A copy of the Company's Annual Report for the year ended December 31, 2001, including financial statements, accompanies this Proxy Statement. The Annual Report is not to be regarded as proxy soliciting material or as a communication by means of which any solicitation is to be made.

The specific proposals to be considered and acted upon at the Annual Meeting are summarized in the accompanying Notice of Annual Meeting of Stockholders. Each proposal is described in more detail in this Proxy Statement.

Outstanding Voting Stock

The Company's Common Stock is the only class of security entitled to vote at the Annual Meeting. Only stockholders of record at the close of business on March 18, 2002 will be entitled to vote on all matters to come before the meeting. Each outstanding share of Common Stock entitles its holder to cast one vote for each matter to be voted upon. As of March 18, 2002, there were approximately _____ shares of Common Stock outstanding and entitled to vote at the Annual Meeting.

Quorum and Vote Required

Votes cast by proxy or in person at the Annual Meeting will be tabulated by the Inspector of Elections, EquiServe, L.P. (the "Inspector"),

Edgar Filing: VISX INC - Form PREC14A

the Company's Transfer Agent. The Inspector will also determine whether or not a quorum is present. The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of Common Stock outstanding on March 18, 2002 will constitute a quorum. All proxies representing shares that are entitled to vote at the meeting will be counted toward establishing a quorum, regardless of whether such proxies contain abstentions or broker non-votes.

The affirmative vote of a plurality of the votes cast at the meeting is required for the election of directors. A properly executed proxy marked "Withhold Authority" and broker non-votes with respect to the election of one or more directors will not be voted with respect to the director or directors indicated. The affirmative vote of the holders of a majority of the votes cast at the meeting will be required to ratify each other proposal.

Whether or not you are able to attend the Annual Meeting, you are urged to complete and return the enclosed gold proxy and return it in the enclosed self-addressed, prepaid envelope. All valid proxies received prior to the meeting will be voted. If you specify a choice with respect to any item by marking the appropriate box on the proxy, the shares will be voted in accordance with that specification. If no specification is made, the shares will be voted FOR Proposals 1 and 2 and, in the proxy holders' discretion, as to other matters that may properly come before the Annual Meeting.

Revocability of Proxy

You may revoke or change your proxy at any time before the Annual Meeting. To do this, send a written notice of revocation or another signed proxy with a later date to the Secretary of the Company, John F. Runkel, Jr., at the Company's principal executive offices at 3400 Central Expressway, Santa Clara, California 95051-0703, by 8:00 a.m., local time, on _____, 2002. In addition, directors, officers, and other employees of the Company may solicit proxies without additional compensation therefor. The methods by which _____, the directors, officers and other employees of the Company may solicit proxies are by mail, telephone, telegram, facsimile or personal communication.

THE BOARD OF DIRECTORS

Board Committees and Meetings

The Board of Directors of the Company held ten meetings during 2001 and acted by unanimous written consent one (1) time. Except for Directors Falberg and Petersmeyer, who joined the Board of Directors in December 2001, all current directors and nominees attended greater than 75% of the meetings of the Board of Directors and committees thereof upon which such director served. The Board of Directors has standing Audit, Compensation and Governance Committees.

Audit Committee. From January to December 2001, the Audit Committee consisted of Directors French (chair), Galiardo and Sayford. In December 2001, Director Falberg was appointed to the Audit Committee. The Audit Committee oversees engagement of the Company's independent auditors, reviews the arrangements for and scope of the audit by the Company's independent auditors, and reviews and evaluates the Company's accounting practices and its systems of internal accounting controls. The Audit Committee held four meetings during 2001. The Company's Board of Directors has adopted a charter for the Audit Committee. The Company believes that all of the members of the Audit Committee qualify as independent directors under the listing standards of the New York Stock Exchange.

Compensation Committee. From January to December 2001, the Compensation Committee was comprised of Directors French, Galiardo, Holmes and Sayford (chair). In December 2001, Director Petersmeyer was appointed to the Compensation Committee in place of Director Galiardo. The Compensation Committee sets the compensation of the Company's executive officers, including salary and bonuses, and administers the Company's stock option plans. The Compensation Committee held seven meetings during 2001.

Governance Committee. From January to December 2001, the Governance Committee was comprised of Directors French, Galiardo (chair), Holmes and Sayford. In December 2001, Directors Falberg and Petersmeyer were appointed to the Governance Committee in place of Directors French and Sayford. The annual retainer for non-employee directors (\$20,000), fees for each Board meeting the director attended (\$2,000), and fees for attendance at a Board meeting by telephone (\$250) and for each Committee meeting attended (\$500) remained the same as the fees paid in 2000. The compensation for the chairperson of each Committee continued at the same rate (\$750) as the rate paid in 2000. Non-employee directors receive automatic annual grants of options to purchase 6,000 shares of the Company's Common Stock. Non-employee directors also receive a one-time grant of options to purchase 45,000 shares of the Company's Common Stock upon initial election to the Board of Directors. In addition, directors are reimbursed for out-of-pocket travel expenses associated with their attendance at Board and Committee meetings.

