- .. Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

ITEM ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

1.01.

On October 15, 2012, Sunwing Zitong Energy Ltd. (“Sunwing”), a subsidiary of Ivanhoe Energy Inc. (the “Company”), entered into a definitive Sale and Purchase Agreement (“SPA”) with Shell China Exploration and Production Co. (“Shell”), which enables Sunwing to transfer its participating interest in the Contract for Exploration, Development and Production in the Zitong Block, Sichuan Basin of the People’s Republic of China, dated September 19, 2002 (the “Original Contract”), as supplemented and amended by a Supplementary Agreement dated December 30, 2011 (the “Supplementary Agreement”), and as further amended by an Amendment Agreement dated October 9, 2012 (the “Amendment Agreement”), each among Sunwing, China National Petroleum Corporation (“CNPC”) and Mitsubishi Gas Chemical Company, Inc. (the Original Agreement, the Supplementary Agreement and the Amendment Agreement, collectively, the “Petroleum Contract”) to Shell.

According to the SPA, subject to government approvals and other prescribed conditions, Sunwing agreed to sell to Shell 100% of Sunwing’s participating interest in and under the Petroleum Contract. Shell agreed to pay as consideration (i) a payment of up to US\$85 million as reimbursement for past qualified and recoverable costs incurred, and (ii) a further payment upon closing of US\$20 million, provided that the final condition for the transaction be met on or before December 31, 2012. In addition, the SPA sets forth that, following completion of the transaction, Shell will assume the US\$20 million performance bond that the Company deposited in December 2011 for the benefit of CNPC pursuant to the Supplementary Agreement. Finally, the SPA provides that, if the Ministry of Commerce of the People's Republic of China’s approval has not been received after the expiration of twelve (12) months from the date of submission of the Amendment Agreement, the agreement may be terminated.

Sunwing and Shell anticipate closing the transaction by the end of 2012.

The above description of the SPA is a summary, does not purport to be complete and is qualified in its entirety by the complete text of the SPA, a copy of which is attached hereto as Exhibit 10.1 and incorporated by reference herein. The Company’s press release announcing the signing of the SPA is attached hereto as Exhibit 99.1 and is incorporated by reference herein.
