement if they desire to do so, and be available to respond to appropriate questions. BDO Seidman, LLP was recommended by the Audit Committee and the Board of Directors for the fiscal year 2007. The decisions to dismiss Grant Thornton LLP and engage BDO Seidman, LLP were approved by the Board of Directors effective March 15, 2006 and March 31, 2006, respectively. The principal accountant's report on the financial statements was unqualified for fiscal year 2005 and 2006.

THE BOARD RECOMMENDS THAT STOCKHOLDERS VOTE IN FAVOR OF RATIFICATION OF THE SELECTION OF BDO SEIDMAN, LLP.

In connection with the audits for the years ended April 30, 2006 and 2005, the Company has had no disagreements with BDO Seidman, LLP or Grant Thornton LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to the satisfaction of BDO Seidman, LLP and Grant Thornton LLP would have caused it to make reference thereto in its report on the consolidated financial statements for 2006 and 2005.

The ratification of the selection of auditors requires an affirmative vote by holders of a majority of the shares present at the Meeting in person or by proxy and entitled to vote. Abstentions and Broker Non-Votes will have the same effect as negative votes.

CORPORATE GOVERNANCE

Our Board of Directors determined that each of Messrs. Chen, McClelland, Rieck, Sove, Vyas and Zemenick are independent under the rules of the Nasdaq Stock Market, Inc. As a result, our Board currently has a majority of independent directors under the rules of the Nasdaq Stock Market, Inc. Our Board of Directors has determined that our independent directors shall have regularly scheduled meetings during each fiscal year at which only the independent directors are present.

DIRECTOR COMMITTEES; BOARD MEETINGS

The Board of Directors has established an Audit Committee Charter, a Compensation Committee and a Nominating Committee. A copy of the Audit Committee Charter is included in this Proxy Statement as Appendix A and the Nominating Committee is available on the Company's website at www.sgmaintl.com. The Company believes that the composition of these committees meets the criteria for independence under, and the functioning of these committees complies with, the applicable requirements of, the Sarbanes-Oxley Act of 2002, the current listing standards of the Nasdaq Stock Market, Inc. and the Securities and Exchange Commission's rules and regulations.

The functions of the Audit Committee includes: (1) selection, evaluation, and where appropriate, replacement of the Company's independent accountants; (2) pre-approval of audit and permitted non-audit services to be

Edgar Filing: SIGMATRON INTERNATIONAL INC - Form DEF 14A

performed by the independent accountants; (3) review of the scope of the audit; (4) reviewing, with the independent accountants, the corporate accounting practices and policies and recommending to whom reports should be submitted within the Company; (5) reviewing the final report of the independent accountants; (6) reviewing accounting controls; and (7) being available to the independent accountants and management for consultation purposes. The Audit Committee is comprised of three members: Messrs. Rieck, Sove (Chairman) and Vyas. The Board of Directors has determined that each of the members of the Audit Committee is independent as defined by the Nasdaq Stock Market, Inc. listing standards and the rules of the Securities and Exchange Commission. Mr. Rieck has been determined to be an Audit Committee financial expert as defined in Item 401 of Regulation S-K promulgated under the Exchange Act. The Board of Directors has adopted a written charter for the Audit Committee, a copy of which is included as Appendix A to this Proxy Statement. The report of the Audit Committee to the Stockholders is included in this Proxy Statement below under the heading "Report of the Audit Committee."

The functions of the Compensation Committee are to review and recommend to the Board of Directors annual salaries and bonuses for all executive officers of the Company, to review, approve and recommend to the Board of Directors the terms and conditions of all employee benefit plans or changes thereto and to administer the Company's stock option plans. Messrs. Rieck (Chairman), Chen and Zemenick are members of the Compensation Committee. The Board of Directors has determined that each of the members of the Compensation Committee are independent under the listing standards of the Nasdaq Stock Market, Inc.

The functions of the Nominating Committee are to (1) review and recommend to the Board of Directors the size and composition of the Board and a slate of nominees for each election of members to the Board of Directors; (2) review and recommend changes to the number, classification, and term of directors; (3) identify and recommend to the Board candidates to fill appointments to Board committees; and (4) develop, assess and make recommendations to the Board concerning appropriate corporate policies to identify and recommend to the Board candidates to fill a vacancy in the offices of President and Chief Executive, to receive and review nominations by stockholders with regard to the nomination process. The members of the Nominating Committee are Messrs. Chen (Chairman), Vyas and Zemenick. During fiscal year 2006 and through June 20, 2006, the Nominating Committee consisted of Messrs. Chen (Chairman), McClelland and Zemenick. The current Board of Directors has determined that each of the members is independent under the Nasdaq Stock Market, Inc. listing standards. The charter for the Nominating Committee is available on the Company's website at www.sgmaintl.com.