Compliance with Section 16(a) of the Exchange Act

Section 16(a) of the Securities Exchange Act of 1934 requires the

Edgar Filing: VISX INC - Form PREC14A

Company's executive officers and directors and persons who own more than ten percent of the Company's Common Stock (collectively, "Reporting Persons") to file reports of ownership and changes in ownership of the Company's Common Stock with the Securities and Exchange Commission (the "SEC"). Reporting Persons are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms that they file. Based solely on a review of the copies of reporting forms furnished to the Company or written representations from certain Reporting Persons that no annual forms were required, the Company believes that all filing requirements were complied with during 2001. For fiscal year 2000, however, section 16(a) forms relating to annual option grants were filed late for Mark B. Logan, Elizabeth H. Davila, Timothy R. Maier, James W. McCollum, David M. Patino, and Kina Lamblin.

Compensation Committee Interlocks and Insider Participation

The Company's Compensation Committee consists of Directors French, Holmes, Petersmeyer and Sayford, none of whom have ever been employed by the Company. Other than Mark B. Logan, who served on the compensation committees of Abgenix, Inc., Align Technology, Inc. and VIVUS, Inc., no executive officer of the Company served on the compensation committee of another entity or on any other committee of the board of directors of another entity performing similar functions during 2001. Mr. Logan resigned as Chief Executive Officer in February 2001 and concluded his term as a director at the Annual Meeting of Stockholders on May 4, 2001. No employee of Abgenix, Inc., Align Technology, Inc. or VIVUS, Inc. served or serves on the Board of Directors or the Compensation Committee of the Company.

EXECUTIVE COMPENSATION

Report of the Compensation Committee on Executive Compensation

Compensation Committee. The Compensation Committee of the Board of Directors is composed entirely of outside directors. The Committee is responsible for setting and administering the policies and programs that govern both annual compensation and stock ownership programs for the executive officers of the Company. The Compensation Committee held seven meetings during 2001.

Compensation Philosophy. The goals of the Company's compensation program are to provide a strong and direct link between the Company's financial performance and executive pay. The Company aligns management compensation with business objectives and stockholder interests by setting performance measures and objectives, and tying those objectives to a cash bonus plan and the use of stock-based incentives. The Committee retains the services of an independent compensation consulting firm to provide appropriate market survey data as well as to make specific recommendations to the Committee with respect to base salaries, cash bonuses, and stock incentive awards. The Committee retained this consulting firm because of the firm's expertise in evaluating and assessing compensation requirements in the Company's geographic region for attracting and retaining high caliber candidates for executive management positions.

Other key elements of the Company's compensation philosophy include establishing compensation programs that provide competitive pay systems to help the Company attract, retain and motivate its executive management. The Company positions its executive base salaries at the mid-point of survey data, and in years in which bonuses are earned, total cash compensation is targeted to be above the average survey data. The decision to grant bonuses or additional stock incentive awards is keyed to achievement of the annual business plan for Company-wide goals and individual performance.

Edgar Filing: VISX INC - Form PREC14A

Compliance With Internal Revenue Code Section 162(m). The Company is subject to Section 162(m) of the Internal Revenue Code adopted in 1993, which limits the deductibility of certain compensation payments to its executive officers. The Company does not have a policy requiring the Committee to qualify all compensation for deductibility under this provision. The Committee's current view is that any non-deductible amounts will be immaterial to the Company's financial or tax position, and that the Company derives substantial benefits from the flexibility provided by the current system, in which the selection and quantification of performance targets are modified from year to year to reflect changing conditions. However, the Committee takes into account the net cost to the Company in making all compensation decisions and will continue to evaluate the impact of this provision on its compensation programs.

2001 Executive Compensation Program. In 2001, the Company's executive compensation program integrated the following components: base salary, cash bonuses and stock option grants. The Committee reviews each component of executive compensation annually. As an executive's level of responsibility increases, a greater portion of his or her potential total compensation is based on performance incentives and less on salary and employee benefits, causing potentially greater variability in the individual's absolute compensation level from year to year.

Base Salary. The Committee establishes annual base salary levels for executives based on competitive survey data, level of experience, position and responsibility, the prior year's corporate performance and individual recommendations of executive management.

