successor to First Chicago Trust Company of New York), dated as of February 3, 1995, as amended by Amendment No. 1 thereto dated as of April 23, 1999 (as so amended, the "Rights Agreement"). Amendment No. 2 reduces from 20% to 10% the threshold at which the Rights (as defined in the Rights Agreement) will be triggered. According to the Rights Agreement as amended, subject to certain exceptions described in the Rights Agreement, the Rights will be triggered after a person or group becomes the beneficial owner of 10% or more of the Company's outstanding common stock or commences a tender or exchange offer upon consummation of which such person or group will become the beneficial owner of 10% or more of the Company's outstanding common stock. Current holders of 10% or more of the Company's outstanding common stock will not trigger the Rights unless any such holder acquires an additional 1% of the Company's common shares or, in the case of a holder that reports its beneficial ownership on Schedule 13G, such holder increases its ownership above 15%. A copy of Amendment No. 2 is attached hereto as Exhibit 4.1.

On December 27, 2004, the Company issued a press release announcing the approval and implementation of Amendment No. 2 to the Rights Agreement. A copy of the press release is attached hereto as Exhibit 99.1 and incorporated herein by reference.