In evaluating and determining whether to recommend a person as a candidate for election as a director, the Nominating Committee's criteria reflects the requirements of the recently adopted Nasdaq rules with respect to independence as well as the following factors: the needs of the Company with respect to the particular talents and experience of its directors; personal and professional integrity of the candidate; the level of education and/or business experience of the candidate; broad-based business acumen of the candidate; the candidate's level of understanding of the Company's business and the electronic manufacturing services industry; the candidate's abilities for strategic thinking and willingness to share ideas; and the Board of Directors' need for diversity of experiences, expertise and background. The Committee will use these criteria to evaluate all potential nominees.

The Nominating Committee will consider proposed nominees whose names are submitted to it by stockholders. The Nominating Committee has not adopted a formal process for that purpose because it believes that the Committee's process for considering information has been and remains adequate. Historically, stockholders have not proposed any nominees. The Nominating Committee intends to

Edgar Filing: SIGMATRON INTERNATIONAL INC - Form DEF 14A

review periodically whether a formal process should be adopted. To be considered, all stockholder nominations must comply with the notice provisions of the Company's by-laws, which generally require that such notice be received by the Secretary of the Company not less than 60 days and not more than 90 days prior to a regularly scheduled annual meeting of stockholders, or within 10 days after receipt of notice of an annual meeting of stockholders if the date of such meeting has not been publicly disclosed within 70 days prior to the meeting date.

The Board of Directors held eight meetings either in person or by telephone conference during the fiscal year ended April 30, 2006. The Compensation Committee held five meetings in person or by telephone conference and the Audit Committee held seven meetings in person or by telephone conference during fiscal 2006. The Nominating Committee held one meeting during fiscal 2006. All directors attended at least 75% of the meetings of the board and each of the committees of which they were members. The Company has a policy of encouraging all directors to

7

(1) These options are service-based options and vest over a three-year period which began in September 2005.

On April 28, 2006, in response to the issuance of SFAS 123R, the Company's Compensation Committee of the Board of Directors approved accelerating the vesting of 349,695 unvested stock options held by current employees and executive officers. Under FIN 44, a modification to accelerate the vesting of a fixed award effectively results in the renewal of that award if, after the modification, an employee is able to exercise/vest in an award that, under the original terms, would have expired unexercisable/vested. If the employee continues to provide service and would have vested in the awards under the original vesting provisions, the modification does not cause an effective renewal of the awards and, accordingly, any incremental compensation expense measured as of the modification date should not be recognized. The Company determined approximately 15,900 options were effectively renewed and compensation expense of \$5,248 was recognized in fiscal year 2006.

EMPLOYMENT CONTRACTS, TERMINATION OF EMPLOYMENT AND CHANGE OF CONTROL AGREEMENTS

Edgar Filing: SIGMATRON INTERNATIONAL INC - Form DEF 14A

The Company adopted an Amended and Restated Change-in-Control Severance Payment Plan on May 30, 2002 (the "CIC Plan"), which covers Executive Officers and Vice Presidents of the Company (each a "CIC Participant"). Under the terms of the CIC Plan, each CIC Participant is entitled to the payment of severance pay in the event such CIC Participant's employment with the Company is involuntarily terminated within twenty-four months of a change of control of the Company.

In general, for purposes of the CIC Plan, a change of control will be deemed to have occurred when (a) any entity, person or group other than Cyrus Tang or his affiliates, acquires more than thirty percent of the outstanding stock entitled to vote for directors of the Company, (b) as a result of or in connection with certain corporate transactions identified in the CIC Plan, the identity of a majority of the members of the Board of Directors immediately before such transaction changes immediately after the transaction, (c) the merger, consolidation, or share exchange of the Company, or (d) a sale of all or substantially all of the Company's assets. In general, a CIC Participant's employment will be deemed to have been involuntarily terminated under the CIC Plan, in the event of such employee's termination by the Company for a reason other than (w) for cause (as defined in the Plan), (x) death, (y) disability, or (z) that employee's voluntary retirement or resignation except on account of the reasons set forth in the agreement (which in general would result in a constructive discharge).

Disputes concerning the CIC Plan and benefits under the CIC Plan are subject to arbitration.