Incentive Compensation Plan. The Committee has approved a performance-based executive compensation plan (the "Incentive Compensation Plan"). The Committee awarded bonuses for 2001 using the criteria as set forth in that plan. The total pool of monies available for bonuses was set based on the Committee's assessment of 2001 performance. After reviewing the Company's 2001 performance, the executives' individual performance and information provided by the independent compensation consulting firm, the Committee approved grants of bonuses for the executive officers. All Named Officers (as defined below) except John F. Runkel, Jr. were awarded cash bonuses in 2002 based on 2001 performance.

Stock Awards. For 2001, the Committee approved stock option awards for the executive officers, including the Named Officers. These awards were made in recognition of the performance of the Company and the contributions made by the officers in achieving this level of performance.

2001 Chief Executive Officer Compensation. Ms. Davila, in her capacity as Chief Executive Officer, participated in the same compensation programs as the other Named Officers. The Committee has targeted Ms. Davila's total compensation, including compensation derived from the Incentive Compensation Plan and the stock option plan, at a level it believes is competitive with the average amount paid by the Company's competitors and companies with which the Company competes for executive talent. Ms. Davila's salary was increased to \$390,000 for 2001. Ms. Davila received an Incentive Compensation Plan award in recognition of the achievements of the Company during 2001 and of her contributions to those achievements.

Employment Arrangements

The Company has entered into Change of Control Severance Agreements (the "Severance Agreements") with each of the Named Officers. The Severance Agreements provide, among other things, that if the Named Officer's employment is terminated other than for cause within two years after a change of control of the Company, the Named Officer is entitled to receive a lump sum severance payment equal to three times the Named Officer's annual base salary and bonus. In addition, pursuant to the terms of the documents governing the grants of options under the Company's option plans, all outstanding unvested options as of the date of a change of control, including options held by the Named Officers, become fully vested and exercisable upon the occurrence of a change of control.

PERFORMANCE GRAPH

The SEC requires the Company to include in this Proxy Statement a line-graph presentation comparing cumulative, five-year stockholder returns on an indexed basis with a broad equity market index and either a nationally recognized industry standard or an index of peer companies selected by the Company. The following graph assumes that \$100 was invested on December 31, 1996 (the last trading day of that year) in the Company's Common Stock and each of the comparative markets, and that all dividends were reinvested. The stock price performance shown on the graph is not necessarily indicative of future price performance.

The following graph compares the performance of the Company's Common Stock with the performance of the Standard & Poor's Biotechnical and Medical Products Group Index and the New York Stock Exchange (U.S. Composite) Index. The Company's stock began trading on the New York Stock Exchange on September 7, 2000.

PROPOSAL NO. 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Company is asking the stockholders to ratify the appointment of Arthur Andersen LLP as the Company's independent auditors for the year ending December 31, 2002. Arthur Andersen LLP has audited the Company's financial statements since May 1988. Representatives of Arthur Andersen LLP are expected to attend the Annual Meeting and will have the opportunity to make a statement if they desire to do so and to answer appropriate questions.

Fees billed to the Company by Arthur Andersen LLP during 2001

o Audit Fees:

Audit fees billed to the Company by Arthur Andersen LLP during 2001 for review of the Company's annual financial statements and those financial statements included in the Company's quarterly reports on Form 10-Q totaled \$168,300.

o Financial Information Systems Design and Implementation Fees:

The Company did not engage Arthur Andersen LLP to provide advice to the Company regarding financial information systems design and implementation during 2001.

o All Other Fees:

Fees billed to the Company by Arthur Andersen LLP during 2001 for all other non-audit services rendered to the Company, including tax-related services totaled \$210,700.

Independence and Stockholders' Ratification of the Selection of Arthur Andersen LLP

The Audit Committee has considered whether the provision of non-audit services by Arthur Andersen LLP is compatible with maintaining the independence of Arthur Andersen LLP. The Audit Committee has determined that the performance of such non-audit services did not impair the independence of Arthur Andersen LLP. Stockholder ratification of the selection of Arthur Andersen LLP as the Company's independent public accountants is not required by the Company's Bylaws or other applicable legal requirement. However, the Board is submitting the selection of Arthur Andersen LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee and the Board will reconsider whether or not to retain that firm. Even if the selection is ratified, the Board at its discretion may direct the appointment of a different independent auditing firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

Vote Required and Board of Directors' Recommendation

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" PROPOSAL NUMBER 2. Ratification of the appointment of Arthur Andersen LLP as the Company's independent auditors for the year ending December 31, 2002 will require the

Edgar Filing: VISX INC - Form PREC14A

affirmative vote of a majority of the shares of Common Stock represented in person or by proxy and entitled to vote, and voting with respect to this proposal, at the Annual Meeting.

REPORT OF AUDIT COMMITTEE

The Audit Committee is comprised entirely of independent non-employee directors. The Audit Committee oversees engagement of the Company's independent auditors, reviews the arrangements for and scope of the audit by the Company's independent auditors, and reviews and evaluates the Company's accounting practices and its systems of internal accounting controls. The Audit Committee has reviewed and discussed the Company's audited financial statements for 2001 with the Company's management and with the independent auditors. The Audit Committee has also discussed with the independent auditors the matters required to be considered with the auditors by Statement of Auditing Standards No. 61. The Audit Committee has received written communication and the letter from the independent auditors required by Independence Standards Board Standard No. 1 and has discussed with the independent auditors their independence from the Company. Based on the foregoing activities, the Audit Committee has recommended to the Board of Directors that the Company's audited financial statements for the year 2001 be included in the Company's report on Form 10-K for such year, which was filed with the Securities and Exchange Commission on March , 2002.

ITEMS NOT CONSTITUTING SOLICITING MATERIAL

The Compensation Committee and Audit Committee reports included herein shall not constitute "soliciting material" or be deemed to be "filed" with the SEC under the Securities Exchange Act of 1934, as amended, and the applicable rules and regulations thereunder.

OTHER MATTERS

Other Matters to be Presented

The Board knows of no matters other than the election of directors and ratification of the Company's independent auditors to be presented for stockholder action at the Annual Meeting. However, if other matters do properly come before the Annual Meeting or any adjournment or postponement thereof, the Board intends that the persons named in the proxies will vote upon such matters in accordance with their best judgment.

Participants in the Solicitation

Under applicable regulations of the Securities and Exchange Commission ("SEC"), each member of the Board of Directors, certain executive officers of the Company and certain other corporate officers of the Company may be deemed to be "participants" in the Company's solicitation of proxies. The principal occupation and business address of each person who may be deemed a participant are set forth in Appendix A hereto. Certain information relating to the directors, executive officers and other participants of the Company, including certain information regarding their transactions with respect to the Company's securities, is listed in Appendix A.

Edgar Filing: VISX INC - Form PREC14A

Possible Stockholder Solicitation

On November 20, 2001, Barberry Corp. ("Barberry"), an entity affiliated with Carl C. Icahn, submitted a notice to the Company stating that Barberry intended to nominate a slate of directors to the Company's Board of Directors. The notice stated that Barberry and its affiliates, including Mr. Icahn, High River Limited Partnership and Gail Golden, beneficially own an aggregate 10.96% of the outstanding Common Stock of the Company. The Company does not know if the Icahn group will initiate a proxy contest.

In connection with the 2001 Annual Meeting, the Icahn group engaged in a proxy solicitation seeking to elect a slate of nominees to the Company's Board of Directors. Two days before the Company's 2001 Annual Meeting, the Icahn group withdrew its slate of nominees and terminated its solicitation of proxies. Based upon the status of the voting known to the Company at that time, the Company believes that the Icahn group nominees would have been defeated by a very substantial margin.

In the course of pursuing the proxy contest in connection with the 2001 Annual Meeting, certain members of the Icahn group stated that they were willing to engage in a cash merger with VISX in which VISX shareholders would receive \$32 per share, subject to due diligence and financing. VISX was skeptical of the Icahn group's intentions, but agreed to permit the Icahn group to perform a due diligence investigation. Following execution of the confidentiality agreement, neither the Icahn group nor their advisors arranged to review the Company's due diligence materials.

THE BOARD OF DIRECTORS OF THE COMPANY UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE BOARD'S NOMINEES ON THE ENCLOSED PROXY CARD.

Stockholder Proposals for 2003 Annual Meeting

Stockholder proposals that are intended to be presented pursuant to Rule 14a-8 under the Securities Exchange Act of 1934 at the Annual Meeting of the Company in the year 2003 must be received at the executive offices of the Company (3400 Central Expressway, Santa Clara, California 95051-0703, Attention: Office of the Secretary) on or before November , 2002 in order to be considered for inclusion in the year 2003 Proxy Statement and Proxy. In addition, under the advance notice provisions of the Company's Bylaws, written notice of proposals outside of Rule 14a-8 under the Securities Exchange Act of 1934 must be delivered to or mailed and received at the executive offices of the Company in accordance with the requirement set forth in the Company's Bylaws on or before November , 2002. Therefore, in order for proposals of stockholders made outside of Rule 14a-8 under the Exchange Act to be considered "timely" within the meaning of Rule 14a-4(c) under the Securities Exchange Act of 1934, such proposals must be delivered to or mailed and received at the executive offices of the Company on or before November , 2002.