The CIC Plan provides for automatic reduction of the amounts to be paid out under the plan in the event such amounts would constitute "parachute payments" under the Internal Revenue Code. Payments under the CIC Plan are also subject to an aggregate cap equal to 15% of the market value of the Company's outstanding capital stock on such date in the event the employment of one or more of the CIC Participants is terminated voluntarily or involuntarily within seven days after the change-in-control.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

None of the members of the Compensation Committee has ever been an officer or employee of the Company. No Compensation Committee interlocking relationships exist as to Messrs. Rieck, Chen and Zemenick.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

OVERVIEW AND PHILOSOPHY

The Company's executive compensation policy is to provide a total compensation and benefit package to enable it to attract, retain and incentivize talented executives. Total compensation includes base salary, annual cash bonuses, long-term incentives and employee benefits. Guiding principles include offering an overall competitive package consisting of (a) base salary and employee benefits; and (b), to assure that management's interests are closely aligned with those of shareholders, performance-based incentives, including annual cash bonuses and long-term stock-based incentives based on overall Company financial results and individual contributions thereto. The Company seeks to reward outstanding executive performance contributing to superior Company operating results and enhanced shareholder value.

The Board of Directors administers the Company's executive compensation policy through its Compensation Committee. The base salary and annual cash bonuses of the President and the Chief Executive Officer and the executive officers of the Company is determined by the Board of Directors acting on the recommendations of its Compensation Committee. Annual cash bonuses are based, in large part, upon an informal plan that generates a bonus pool based upon return on net assets deployed in the business, and then the bonus pool is allocated among all of the employees of the Company eligible to participate. Stock options may also be granted to employees of the Company as determined by the Compensation Committee pursuant to the Company's stock option plans. The President and Chief Executive Officer recommends to the Compensation Committee the base salaries and annual cash bonuses to be paid, and, in the case of stock options, to be awarded, to all executive officers, based upon guidelines prescribed by the Committee.

REPORT OF FISCAL 2006 COMPENSATION OF EXECUTIVE OFFICERS

The President and Chief Executive Officer recommended to the Compensation Committee the base salaries and cash bonuses to be paid to the executive officers. After discussion, the Compensation Committee approved the base salaries and cash bonuses recommended, and then the entire Board of Directors adopted the recommendation.

REPORT OF 2006 COMPENSATION OF PRESIDENT AND CHIEF EXECUTIVE OFFICER

The compensation for the Company's President and Chief Executive Officer is set within the philosophy and policy identified above for all executive officers. In setting the salary and determining the cash bonus of the President and Chief Executive Officer of the Company, the Compensation Committee considered many factors, including but not limited to, industry and economic conditions, achievement of Company and personal goals, and effort, but with emphasis placed on the Company's financial results. The President and Chief Executive Officer's salary was increased for cost of living, similar to the other executive officers, but he was not granted a bonus because of, in large part, the decrease in the Company's net income from the prior year. Notwithstanding the decision not to recommend a bonus, the Compensation Committee remains impressed with his tireless efforts, his vision for the Company, and his management capabilities.

There was discussion and unanimous approval of this report.

CERTAIN TRANSACTIONS

During August and September 2004 the Company acquired all the interests of the outside investors in its affiliate SMT Unlimited L.P. ("SMTU") and the general partner of SMTU, SMT Unlimited, Inc., including voting interest. On October 1, 2004, SMT Unlimited, Inc. was merged into the Company, and SMTU was liquidated, thereby becoming an operating division of the Company. Prior to the acquisition by the Company, SMTU was consolidated under FIN 46R. The aggregate price paid for all the interests was \$2,814,699. This aggregate price was paid with \$1,330,000 in notes with terms of up to 2 years and cash in the amount of \$1,338,858 and the forgiveness of interest expense of \$145,841. The acquisition was treated as a step acquisition and resulted in goodwill of \$756,959 from one step and negative goodwill of \$452,087 from the second transaction. The negative goodwill was treated as a reduction in the acquired long-lived assets from SMTU. On October 1, 2004, SMT Unlimited, Inc. was merged into the Company, and SMTU was liquidated, thereby becoming an operating division of the Company. The Company purchased the outstanding interest of SMTU in order to provide seamless service to its customers.

16

IV. RESPONSIBILITIES

The Audit Committee shall have the following responsibilities:

Documents/Reports Review

Edgar Filing: SIGMATRON INTERNATIONAL INC - Form DEF 14A

1. Review this Charter annually and update it as conditions dictate.
2. Review the Company's annual financial reports and other financial information submitted to the Securities and Exchange Commission (the "SEC"), or the public, including any certification, attestation, report, opinion or review rendered by the independent accountants, and the independent accountants' judgment as to the quality of the Company's accounting principles.
3. Review with the chief financial officer or his/her delegate and, if the Committee believes it to be advisable, the independent accountants, quarterly reports on Form 10-Q prior to its filing or prior to the release of earnings. The Chair of the Committee may represent the entire Committee for purposes of this review.
4. Issue a report to the Board disclosing whether (a) the Committee has reviewed and discussed the audited financial statements with management; (b) the Committee has discussed with the independent accountants the matters required to be discussed by SAS 61, as may be modified or supplemented; (c) the Committee has received the written disclosures and the letter from the independent accountants required by ISB Standard No. 1, as may be modified or supplemented, and has discussed with the accountants the accountants' independence; and (d) whether, based on the review and discussions referred to in (a) -- (c) above, the Committee recommended to the Board that the financial statements be included in the Annual Report on Form 10-K or 10-KSB for the last fiscal year for filing with the SEC. These disclosures shall appear over the printed names of each member of the Committee, and shall be included in the Company's proxy statement, if said proxy statement relates to an annual meeting of shareholders at which directors are to be elected (or special meeting or written consents in lieu of such meeting). The disclosures shall be made at least once a year.

Independent Accountants

5. Select, evaluate, and, where appropriate, replace the independent accountants, and, if appropriate, nominate the independent accountants to be proposed for shareholder ratification or approval in any proxy statement. The independent accountants are ultimately accountable to the Committee, which has the sole authority and responsibility to select, evaluate and, where appropriate, replace the independent accountants.
6. Pre-approve all audit and permitted non-audit services to be performed by the independent accountants (subject to the de minimis exceptions under applicable law, rules and regulations). However, the Committee may delegate to one or more designated members of the Committee the authority to grant such pre-approvals, and the decisions of any member to whom such authority is delegated shall be presented to the full Committee at its next regularly scheduled meeting. In determining whether to pre-approve permitted non-audit services, the Committee (or the members with authority to pre-approve) shall consider whether the independent accountants' performance of such services is compatible with independence.
7. Approve the fees and other compensation to be paid to the independent accountants. On at least an annual basis, to determine the accountants' independence, the Committee should discuss with the independent accountants all significant relationships or services the independent accountants have that may impact their objectivity and independence,

10. Oversee regular rotation of the lead audit partner, as required by applicable law, rules and regulations, and consider whether rotation of the independent accountants or their lead audit partner is necessary to ensure independence.
11. Take other appropriate action to oversee the independence of the independent accountants.

Financial Reporting Processes

12. Review with management and the independent accountants not less than annually the internal controls, disclosure controls and procedures, and accounting and audit activities of the Company.
13. Review with management and the independent accountants significant exposure risks and the plans to appropriately control such risks.
14. Consider and approve, if appropriate, major changes to the Company's auditing and accounting principles and practices as suggested by the independent accountants, management, or the internal accounting department.
15. Review with management and the independent accountants accounting policies which may be viewed as critical, and review significant changes in the accounting policies of the Company and accounting and financial reporting proposals that may have a significant impact on the Company's financial reports. Review with management accounting estimates in the event (a) an estimate requires the Company to make assumptions about matters that are highly uncertain at the time the accounting estimate is made, and (b) different estimates that the Company reasonably could have used in the current period, or changes in the accounting estimates that are reasonably likely to occur from period to period, would have a material impact on the presentation of the Company's financial condition, changes in financial condition or results of operations.
16. Make or cause to be made, from time to time, such other examinations or reviews as the Committee may deem advisable with respect to the adequacy of the systems of internal controls, accounting practices, internal audit procedures, and disclosure controls and procedures of the Company, taking into account current accounting and regulatory trends and developments, and take such action with respect thereto as may be deemed appropriate by the Committee. The Committee shall have

Edgar Filing: SIGMATRON INTERNATIONAL INC - Form DEF 14A

the authority to retain outside advisors to assist it in the conduct of any investigation, examination or review.

17. Review with management and the independent accountants any material financial or non-financial arrangements of the Company which do not appear on the financial statements of the Company.
18. Review communications required to be submitted by the independent accountants concerning (a) critical accounting policies and practices used, (b) alternative treatments of financial information within generally accepted accounting principles ("GAAP") that have been discussed with management and the ramifications of such alternatives and the accounting treatment preferred by the independent accountants, and (c) any other material written communications with management.
19. Review with the independent accountants any problems encountered in the course of their audit, including any change in the scope of the planned audit work and any restrictions placed on the scope of such work and any management letter provided by the independent accountants and management's response to any such letter.

Internal Controls and Process Improvement

20. Evaluate whether senior management is setting the appropriate tone at the top by reviewing their communication with other personnel of the Company regarding the importance of internal controls and

18

26. Establish procedures in accordance with applicable law, rules and regulations for (a) receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and (b) the confidential, anonymous

Edgar Filing: SIGMATRON INTERNATIONAL INC - Form DEF 14A

submission by employees of the Company of concerns regarding questionable accounting or auditing matters.
